SEPTEMBER, 1964

No. 1

BEVERLY HILLS V. P. STEVE MILETICH TO SERVE AS COUNCIL PRESIDENT IN 64-65

Popular Beverly Hills HS vice-principal Steve Miletich, who has been associated with the CIF, SS, as a coach, official, league representative and member of the relegating committee, will serve as President of the Council for the school year 1964-65.

Miletich assumes the presidency of the Council by virtue of his position as Sky League representative.

Active in athletics in both his high school and college days, it was natural that Steven Miletich would also be closely associated with athletics in his present school administrative position.

Steve is one of thousands of now-Californians who call the State of Iowa home. He was reared in Albia, Iowa where he starred in athletics at Albia High. His high school athletic credentials indicate three varsity basketball letters (he played both forward and guard and two varsity letters in football (he was a center). Steve was captain of the basketball team and earned All-League honors.

Upon graduation from Albia High, Miletich matriculated to the University of Southern California where he played basketball under Sam Barry and Julie Bescos between 1937 and 1942. He was graduated with his B.S. degree and entered the U.S. Navy as Chief Specialist—Athletics.

When discharged in '45 it was Lt. (j.g.) Miletich who spent a year in business before returning to USC where he received his Master Degree in 1947.

Miletich joined the staff at Beverly Hills High in 1947 where he coached basketball, golf and was an assistant football coach. His 12 year basketball coaching tenure was highlighted by the 1955 and 1956 seasons when the Normans compiled 31-1 and 24-2 season records. The 1955 team advanced to the CIF (Southern Group) finals before bowing to Morningside, 64-62.

STEVE MILETICH
... Council President

Miletich became a Class Counselor at Beverly Hills in 1957, Administrative Assistant in 1958 and Vice Principal, his present position, in 1959.

He is recognized as one of the finest basketball officials on the West Coast and is past president of the Southern California Basketball Officials Association. He officiated the CIF, SS, finals in Long Beach last season.

Steve has played an active role in the CIF, SS, serving as a representative of the Pioneer League and Sky League on the council for eight years. He spent five years ("it seemed like ten") on the relegating committee and just last spring was a member of the joint CIF-Officials Association Committee which studied the new basketball fees alignment.

Outside of his school work, Steve is past president of the Beverly Hills Exchange Club and rates golf (he's a 10 handicapper) as his chief hobby.

Steve and Mrs. Miletich (Peggy) have two children, Chris, 17 and Sue, 13.

Wilson, Caminiti, Mc Cullouch Track Marks Get National Federation Approval

A trio of Southern Section track athletes will have their names entered with new interscholastic records in the National Alliance Edition of the official 1965 Track and Field Rules and Records as published by the National Federation of State High School Athletic Associations.

Paul Wilson (Warren HS), Earl McCullouch (L.B. Poly) and Steve Caminiti (Crespi) had five national records between them approved by the Records Committee of the NFSHSA at its annual meeting last July in Jackson Hole, Wyoming.

Wilson's mark of 16-0 in the pole vault is an even foot above the old record of 15-0 by James Brewer of North Phoenix, Arizona, set in 1956. Wilson cleared the 15-0 mark on numerous occasions during the 1964 season, but it wasn't until the CIF, SS, semi-finals at Compton on May 22 that he sailed over the standards set at the magic 16-0 mark.

McCullouch and Caminiti each were credited with 13.7s in the high hurdles and 18.1s in the lows. The 13.7 ties the old interscholastic record while the 18.1 lowers the previous mark by .2.

In head to head competition, McCullouch defeated Caminiti four times—in the Southern Section finals and State Meet finals in both events.

CIF, SS, Calendar

- Sept. 8 First day of football practice
- Sept. 19 Executive Committee meeting Newporter Inn, Newport Beach
- Sept. 21 First permissible inter-school scrimmage (provided teams have had 10 days practice)
- Sept. 26 CIF, SS, Council Meeting Pasadena High School, 9:30 a.m.

