PA Announcer Plays

Important Role at Games

A public address system at athletic contests should be handled by a skilled and well-trained individual. A person should be on duty who is impartial, who should be level-headed and have a cooperative attitude toward officials. He should have a "neighborly" spirit toward opponents.

DON'T FOR THE ANNOUNCER

1. Never predict a play before it is made.
2. Never guess on an official's decision.
3. Never criticize an official's decision.
4. Always appear to be alert over an injury of a player.
5. Never try to give the little details of your play. Your audience is watching the game also.
6. Never answer questions of a quarter-back or coach.

DO'S FOR THE ANNOUNCER

1. Know the personnel of both teams.
2. Know the offensive and defensive formations of both teams.
3. Give only the essentials after each play is completed.
4. Give the down and yardage to gain before each play.
5. Keep score by the second, and, when possible, report to the point.
6. Accept some responsibility for seeing that the game goes off smoothly and that the contest is used to build good will between schools and communities.

NEW SCORING CHAMPION—Mickey Curten (right) accepts congratulations from Glenn Davis after Curten established a sectional record. Mickey totaled 240 points during the 1966 season. The old record belonged to Davis who scored 226 in 1962 when he starred at Buena High.

Mickey Curten New Southland High School Record Holder

Magnificent Mickey Curten, the Southland's most publicized high school grid hero since Mickey Flynn and Randy Meadows, now owns nearly every rushing and scoring record in the CIF, Southern Section.

Curten, nephew of former UCLA All-American Hardman Curten, has scored 74 touchdowns in his high school career including 36 this year. On Dec. 2 he exceeded Glenn Davis' single season point mark (227) when he scored 6 points against Lakewood on one touchdown. Mickey thereby totaled 240 for the season.

He has rushed for 3,504 yards this season (a record), 4,920 yards for his career (a record) and scored 40 points in one game (a record).

Curten's 40 point performance came in the first round of the playoffs against Santa Monica when he chalked up TDs on runs of two, eight, 61, 45, 75 and 80 yards. He added four PATs on runs.

Mickey broke Mike Bergdahl's single season rushing mark of 2317 set in 1965, last weekend against Lake- view. His latest single game total this year is 339 vs. Santa Monica. He also had 129 vs. Lynwood and 313 vs. Westminster.

Davis Quotes on Curten

Glenn Davis, now the all-time one season prep scoring king, watched as Centenial's Mickey Curten raced 88 yards through the mud and rain for the touchdown which boosted his point total to 240. (Continued on Page 4)
