Workman Principal Jim Faul Joins CIF Executive Committee

Jim Faul, principal at Workman High School, has been appointed to the CIF, SS, Executive Committee to replace Walt Newland of Long Beach Poly who was forced to resign last spring due to illness.

A native of Rockford, Ill., Jim participated in football, basketball and track during his prep career and was a member of the Illinois State Championship basketball team in his sophomore year.

Moving to California, he attended Santa Ana College, where he played baseball and basketball. He moved on to the University of the Pacific on an athletic scholarship.

At UOP, he majored in physical education with a minor in social studies. He played basketball and football and studied under the legendary Amos Alonzo Stagg for one season.

After receiving his Masters Degree from UOP and doing graduate administrative work at Redlands University, the University of Colorado and Denver University, Jim took his first teaching assignment, at Bishop High School in the High Sierras.

While at Bishop, he accepted his first coaching post and during his years at Bishop, he coached Bee football, Varsity football and Varsity baseball.

He moved to Banning High School as Director of Athletics, Varsity football, basketball and track coach and in 1951 was named Coach of the Year in football.

IMPORTANT MESSAGE FOR TRACK COACHES

In the newly-published 1967-68 CIF, SS, Blue Book, on page 78, there is an error in the Order of Events for CIF, SS, Competition. Event No. 4 should read "A 440 yds. Relay", which event No. 12 should remain "A 440 yds." as it now reads. Track coaches should note this change in their copy of the Blue Book.

CIF, SS, Names New Publicity Director

Jim Wolcott, a native Southern Californian who has spent the past six years covering the local prep sports scene, is the new CIF, SS, Director of Public Information, replacing Don Andersen.

Don left the post, which he had held since its inception in 1963, to assume the position of Director of the Athletic News Service at the University of Southern California. Jim has been on the job since late August.

A graduate of La Habra High School, where he divided his time between athletics and journalism, Jim also attended Pepperdine College on a scholarship awarded through the Los Angeles Herald-Examiner's Scholastic Sports Association. He has also pursued his psychology major at El Camino and Fullerton Colleges.

Jim has been employed by the Anaheim Bulletin, the Herald-Examiner, and was sports editor of the La Habra Star-Brea Progress. In addition to his newspaper experience, Jim worked in the technical publications department at Douglas Aircraft Co., and is well-versed in printing and typography.

An avid sports fan, both as a participant and spectator, he spends his spare time playing golf, bowling, swimming or in a friendly game of flag football.

Enthusiastic about his new position, Jim is optimistic that the CIF, SS, will continue to provide Southland news media the same high-quality publications and services which they have come to expect.

A bachelor, Jim lives in Anaheim.

FAUL JOINS EXEC. COMMITTEE (Cont'd from Page 1)

Jim joined the La Puente Union High School District in 1954 as Dean of Boys at La Puente High, coaching Varsity football and Varsity baseball at the same time. In 1955, his baseball team was runner-up in the CIF, SS, play-offs.

He made the move to a full-time administrative position in 1956 when he took over as vice-principal at La Puente, a post which he held for two years until he was named principal.

He remained principal at La Puente until 1965 when Workman opened and he moved there to accept his present position.

While at La Puente, he served as representative of the Montview League and has been on the CIF, SS, Council as Hacienda League representative while at Workman.

While on the Council, Jim served with the Releaguings Committee for six years and has also been on the Honorary Life Membership Committee.

He is a member of the California Association of Secondary School Administrators and has served with the State Membership Committee, as general chairman for the State Convention and past president of the District Council. He is currently CASSA's Regional Director.

Jim and his wife Marjorie have three sons, David, a student at Antioch College, and Donald and Brian, who both attend elementary school. His wife teaches elementary school for orthopedically-handicapped children.

CIF, SS, COUNCIL APPROVES RELEAGUING FOR 1968-69

Two new leagues will be formed and Catholic leagues in the Southland will undergo a face-lifting in September, 1968, following action by the CIF, Southern Section, Council at its meeting September 30.

