

## NEW COVERAGES LISTED BY CIF PROTECTION FUND

The CIF Protection Fund, the non-profit benefit and relief association serving high schools, has announced new coverages for the 1973-74 school year, with increased dollar benefits for all coverages, and with reduced rates for some, according to William W. "Bill" Russell, State CIF Commissioner and Executive Secretary of the Fund.

Four major changes are as follows.

1. All Plans have increased benefits:

A. The catastrophic coverage has been increased so that the total combined benefits available is \$10,000.

B. Dental benefits are increased to pay 80% of the first \$750 in reasonable and necessary dental charges for injuries to sound natural teeth; prescribed orthopedic appliances are covered; and drugstore prescriptions are covered.

2. The membership fee for high school tackle football coverage is reduced from \$25.00 to \$22.00 and junior high school tackle football is reduced from \$12.00 to \$10.00. Football claims have been reduced in the last year or two. The all other sports coverage fee will remain at \$5.75.

Benefits will be provided in accordance with the current California Division of Industrial Accidents Medical Fee Schedule as adopted October 1, 1972, using a \$6.50 conversion factor.

3. New 24-hour coverage options are available as an option to the voluntary purchase pupil protection plans.

4. A new summer recreation athletic league coverage is now available, effective immediately, to any student. The individual coverage fee of \$4.25 can be collected by a school, or the summer league coach, or the recreation department, for transmittal to CIFPF. Those interested in securing this new coverage should contact the CIFPF office in Santa Barbara.

Russell stated that school personnel should use caution when reading literature from insurance companies which purport to compare CIFPF with commercial insurance. Several misleading charts have been mailed to schools recently, Russell indicated, recommending that the best source for information about CIF insurance is the CIFPF Office, 470 S. Patterson Ave., Santa Barbara 93111, phone (805) 964-4724. Robert E. Steuart, Administrative Assistant, is available for full information.

## FOOTHILL, WILSON'S SHAW HEADLINE SWIM CHAMPIONSHIPS

Wilson High sophomore Tim Shaw set two CIF, SS, records and Foothill High of Tustin cruised to its third straight team title April 13 at the CIF, SS, Swimming and Diving Championships a Belmont Plaza, Long Beach.

Shaw bettered Jack Babashoff's standard in the 200 freestyle by a second and a half with a 1:40.7 (he beat runner-up Darrell Fick by more than two seconds) and also erased John Halladay's year-old 400 mark with a 3:33.1.

The only other record broken was one which Foothill High has snapped each of the past three seasons. Ken Wills, Larry Johnson, Peter Spurzem and Rod Strachan swam 3:14.5 in the 400 freestyle relay.

It was Foothill's only first place, but the Knights' depth was enough to net them 146½ points to runner-up L.B. Wilson's 96. Sunny Hills had 91½, Buena 76, and there was a big drop from there.

Corona del Mar glided to the frosh-soph title with 33 points to Servite's 27, Miraleste's 22 and Westminster's 21.

Individually, Curt Wilson of Rolling Hills won his second consecutive diving championship, and continued an unbeaten streak in his high school career, that has seen him lose only once (as a freshman in the CIF meet when he was fourth). And Wilson will be back next year. Craig Schwartz of Sunny Hills also became a two-time winner in the backstroke.

### RESULTS

Frosh/Soph 200 Medley Relay: 1. Servite (Balles, Peper, Belardi, Schumaker) (1:44.1) 2. Corona Del Mar (1:45.9) 3. Miraleste (1:46.9) 4. Indio (1:47.5) 5. Los Alamitos (1:48.9) 6. Marina (1:49.2) \*CIF Record.

Varsity 200 Medley Relay: 1. Sunny Hills (Schwartz, Wahl, Spicer, Carey) (1:39.6) 2. tie between El Dorado (1:40.4) and Buena (1:40.4) 4. Foothill (1:41.5) 5. Wilson (1:41.9) 6. Muir (1:42.2) 7. Servite (1:43.3) 8. Arcadia (1:43.8) 9. La Habra (1:43.9) 10. Los Alamitos (1:46.0) 11. Palos Verdes (1:46.4) No 12th.

Frosh/Soph 200 Freestyle: 1. \*Keith Mori (El Dorado, 1:49.7) 2. Taylor Watson (Corona del Mar, 1:52.3) 4. Rick Schumaker (Servite, 1:53.5) 5. Jack Lorenz (Corona del Mar, 1:54.1) 6. Mike Elleman (San Marino, 1:54.2) \*CIF Record.

Varsity 200 Freestyle: 1. \*Tim Shaw (Wilson, 1:40.7) 2. Darrell Fick (Lynwood, 1:42.8) 3. Jeff Ross (Burbank, 1:43.1) 4. Jack Babashoff (Ftn. Valley, 1:44.5) 5. Ron Orr (San Gabriel, 1:45.3) 6. Jim Wilson (Los Alamitos, 1:47.2) 7. Jeff Cameron

(La Habra, 1:44.2) 8. Frank Gordin (Lake-wood, 1:46.1) 9. Mike Nyeholt (San Gabriel, 1:47.3) 10. Sven Carlson (Los Altos, 1:48.9) 11. John Dunster (Wilson, 1:49.0) 12. Bob Richards (Covina, 1:50) \*CIF record, old mark: 1:42.4, Jack Babashoff, Fountain Valley, 1972.

