State CIF Office Moves to Santa Barbara

After 10 years in the metropolitan Los Angeles area, the State CIF Office of the CIF Protection Fund has relocated in Santa Barbara.

The move, made on August 30, means that all CIF, SS, schools should direct all inquiries regarding CIF insurance to the State CIF Office, 470 South Patterson Avenue, Santa Barbara, 93105. The telephone number is (805) 964-4724.

According to William W. Russell, Executive Secretary of the CIFPF, consolidation of all receipts, disbursements and bookkeeping functions of the CIFPF for the entire state on a single IBM system became effective with the move to Santa Barbara, greatly facilitating the operation of the CIFPF office.

Two New Events Added for 1968-69

Two new sanctioned events have been added to the list for 1968-69, since the publication of the CIF, SS, Directory of Member Schools.

Nordhoff and Villanova High Schools will sponsor the Ojai Valley Track Relays on February 22, 1969, at Villanova High.

On March 25 through March 29, Upland High School will host the Upland Invitational Swim Meet.

One scheduled event, the Monte Vista HS "C" Basketball Tournament, slated for December 11 through December 13, has been cancelled this year.

Athletic personnel should note these changes in their copy of the CIF, SS, Directory of Member Schools.

DIRECTORY CHANGES

The information listed below represents changes in the 1968-69 CIF, SS, Directory of Member Schools since its publication in September.

All administrative and athletic personnel should note these changes in their copy of the Directory. Changes are listed by page number.

State Track Meet
Locations Changed

At the CIF Federated Council Meeting on June 1, 1968, a change was made in the host sections for the State CIF Track Meet, effective after the 1969 meet hosted by the Los Angeles City Section.

In 1970, the meet will be held under the direction of the Oakland-San Francisco CIF Sections.

The 1971 meet will be the responsibility of the Southern Section, while the Northern Section will host the 1972 meet.

The 1969 meet has been set for June 6-7 in Los Angeles.

RELEAGUING NOTE

Due to a clerical error, Workman High School was omitted from the releguing bulletin sent to member schools from the CIF, SS, office.

Workman HS should be added to the Hacienda League for the 1969-70 school year, making that an eight-team league.

Please note this change on your copy of the releguing bulletin.

MINUTES OF CIF, SOUTHERN SECTION,
COUNCIL MEETING — SEPTEMBER 28, 1968

The fall meeting of the CIF, Southern Section, Council was held on Saturday, September 28, 1968, in the library at Bishop Amat High School. The meeting was called to order at 10 a.m. by Council President Rev. John J. Reilly, principal, Mater Dei High School.

Representatives of all but the Del Rey, Hi-Lo and Sky Leagues were in attendance.

1. APPROVE MINUTES—It was moved, seconded and carried to approve the minutes of the May 4, 1968, Council meeting as published in the May Monthly Bulletin.

It was moved, seconded and carried to approve the minutes of the June 16, 1968, Executive Committee meeting as published in the June Monthly Bulletin.

It was moved, seconded and carried to approve the minutes of the September 21, 1968, Executive Committee meeting as read by the secretary.

2. PROPOSED BY-LAW AMENDMENT—Due to the fact that the Executive Committee felt that the current two-year term of office for representatives to the State Federated Council makes it difficult for representatives to become acquainted and gain experience in State athletic matters, the committee recommended that Article VI, Section 1, of the CIF, SS, By-Laws be amended to allow for the election of one representative to the State Council each year for a term of four years, subject to re-election for one additional term. After some discussion, it was moved, seconded and carried to amend Article VI, Section 1, as recommended.

3. APPROVE 1969-70 PLAY-OFF CALENDAR—Proposed play-off dates for the 1969-70 school year were presented to the Council for approval. After some discussion, it was moved, seconded and carried to approve the play-off calendar as submitted. The calendar will be published in the November Monthly Bulletin.

4. 1970 FOOTBALL PRACTICE DATE—The Commissioner reported that a problem had arisen regarding the opening date of football practice in 1970. Due to the fact that Labor Day in 1970 falls on Monday, September 7, football practice would, according to the By-Laws, start on Tuesday, September 8, therefore moving the entire football season, and the ensuing play-offs, back one week.

