The harriers begin playoff action Saturday, Nov. 21, with the top two sport, running in the preliminaries

For the first time, schools will be split into four divisions (see breakdown page 3) and two prelim races will be held in each division. The five fastest teams and three fastest runners from non-qualifying teams (provided they're in the top five) qualifying from each race for the finals.

The CIF, Southern Section's annual releaguing process has been completed with the approval of the 1971-72 plan by the 48-member council.

Major changes were effected in the bay area, channel coast area and in the western San Gabriel Valley.

Only two minor changes each have taken place in the Coast League and the Moore League since the inception of the latter league in 1957. Now a wholesale switch involving schools from four other leagues will result in the formation of a new league in the

The new six-team loop will consist of West Torrance, Mira Costa, Inglewood, and Hawthorne from the Bay League and Culver City and Rolling Hills from the Sky League.

Changes in the Bay League, which will be reduced in number from eight to six teams, include the addition of Centennial from the Coast, Long Beach Jordan from the Moore and Torrance from the Sky loop.

Only addition to the Sky League, now also six teams instead of eight, is Redondo from the Bay League. Compton, from the Coast, replaces Jordan in the Moore loop.

RELEAGUING

(Continued from Page 1) are an indirect result of the move of Muir and Pasadena to the Pacific League. With the two Pasadena schools changing to the four-year system, it became necessary to move them from the Foothill League.

El Monte and Rosemead go to the Whitmont League to make room for Pasadena and Muir, and Paramount from the Coast, and Pioneer from the Whitmont, move to the SGV circuit.

The Marmonte League, new this year, will increase to eight teams next season with the addition of Camarillo and Thousand Oaks from the Channel loop. Meanwhile two Santa Barbara County League schools join the Channel, San Marcos and Dos Pueblos. As a result, the SBCL drops to six teams.

Realignment in parochial leagues included the moving of Cathedral and Salesian from the Del Rey League to the Santa Fe League, while Damien was moved to the Del Rey circuit. Verbum Dei also joins the Del Rey League, in all sports except football, where it will remain in the Santa Fe

Only other changes are the deletion of Penn Military from the Pinon League (that school has discontinued operations) and the addition of University High to the Orange League.