Frosh/Soph 100 Individual Medley: 1. \*Mike Casanova (South Torrance, 57.8) 2. Scott Becker (San Marino, 58.2 B) 3. Ed Buckles (Mira Costa, 58.1 B) 4. Dean La Chasse (Glendale, 58.2 B) 5. Steve Bird (Miraleste, 58.2 B) 6. Larry Holmes (Marshall JHS, 59.1) \*CIF Record.

Varsity 200 Individual Medley: 1. Jeff Boss (La Quinta, 1:55.6) 2. Rod Strachan (Foothill, 1:55.8) 3. tie between Bruce Furniss (Foothill, 1:56.0) and Bill Patterson (Arcadia, 1:56.0) 5. Geoff Sharp (Eisenhower, 1:58.8) 6. Steve Madden (Buena, 2:01.4) 7. Bruce Krumpolz (Corona Del Mar, 1:58.4) 8. Victor Katayama (Mira Costa, 1:59.0) 9. Scott Shelton (Wilson, 2:03.9) 10. Craig Himmler (Claremont, 2:05.1) 11. Blake Johnson (Thousand Oaks, 2:06.0) 12. Randy Vogel (Foothill, 2:06.2)

Frosh/Soph 50 Freestyle: 1. \*Jon Huntley (Westminster, 22.9) 2. Tom Meloth (Agoura, 23.0) 3. Larry Wood (Covina, 23.2) 4. Robert Smith (Santa Monica, 23.8) 5. Darrel Haarlammer (Monte Vista, 24.2) 6. Mike Wear (Rancho Alamitos, 22.9) \*CIF Record.

Varsity 50 Freestyle: 1. Gary Anderon (Cabrillo, 21.8) 2. Peter Spurzem (Foothill, 22.1 B) 3. Eric Gorges (Hoover, 22.1 B) 4. Rick Prier (San Luis Obispo, 22.2 B) 5. Rick Wenger (Indio, 22.1 B) 6. Russ Bauer (Palos Verdes, 22.4) 7. Phil Romano (Alhambra, 22.1) 8. Jeff Carey (Sunny Hills, 22.3) 9. Rich Wagner (Corona Del Mar, 22.5 B) 10. Larry Gates (Servite, 22.5 B) 11. Jeff Rolan (Tustin, 22.7) 12. Larry Johnson (Foothill, 22.9)

Diving: 1. Curt Wilson (Rolling Hills, 421.70) 2. Bill Hobbs (Mission Viejo, 386.70) 3. Bart Morris (Lowell, 385.80) 4. Jim Joyce (California, 370.10) 5. Tim Crawford (Crescenta Valley, 324.60) 6. Mark Hastings (Foothill, 319.80) 7. Chris Hennis (Sunny Hills, 315.40) 8. Tim Gallagher (Costa Mesa, 311.90) 9. Steve Powell (Harvard, 306.90) 10. Mitch Goldstein (Westminster, 273.65) 11. Jeff Dains (Chaffey, 273.10) 12. Scott Rowe (Palos Verdes, 217.50)

Frosh/Soph 50 Butterfly: 1. \*Jim Belardi (Servite, 24.3) 2. Larry Dick (Redlands, 25.3) 3. Frank Browne (Corona Del Mar, 25.5 B) 4. Dean La Chasse (Glendale, 25.5 B) 5. Chris Oshiro (Aviation, 25.5 B) 6. Oz Simmons (Laguna Beach, 25.7) \*CIF Record.

Varsity 100 Butterfly: 1. Jeff Rolan (Tustin, 51.7) 2. Jay Hersey (Rubidoux, 52.1) 3. Jeff Boss (La Quinta, 52.2) 4. Don Grant (Millikan, 52.3) 5. Steve Tallman (Buena, 52.5) 6. Ken Wills (Foothill, 53.0) 7. Charlie Pearson (Poly (Riv.), 53.0) 8. Craig Schwartz (Sunny Hills, 53.1 B) 9. Sam Franklin (Tustin, 53.2 B) 10. Don Johnson (Los Alamitos, 53.1 B) 11. Brian

## DESIRE TO EXCEL — IN SPORTS, LIFE — DROVE YOUNG CHUCK TURTON

Getting to the top in any sport is a tough job, but the fun and enjoyment you've gotten along the way make it all worthwhile. No one makes it without constant practice, dedication, sacrifice, and hard work. But, what is it that makes one player work harder and stick with it longer than the next? What motivates a player to strive for excellence and not be satisfied until he has developed his natural talents and ability to the fullest?

It would seem that there are many answers to these questions as there are athletes. To a certain degree this is true; each athlete has his innermost reasons for wanting to play his position better than anyone who has come before him. But often, if you examine a player's background more closely, you will discover a key individual — perhaps a player's father or mother or high school coach, or all three — has inspired him to work hard and encouraged him not to give up.