Following the recommendations of the Releaguings Committee, the CIF, SS, Council approved releaguings schedules which call for a major shake-up in the Southern area of the Southern Section and among private school leagues.

Five Whittier schools will band together to form a new league with Montebello and five schools in the Desert-Valley area will join under a new league affiliation beginning in September, 1968. One of the desert schools, Needles, has been a free lance power for several years.

One major change which has Southland football buffs buzzing was the move which sends El Rancho into the talent-laden Moore League in place of Downey, which moves to the Coast League.

On the private school scene, all four Catholic circuits will undergo major changes in an attempt to relocate schools in closer proximity to one another. Alemany, St. Francis and Salesian will join Cathedral, Loyola and Notre Dame in the Catholic League; Bosco Tech, Cantwell, St. John Bosco and Verbum Dei will move to the Santa Fe League with San Gabriel Mission, Damien, La Salle and Pater Noster; Bishop Amat, Pius X and St. Anthony will battle Mater Dei, St. Paul and Servite in the Angelus League, and Mt. Carmel and Sierra will move into the Camino Real League with Crespi, Lasuen, Bishop Montgomery, Murphy, St. Bernard and St. Monica's.

Rodrick Featured at UCLA Wrestling Coaches Clinic

Myron Rodrick, three-time NCAA wrestling coach of the year from Oklahoma State University, will be the keynote speaker at the second annual UCLA Wrestling Coaches Clinic, scheduled for Saturday, October 28, at Pauley Pavilion.

A three-time NCAA national champion himself (1954-55-56), Rodrick has coached six NCAA championship teams in the past 10 years at OSU. He holds a collegiate coaching record of 84 straight dual meet victories set from 1959-1966, during which time his teams didn't lose a match.

Also featured on the day-long clinic program will be Webb Lawson, wrestling coach at Fremont High School in Sunnyvale. Lawson, who has been at Fremont for two years, has yet to lose a league match. Last season, his club coasted through the CIF, Central Coast, Championships, winning four individual titles.

Registration for the clinic begins at 8 a.m. with registration fee set at \$3.50, which includes lunch. The first session is slated to start at 9 a.m. Sessions will run during the morning and afternoon, with a workshop planned from 3-5 p.m.

Applications, with registration fee, may be mailed to Dave Hollinger, wrestling coach, UCLA Athletic Department, 405 Hilgard Ave., Los Angeles, 90024.

National Federation Official To Speak To Wrestling Coaches

John Roberts, Commissioner of Athletics for the Wisconsin Interscholastic Athletic Association and a member of the National Federation Rules Committee, will headline the list of speakers on hand for a joint State CIF and CIF, SS, wrestling rules clinic, slated for Wednesday, October 18, at 1:30 p.m. at Dominguez High School.

It is the first time that a member of the National Federation Rules Committee has been available to attend the joint clinic and State CIF and CIF, SS, officials commented that this was an excellent opportunity for Southland coaches to gain first-hand knowledge of National Federation rules and interpretations.

Officials in charge of the clinic hoped that school administrators would recognize the value of the clinic to their wrestling coach and make every effort to relieve the coach of his duties for the afternoon so that he might attend the session.

Robert E. Steuart Added To State CIF Professional Staff

Robert E. Steuart has joined the professional staff of the State CIF and CIF Protection Fund as an administrative assistant it was announced recently by State CIF Commissioner Bill Russell.

Bob, a native-born Californian, is a graduate of Fresno State College, where he obtained his B.A. with a major in business education, and his M.A. in school administration and supervision.

A teacher-coach at Exeter Union High School for eight years, he served in the business education department and coached football, basketball and swimming. He was athletic director at Exeter during the 1966-67 school year.

Bob and his wife Cosby have three children, Tim, Tracy and Tamara.

MINUTES OF CIF, SOUTHERN SECTION, EXECUTIVE COMMITTEE MEETING — SEPTEMBER 23, 1967

The September meeting of the CIF, Southern Section, Executive Committee was called to order by Chairman Steve Miletich at 1 p.m. on Saturday, September 23, 1967, at the Southern Section office.