The Commissioner, therefore, recommended that the Council waive the

starting date for 1970 football practice only, allowing teams to begin practice on Tuesday, September 1. After discussion, it was moved, seconded and carried to refer this item back to the leagues for further discussion and to arrive at a firm resolution at the February Council meeting.

5. RELEAGUING COMMITTEE REPORT—Chairman Steve Miletich reported that the releguing committee had arrived at final recommendations for releguing for the 1969-70 school year. Two problems had arisen due to the completion of new schools in the San Bernardino and Newhall areas. In the Citrus Belt area, it was recommended that Cajon HS be placed in the Ivy League for all sports except football, in which it will free-lance, and, in the Northern area, that Canyon HS be placed into the Frontier League for all sports except football, in which it will free-lance. It was moved, seconded and carried to approve the releguing committee report with changes indicated in the cases of Cajon HS and Canyon HS.

6. FINANCIAL REPORT—Treasurer Keith J. Lee presented the proposed budget for the 1968-69 fiscal year for approval. He indicated to the Council that, in line with recent Executive Committee legislation, 75 per cent of one year's operating budget would be held in cash reserves, and when reserves reached a level beyond that figure, extra services would be initiated to return the additional reserves to member schools. After discussion, it was moved, seconded and carried to approve the budget as submitted.

7. ATHLETIC CONTESTS ON FEBRUARY 21, 1969—The Commissioner reported that, since February 21, 1969, had been declared a legal holiday, many leagues were moving basketball games scheduled for that date to Thursday, February 20, 1969. He indicated that all leagues which were planning to play games on Thursday, February 20, rather than Friday, February 21, should notify their area commissioners so that officials might be assigned games on the proper date.

8. DOCUMENTARY FILM—Steve Miletich presented a proposal to the Council on the production of a color-and-sound documentary film which would chronicle the administration of the CIF, Southern Section, and its many facets, including all play-off activities. Mr. Miletich reported that, at last year's National Federation Con-

(Cont'd on page 3)

COUNCIL MEETING MINUTES
(Cont'd from page 3)

vention, attended by two members of the CIF, SS, Executive Committee, many state representatives indicated that a documentary film of this nature was one of the most important public information tools available to them. After some discussion concerning the contents of the film and its production, it was moved, seconded and carried to authorize the Executive Committee to make arrangements for the production of a documentary film on the CIF, SS, at a cost not to exceed \$7,500.00.

9. FOOTBALL RULES VIOLATIONS—The Commissioner reported that many cases had reached his office of schools which were violating Article XXXVII, Section 8, of the CIF, SS, By-Laws and playing exponent teams with boys who did not meet exponent requirements. He indicated that many schools had contracted to play "B", "C", or "D" games only to find out that their opponents were fielding "Freshman", "Sophomore", or other teams which did not meet exponent requirements. The Commissioner advised league representatives to inform their member schools that, when a classification game is scheduled, eligibility lists must be exchanged, and that, when contracts are signed, classifications should be specified so that ineligible boys will be eliminated from teams which do not follow exponent rules.

10. COLTON HS APPEAL—Hank Balke, Ivy League representative, presented an appeal on behalf of Colton HS and student Paul Powers, following action by the Executive Committee at its September 21 meeting to deny eligibility to Paul Powers at Colton HS.

Mr. Balke indicated that the appeal was based on the fact that there was not enough time prior to the Executive Committee meeting for Colton HS to assemble pertinent information regarding the case and that the ruling handed down by the Executive Committee was based on an incomplete presentation by Colton HS.

Mr. Balke noted that Paul Powers had attended Colton HS until November of 1968, when he left with his family to move to Vallejo. The move, according to Paul's parents, was made due to financial necessity and the inability of Mr. Powers to locate suitable employment in Colton.

Paul attended school in Vallejo during the latter part of 1968, but experienced difficulty with several of his class members and was involved in several altercations, one of which resulted in two of his attackers' suspension from school.

