ARTHUR HOBSON, CALIFORNIA HS PRINCIPAL, NEW COUNCIL PRESIDENT

The representative from the San Gabriel Valley League, Arthur T. Hobson, capable and popular principal at California HS in Whittier, is the new president of the CIF, Southern Section Council for the 1961-62 school year.

A native of California, Art prepped at Orange HS where he took an active part in dramatics, athletics and student government. After a year at Santa Ana Junior College he matriculated at Whittier College where he earned his BA and MA degrees. Art received his Administrative Credential from Claremont Graduate School and is still taking courses which will undoubtedly lead to a doctorate at some future date.

Equipped with an English major, a physical education minor and a world of enthusiasm, Hobson's first teaching position was at Whittier HS in the Fall of 1947. Here he was assigned classes in social studies, English and physical education. In addition he found time at the close of the school day to coach the Class C football and the Class B and C basketball teams. Displaying an excellent knowledge of these sports coupled with an ability to get along well

with his young charges, led to many Pacific League championships.

After four years of teaching, Art was appointed as a counsellor at Whittier HS, where he remained until 1953, when he was transferred to the newly activated California HS as counsellor and department head. After two years in that capacity he was appointed principal in January, 1955, where he has enjoyed a successful tenure up to the present time.

During the second World War, Art enlisted in the Air Force and served for 39 months with the rank of S/Sgt. He spent 31 months in China and India with the Army Airways Communication system, where he gained valuable experience which has served him well since the end of the war.

Happily married, Art and his lovely wife Barbara, are the proud parents of three children Dick 12, Kathleen 10 and Patrick 6. Art is extremely interested in sports activities of all kinds, with special emphasis on fishing and camping. His family join in this love of the outdoors and the Hobson clan pack up and head for the High Sierras whenever possible.

Art has many other hobbies which include dramatics, playing the electric organ and gardening. Eventually Art Hobson may get to indulge his varied hobbies, but we know that during the school year 1961-62, he will gladly forsake many of his outside activities to give the CIF, Southern Section leadership in solving the many problems that face us as the year unfolds. We are indeed fortunate in having a man with the enthusiasm, interest and capabilities of Art Hobson to serve as our Council president.

MINUTES OF EXECUTIVE COMMITTEE MEETING — JUNE 19, 1961

The annual June meeting of the CIF, SS Executive Committee was called to order by the President, Mr. Oliver Corbin, at Corona del Mar, on Monday, June 19, 1961, at 9:00 A.M. Those in attendance included Messrs. Winston Nelson, Asst. Supt. of Pomona School District; John R. Taylor, Principal of Nordhoff HS; Keith Gunn, Principal of Victor Valley HS; Robert J. Schilling, Asst. Supt. of La Puente School District; Robert D. Ashton, Asst. Supt. of Excelsior Union High School District; Marion C. Hays, Vice Principal of Harvard School; Harold Wetzel, Vice Principal of Hawthorne HS; Charles Ronin, Vice Principal of Redlands HS; Emmett Larson, Principal of Santa Fe HS; John Land-

rum, Principal of San Marino HS; Frank O. Hopkins, Principal of Brea-Olinda HS; and Kenneth Fagans, Commissioner of Athletics.

1. It was moved, seconded and carried to approve the minutes of the Executive Committee meeting of April 19, 1961, as published in the May, 1961, Monthly Bulletin.

2. It was moved, seconded and carried to recommend to the Council that the new Sierra Vista Junior High School of the Baldwin Park School District, be accepted as an Associate Member of the CIF, Southern Section.

3. The Commissioner presented for approval the minutes of the CIF, SS, Swimming Coaches meeting, which was held at the Helms Athletic Foundation on June 8, 1961. After a review of the minutes it was moved, seconded and unanimously carried to approve the minutes of the Swim Coaches meeting, as published by the Commissioner.

4. The dates and locations for the three regular meetings of the Council for the 1961-62 school year, were approved as follows:

Fall Meeting—November 18, 1961, at California High School

Winter Meeting—February 3, 1962, at Dominguez High School

Spring Meeting—May 19, 1962, at Helms Athletic Foundation.