Long Beach Poly, L.A. Jefferson Tie for State Crown; Muir Third

Long Beach Poly and Jefferson of Los Angeles fought to a 13-13 tie and a share of the State CIF Track and Field Championship in the 1964 meet held at the Coliseum on June 5 and 6.

Poly's hurdle sensation Earl McCullouch won both the 180 lows and the 120 highs for 10 points, while Manual Murrell added three in the long jump for the Jackrabbits' 13 point total.

Jefferson got a winning 440 from Freddy Banks; a third in the same event from Grundy Harris; and fourth from Banks in the 100; and a third in the half mile relay for its 13 points.

Third place went to the Southern Section champion, Muir of Pasadena, with 11 points, while McClymonds of Oakland took fourth with 10 points—a pair of firsts in the sprints by Jimmy Hines in 9.7 and 21.5.

More than 300 athletes representing 165 schools competed in the two-day event that drew nearly 18,000 track buffs to the Coliseum. The 14,018 on the final day was a record for the State Meet.

Coliseum interscholastic records fell in nearly every event, while the only

State mark to go was in the pole vault where Paul Wilson of Warren High in Downey sailed 15-4¼. Hines' 21.3 in the 220 on a curve goes into the book as a State Meet record, since no past meet included the event.

Santa Monica Defeats Redlands, 20-8, for Third Straight Tennis Crown

Santa Monica High scored its third straight Large Schools CIF, SS, Tennis Championship last spring, when the Vikings defeated Redlands, 20-8, on June 2 at the Los Angeles Tennis Club.

The victory marked the seventh time that Santa Monica has won the Large Schools team title. Beverly Hills has won six crowns.

SaMoHi coach, Glenn Bassett, who during the summer accepted the position of assistant tennis coach at UCLA, called the doubles matches, where his team won 3 of 4, "the key to victory." He will continue to coach at Santa Monica in addition to his UCLA duties.

The Vikings doubles teams of Ed Grubb-Jim Allen and Mike Talmadge-Vic Gedgaudas won 6 of 8 sets and out-scored Redlands 9-3 in the team scoring totals. Combined with the 11-5 singles margin compiled by Jerry Shaw, Tom Moeller, Mike Gillfillan, and Larry Lawrence, the Vikes coasted to the title.

Moeller, placing No. 2 singles, was the only competitor to win all four of his singles sets. Lawrence won three of four, while Shaw and Gillfillan split with their Redlands opponents.

The Redlands team consisted of Steve Tharaldson, Rich Jiminez, Steve Newcomer and Wes Wright, playing singles, and Ron Bohrnstedt-Jim Stryker and Doug Verdieck-Dennis Granger comprising the doubles teams.

Santa Monica made it a clean sweep of Southern Section tennis laurels during the 1964 season when the Vikings B & C teams also captured team championships.

Santa Monica advanced to the finals by scoring wins over Dominguez (28-0), Loyola (25½-2½), and Pasadena (19½-8½).

Redlands gained the finals with wins over Arroyo (19¾-8¼), Beverly Hills (20-8), and Santa Ana (22¼-5¾).

CHAMPIONSHIP TEAM TENNIS PLAY-OFFS (Large School Division)

FIRST ROUND

Santa Monica 28, Dominguez 0
Loyola 16, Bellflower 12
Pasadena 20¼, Covina 7¾
Montebello 28, Sierra 0
Santa Ana 23, Orange 5
Sunny Hills 25, Lakewood 3
Beverly Hills 22½, Santa Barbara 5½
Redlands 19¾, Arroyo 8¼

Smith, Bohrnstedt, Verdieck Claim Top Honors in Individual Tennis Meet

Stan Smith of Pasadena and the team of Doug Verdieck and Ron Bohrnstedt from Redlands won the singles and doubles titles, respectively, in the 1964 CIF, SS, Individual Tennis Tournament which was completed on June 6 at Long Beach City College.

Smith, who also won at Ojai, Fullerton Invitational, Pasadena Invitational, and Los Angeles Metropolitan during the year, had to go three sets before downing Jim Hobson of Sunny Hills in the finals, 4-6, 6-4, 6-2.