The following members were in attendance: Chairman Miletich, vice principal, Beverly Hills HS; Richard H. Spaulding, principal, Buena Park HS; Claud Hardesty, principal, Santa Barbara HS; Robert D. Ashton, assistant superintendent, Norwalk-La Mirada USD; Rev. Alexander Manville, principal, Bishop Garcia Diego HS; Keith J. Lee, principal, Dominguez HS; Keith Gunn, principal, Victor Valley HS; Clair Franklin, principal, Trona HS; Alex Alexander, principal, Indio HS; James Faul, principal, Workman HS; Arthur Hobson, assistant superintendent, Whittier UHSD, and Commissioner of Athletics Ken Fagans.

1. APPROVE MINUTES — It was moved, seconded and carried to approve the minutes of the Executive Committee meeting of June 17, 1967, as published in the September, 1967, Monthly Bulletin.

2. APPLICATIONS FOR MEMBERSHIP — It was moved, seconded and carried to recommend to the Council that the following schools be admitted to membership in the CIF, SS: Vista del Rio Jr. HS as an Associate Member, as of this date; Royal HS of the Simi District, Miraleste HS of the Palos Verdes District and Faith Baptist HS as regular members, effective September, 1968.

3. PLAY-OFF QUALIFICATION — It was moved, seconded and carried that for Bosco Tech HS to qualify for the 1968 basketball play-offs, Bosco Tech must win eight of the following ten games on its schedule: December 20, Bell-Jeff; December 22, Valley Christian; January 2, Wilson HS; January 12, Ontario Christian; January 13, Boulder City; January 16, St. Bernards; January 23, Bell-Jeff; January 27, Boulder City; February 2, Sonora HS; and February 6, Brethren HS.

4. NOMINATING COMMITTEE RECOMMENDATION — The Nominating Committee recommended that Rev. Thomas Kiefer, principal of Bishop Amat HS, be appointed to fill the Executive Committee post vacated by Arthur H. North. In accordance with Article VII, Section 12, it was moved, seconded and carried to appoint Rev. Kiefer to fill Mr. North's term, which has one year to run.

5. NATIONAL FEDERATION CONVENTION — Since three senior members of the Executive Committee — Art Hobson, Keith Lee and Alex Alexander — are all eligible to attend the 1968 National Federation Convention as the Southern Section's delegates, it was moved, seconded and carried to make an exception for this year only to the policy of sending two delegates and make an attempt to send all three. The convention has been tentatively scheduled for Wisconsin in June, 1968. Expenses for our delegates have been included in the current year's budget.

6. REPORT ON COMPTON-MORNINGSIDE RESOLUTION — Art Hobson presented a summary of recommendations dealing with incidents surrounding the Compton vs. Morningside 1967 play-off basketball game. It was moved, seconded and carried to direct Mr. Hobson to present to the Council for consideration the resolution prepared by his committee.

7. APPROVE FOOTBALL PLAY-OFF AND FINANCIAL REGULATIONS — The committee reviewed the football play-off and financial regulations in force during the 1966 play-offs. It was moved, seconded and carried to adopt the same regulations for the 1967 play-offs, except for item 19 pertaining to electronic devices. After some discussion, it was decided that electronic devices (video-tape, instant replay, etc.) would be permitted in connection with play-off games, provided they were not used as coaching aids during the contest but were used as a supplement to regular game films after the conclusion of the game.

8. BOXING RULE CLARIFICATION — Two cases involving possible violation of the state boxing rule were presented for clarification. After a thorough review of the circumstances in each case, it was the ruling of the committee that the boys involved were not in violation of the rule.

As a result of these cases and because the Executive Committee expressed grave concern with the confusion surrounding the present rule regulating boxing, Keith Gunn was directed to bring the matter to the attention of the State Federal Council at its next meeting. He was instructed to see if the present rule could be amended to eliminate high school control during the summer vacation period and have it apply only during the school year.