5. The 1961 football schedule of Needles High School was reviewed and it was moved, seconded and carried that in order to qualify for the 1961 CIF, SS Small School Football Playoffs, Needles High School must win all but two of the following seven games on its schedule: Gorman HS, Lutheran HS, Twenty-nine Palms HS, Boulder City HS, Mission HS, Snowflake HS, and Parker HS.

6. The 1961 football schedule of Crespi High School was reviewed and it was moved, seconded

and carried that in order to qualify for the 1961 CIF, SS Football Playoffs, Crespi High School must win all but two of the following seven games on its schedule: Fermin Lasuen HS, St. Monica's HS, Alemany HS, St. Bernards HS, Brown Military HS, Servite HS, and Crescenta Valley HS.

7. The 1961 football schedule of Savanna High School was reviewed and it was moved, seconded and carried that in order to qualify for the 1961 CIF, SS Football Playoffs, Savanna High School must win all but two of the following seven games on its schedule: University HS, Lutheran HS, Vista HS, Basic HS, Antelope Valley HS, Holtville HS, and Coronado HS.

8. A request was considered from Costa Mesa High School for permission to hold a post season Class B Basketball Tournament on March 1, 2, and 3, 1962, and not have the games played by the participating schools count as part of the 22 games each school is permitted to schedule. After some discussion it was moved, seconded and carried to deny Costa Mesa High School permission to hold this tournament because it was opposed to the philosophy expressed by the Council at its last meeting when legislation was passed which prohibits post season competition in team sports in B and C classifications which would lead either officially or unofficially to a section championship. It was suggested that if Costa Mesa High School would like to host a Class B Basketball Tournament they should schedule it as a pre-league affair, or during the regular season.

9. With the close of the 1960-61 school year, Mary Star of the Sea High School will abandon its interscholastic athletic program because of the transition to an all-girls school, which will leave only 30 boys remaining in school as members of the senior class. With this in mind the administrators at Mary Star of the Sea High School and the new Fermin Lasuen High School, which will replace it, have requested that the 30 boys attending Mary Star of the Sea High School next year, be permitted to participate on the athletic teams representing Fermin Lasuen High School.

It was moved, seconded and carried to permit the 30 boys enrolled at Mary Star of the Sea High School to participate on the Athletic teams representing Fermin Lasuen High School, during the 1961-62 school year, provided they meet all other eligibility requirements of the CIF, SS. These boys will not be permitted to transfer to any other CIF school and be eligible unless there has been a change of address on the part of a boy's parents which would necessitate such a change of schools.

10. An eleventh grade boy attending San Marcos High School in Santa Barbara, was recently declared ineligible for further interscholastic athletic competition because he had participated on a bowling team in an adult league where cash prizes were awarded. The Vice Principal of San Marcos High School requested that

the case be reviewed in the hope that new evidence could be found which would restore the boy's eligibility.

The Executive Committee after reviewing the evidence in the case had no alternative but to uphold the ruling which made the boy ineligible for interscholastic athletic competition during his senior year. The Blue Book specifically states that in order to compete in high school athletics a boy must be an amateur, and defines an amateur as one who has not: (1) Coached or taught athletics for pay, (2) Competed in any game or contest where any member or members of his team received a compensation, (3) Competed for cash, for merchandise, or for any compensation, or for a personal prize of any sort over \$10.00 in value, or under an assumed name. School administrators are reminded that most adult bowling leagues offer cash prizes and high school boys should be warned that participation in such leagues will jeopardize their eligibility.

11. At the recent meeting of the State Federated Council, the Los Angeles City Section representatives submitted the following proposed change in the State CIF By-laws governing eligibility: A boy who transfers from one school to another without a change of residence on the part of the parents or legal guardian, or without a court order, shall be ineligible in the second school until he has been in attendance in the new school for twenty consecutive weeks which need not be confined to one semester.