The duo of Verdieck and Bohrnstedt defeated Reed and Weston of Glendale in the finals, 6-3, 6-4, and lost only 13 games in the four matches enroute to the championship. Other victories were scored over Ersz and Duncan of San Gabriel, 6-2, 6-2; Sterling and Kleiber of Beverly Hills (6-1, 6-0); and Crandall and Steiner of Santa Ana (6-2, 6-1).

Runners-up Reed and Weston tripped Runquist and Cooper of Chaffey (6-3, 6-3); Talmadge and Gedgauda of Santa Monica (7-5, 6-3); and Shaw and Gillfillan of Santa Monica (6-1, 6-4) in advancing to the finals.

Smith, in sweeping to the singles championship, outsted Wojemberghe of Tustin (6-0, 6-2); Kuns of Oxnard (6-1, 6-0); and Harter of Huntington Beach (6-3, 6-4) before besting Hobson in the finals.

Hobson, meanwhile, beat Lopez of Bellflower (6-0, 6-1); Wilson of Whittier (6-0, 6-3); and Newdecker of Temple City (6-3, 6-2) before bowing to Smith.

A new format for the Individual Tournament was adopted by the tennis coaches committees and the event was conducted with four sectional playoffs on June 3 at Santa Ana, Redlands, Pasadena and Santa Monica. Each sectional was limited to 16 entrants in singles and 16 teams in doubles, and from each sectional the top four singles players and doubles teams advanced to the finals at Long Beach.

QUARTER-FINALS

Santa Monica 25½, Loyola 2½
Pasadena 16½, Montebello 11½
Santa Ana 15½, Sunny Hills 12½
Redlands 20, Beverly Hills 8

SEMI-FINALS

Santa Monica 19½, Pasadena 8½
Redlands 22¼, Santa Ana 5¾

FINALS

Santa Monica 20, Redlands 8

Willhoft Wins Individual Golf With Par 69 at Redlands CC

Eric Willhoft of Pacific High in San Bernardino fired an even par 69 at Redlands Country Club to win the 1964 CIF, SS, Individual Golf Championship on June 3.

Second place went to Walter Parks of Morro Bay who defeated Bob Archer of Glendale in a sudden death playoff for second place. Both boys had fired rounds of 70—one over par.

Ken Dye of Anaheim finished fourth with a 71, while Chuck Nearhoff of La Mirada and Ray Carrasco of Garden Grove each had 72s. Nearhoff, later named "Golfer of the Year" by the Helms Athletic Foundation, won the low medalist honors (along with Doug Smithline of Eisenhower) in the Team Tournament at Santa Barbara. He shot 70 in that event.

A total of 112 entrants participated in the Individual Tournament hosted by Redlands High School and conducted by Terrier golf coach Bob Hahn.

Individual Tournament scorers with 78 or better:

69—Eric Willhoft, Pacific

70—Walter Parks, Morro Bay
Bob Archer, Glendale

71—Ken Dye, Anaheim

72—Chuck Nearhoff, La Mirada
Ray Carrasco, Garden Grove

73—John Fellows, Glendale
Greg McHatton, La Serna
John Christenson, Loara
Joe Connolly, St. Francis
Bryan Schwartz, Redlands

74—Lynn Audeoud, Pacific
Wayne Palessiro, Chaffey
Steve Dozier, Simi
Mike Hollywood, San Marcos
Ron Moore, West Covina
Kemp Richardson, Millikan
Craig Harmon, Palm Springs
Bob Carson, Wilson
John Israel, Wilson
Bob Parra, Montebello

76—Jim Meadows, Crescenta Valley
Dick Freeman, Redlands
Terry Shackford, Arcadia
Howard Kabrims, Beverly Hills
Larry Benson, Millikan
Bill Madson, Muir

77—Jeff Hewes, San Marcos
Gary Hitch, Ventura
Tony Canzoneri, Whittier
George Conant, La Puente