That's the case with Chuck Turton, Jr., former football player from the Millikan High School in Long Beach. As a football player he drew the desire to succeed and excel from someone who influenced him significantly during his elementary and junior high school years — Coach Earl Lee, of the Long Beach Junior Football League and from head coach Roger Hall of Millikan, as well as his parents.

Chuck Turton, Jr., saw many doctors after his 1967 spring high school practice: 2 neurologists, 3 neurosurgeons, 2 orthopedic doctors and 1 ENT — all specialists in their fields. None could diagnose the illness that caused numbness in the right hand, right toe, progressing to the right foot,

(Continued on Page 5)

## MINUTES OF CIF, SOUTHERN SECTION, COUNCIL MEETING May 5, 1973

The regular Spring meeting of the CIF, Southern Section, Council was held on Saturday, May 5, 1973, at the Rodger Young Auditorium.

The meeting was called to order at 9:30 a.m. by Council President Steve Miletich, Vice-Principal, Beverly Hills High School.

Representatives from all of the leagues were in attendance.

The following guests were present: John Ford, Head Football Coach, Lakewood High School; Al Perez, Track Coach, Colton High School; Paul Liefeld, Principal, Heritage High School; Dean Renfro, Athletic Director, Fontana High School; Bob Weinen, Administrator, Cabrillo High School; George Massick, Football Coach, St. John Bosco High School; Clare Van Hoorebeke, Athletic Director, Anaheim High School; Jim Naughton, Football Coach; Sierra High School; Bob Herrold, Foothill League Secretary; Martin Koobation, Principal, Carpinteria High School; and Anthony Pallanee, Track Coach, Bishop Garcia Diego High School, Phyllis Blatz, Claffey; Beverly Stunden, Monrovia.

### 1. APPROVAL OF MINUTES.

a. It was moved, seconded, and passed to approve the minutes of the Council meeting of January 20, 1973, as published in the February, 1973, Monthly Bulletin.

b. It was moved, seconded, and passed to approve the minutes of the Executive Committee meeting of March 31, 1973, as published in the April, 1973, Monthly Bulletin.

c. It was moved, seconded, and passed to approve the minutes of the Executive Committee meeting of May 4, 1973, as presented to the Council.

### 2. RELEAGUING COMMITTEE

**REPORT.** Releaguings Committee Chairman Lou Joseph expressed his gratitude to the members of the Council at having had the opportunity of working with the high caliber of administrators in this CIF section, in developing the releaguings recommendations for the 1974-75 school year. He expressed the committee's excellent reception when attending meetings in the areas affected by releaguings. It was Chairman Joseph's desire that if the present procedure for gathering input does not meet the needs of the leagues involved, that leagues should so instruct him. Highlights of Mr. Joseph's presentation included the following:

a. In the Citrus Belt area, the San Andreas League's willingness to include Arlington High School as part

of a nine (9) team league.

b. The South Bay experiment in which three leagues (the Bay, Ocean, and Pioneer) are to be integrated, according to strength in each sport, with a plan to be submitted in early June.

c. Additionally, Orange County is engaged in a major releaguings overhaul and the final disposition of this leaguings will also be reported at a later date.

It was added that the committee will present further information at the June Executive Committee meeting.

**3. PUBLIC VS. PRIVATE SCHOOL PLAYOFF COMMITTEE REPORT.** Chairman Joe Deal reported to the Council that his committee was continuing to receive information from schools. The committee has also met with the Catholic Athletic Association in order to solicit additional information on this matter. The Chairman had no further business to present at this time.

**4. GIRLS' ATHLETICS COMMITTEE REPORT.** Chairman Alex Alexander presented a report regarding his committee's study of the girls' athletic program and its future role in the CIF, Southern Section. A short history and overview of girls' athletics in the Southern Section was also presented by Mr. Alexander.

Included in this report was the stated need to develop by-laws, enforcement policies, awards, playoffs, leaguings and general administration of the girls' program. Mr. Alexander indicated that a prerequisite to begin the aforementioned items was to secure additional help within the Southern Section Office.

After further discussion, it was moved, seconded, and passed to direct the CIF, Southern Section, Office and Administrative Committee to implement a program to secure the services of a qualified, part-time Administrative Assistant to assist the Commissioner in developing a Girls' Athletic Program within the Southern Section.

Discussion proceeded regarding the possible adoption of State Rule 109 by the Council which could lift all Southern Section restrictions regarding girls' participation on boys' teams. In the ensuing discussion of the rule, the following points were made:

1. That such adoption would still give the league and the school or district the right to be more restrictive and would not be effective until the 1973-74 school year.

2. That legal advice indicated such a change would be advisable.

(Continued on Page 3)

## COUNCIL MINUTES

(Continued from Page 2)

3. Additionally, Ferren Christensen, Principal of Westminster High School, added that under Title 9, serious questions could be raised regarding discrimination if the rule were not adopted.

4. Phyllis Blatz, Women's Sport Advisor to the State Federated Council, also indicated that only the outstanding girls would be involved.