At the present time, a boy would be ineligible for one semester if he illegally transfers. The change would provide that he would be ineligible for 20 weeks from the date of the illegal transfer. This matter was discussed at great length and it was pointed out that the transfer rule, even if the proposed change would be adopted, would not prohibit proselyting. For example, a boy could be induced to change schools in March and he would be eligible for basketball in the new school twenty weeks later, which would be prior to the beginning of the next basketball season. A football player illegally transferring in January or February could also be eligible in time to compete during the next season of that sport.

It was moved, seconded and carried to recommend to the SS Council, the adoption of this proposed change in the State CIF By-laws if it was amended to provide that "a letterman who transfers from one school to another without a change of address on the part of his parents or guardian, or without a court order, would be ineligible in the new school for one year from the date of the illegal transfer." It was the opinion of the group that the amendment was necessary to prevent the proselyting of high school athletes in California.

12. It was moved, seconded and carried to permit certain tenth, eleventh and twelfth grade boys now attending Indio High School to transfer to Coachella Valley High School at the beginning of the 1961-62 school year, because of a

change in school boundaries effected by the Coachella Valley Joint Union High School District. The waiving of the transfer rule will apply only in the case of the first transfer of a student at the beginning of the 1961-62 school year and all subsequent transfers will be governed by the eligibility rules of the CIF, SS.

13. It was moved, seconded and carried to send the Commissioner, with expenses paid, as the CIF, SS, representative to the National Federation Football Rules Meeting in January, 1962, and to the National Federation Convention in June, 1962. Funds are included in the coming year's budget.

14. It was moved, seconded and carried to authorize the Commissioner to represent the Southern Section at a portion of the California State Workshop, to be held in San Luis Obispo in August, 1961.

15. North High School of Torrance requested permission to start their Sixth Annual North High Invitational Golf Tournament at noon on May 23, a school day, rather than at the prescribed starting time of 3:00 P.M. It was pointed out that golf courses were not available for high school tournaments on Saturdays, and in order to complete the day's play it was necessary to have a noon starting time. It was moved, seconded and carried to grant permission to North High School to begin their golf tournament at noon on May 23, 1962.

16. It was moved, seconded and carried to authorize the Commissioner to approve the request of Baldwin Park High School, to initiate a High School Distance Carnival at Baldwin Park High School, on Saturday, March 24, 1962, with the events, including the two mile run, as submitted.

17. Mr. Winston Nelson, Treasurer of the CIF, SS presented a Financial Report showing the estimated income and expenditures of the CIF, SS for the 1960-61 school year as compared with the budget for that period. He then presented a proposed budget for the 1961-62 school year. After making minor changes in the proposed budget, it was moved, seconded and unanimously carried to accept the Financial Report and adopt the revised budget for the 1961-62 school year and instruct the Commissioner to send copies of the Financial Report and Budget to all members of the Council, in September, 1961.

18. Chairman Corbin informed the group that consideration should be given to the acquisition of a small station wagon for the use of the Commissioner and the SS office personnel when they are on official business. At the present time, office personnel are reimbursed at the rate of 10¢ per mile for the use of private cars for CIF business. In addition to transporting personnel to conduct rules clinics, it is necessary to transport trophies and awards to championship events; programs, contestants envelopes, etc. for athletic activities, and large mail out of supplies to member schools. It was moved, seconded and carried that because of the apparent need for adequate transporta-

tion for the CIF, SS office, the Commissioner is directed to determine the amount of money now being expended for transportation and investigate the cost of providing a station wagon for the use of SS personnel for official business.

19. It was moved, seconded and carried to hold the first regular meeting of the Executive Committee, for the 1961-62 school year, in the Santa Barbara area, on Monday, September 25, 1961. The Commissioner was directed to make the necessary arrangements.

20. Mr. Corbin announced that with his pending retirement he could no longer serve as Chairman of the SS Executive Committee and he would declare the floor open for nominations for the office. Mr. Keith Gunn, Principal of Victor Valley High School, was nominated for the position. It was moved, seconded and unanimously carried to close the nominations and cast a unanimous ballot for the election of Mr. Gunn, as Chairman of the Executive Committee for the coming school year.