9. UNDUE INFLUENCE CASES — The Commissioner reported on two cases where a high school coach violated our undue influence rule, Article XVII, by contacting high school boys in an effort to have them enroll in the school where he was coaching.

The first case involved Marv Whittaker, a student at Santiago HS, who was influenced to enroll at Garden Grove HS. The matter was handled by the Garden Grove League and after a complete investigation culminating in public hearings, the league declared Whittaker ineligible for interscholastic athletics at Garden Grove HS and suspended the coach, Mr. Gerald Cheek, from his coaching activities for one year.

The second case involved a student at Upland HS who was contacted through a personal letter from Mr. Gard, the head football coach at Palm Springs HS, inviting the boy to visit the campus at Palm Springs HS to look over the athletic facilities, discuss the football opportunities at the school in the hope the boy would transfer at the beginning of the current school year. After the boy had visited the Palm Springs campus and visited with the coach, the Upland HS principal reported the matter to the CIF office and registered a formal protest.

An investigation conducted by the Commissioner revealed that the charges were true and that Coach Gard had violated Article XVII of the By-Laws, by writing a personal letter to the boy and then entertaining him on the Palm Springs campus.

The committee thoroughly discussed all phases of the case and took no action against the boy because he remained at Upland HS. It was agreed, however, that a penalty should be assessed against the coach or school for the violation of our rule. In an effort to resolve the situation without unduly penalizing the innocent members of the Palm Springs football team, it was moved, seconded and carried to inform the principal that if the coach is removed from all coaching responsibilities with the varsity football team, the matter will be closed. If Mr. Gard continues his connection with varsity football in any capacity, the team will not be eligible for entrance into the 1967 CIF play-offs under any condition. The recorded vote on the matter was 11 for and 1 opposed.

10. CORONA DEL MAR HS ELIGIBILITY CASE — Mr. John Connell appeared before the committee

(Cont'd on Page 5)

MINUTES, SEPT. 23, 1967 Cont'd from Page 4)

discuss his son Pat's eligibility at Corona del Mar HS. He reported that due to a disciplinary problem last winter at Mater Dei HS, Pat was given the option by Rev. Reilly, principal of Mater Dei HS, of withdrawing or being expelled from school. Pat chose to withdraw and then enrolled at Corona del Mar HS, which was the public school in the attendance area in which his parents resided.

Because Pat had transferred from one high school to another without a change of address on the part of his parents which made necessary a change of schools, the boy according to CIF, SS, rules was ineligible in the new school for a period of one year, because he had participated on an athletic team at Mater Dei HS the previous year. Unfortunately, the administration at Corona del Mar HS failed to enforce the rule and permitted the boy to illegally compete on the B track team last semester.

For this violation of our residence rule, Corona del Mar HS was directed to forfeit all track meets in which the boy participated and official action was taken to reprimand the school for their failure to enforce the transfer rule in this case.

The entire matter was discussed with the parent, and he was informed that his appeal for a waiver of our transfer rule would be considered by the committee. After a discussion of all aspects of the case, it was moved, seconded and carried to deny a waiver of our residence rule to permit Pat Connell to participate in athletics at Corona del Mar HS until the beginning of the second semester of the current school year.

11. DELPHIC LEAGUE REQUEST — It was moved, seconded and carried to extend for an additional year the modification of our transfer rule for member schools in the Delphic League for league contests only.

12. LA PUENTE CASE — La Puente HS requested a waiver of our transfer rule in order to permit Gilbert Ortiz to be eligible at La Puente HS. Last winter Gilbert transferred to Bassett HS without a change of address on the part of his parents which made necessary a change of schools. Without proper checking, Bassett HS permitted this ineligible boy to participate on its track team.

The boy has now returned to La Puente HS, again without a change of address on the part of his parents, and La Puente asked that he be made eligible because if the boy had not been

permitted to participate at Bassett HS, in accordance with our rules, he could then have returned to La Puente HS and been eligible.