At his family's suggestion, in the best interest of the boy, Paul and his 21-year-old sister returned to Colton in the summer of 1968, and Paul enrolled at Colton HS. His sister obtained legal guardianship of the boy, and, since all cases of legal guardianship must be approved by the Executive Committee, Colton HS appealed to the committee for a waiver of the residence rule in order to allow Paul to participate in football at Colton HS.

Mr. Balke indicated that, at the time of his enrollment in Colton HS, Paul was informed that, unless his parents returned to Colton, he would be ineligible, but at the parents' request, the school had initiated the appeal.

Mr. Powers appeared on behalf of his son and told the Council that his decision to send Paul back to Colton with his sister was prompted by the boy's trouble in Vallejo and his apparent inability to adjust to the new school.

MINUTES OF SPECIAL CIF, SS, EXECUTIVE
COMMITTEE MEETING — SEPTEMBER 28, 1968

A special meeting of the CIF, SS, Executive Committee was called to order by Chairman Steve Miletich at 2:30 p.m. on Saturday, September 28, 1968, at Bishop Amat High School, for the purpose of ruling on several eligibility cases which had been directed to the committee after its meeting on September 21, 1968.

The following members were in attendance: Chairman Miletich, vice principal, Beverly Hills HS; Richard H. Spaulding, principal, Buena Park HS; Claud Hardesty, principal, Santa Barbara HS; Rev. John Reilly, principal, Mater Dei HS; Rev. Thomas Kiefer, principal, Bishop Amat HS; Keith Gunn, principal, Victor Valley HS; James Faul, principal, Workman HS; Alex Alexander, principal, Indio HS; Art Hobson, assistant superintendent, Whittier UHSD; Lou Joseph, principal, Desert HS, and Commissioner of Athletics Ken Fagans.

In accordance with Article XI, and its applicable sections in the By-Laws, the residence rule was waived to grant immediate eligibility to Floyd Clendenen at Boron HS; Aurelio at Temple City HS; Billy Tellez at Rosemead HS; Mike Berru, at Burroughs HS, Burbank; Michael Stokes at Lasuen HS, and Robert Harrington for other than varsity athletics at Long Beach Jordan HS.

After further discussion of the case, it was moved and seconded that the Council support the Executive Committee's decision and that the Council direct the Executive Committee to meet in special session to review the case in light of the new evidence, rendering a final decision on the case at that time. In a roll call vote, the motion was passed, 30-14, with one abstention.

It was further moved, seconded and carried that Mr. Balke be commended on his excellent presentation of the case on behalf of Colton HS and Paul Powers.

There being no further business to come before the Council, the meeting was adjourned at 12:35 p.m.

Respectfully submitted,

J. Kenneth Fagans
Commissioner of Athletics

After reviewing the case of Lee Tagaloa at Anaheim HS, it was moved, seconded and carried to deny a request for a waiver of Article X, Section 3, of the By-Laws.

After reviewing the case of Mike Carr at San Geronio HS, it was moved, seconded and carried to deny a request for a waiver of Article XI, Section 14, of the By-Laws, pending further investigation of the case. The committee directed the Commissioner to rule on Mike Carr's eligibility upon receipt of further information.

At the direction of the CIF, SS, Council, the committee reconsidered the case of Paul Powers, a student at Colton HS, in light of new evidence presented to the Council.

It was the feeling of the committee that, despite the new evidence, no condition of hardship or circumstances beyond the student's control merited a waiver of the residence rule, and it was moved, seconded and carried to deny the appeal.

There being no further business to come before the committee, the meeting was adjourned at 3:45 p.m.

Respectfully submitted,

J. Kenneth Fagans,
Commissioner of Athletics

MINUTES OF CIF, SS, EXECUTIVE COMMITTEE MEETING SEPTEMBER 21, 1968

The September meeting of the CIF, Southern Section, Executive Committee was called to order by Chairman Steve Miletich at 10 a.m., on Saturday, September 21, 1968, at the Versailles Restaurant in Newport Beach.