21. A vote of commendation was given to Mr. Oliver Corbin for the outstanding job of leadership he has performed during the past year in his capacity as Chairman of the Executive Committee.

22. There being no further business to come before the committee, the meeting was adjourned at 11:59 A.M.

Respectfully submitted,
J. Kenneth Fagans
Commissioner of Athletics

RULES TRAINING FILM NOW AVAILABLE

Administrators and athletic coaches in our member schools are reminded that a library of rules training films is maintained in the CIF, Southern Section Office, and these films are available to our member schools at no cost. At the present time we have the latest edition of "Official Basketball", "Official Football" and "Baseball for Millions."

Each film is designed to aid the coach in his teaching, the player in playing the game, and the official in administering the game. It gives students and the general public a more thorough knowledge of the code under which high school football, basketball and baseball is played and a better appreciation of playing skills and the problems of game administration.

The films are adapted for use in school and community programs. They are entertaining as well as instructional and make an ideal assembly feature, or may be used in boys and girls physical education classes in addition to serving the varsity teams. Each film has a running time of 28 minutes and a copy may be secured by phoning or dropping a post card to the CIF, Southern Section Office.

"AA" BASEBALL CHAMPIONSHIP GOES TO UPLAND HS

Upland High School, champions of the always tough Tri-County League, defeated Central High School of El Centro, 3-1, to capture the CIF, SS "AA" baseball championship in a game played before a capacity crowd at Galvin Park in Ontario on Friday, May 26, 1961.

The game was well played with the outcome in doubt right down to the final out. The hero of the game was Jim Thornton, who arose from a sick bed to hurl a masterpiece for the Highlanders, by restricting the heavy hitting Spartans to only 3 hits, with two of them being of the scratch variety. He was also responsible for two of the runs scored by his team.

Given top seeding the Highlanders lived up to their high rating by beating Cantwell 4-3, overwhelming Bishop Montgomery HS, 8-1, and in a rough semi-final contest emerged victorious over Palmdale 3-2, to qualify for the championship game. Placed at the top of the lower bracket, Central High School blanked Indio 7-0, in a first round encounter, nipped Rubidoux 4-3, and then turned back the strong Santa Ana Valley nine in the semi-finals, 6-4.

It was a most successful playoff, with members of both squads who played in the final game being presented with individual CIF, SS gold baseball charms. Commissioner Ken Fagans and the principal of the host school, Mr. Tom Glaheen, assisted with the presentation of awards.

Complete results of all games follow:

RELEAGUING COMMITTEE BEGINS WORK

The CIF, Southern Section, Releaguing Committee, under the chairmanship of Mr. Robert D. Ashton, Asst. Superintendent of the Excelsior High School District, will begin work immediately on the problem of leaguings schools for the 1962-63 school year. Any principal concerned with the present leaguings of his school and who seeks a change, should contact Mr. Ashton or a member of his committee, at the earliest possible moment.

HARVARD SCHOOL WINS SMALL SCHOOL TEAM TENNIS TITLE

Top seeded Harvard overwhelmed defending champion San Marino 22-6, to capture the CIF, SS Small School Team Tennis Championship, in a match played on the winner's courts, Wednesday, May 31, 1961. The one sided score came as quite a surprise, because although Harvard was definitely favored to win, most of the experts had figured that Coach Jack Bradford's well balanced team from San Marino would put up more of a battle.

As was expected Elty Brown and Ron Preisman, Harvard's top doubles duo, was unbeatable as they racked up 6 points by sweeping their doubles matches without the loss of a game. The remainder of Coach Bill Dillenbeck's team also performed as expected and assured victory for Harvard in this championship battle.

Form prevailed throughout the tournament as both top seeded teams, who were given first round byes, easily defeated all opposition to march through to the finals. Harvard walloped Pioneer HS, 26-2, and then routed Thacher School 24-4 to qualify for the championship match. In the lower bracket San Marino overwhelmed Sunny Hills 25-3 and then had a little tougher time overcoming Palm Springs 16 to 12.