78—Randy Weaver, Redlands
Tom Killeen, Valencia

MINUTES OF EXECUTIVE COMMITTEE MEETING — JUNE 20, 1964

The annual June meeting of the CIF, Southern Section, Executive Committee was called to order by Chairman Keith Gunn at Palm Springs on Saturday, June 20, 1964, at 9:30 a.m. Those in attendance included Messrs. Winston Nelson, Supt. of the Pomona U.S.D.; Marion Hays, Vice Principal of Harvard School; Arthur North, Asst. Supt. Azusa U.S.D.; Nelson Price, Asst. Supt. of the Azusa Unified School District; Frank O. Hopkins, Supt., Brea School Dist.; Robert D. Ashton, Asst. Supt. of the Excelsior School District; Harry Bigger, Principal of Fillmore HS; Steve Miletich, Vice Principal of Beverly Hills HS; Clair Franklin, Principal of Trona HS; Charles Ronin, Vice Principal of Redlands HS; Robert J. Schilling, Asst. Supt., La Puente School District; Harold Wetzler, Principal of Hawthorne HS; and Kenneth Fagans, Commissioner of Athletics.

1. MINUTES APPROVED — It was moved, seconded and carried to approve the minutes of the Executive Committee meeting held on May 6, 1964, as published in the June, 1964, Monthly Bulletin.

2. MEMBERSHIP FOR NEW SCHOOLS — It was moved, seconded and carried to recommend to the Council that the following schools be admitted to membership in the CIF, Southern Section:

a. Villa Park HS of the Orange Unified School District.

b. Kennedy HS of the Anaheim School District.

c. Rowland HS of the La Puente HS District.

3. COMMISSIONER TO ATTEND MEETINGS — It was moved, seconded and carried to send the Commissioner, with expenses paid, as the CIF, Southern Section, representative to the Cal Poly Workshop in August, 1964; the National Federation Football Rules meeting in Chicago in January, 1965; and the National Federation Annual Meeting in June, 1965. Funds are included in the coming year's budget.

4. PLAY-OFF REQUIREMENTS FOR WEBB SCHOOL — After a review of the football schedule of the Webb School, it was moved, seconded and carried that in order to qualify for the 1964 Small School Football Play-offs, Webb School may not lose more than two of the following seven games on its schedule: Oct. 3, Lutheran HS; Oct. 10, Army & Navy; Oct. 16, Aquinas HS; Act. 23, Boys Republic; Oct. 30, Rim of the World HS; Nov. 6, Valley Christian HS; and

Nov. 13, Harvard School.

5. LONE PINE GOLF TOURNAMENT — In accordance with previous action taken in regards to the Lone Pine Golf Tournament, it was moved, seconded and carried to waive the rule requiring a sanctioned event to begin no earlier than 3:00 p.m. on a school day, to permit this tournament to start at 1:00 p.m. on Wednesday, May 12, 1965. Approval was granted because golf courses are not available for high school tournaments on weekends and a 3:00 p.m. starting time would not enable a tournament to be concluded prior to darkness.

6. JR. HIGH SCHOOL MEMBERSHIP DUES — Junior high schools may become Associate members of the CIF, Southern Section, and in the past have paid dues of 4¢ per student enrolled in the ninth grade. This has caused a great deal of confusion because they also pay dues of the CIF Protection Fund based on enrollment, and many schools submit dues for seventh and eighth grade students rather than just for ninth grade students. To relieve this situation, it was moved, seconded and carried to recommend to the Council that Article XIX, Section 2, of the By-Laws, be amended to provide that each junior high school which is an Associate member of the CIF, SS, shall pay annual dues in the amount of \$15.00.

7. FOOTBALL INTERSCHOOL FOOTBALL RULE — The Southern California Football Coaches Association recently conducted a poll among their members which indicated that the great majority favored a change in the present CIF, SS, rule which prohibits an interschool football scrimmage before the third calendar week of the football season, with a minimum of ten days team practice, to provide that a scrimmage could be held on the Saturday of the second week of practice.