It was moved, seconded and carried to deny eligibility to Gilbert Ortiz. Action was then taken to officially reprimand Bassett HS for its failure to observe our residence rule in the case of Gilbert Ortiz.

13. CORONA HS CASE — The case of Mike Griffith, a student at Corona HS who transferred from Mountain Empire HS, was tabled pending further investigation. The Commissioner was instructed to secure additional information and was given authority to rule on the case without referring it back to the committee.

14. GARDEN GROVE CASE — A year ago Jeff and Chris LaBarthe were given approval by the Garden Grove Board of Education to transfer from Bolsa Grande HS to Garden Grove HS because the boys' parents were anticipating a change of address from the Bolsa Grande to the Garden Grove HS attendance area. According to CIF rules, these boys should not have been eligible at Garden Grove HS until the move was consummated. Unfortunately, the escrow was not completed on the new home, and to this date the parents have never moved into the Garden Grove HS attendance area. In violation of our rules, these boys were permitted to participate last year in interscholastic athletics.

The situation was thoroughly discussed by the committee and it was felt that the boys should not be penalized at this late date because of an error on the part of the school administrators. It was therefore, moved, seconded and carried that these boys be declared immediately eligible for interscholastic athletics but that Garden Grove HS be severely reprimanded for permitting this type of situation to exist.

With a new principal at Garden Grove HS, it was the feeling of the committee that in the future CIF, Southern Section, rules would be strictly adhered to.

15. ELIGIBILITY CASES —

a. Denied a request for a waiver of the previous semester rule in the case of David Seeber, a student at Los Altos HS.

b. Tabled the case of Joseph Jacobson, a student at Mountain Empire HS, pending further investigation.

c. Denied a request for a waiver of the residence rule in the following cases:

- (1) Tom West of Boron HS
- (2) Brian Heublin of Pasadena Poly

- (3) Vincent Paquet of Royal Oak HS
- (4) Dick Lombardi of Hart HS
- (5) Mike Dotson of West Covina HS
- (6) Martin Tiller of Garden Grove HS
- (7) Kevin and John Carroll of Fountain Valley HS

d. Action was taken to waive the previous semester rule in order to permit Ed Blomfield of Santa Barbara HS and Manuel Gomez of Moorpark HS to be immediately eligible.

e. Action was taken to grant immediate eligibility in the following cases:

- (1) Harrison Gomez of Claremont HS
- (2) Cliff Strait of North HS, Riverside
- (3) Paul Santy of Poly HS, Riverside
- (4) Ron Thomas of North Torrance HS
- (5) Phil Morgan of Millikan HS
- (6) Howard Lee of San Bernardino HS
- (7) John Rankin of Lakewood HS

There being no further business to come before the committee, the meeting was adjourned at 5:15 p.m.

Respectfully submitted,
J. Kenneth Fagans
Commissioner of Athletics

CIF Wrestling Finals Set For Cal-State, Fullerton

Through the cooperation of Dr. Elmer Johnson, athletic director at California State College at Fullerton, the CIF, SS, will hold its 1968 Wrestling Championships on the Titan campus February 24, 1968.

It was with Dr. Johnson's help that the CIF, SS, was able to secure the use of Cal-State, Fullerton's spacious, 4,000-seat gymnasium facility for the wrestling finals, which had been previously held at Fullerton Junior College.

The meet will bring together wrestlers from all over the Southland who will qualify for the finals in preliminary meets to be staged at Upland, Arcadia, Mira Costa and Fountain Valley High Schools on February 17, 1968.

Commissioner of Athletics Ken Fagans expressed appreciation to administrators at Cal-State, Fullerton, for inviting the CIF, SS, to use the Titan gym, and praised particularly the efforts of Dr. Johnson in securing the site.

MINUTES OF CIF, SOUTHERN SECTION, COUNCIL MEETING SEPTEMBER 30, 1967

The fall meeting of the CIF, Southern Section, Council was held on Saturday, September 30, 1967, in the cafeteria at El Rancho High School. The meeting was called to order at 9:45 a.m. by Council President Rev. Alexander Manville, principal, Bishop Garcia Diego High School.

