After attending Chino HS he transferred to Pomona HS, although he still lived with his brother in Chino. He was ruled to reside with his brother in Chino. **TRACK CARDS NOW AVAILABLE**

One of the many services available to member schools at no cost is fulfilling requests for head judges of track and field events. The head judges cards which are used by officials in running track meets are used for all track events. One card has been designated for use in the broad jump and shot put, while a third card is used for the high jump and pole vault.

A dual track and field meet in which the full CIF list of track events, if held for Classes A, B, and C, require 20 track event cards, 6 high jump and pole vault cards, and 6 broad jump and shot put cards. Schools wishing enough cards to take care of all their home meets must request these cards to be placed in the CIF Office as soon as possible. Simply indicate the number of home track meets your school has scheduled for the coming season, and your order will be placed on file for January delivery. These cards will be mailed directly to the head track coach at each high school.

**ENTERTAINING SPORTS FILMS AVAILABLE TO SCHOOLS**

Representatives of schools in the SS region frequently call the CIF Office inquiring as to the availability of sports films which can be shown for assembly purposes in gymnasiums and other such groups. Only films available in our file are in the fields of sportsmanship, basketball, and baseball, which many times are not available.

We have just been advised by Coca-Cola Company that they have available to high schools, at no charge, the following five entertaining sports films in sound and color, and approximately 22 minutes duration each:

**Kansas City Athletics in Action** — the story of the A’s championship season with action photography and slow motion of many games in five stadium, featuring such players as Mickey Mantle, Ted Williams, Whitey Herzog, and others.

**Detroit Tigers** — similar to the above

**Winning with the Yankees** — only one film of the New York Yankees, with narration by Mel Allen.

**Melbourne Olympic Games** — Action in the 1956 Olympics.

**CHANGES IN SS COUNCIL**

For the 1958-59 Directory of member schools we have listed the names of all league representatives on information sheets at this office during the summer. Since the publication of the manual, we have been informed of three changes that have taken place in the Council membership.

During the past school year the Bay League has been ably represented by Mr. Joe Day, who was the capable and efficient vice-principal of Santa Monica HS. During the summer Mr. Day resigned to accept another position in the District and was replaced as vice-principal by Mr. Porter Leach, former Santa Monica HS. Mr. Leach now assumes Mr. Day’s unexpired term and will be requested to place the Bay League on the SS Council for the balance of the school year.

Due to other commitments Mr. Ray P. Wilse, Superintendent of the San Jacinto Unified District, and representative from the Riverside County League, found it impossible to continue as league representative and has been replaced by Mr. John J. Williams, representative for the San Gorgonio Unified District. We are going to miss Ray Wilse, but we are also looking forward to working with Mr. Sims during the coming school year.

Due to the retirement last June of Mr. Don Jordan, Principal of Claremont High School, the Sunset League was left without representation. We listed their league President, Mr. Don Cruze, as General Representative for the schools in that District and our work has been immeasurably aided by the efforts of Mr. Cruze, as well as by the efforts of Mr. Jim Miller, representative from the Sunset League will be the personal representative of Mr. Sidney Haggard, Principal of Huntington Beach High School.

Speaking of changes we would also like to take this opportunity to congratulate Mr. Habeck-Holloway upon his appointment as Superintendent of the Whittier Union HS District. Mr. Holloway has come up through the ranks at this office, serving as coach, Vice-Principal, Principal, and Assistant Superintendent, so he brings a wealth of experience in athletics and guidance into his new position. I know that Habeck’s legion of friends join me in wishing him the best of luck and great success in his new undertaking.

these circumstances, the boy was eligible for competition at Mater Dei HS. A letter of explanation was presented to Father Montrose of Mater Dei HS, relative to Father Montrose and a Mater Dei coach visiting the boy's parents in an effort to get the boy to enroll in Mater Dei HS. As the boy had not attended any classes at Huntington Beach HS, it was felt that their act was unfounded since the boy had previously attended classes at Mater Dei HS and repeatedly attended a parochial school. It was believed that Mater Dei HS was available and would be interested in having the boy participate in their activities. After some discussion among the boys' parents it was agreed that, if the possibility was moved, seconded, and adopted on the part of the Pacific, it was moved, seconded, and carried that the boy be eligible for intercollegiate sports because he had last attended Mater Dei HS because he had last attended Mater Dei HS because he had last attended classes at Huntington Beach HS.

It was pointed out that, however, that the committee did not believe that it was necessary, or quite unnecessary to retain the right to contact boys for the purpose of enrolling them in their schools.

competitors entered, in this year’s playoff competition. Two non-league schools have already applied for entrance into the "A" playoffs and if of the required number of games will be allowed to compete. The commission pointed out that in the probability there would be a full bracket of 16 teams, which would be most desirable in conducting this playoff. After this discussion it was moved, seconded, and carried that the Commission should immediately designate the boys representative in each of the "A" football playoffs and inquire as to whether the teams would be interested in entering the playoffs if given the opportunity. If not, the necessary notice of teams interested in entering the playoffs to com-

15. The following cases were presented for interpretation:

a) Pomona HS requested information as to the eligibility status of a boy who had not attended later when at the death of his mother on October 11, 1957, transferred at the end of that semester to Chino HS to reside with his brother. After attending Chino HS he transferred to Pomona HS, although he still lived with his brother in Chino. It was ruled that the boy was not a bona fide resident of Pomona HS and that he was not eligible for athletics at Pomona HS.