The matter was discussed and it was pointed out that the State CIF rule permitted an interschool scrimmage after ten days of team practice. So that our rule could be brought into conformity with the state rule, it was moved, seconded and carried to recommend to the Council that Article XXXII, Sec. 23, of the By-Laws be amended to provide that one interschool football scrimmage be permitted each team and that this interschool scrimmage be permitted after ten days of team practice.

8. SCHOOLS PLACED ON PROBATION — The Committee reviewed additional information pertaining to

the violation by Pius and Leuzinger High Schools of Article XXV, Section 1, of the By-Laws, which prohibits a CIF, SS, school from competing against a team which does not represent a member school in good standing in the CIF. After some discussion it was moved, seconded and unanimously carried to place both Pius and Leuzinger HS on probation for the 1964-65 school year. Terms of the probation will not prevent one of their teams from entering a SS play-off, but further violations by a school on probation could result in serious disciplinary action.

9. DELINQUENT DUES — The Commissioner reported that during the past few years a number of schools were delinquent in the payment of their annual dues. This required the sending of additional notices and in some cases the dues were not collected until many months after the delinquent date. Article XIX, Section 1, now provides that a school whose annual dues have become delinquent may be denied interscholastic competition until dues are paid. To implement this rule it was moved, seconded and carried to authorize the Commissioner to notify schools that have not paid their dues by Dec. 1 and to empower him to suspend a school from competition until dues have been paid.

10. ELIGIBILITY CASES —

a. Lennox HS requested a waiver of the previous semester rule in the case of a boy who was forced to withdraw from school to assist his father who had become incapacitated due to a serious injury. The Commissioner was directed to contact the principal to secure verification of the facts submitted, and it was moved, seconded and carried that if proof was submitted to substantiate the report, the boy would be declared eligible.

b. Mr. and Mrs. Davin appeared before the committee to request a waiver of the eight semester rule to permit their son, a student at Mission HS in San Luis Obispo, an additional year of competition. A discussion of the case did not reveal any extenuating circumstances and the request for additional eligibility was denied.

11. REVISED COURTESY CARD — During the past few years there have been an increasing number of violations reported in the use of the CIF, Southern Section, Courtesy Cards issued to administrators have been turned over to students and in many cases the card has been passed back through the fence to enable countless numbers of students to gain admission on one Courtesy Card. To eliminate many of these problems and

to maintain better control, it was moved, seconded and carried to authorize the following changes in the Southern Section Courtesy Cards: (1) each card will be numbered so that a record can be kept as to the person who has been issued the card; (2) cards will be non-transferrable and this fact will be printed on the face of the card; and (3) numbers from 1 to 20 will be printed around the sides of the card so that a number can be punched for a particular event when it is presented at the gate for admission.

12. SWIM COMPETITION — Goddard Jr. HS of the Glendora District is planning on having a ninth grade swim team in 1965 but is experiencing difficulty completing a representative schedule because they are the only junior high school out of the 60 in the SS which will have a swim team. To assist Goddard Jr. HS in the development of its swimming program, it was moved, seconded and carried to grant permission to Goddard Jr. HS to schedule, for one year only, teams from senior high schools in swimming.

13. CLASS B 400 FREESTYLE IN SWIMMING — The Montview League submitted a request to have the Class B 400-yd. freestyle event included as a regular part of the CIF, SS, swim program for the 1965 season. This request has been denied by the Council twice during the past year and it was the opinion of the Executive Committee that it should not be presented as an agenda item for the next meeting of the Council.

It was moved, seconded and carried to grant permission to the Montview League to conduct the Class B 400-yd. freestyle event in Montview League competition during the 1965 season. Montview League schools may not conduct this event, however, when they are meeting schools from other leagues.

14. SWIM COACHES MEETING

— The Swim Coaches of the CIF, Southern Section, held their annual meeting at Helms Hall on Thursday, May 21, 1964. The coaches went on record as opposing the recent action of the Council which deferred the starting date for practice in swimming from the first week in January until February 1. They indicated that they would request a review of the matter by the Council in the hopes that the action could be rescinded. Regardless of the outcome of their appeal, they voted to retain the dates of April 24, and May 1, 1965, for the holding of the CIF, Southern Section prelims and Championship Meet. After dis-

cussing all of the items in the minutes, it was moved, seconded and carried to approve the minutes of the Swim Coaches Meeting of May 21, 1964.