Representatives of all but the De Anza and Delphic Leagues were in attendance.

The following guests were also in attendance: William W. Russell, State CIF Commissioner of Athletics; Robert Steuart, State CIF Administrative Assistant; Dr. Joe McLain, superintendent, El Rancho HSD; Ted Gosard, principal, Aviation HS; John Warren, principal, Downey HS; Arden Hirschi, assistant principal, Downey HS; and Dr. Hanford Rants, principal, Warren HS.

1. APPROVE MINUTES — It was moved, seconded and carried to approve the minutes of the May 6, 1967, Council meeting as published in the June Monthly Bulletin.

It was moved, seconded and carried to approve the minutes of the Executive Committee meeting of June 17, as published in the September Bulletin.

It was moved, seconded and carried to approve the minutes of the Executive Committee meeting of September 23, as read by the Secretary.

2. REPORT ON LEGAL CASES — The Commissioner reported on the Mobley case, which involved a suit of \$1,000,000.00 against the CIF, Southern Section, the Bellflower and Compton School Districts, whereby a boy was injured in a CIF, SS quarter final track meet held at Bellflower High School in May, 1966. Complete information has been furnished our attorney and, as of this date, we are awaiting further word concerning the case.

Because of this suit and others that have been brought against the CIF, Southern Section, in recent years, our attorney has recommended that we add a section to our By-Laws governing protests and appeals. Each Council member was furnished with a copy of 2 proposed addition to our By-Laws, covering the methods of handling protests and appeals from decisions from schools and leagues in connection with our interscholastic athletic program.

An amendment was proposed to change Section 3 of the proposed addition to the By-Laws. This amendment was defeated. It was then moved, seconded and carried to adopt the original amendment as presented, with the Commissioner being authorized to confer with our attorney relative to minor editing changes.

3. APPROVE PLAY-OFF CALEN-

DAR — It was moved, seconded and carried to approve the play-off calendar for the 1968-69 school year as presented. The entire calendar is published on page one of this bulletin.

4. IRVINE LEAGUE PROPOSAL — The Irvine League requested that the discus throw be made a regular part of the CIF, SS, track program with points to count, since the event is included in the State CIF track meet each year. It was moved, seconded, and defeated to add the event to the CIF, SS program.

5. MEMORIAL DAY PROPOSAL — Since the State CIF has removed Memorial Day as a time when athletic practice or interscholastic games will not be permitted, it was moved that the CIF, SS, amend Article XXIX, Section 1, to conform with State CIF rules and permit practice or athletic activities on that date. The motion died for lack of a second.

6. FINANCIAL REPORT — Treasurer Keith Lee presented the financial report for 1966-67 and proposed budget for 1967-68. The statement of income and expenditures for 1966-67 showed a net gain of \$20,906.55, reflected in the football play-off income, where the major share of the gain was attained. Included in the report were a statement of assets, showing total assets of \$102,838.13, and a statement of cash gain over the past 17 years and securities and cash on hand from June, 1946, to the present.

The report indicated that the CIF, SS, financial position was sound. It was moved, seconded and carried to approve the financial report and budget as reported.

7. SAN DIEGO SECTION PROPOSAL — The Commissioner reported that the San Diego Section had placed on the State CIF agenda an item which would change our present rule governing "the season of a sport." It was pointed out that the Southern Section feels that our present rule is adequate, and if the San Diego Section would like a change in this rule, they should adopt it on a section level rather than force all sections to conform. After some discussion, it was moved, seconded, and carried to instruct the Southern Section representatives on the State Council to vote in opposition to the San Diego proposal.

8. SUMMER ACTIVITIES — Commissioner Fagans reported on summer athletic activities, as they are currently being studied by a State committee. The Commissioner said that nothing of note had been resolved, but asked authority to represent the CIF, SS, on the State Committee.

9. COMPTON - MORNINGSIDE RESOLUTION — Art Hobson presented a summary and recommendations from the Executive Committee to the Council regarding the Compton-Morningside affair.