Although further clarification of this matter will be necessary, it was the general feeling of the Council that they should move expeditiously on this matter, therefore, it was moved, seconded, and passed to adopt State Rule 109 and incorporate same into the CIF, Southern Section, Blue Book, where appropriate, for the 1973-74 school year.

### State Rule 109

"Only students regularly enrolled in public and private CIF member schools, Grades 9-12 shall be permitted to participate in the California Interscholastic Federation.

"Boys' teams and/or teams composed of boys and girls shall be conducted in accordance with CIF Rules for boys' sport teams. See Rule #35C for approved sports.

"(Teams composed of girls only shall be conducted in accordance with CIF rules for girls' sport teams.)"

The final item under Girls' Athletics revolved around the role to be played by member schools in their administration. The Council realized the many details that will have to be developed over the next few months, and the many concerns of member schools over the possible confusion whenever a new program is implemented.

Notwithstanding, it was moved, seconded, and passed to require member schools of the CIF, Southern Section, to be members for all interscholastic athletics for boys, girls, and for teams composed of boys and girls, effective for the 1973-74 school year. (Note: The Council wished it noted that the above regulations would not prohibit present Girls' Athletic Association Play Days as long as the activity received Executive Committee approval. It was emphasized that neither the State or the Southern Section has taken any action which would permit boys to participate on recognized girls' interscholastic athletic teams.

**5. FINANCIAL REPORT.** Dr. Hanford Rants gave a report in which he outlined some considerations facing the CIF, Southern Section, for the 1973-74 school year.

a. The CIF, Southern Section reserve now stands at approximately \$90,000.00, a net loss of that reserve

## TO HONOR EL SEGUNDO COACH WHITEY SAARI

Urho "Whitey" Saari, for 30 years the aquatics coach at El Segundo High School and one of the world's most respected men in the swimming and water polo realm, will be honored by his friends and associates at "Urho Saari Day," sponsored by the El Segundo Chamber of Commerce.

The affair begins at 6 p.m. at the International Hotel (Sepulveda & Century Blvd. on Thursday, May 24. Reservations are \$7.50 per person. Co-chairmen of the event are Bob Morris of El Segundo High and Jim Norris of El Camino College.

Saari's Eagle water polo teams have won the IF, SS water polo title 12 times since 1946, been second six times, third three times and in the playoffs every year but two. El Segundo also claims six CIF, SS Swimming championships.

Saari's career mark for polo is 376 wins and 82 losses, with a league mark of 59.4. El Segundo swimmers have won 33 individual events in the swim championships under Saari.

His two sons, Roy and Bob were among his finest performers, with Roy capturing four straight 400-freestyles and Bob being named water polo player of the year three times.

Saari has also worked with the highly successful El Segundo Swim Club since 1946 and has served twice as U.S. Olympic water polo coach and once as manager.

Saari is generally credited with putting water polo on the map in the CIF, SS with his early work in the sport. There now nearly 150 teams playing water polo in the section.

in the last two years of approximately \$45,000.00.

b. The increased office and cost of living expenses will go up from between \$10,000.00 to \$15,000.00 next year.

c. The services involving the Girls' Athletic Program will cost an additional \$20,000.00.

d. That the CIF, Southern Section, reserve should be held at a minimum of \$120,000.00 in order to meet unforeseen circumstances.

e. That attorney fees are \$2,500.00 over this year's budget.

It was his recommendation that the Council consider the following items to raise the necessary income to meet the aforementioned considerations:

1. Raise the dues from 4¢ to 8¢ per ADA.

2. Change the football playoff financial split from 1/3 to 1/2 to the CIF, SS, Office in all football games after the first round.

Page Three

3. Raise the minimum fee for membership from \$25.00 to \$50.00.

The Treasurer went on to point out that this would raise approximately \$46,500.00 or about the amount of projected additional expense facing the CIF, Southern Section, next year.

After further discussion, it was moved, seconded, and passed to amend Article 27, Section 1, 2, and 3, and incorporate the principles of this report to be adjusted administratively in an equitable manner.

**6. TYPE OF BASKETBALL TO BE USED IN PLAYOFFS.** Dr. Rants reported to the Council concerning the Basketball Playoff Committee's study of an alternative to the present system of determining the basketball to be used in basketball playoffs. Under the existing method, the ball, is determined by the majority of leagues, using either a leather or a rubber ball in each playoff classification. At present the AAAA, AAA, and AA have used the leather ball during the last 1973 playoffs while the A classification used the rubber ball.

It was moved, seconded, and passed to maintain the present system of selecting the type of basketball for the playoffs, which is determined by the October survey of the leagues involved.

**7. FOOTBALL REGULATIONS COMMITTEE.** Chairman Steve Miletich presented the committee report with the recommendations regarding the conduct of football activity and related activities within the CIF, Southern Section.