Complete results of all playoff matches follow:

FRATERNITY PROBLEM CROPS UP AT SANTA MONICA HS

Administrators at Santa Monica HS recently learned that a number of their athletes had been members of a secret fraternity during the school year 1960-61. This is in violation of CIF, SS, rules which prohibit a member of a secret fraternity or club as defined by State law, to participate in interscholastic athletics.

Upon discovering the violation, Santa Monica school authorities immediately conducted a thorough investigation, and as a result it was necessary to forfeit one varsity football game, five JV football games, six basketball games, and sixteen baseball games. The individual schools involved in their forfeitures were notified and disciplinary action was taken against the boys who had been members of this secret fraternity.

We realize that this problem can arise in any

high school, and we would like to compliment Santa Monica HS administrators for taking quick and positive action to see that the rules of the CIF, SS, were followed to the letter.

NEW SUPERINTENDENTS TAKE OVER IN MANY SOUTHERN SECTION SCHOOL DISTRICTS

In compiling information for our latest CIF, Southern Section Member School Directory, we noted many changes that have been made on the superintendent's level for the 1961-62 school year. With our superintendents ultimately responsible for our interscholastic athletic program and because they work closely with our program, we thought that a run-down on the many changes would be of interest to personnel in our member schools.

From Springfield, Oregon, comes Mr. Harold E. Beall to assume the position of Superintendent of the Monrovia Unified School District. We understand that last year Mr. Beall was president of the Board of Control of the Oregon High School Activities Association, the organization in Oregon that corresponds to our CIF, Southern Section. We hope that the opportunity will present itself so that Mr. Beall will be able to work with the Southern Section so that we can benefit from the experience he gained in working with interscholastic athletics in our neighboring state.

Dr. Hiram Loutensock resigned as superintendent of the Victor Valley Union High School District to assume a similar position with the Lynwood Unified District. Dr. Loutensock will be replaced at Victor Valley by Mr. Harvey S. Irwin. Dr. Max Rafferty left Needles to take over a new position with the newly created La Canada Unified District and will be replaced at Needles by Dale Harter, former principal at North Torrance HS.

With the retirement of Mr. F. C. Hemphill at Compton, we find that his successor will be the former assistant superintendent, Mr. Rae E. Cargile. The creation of the Palos Verdes Unified District finds Mr. Wayne L. Butterbaugh assuming the position of superintendent. Mr. Everett V. Adams and Frank O. Hopkins, who formerly served as superintendent-principal of the Beaumont and Brea-Olinda school districts respectively, have now dropped their principal's duties and will confine all activities to the superintendent's level. On the other hand, Mr. Dwight Loper of Tustin has been promoted from vice-principal to superintendent-principal of his district.

Other new superintendents for the coming school year include Dr. Hilton D. Bell of the Azusa Unified School District; E. Maylon Drake of the Duarte Unified SD; James C. Cherry of the Garden Grove UHSD; Dr. C. Thomas Hosley of the Paso Robles UHSD; Glen Tabor of the Santa Ana UHSD; Dr. W. Del Walker of the Glendora Unified SD; Dr. Larry McGee of the Palo Verde Unified SD; and Gordon Harrison of the Elsinore USD.

ADMINISTRATIVE CHANGES IN SOUTHERN SECTION SCHOOLS

At the beginning of each school year there are always many changes of assignment among the men serving as principals of our member schools. This year proves to be no exception. As the person serving as principal of a high school is responsible for the conduct of the interscholastic athletic program of that school, he must of necessity work closely with other principals and the persons in the CIF, Southern Section office. For this reason we feel it is important that we publish a list of changes for the information of all concerned.