Mr. Hobson commented that his committee had studied the problem very deeply before drafting the proposed resolution, and that his committee felt immediate action should be taken in the matter.

It was moved, seconded and carried to adopt the resolution presented by Mr. Hobson concerning the Compton-Morningside affair.

10. CERTIFICATION OF COACHES — The Ivy League, in action taken at its last meeting, went on record as opposing the present State rule which makes it mandatory that all persons connected with the coaching of a high school athletic team be certificated personnel or cadet teachers. The Ivy League learned that many of their schools were using non-certificated men, because it was absolutely necessary.

Mr. Balke, the Ivy League representative, then moved and it was seconded that we instruct our State representatives to place this matter on the agenda for the next CIF Federated Council meeting in the hope that some modification can be made in the present rule. This motion was unanimously carried.

11. RELEAGUING — Steve Miletich, Releaguings Committee chairman, presented the committee's final recommendations for the leaguings of schools for the 1968-69 school year.

Mr. John Warren, principal of Downey HS, reiterated his district's request that Downey HS be permitted to remain in the Moore League rather than be transferred to the Coast League.

Dr. Joseph McLain, superintendent of the El Rancho High School District, re-affirmed the fact that El Rancho preferred not to be placed in the Moore League, but he commented that El Rancho HS would abide with whatever decision the Council made in regard to realigning for the 1968-69 school year.

It was then moved, seconded and carried to accept the final Releaguings Committee recommendations as presented. A complete and accurate alignment of schools for the 1968-69 school year can be found in another article in this bulletin.

12. ELIGIBILITY RULES — Steve Miletich, chairman of our Eligibility Committee, clarified the position of the CIF, Southern Section, as far as recently proposed and adopted eligibility rules were concerned. He indicated that the

MINUTES, SEPT. 30, 1967 (Cont'd from Page 6)

stated that in May our Council had approved proposals on the State level which would modify our 8-semester and continuation school regulations. Both of these proposals were returned to the Southern Section because of changes in wording. The proposals were read and it was moved, seconded and carried that the Southern Section go on record as favoring these changes in the State CIF regulations pertaining to the 8-semester and continuation school eligibility rules.

Mr. Miletich then reported that the State CIF had granted permission to each section to establish, at its discretion, rules and procedures to waive the residence rule under certain conditions. He then recommended that the Southern Section appoint a special committee to work out the details in this new rule for presentation to the Council at a later date. He further stated that the committee should be given the responsibility of writing a rule limiting the eligibility of certain junior high school graduates. It was then moved, seconded, and carried to direct the president to appoint such a committee to begin work immediately on these two proposals.

President Manville announced that he had assigned the following persons to serve on the Eligibility Committee: Steve Miletich, Beverly Hills HS; Marion Hays, Harvard School; Dick Spaulding, Buena Park HS; Dick Salter, Cathedral HS; and Ted Gosard, Aviation HS.

13. CONNELL APPEAL — Rev. Manville read a letter from Mr. John Connell, father of Stephen Pat Connell, requesting an appeal of the Executive Committee ruling which denied a waiver of the transfer rule in his son's case.

Mr. Connell appeared before the Council to ask a reversal of the Executive Committee decision in order that his son might compete in football at Corona del Mar HS. It was moved and seconded to grant a waiver of the transfer rule. The motion was defeated by a vote of 42 to 2.

14. BASKETBALL REGULATION — The Commissioner reported that the State CIF had modified its long-existing rule pertaining to the length of quarters when a team plays more than one game in one day. The old rule limited teams to 5-minute quarters when they played two games in one day. After a medical study had been made in Central California, the rule has now been modified to permit teams to play 7-minute quarters.

For conformity with State regulations, it was recommended that the

Southern Section rule be changed to permit 7- instead of 5-minute quarters. The matter was tabled until the January meeting so that our leagues might have an opportunity to study the proposed change.