A long and thorough discussion developed as each of the different proposals to implement the new regulations were considered. The five proposals were as follows:

a. To allow football activity in regular school year and summer physical education classes.

b. To allow summer football instructional activities.

c. To lift the present CIF restrictions on summer touch or flag football activities.

d. To permit practice in any sport from May 1 until the close of school, although during this period, teams could not engage in an interschool scrimmage, practice, or contest.

e. The modification of Article 43, Section 13, governing pre-practicing conditioning in football.

After intensive consideration, each of the following five revisions were moved, seconded, and passed:

a. **Football Activity in Regular School Year and Summer Physical Education Classes** — A coach or teacher may, during a regularly scheduled school year or summer physical education class, teach the

(Continued on Page 4)

## COUNCIL MINUTES

(Continued from Page 3)

fundamentals and skills of the sport of football. Boys may wear football shoes, a "T-shirt, trunks, or sweat-suit, but no other protective equipment will be permitted. No live tackling will be permitted in any physical education class. No type of equipment such as air dummies, stand-up dummies, 2 or 7-man sleds, or blocking aprons will be permitted in any physical education class. Common sense should be the keynote with regard to the type of activity to be permitted in a physical education class.

**b. Summer Football Practice or Teaching Activities**—High school boys may attend and participate in any formal or informal summer instructional football activity, such as a camp, recreational or privately sponsored program, without jeopardizing their future high school eligibility. Schools may not permit any high school or student body-owned football uniforms or equipment to be used in any type of summer football program.

**c. Summer Touch or Flag Football**—A boy with further high school eligibility may participate during the summer on a touch or flag football team. No CIF restrictions shall be placed upon those who may comprise such a team.

**d. Spring Athletic Practice**—On and after May 1 and until the close of the school year a coach may conduct official practice in any sport. During this period a team may not engage in any inter-school scrimmage, practice, or contest.

**1. Football—Article XXXXIII, Section 15**, governing spring football practice will remain the same except Paragraph A. This paragraph, limiting spring football practice to 15 days during the period between May 1 and the close of the school year, will be deleted.

**2. Other Sports**—A coach in any other CIF, SS, approved sport may conduct spring practice sessions in his sport between May 1 and the close of the school year. No team may participate in an interschool scrimmage, practice, or contest during this period.

**e. Pre-Practice Conditioning Program**—That Article XXXXIII, Section 13, governing the week of pre-practice conditioning will not be changed. It will still be permissible (not mandatory) for a high school coach to conduct such a physical conditioning program. An addition will be made to this rule which will permit a high school to issue foot-

ball uniforms at any time during the week. Boys may suit up on Friday for purposes of picture taking.

**8. YEAR ROUND SCHOOL.** Mr. Ferren Christensen, Principal of Westminster High School, and member of the State Committee on the year round school presented a synopsis of the status of year round schools in the State of California.

In his report he stated that there were 41 elementary, six intermediate and no high schools operating on the year round school as of this date. He further indicated that there are many plans for year round schools. The most popular seems to be the 45-15 or four-quarter system. In addition he added that there are two schools, Coalinga High School, and Big Bear High School of the Southern Section which have plans to implement the year round school during the upcoming school year.

At this point, Dr. Reynolds, Principal of Big Bear High School, presented his high school's plan for the upcoming school year. In his presentation he indicated that all CIF requirements were being met with the possible exception that some students are not full-time members of the student body during the season of their sport. Dr. Reynolds and Mr. Christensen additionally added that Big Bear High School had both the recommendation of the State year round school committee and the Arrowhead League to implement their program.

It was moved, seconded, and passed to allow Big Bear High School athletes full eligibility under their year round program for the 1973-74 school year.

**9. ELECTION OF OFFICERS.** Chairman Steve Miletich announced the results of the election of officers for the following vacancies:

State Federated Council . . .  
Tony Balsamo, Principal  
Apple Valley High School  
Executive Committee Member . . .  
(Orange County)  
Lou Joseph, Principal  
Canyon High School, Orange  
Executive Committee Member . . .  
(Los Angeles Area)  
Roger Weeks, Principal  
Sierra High School

**10. EXTEND CROSS COUNTRY RACE TO THREE MILES.** Jim Lockner from the Bay League presented to the Council a proposal on behalf of his league to allow it to experiment on a one-year basis in league competition only, with an increase of the cross country distance competition from two to three miles. In discussing the change, the fact was brought out that in many other states, three miles is already the standard.

It was moved, seconded, and passed

to allow the Bay League to engage in this experiment for one year only and to submit the results at the January 1974 Council meeting.

**11. PLAYOFF GROUPINGS.** President Steve Miletich and Commissioner Ken Fagans presented to the Council the recommended playoff groupings for football, cross country, basketball and baseball for the 1973-74 school year.

A request was received from Mr. Roger Weeks, Whitmont League Representative, to move the Whitmont League from the AAA to the AAAA Classification in football, basketball, and baseball.

It was moved, seconded, and passed to approve the 1973-74 playoff groupings including the Whitmont League amendment.

**12. VOLLEYBALL.** The Commissioner presented a short history of the rapid growth and interest in volleyball within the CIF, Southern Section. Included in his presentation was an outline for the proposed inclusion of this activity as a regular CIF, Southern Section, sport. There was general agreement among the Council that volleyball was deserving of such consideration.