The following members were in attendance: Chairman Miletich, vice principal, Beverly Hills HS; Richard H. Spaulding, principal, Buena Park HS; Claud Hardesty, principal, Santa Barbara HS; Rev. John Reilly, principal, Mater Dei HS; Keith J. Lee, principal, Yucca Valley HS; Keith Gunn, principal, Victor Valley HS; Rev. Thomas Kiefer, principal, Bishop Amat HS; James Faul, principal, Workman HS; Alex Alexander, principal, Indio HS; Art Hobson, assistant superintendent, Whittier UHSD; Lou Joseph, principal, Desert HS; and Commissioner of Athletics Ken Fagans.

1. APPROVE MINUTES—It was moved, seconded and carried to approve the minutes of the Executive Committee meeting of June 17, 1968, as published in the September, 1968, Monthly Bulletin.

2. APPLICATIONS FOR MEMBERSHIP—It was moved, seconded and carried to recommend to the Council that the following schools be admitted to membership in the CIF, SS: Southern California Christian School of Hawthorne as a regular member, and Hesperia Jr. HS as an associate member, effective immediately.

3. PLAY-OFF QUALIFICATION—Chaminade Prep's football schedule was presented for evaluation as a possible entrant in the 1968 CIF, SS, football play-offs. Since Chaminade is involved in its first season of football competition and encountered problems compiling a representative schedule, it was moved, seconded and carried that, should Chaminade Prep win four of five games on its schedule, it would be eligible for further consideration by the Commissioner for entrance into an appropriate division of the CIF, SS, play-offs, based on performance in the four specified games. The games include: October 4, L.A. Baptist "JV"; October 11, Northridge Military; October 18, Canyon; October 21, Cleveland "JV", and October 26, Penn Military Academy.

4. APPROVE FOOTBALL PLAY-OFF AND FINANCIAL REGULATIONS—The committee reviewed the football play-off and financial regulations as proposed by the football play-

off committee. Some discussion arose as to the system to be used in determining which team would advance in the play-offs in the event of a tie. It was the feeling of the committee that, since the California Tie-Breaker System had been utilized with much success and widespread approval on the "AA", "A", and "Small Schools" levels of the play-offs for the past several years, it might be advantageous to experiment with the system on all levels. After some discussion, it was moved, seconded and carried to adopt the California Tie-Breaker System for use on all levels of the play-offs for one year only, as an experiment.

In discussion of the financial regulations for the 1968 football play-offs, it was noted that, in light of recent fee increases for officials for regular-season football games, the fees have been increased for officials assigned to play-off contests as follows:

In all games leading up to the championship (final) game in the "AA", "A", "Small Schools" and "Six Man" play-off groupings, the Referee will receive \$22.00 and the balance of the crew will each receive \$20.00. In the championship (final) game in these divisions, each official will receive \$25.00.

In all games leading up to the championship (final) game in the "AAAA" and "AAA" divisions, the Referee will receive \$25.00 and the balance of the crew will each receive \$23.00. In the championship (final) game in these divisions, each official will receive a fee of \$35.00.

After discussion of the fee schedule, it was moved, seconded and carried to approve the football play-off and financial regulations as amended.

5. NATIONAL FEDERATION CONVENTION—The Commissioner reported that the 1969 National Federation Convention is scheduled for Las Vegas, Nevada, in July, 1969. While the CIF, SS, normally sends two members of the Executive Committee to the National Federation convention, it was suggested that, in lieu of the June Executive Committee meeting in Palm Springs, the entire Executive Committee be sent to the National Federation convention in Las Vegas, since the cost of such a venture would be approximately the same as is budgeted for the National Federation convention and the Executive Committee meeting in Palm Springs. The summer meeting of the Executive Committee could then be held in conjunction with

the National Federation convention. After some discussion, it was moved, seconded and carried to adopt that procedure for 1969 only. The seniority system of selecting Executive Committee members to attend the National Federation convention would be resumed in 1970.

6. EXTEND WRESTLING SEASON—Due to the problems involved in scheduling the 1969 CIF, SS, Wrestling Championships, and the necessity to move the championships ahead one week in order to secure an adequate facility, many leagues have commented that this puts a void week in their wrestling schedule.