15. NO "STUFF" RULE — The Southern California Basketball Officials Association recommended that SS schools be permitted to deviate this year from the recently adopted rule which does not permit a player to

"dunk" a ball in the basket. It was moved and seconded that our representatives bring this matter to the attention of the State Council. After some discussion, the motion was defeated.

There being no further business to come before Council, the meeting was adjourned at 12:20 p.m.

Respectfully submitted,

J. Kenneth Fagans
Commissioner of Athletics

MINUTES OF SPECIAL EXECUTIVE COMMITTEE MEETING SEPTEMBER 30, 1967

A special meeting of the CIF, Southern Section, Executive Committee was called to order by Chairman Steve Miletich at 1:15 p.m. on Saturday, September 30, 1967, at the Ramada Inn in Pico Rivera.

All members of the committee were in attendance, along with Jim Wolcott, Director of Public Information; and J. Kenneth Fagans, Commissioner of Athletics.

1. APPROVE MINUTES — It was moved, seconded and carried to approve the minutes of the Executive Committee meeting of September 23, 1967.

2. PIUS HS APPEAL — A letter was read from Rev. James W. Keefe, principal of Pius X HS, in reference to the penalty assessed his school by the Executive Committee last spring because of illegal recruiting activities. At that time, Pius X HS, being adjudged responsible for the illegal activities of its football coach, was penalized to the extent that none of its athletic teams would be permitted to participate in CIF, SS, playoffs during the 1967-68 school year even though they qualified by winning their league. No penalty was assessed against individuals who might qualify for CIF post-season competition.

Since that time, Rev. Keefe pointed out that a strict effort has been made to correct the situation and to remove those persons who were mainly responsible from positions of responsibility in the school. The athletic director and head football coach have been relieved of their positions. The major administrative officers who were at the school at the time of the violation are no longer there. A temporary principal has been replaced by Father Keefe, a man who is thoroughly acquainted with CIF regulations and who believes that they should be enforced according to the spirit, as well as the letter, of the rules.

After a thorough discussion of the situation, it was moved, seconded and unanimously carried that the restrictions placed upon Pius High School's entry into this year's CIF, SS, play-offs

be removed. Pius HS will still, however, be on probation for the balance of the current school year. It was the feeling of the group that the persons responsible had been removed and that there was no reason to penalize the innocent members of the current Pius HS athletic teams.

2. CLASSIFICATION PROBLEM — Pioneer HS requested a waiver of our classification rule in order to permit Bill Castro, a tenth grade student, to participate this year in Class B football. In 1966 when Bill was classified, he weighed 167 pounds and his total exponents were 87. According to Article XXXIV, Section 6, a boy must advance a total of a minimum of two exponents each year.

In September 1967, Bill was classified and he weighed in at 141 pounds, which gives him an exponent total of 86. Unfortunately, he is ineligible for B competition, because last year he had 87 exponents and he must automatically advance two, which gives him 89 exponents.

Because Bill developed diabetes last January, his physician put him on a diet which brought his weight down to 141 pounds. It was realized by the committee that in exceptional cases this could be done, but if exceptions were made, we would have to permit any boy to sweat down and lose weight in order to make a lower classification. It was therefore moved, seconded and carried to deny a waiver of our classification rule in order to permit Bill Castro to compete in Class B football at Pioneer HS.

3. ELIGIBILITY CASES —

a. Denied a request for a waiver of the previous semester rule in the case of Larry White, a student at North HS in Riverside.

b. Denied a request for a waiver of the residence rule in the case of Kim Ginnever of Simi HS and Mike Griffith of Corona HS.

c. Action was taken to waive the previous semester rule in order to permit Scott and Steve Zahrt to be eligible at Covina HS.

TWO NEW EVENTS

Two sanctioned events have been approved by the CIF, SS, since the publication of the 1967-68 Directory of Member Schools.

Atascadero High School will sponsor both events, a holiday basketball tournament scheduled for December 27-29 in the Atascadero gym, and the Atascadero Memorial Track Meet slated for April 13, 1968.

Eight schools are scheduled to participate in the basketball tournament and 16 schools will field entries in the track meet.