It was moved, seconded, and passed that volleyball be made an approved sport, effective with the 1973-74 school year and that the Commissioner be directed to incorporate volleyball regulations governing this sport into the by-laws.

**13. ATHLETIC DIRECTOR ON THE EXECUTIVE COMMITTEE.** President Steve Miletich presented to the Council a proposal for the inclusion of an Athletic Director on the Executive Committee. He expressed the point that recent events at the State level had made desirable the consideration of this matter. It was also brought out that the CIF, Southern Section, has historically shown initiative in broadening its base and including constructive representation from different elements of the school community. This practice was last evidenced by the inclusion of a superintendent's representative on the Executive Committee.

After further discussion, it was moved, seconded, and passed to direct the Commissioner to develop criteria for the selection of several athletic directors to be presented to the Southern Section Council for their consideration on the Executive Committee.

**14. COUNCIL MEETING ON SCHOOL DAY.** Dr. Richard Cordano, Principal, Arcadia High School, presented to the Council a proposal to hold the September CIF, SS, Coun-

(Continued on page 5)

## DESIRE TO EXCEL

(Continued from Page 2)

hand and forearm; headaches; right hand dyplopia, swallowing, slurred speech that finally took him out of football after his spring varsity game at the University of California, and further took the complete use of his right hand during his senior year.

Chuck's father visited head coach, John Ralston, when Stanford was in Long Beach for the Rose Bowl. Ralston recommended a doctor at Stanford Medical Center—Dr. James B. Gordon, who had diagnosed Von Hippel Lindau disease: Lindau—a brain tumor; Von Hippel—an eye tumor. Surgery was performed, and a tumor the size of a golf ball was removed. Dr. Hunter Little performed a laser beam treatment to the two eye tumors. Chuck Turton, Jr., within two weeks would have had a mass cerebral hemorrhage according to his surgeon, if the surgery had not been performed.

Physical fitness was not the only part of Chuck Turton, Jr.'s battle to survive. Chuck mustered mental toughness—and inner strength that gave him the courage to refuse to be beaten.

Chuck Turton, Jr., applied to meet the demands of nature. These skills and attitudes brought Turton the ability to go back and complete his college education he lost with one quarter to go in 1972 because of his surgery, and he is well on his way to retaining the feeling in his right hand and belted lower body. He can almost use his right hand now, and can throw a football. He was willing to do anything to survive, and has—he gets his BS Degree this month with honors, and is entering grad school in September.

## WRESTLING RULES FILM AVAILABLE THIS FALL

The latest in up-to-date rules films being produced by the National Federation, will be available to Southern Section schools next fall.

It is the new Wrestling Rules film, replacing the most recent one made for that sport (in 1969). The new film is being produced at an appropriate time, in that it will depict a number of new rules recently formulated.

The film will be available to member schools through the CIF, SS film library, one of the many services rendered by the CIF office. Rules films in football, basketball, baseball, swimming, and track are also available, as well as a number of historical playoff films.

## COUNCIL MINUTES

(Continued from Page 4)

meeting on a school day on a trial basis. It was brought out that by so doing, an orientation for new members could be held and that such an activity would be consistent with the professional responsibility of school administrators.

Therefore, it was moved, seconded, and passed to hold the next Council meeting on Thursday, September 20, 1973, at 9:30 a.m. at the Rodger Young Auditorium in Los Angeles.

**15. SOCCER REGULATIONS.** The Commissioner presented to the Council the proposed changes in Soccer Regulations for the 1973-74 school season. Included in the proposal was the raising of the number of games from 14 to 18 and reducing the number of scrimmages from three to one. Also included in the proposal was the change to two 30-minute halves as opposed to the present four 15-minute quarters. The Commissioner also included a proposal for breaking ties in playoff games.

It was moved, seconded, and passed to adopt the proposed change in soccer regulations as presented.

**16. REPORT ON CURRENT LITIGATION.** Dr. Richard Cordano gave a short report to the Council on the latest disposition of the Monrovia High School case. He reported that a meeting was held in the judge's quarters in which the judge sought to bring the estranged parties together. Additionally, the attorney for Monrovia High School offered a list of proposals which he felt could resolve the impasse. These proposals were presented to the Mission Valley League at its spring meeting and rejected by a vote of 8-0.

Mr. Jack Barton, Mission Valley League Representative, expressed his appreciation to the CIF, Southern Section, for its continued support of the league's position. He restated the league's position, and its desire to be the instrument of decision-making in regard to resolving the problems of its member schools.

**17. ALEMANY WRESTLING PROBLEM.** Chairman Steve Miletich presented to the Council a petition by Alemany High School to be placed in a league for wrestling for the 1973-74 school year.

Alemany stated that after an exhaustive search, it feels it might be placed in the Pioneer League for the 1973-74 school year. The Pioneer League has only five members for wrestling and Alemany High School would become the sixth member to fill the "bye."

Additionally, the Pioneer League Representative, Robert Kingston of El Segundo High School, indicated the

strong opposition on the part of his league to include Alemany High School for the upcoming school year.