In view of the situation, and the fact that wrestlers would have to be idle for one week between their league finals and the CIF, SS, prelims, it was moved, seconded and carried to allow wrestling teams to schedule one additional match during the 1969 season only, in order to fill this void.

7. BUDGET REVIEWED—Treasurer Keith J. Lee presented the 1968-69 budget to the committee for a final review prior to submitting it to the Council for approval. Mr. Lee noted that, although many new services are being provided for member schools, we have been able to eliminate entry fees in all sports without increasing membership dues. After some discussion, it was moved, seconded and carried to recommend to the Council that the budget be approved as submitted.

8. CIF, SS, HIGHLIGHT FILM—The Commissioner reported that progress had been made in investigating the possibility of production of a CIF, SS, highlight film, which would include all aspects of the CIF, SS, program, both administratively and athletically. He commented that one company had quoted a round-figure price of \$7,000.00 for a 30-minute, color-and-sound highlight film, which would require a year's work to produce.

After some discussion, it was moved, seconded and carried to recommend to the Council that such a film would serve a useful purpose as a public relations and informational tool, and that the Council approve production of the film.

9. ILLEGAL FOOTBALL ACTIVITY—Information was brought to the committee's attention regarding alleged illegal summer football activity involving a number of unknown boys in the South Bay area. The Commissioner reported that he had requested principals of two schools involved to investigate the matter and was informed by both

(Cont'd on page 6)

EXECUTIVE MEETING MINUTES

(Cont'd from page 5)

that the activity was of a **recreational**, rather than an **instructional** nature. In light of the report submitted by the principals involved, no official action was taken. It was noted, however, that should anyone provide names and specific details of the program in questions, further investigation would be launched, and action taken if merited.

10. **TEAM PRACTICE IN PHYSICAL EDUCATION CLASSES**—Mr. Jim Snyder and Mr. Jim Milhon of Northview HS appeared before the committee to request guidance in a problem of scheduling due to a rather unique educational system at Northview HS.

Mr. Snyder explained that, due to a modular scheduling program, boys who wished to participate in inter-scholastic athletics at Northview HS could not all be placed in late-afternoon physical education classes, as is the practice at many other schools in the CIF, SS.

Mr. Snyder felt that this placed an unfair burden on Northview HS and its athletic program, since athletes at other schools in the CIF, SS, were able to begin athletic practice during their physical education classes while athletes at Northview HS were forced to wait until the official starting date for after-school team practice before beginning the season.

It was the feeling of Mr. Snyder and Mr. Milhon, therefore, that consideration be given to revising or eliminating the starting and ending dates for official after-school team practice so that a school would not be penalized for attempting reform in physical education scheduling such as Northview HS has done.

During the ensuing discussion, it was recommended by the committee that Mr. Snyder and Mr. Milhon take the problem back to their league in order to arrive at firm recommendations which could be presented to the CIF, SS, Council at its January meeting.

11. **ELIGIBILITY CASES**—In accordance with Article X, Section 5 of the By-Laws, the previous semester rule was waived to grant immediate eligibility to Lewis McCabe at Ramona HS; Stan Hemby at Marina HS; George Mankins at Santa Ynez HS; and Eric Cole at Mira Costa HS.

In accordance with Article IX, Section 2 of the By-Laws, the eight-semester rule was waived to grant immediate eligibility to Roy Miller of Huntington Beach HS for two semesters and Neil

Oldenburg at Bosco Tech HS for one semester.

In accordance with Article XI and its applicable sections in the By-Laws, the residence rule was waived to grant immediate eligibility to John Johnson at La Mirada HS; Joe Musser at Ontario Christian HS; Steve Ochoa at Anaheim HS; Jerel Moore at California HS; Milt Harden at Gahr HS; Joyner George at Workman HS; John Callister at Pasadena Polytechnic HS, and Anthony Rose for other than varsity competition at Claremont HS.

After a review of the facts in the case of Paul Powers at Colton HS, it was moved, seconded and carried to deny a request for a waiver of the residence rule.

There being no further business to come before the committee, the meeting was adjourned at 3:30 p.m.

Respectfully submitted,

J. Kenneth Fagans
Commissioner of Athletics