A number of men who have demonstrated outstanding administrative ability in the capacity of vice-principal have been promoted to the important position of principal of their high school. These include Vic Hassing at Brea-Olinda HS; Richard D. James at Excelsior HS; Lyle H. Fry at Montclair HS; Dwight E. Loper at Tustin HS; Walter Beckman at Twenty-nine Palms HS; Rev. Vincent Cavalli at St. John Vianney HS; and Rev. John F. Glynn at Villanova Preparatory School.

Mr. Robert W. Wisgerhof takes over as principal at Bolsa Grande HS, replacing Mr. Myron E. Greene, who assumes the head man's role at Arcadia HS. With the retirement of Mr. Oliver Corbin from Covina HS, his position has been filled by Mr. Eugene T. Kelly.

Other new principals include Dean A. Curtis at Central HS in El Centro; Alvin A. Fodor at Charter Oak HS; Thomas P. Cahraman at El Segundo HS; Mrs. Eileene LaBarthe at Garden Grove HS; Mr. Earl Murray at Kern Valley HS; John H. Adams at Laguna Blanca School; Edward Holden at Lompoc HS; Richard Guengerich at North Torrance HS; Rev. George Hacar at Notre Dame HS of Riverside; Walter DeJong at Ontario Christian School; Riley McKinney, Jr. at Pacific HS in Los Angeles; Col. W. A. Reaper at Brown Military; J. W. McDonnell at Brentwood Academy; Lewis R. Thompson at Pasadena Academy; Rev. Fred Fury at Pomona Catholic HS; William McClain at Rancho Alamitos HS; Robert Campbell at Redlands HS; Mel Gustafson at Santa Fe HS; and Hanford F. Rants at Warren HS.

Eight new schools have been activated in the CIF, Southern Section, this year and the men chosen to serve as principals are as follows: Buena HS in Ventura, Mr. Arleigh McConnell; La Serna HS in Whittier, Mr. Melvin E. Locke; Lowell HS in Fullerton, Mr. Donald Kennedy; Magnolia HS in Anaheim, Mr. Richard Ryan; Santiago HS in Garden Grove, Dr. Carl F. Heinz; Savanna HS in Anaheim, Mr. Sam A. Chicas; Palos Verdes HS in Rolling Hills, Mr. David Miller; and Pater Noster HS in Glendale, Rev. Michael Hanlon.

CIF, SOUTHERN SECTION BLUE BOOK TAKES ON A NEW LOOK

Administrators and coaches in our member schools will be pleased to note that a complete revision has been effected in our Blue Book (CIF, Southern Section Constitution and By-Laws) for the 1961-62 school year. This has been done at the request of the Executive Committee, who were vitally interested in making every effort to see to it that our rules and regulations were stated clearly and concisely and so arranged in the book that they could be easily located and understood by all personnel connected with our interscholastic athletic program.

The size of the new edition has been enlarged from 3½ x6 to 6x9, but will still retain its blue cover. A better grade of paper has been used, photographs appear, the headings and type style have been changed, and an attempt has been made to cross index all rules and regulations so that information may be easily located.

The 1961-62 edition, like each edition before it, is the product of the best thinking on the part of the many hundreds of men employed on the staffs of our high schools. Over a period of 48 years, rules and policies have been developed to control and guide our athletic program for the benefit of boys participating, so that they will be looked upon with favor not only by the boards of education in our cities but also by the general public. Our rules have grown through a democratic process, for these regulations have been proposed and voted upon by the representatives of the various leagues throughout the years. While voting is limited to official League Representatives, any physical education teacher, coach, or school administrator may attend our meeting and address the group.

We have endeavored to supply each school with the number of copies commensurate with the size of its staff. Should any school feel that additional copies are needed, we would be pleased to supply them at no additional charge.

In addition to the Constitution and Approved Rulings, the Blue Book contains the Articles of Incorporation, SS records in swimming and track, team champions in football, basketball, baseball and track, the play-off calendar for the current year, grouping of leagues for play-offs and approved questions and answers concerning the Constitution and rules of eligibility. It is hoped that all persons connected with our fine interscholastic athletic program will keep the new edition of the Blue Book available for reference at all times.