Notwithstanding, it was moved, seconded, and passed to place Alemany High School in the Pioneer League for wrestling only for the 1973-74 school year. (NOTE: The Marmonte League indicated that it would be happy to assume this responsibility for 1974-75 school year. Also the Pioneer League Representative wished it made a matter of record that his league voted "no" on this question.)

**18. EXECUTIVE COMMITTEE AUTHORITY TO UPDATE BY-LAWS.** The Commissioner presented to the Council the proposal that the Executive Committee be given authority to update CIF, Southern Section, by-laws which would be consistent with the new State Constitution to be adopted at the June meeting of the State Federated Council.

This authority would authorize the Executive Committee to make the necessary adjustments in order that the CIF, Southern Section, Blue Book could be published and distributed to the membership by the fall semester.

It was moved, seconded, and passed to direct the Executive Committee to make the necessary changes, consistent with the new State Regulations and include them in the Southern Section 1973-74 Blue Book.

There being no further business to come before the Council, the meeting was adjourned at 2:15 p.m.

Administrative Assistant  
Respectfully submitted,  
Thomas E. Byrnes

MINUTES OF MEETING OF THE CIF, SS, EXECUTIVE COMMITTEE

May 4, 1973

The May meeting of the Executive Committee was called to order by Chairman Steve Miletich at 1:30 p.m. on Friday, May 4, 1973, at the CIF, Southern Section, Office.

The following members were in attendance: Chairman Miletich, Vice-Principal, Beverly Hills High School; Alex Alexander, Principal, Desert Sands High School; Tony Balsamo, Principal, Apple Valley High School; Richard Cordano, Principal, Arcadia High School; James Faul, Principal, Workman High School; Ted Gossard, Jackson, Superintendent, Centinela Principal, Aviation High School; Lowell Valley High School District; Keith Lee, Principal, Yucca Valley High School; Rev. Alexander Manville, Principal, Bishop Garcia Diego High School; Hanford Rants, Principal, Gahr High School; J. Kenneth Fagans, Commissioner of Athletics; Thomas E. Byrnes, Administrative Assistant; and Mike Peck, Director of Public Information, CIF, Southern Section, Office. Also in attendance was Mr. Tom Brown, Dean of Students, Bellarmine-Jefferson High School.

1. APPROVAL OF MINUTES. It was moved, seconded, and passed to approve the minutes of the Executive Committee meeting of March 31, 1973, as published in the April, 1973, Monthly Bulletin.

2. APPLICATIONS FOR MEMBERSHIP. It was moved, seconded, and passed to approve the applications for regular membership in the CIF, Southern Section, for the following schools, effective for the 1973-74 school year:

Hesperia Christian School  
Lutheran High School of Victor Valley

3. LEE VINING HIGH SCHOOL NOVEMBER 30, 1973, BASKETBALL TOURNAMENT REQUEST. A letter was received from Lee Vining High School asking for permission to waive the December 1, 1973, starting date of the basketball season and permit Lee Vining High School to host a basketball tournament beginning on November 30, 1973.

Special problems facing the school include its isolated location and the fact that some of the schools available for this tournament are Nevada schools. In addition, it was brought out that because of travel conditions, Lee Vining High School is unable to schedule scrimmages in their area.

After being thoroughly discussed, it was moved, seconded, and passed to grant the request of Lee Vining High School and permit their basketball tournament to begin on November 30,

1973.

4. CONDOR LEAGUE ELIGIBILITY PROBLEM. The Commissioner presented a letter from Dos Pueblos High School in reference to a former student, Steve Rickborn, who had transferred to Laguna Blanca High School without a change of residence on the part of his parents and in violation of the Transfer Rule. In the communication it was reported that the boy was granted immediate eligibility upon his arrival at Laguna Blanca High School.

The Commissioner directed a letter, dated March 16, 1973, to Mr. John Adams, Principal at Laguna Blanca High School. In his letter, the Commissioner asked Mr. Adams to appraise him of the circumstances surrounding the boy's case.

In a communication of March 26, 1973, Mr. Adams indicated that Laguna Blanca had granted this athlete eligibility and it also stated that it has been the policy of the Condor League since 1967 to follow this policy, as long as the athletes were involved in only Condor League competition. It had been the misconception of the Condor League that a one year trial experiment, granted by the Executive Committee in September, 1967, was an open-ended sanction of this practice.

The Commissioner advised the Condor League that this activity was a violation of Southern Section Residential Eligibility Rules. It was therefore, moved, seconded, and passed to instruct the Condor League to immediately discontinue such practices and to adhere strictly to all CIF, Southern Section, rules regarding eligibility in the future.

5. SAN CLEMENTE REQUEST TO BE PLACED IN THE ORANGE LEAGUE. The Commissioner presented a request on behalf of San Clemente High School to be transferred to the Orange League in place of Saddleback High School, which in turn would take San Clemente High School's place in the Crestview League.

San Clemente High School has a projected enrollment of 613 boys in the upper three grades, while Saddleback enrolled for the 1973-74 school year. Saddleback High School has over 1000 boys. Additionally, a poll of both leagues involved indicated that a majority favored this change.

It was moved, seconded, and passed to change San Clemente High School to the Orange League and Saddleback High School to the Crestview League for the 1973-74 school year.

6. RECOMMENDED CHANGE

IN STATE CONSTITUTION AND BY-LAWS. The Commissioner and President Miletich gave a report on the changes being made in the State Constitution and By-Laws. Of most immediate concern was the new State regulation which would permit girls to be eligible for competition on all boys' athletic teams, after July 1, 1973.

It was the unanimous recommendation of the Executive Committee that the Southern Section adopt the State's position on this matter.

7. ELIGIBILITY CASES. It was moved, seconded, and passed by the Executive Committee to waive the Residence Rule in the case of the following student, to be effective immediately:

Robert D. Bernard,  
La Quinta High School

8. CATHOLIC ATHLETIC ASSOCIATION CASE. Mr. Tom Brown, Dean of Students, Bellarmine-Jefferson High School, appeared before the Executive Committee to express his concern over the actions of the Catholic Athletic Association in its decision to censor Bellarmine-Jefferson High School for its procedures in contacting local Catholic elementary schools. Mr. Brown stated he felt that there was poor communication between the CAA and his institution in defining the role which coaches could play in the recruiting of prospective students.

The particular point of contention in the CAA censorship was the admitted Bellarmine-Jefferson practice of allowing members of their coaching staff to appear at local Catholic elementary schools for the purpose of recruiting prospective students. Additionally, Rev. Manville, Principal of Bishop Garcia Diego High School, pointed out that items such as this had been thoroughly covered with CAA members at an earlier meeting of this school year which Bellarmine-Jefferson failed to attend.

It was moved, seconded, and passed to support the action of the CAA regarding its censorship of Bellarmine-Jefferson High School.

9. SANTA ANA DISTRICT PROBLEM. A letter was received from Mr. Charles Kenney, Superintendent of the Santa Ana Unified School District, in which he indicated that because of heavy construction in September, 1972, when school was delayed, that the Santa Ana schools will not close until June 28, 1973. In his communication, he indicated that the Santa Ana schools are asking their athletes be allowed to engage in summer basketball competition beginning June 18, 1973, as would be the case for other athletes in the area who do not attend Santa Ana District schools.

## LINEUP SET FOR 26th CAL POLY WORKSHOP

An all-star lineup has once again been announced for the annual California Workshop for PE and Athletic Coaching, set for July 30-Aug. 10 at Cal Poly, San Luis Obispo.

The 26th renewal of the workshop is co-sponsored by Cal Poly, CAHPER and the state department of education. Four units of credit per week are offered.

Jim Harrick, who boasts a 103-16 record in four years as head coach at Morningside High School in Inglewood, will conduct a section of the basketball seminar, along with U. of Washington coach Marv Harshman. Other standout coaches on the workshop staff are CPSLO wrestling mentor Vaughan Hitchcock; former Lynwood HS baseball coach (Now at CPSLO) Berdy Harr; Paul Briggs (162-52-8

## COMMITTEE MINUTES

(Continued from Page 7)

After a thorough discussion the Committee realizing that the close of school at a later date was an unforeseen circumstance and to restrict only the Santa Ana athletes from competition would not be in the best interests of all concerned, moved seconded, and passed to allow the Santa Ana Unified District athletes to compete on summer league basketball teams after June 18, 1973, and before school is out in the district for the 1973 summer period only.

10. LEE VINING HIGH SCHOOL MULTI-CAMPUS SITUATION. A letter was addressed to the Southern Section Office from Lee Vining High School, asking that the school be granted a multi-campus status with the Mammoth Elementary School which would allow 9th grade students from Mammoth Elementary School to compete at Lee Vining High School.

After further discussion, the point was brought out that this was on a one year basis only and was the result of overcrowded school conditions. It was moved, seconded, and passed to recommend to the State Federated Council that this petition be granted.

11. CHANGE OF REIMBURSEMENT FOR LITTLE LEAGUE. The Commissioner presented to the committee the changing circumstances surrounding the reimbursement of athletes who umpire Little League baseball games. The basic fee now ranges from \$7.50 to \$10.00 and CIF, Southern Section, athletes are being put at a disadvantage in relation to others performing the same service, since Article XVII, Section 1, Item J, limits total reimbursement not to exceed \$5 per contest. It was moved, seconded, and passed to recommend to the State Federated Council that this reimbursement figure be readjusted to \$10.00.

(NOTE: This being a State regulation, Section 188, Item C of the State constitution, only state approval would put this into effect in the CIF, Southern Section.)

There being no further business to come before the committee, the meeting was adjourned at 5:00 p.m.

Respectfully submitted,  
 Thomas E. Byrnes  
 Administrative Assistant

Approved:  
 J. Kenneth Fagans  
 Commissioner of Athletics

during 24 years as head football coach at Bakersfield High), and Bill Dellinger, track coach at U. of Oregon.

Handling reservations is John Seixas, athletic director at San Gabriel HS.