15. UMPIRES FOR LITTLE LEAGUE BASEBALL — During the past few years, with the growth of organized sports activities for youngsters, a great demand has been placed on high school athletes to officiate games in Little League baseball, Pop Warner football, etc. The AAU rule governing the use of high school boys to officiate these contests is outdated, and in many respects it is hypocritical because it permits a boy to officiate if he is hired as an assistant playground director, but prohibits him from officiating if he is employed as an umpire.

Realizing a need for a review of this entire problem, it was moved, seconded and carried to direct the President of the Council to appoint a committee to study this matter in the hope that a reasonable set of regulations could be formulated to resolve the problem.

16. INTERSCHOOL SWIM COMPETITION — In 1965 organized after-school swim practice may not begin prior to February 1. To bring swimming into conformity with other sports conducted by the Southern Section, it was moved, seconded and carried to recommend to the Council that Article XXXV be amended to provide that interschool competition in swimming may not be held until the boys who are to participate have had at least eight days of practice. Interschool competition is interpreted as practice meets, time trials or any activity which brings students from more than one school into competition with each other.

17. FINANCIAL REPORT AND BUDGET ADOPTION — Winston Nelson, Treasurer of the CIF, Southern Section, informed the committee that although the fiscal year would not close until June 30, 1964, he was presenting a Financial Report showing estimated income and expenditures of the CIF, SS, for the 1963-64 school year as compared with the budget for that period. The report indicated that due mainly to the successful football and basketball play-offs, we will show a net gain of approximately \$12,000.00.

The treasurer then presented a proposed budget for the 1964-65 fiscal year. After discussing each item in detail and making minor changes in the proposed budget, it was moved, seconded and carried to accept the Financial Report and adopt the revised budget for the 1964-65 fiscal year and instruct the Commissioner to prepare

copies of the Financial Report and Budget for distribution to all members of the Council in September, 1964.

18. OFFICE STAFF — It was moved, seconded and carried to re-employ all members of the Southern Section office staff for the coming year at salaries to be determined by the Executive Committee.

19. DIRECTOR OF PUBLIC INFORMATION — Since the employment of Don Andersen to handle publicity and public relations for the CIF, Southern Section, he has been given many titles. After a discussion of his duties and responsibilities, it was moved, seconded and carried that henceforth this position will carry the title of Director of Public Information.

20. BASKETBALL JAMBOREE — San Marcos HS requested permission to hold a basketball jamboree at the University of California at Santa Barbara gymnasium on Tuesday, November 24, 1964. The request was denied because it involved schools from more than one league and did not meet the requirements of a controlled scrimmage, which is the only basketball activity permitted prior to December 1 of any year.

21. EXECUTIVE COMMITTEE MEETING — It was moved, seconded and carried to hold the first regular meeting of the Executive Committee for the 1964-65 school year at 9:30 a.m., on Saturday, September 19, 1964, at Newport Beach.

22. ELECTION OF CHAIRMAN — It was moved, seconded and carried to cast a unanimous ballot for the election of Mr. Robert D. Ashton, as Chairman of the Executive Committee for the 1964-65 school year.

23. TERM EXPIRES — With the conclusion of this meeting, the Executive Committee term of Robert J. Schilling, Assistant Superintendent of the La Puente High School District, expires. The CIF, SS, extends a sincere "thank you" to Mr. Schilling for his outstanding contributions to the organization.

24. CHAIRMAN COMMENDED — A vote of commendation was given to Mr. Keith Gunn for the outstanding job of leadership he has performed during the past three years in his capacity as Chairman of the Executive Committee.

25. MEETING ADJOURNED — There being no further business to come before the committee, the meeting was adjourned at 3:00 p.m.

Respectfully submitted,
J. Kenneth Fagans
Commissioner of Athletics

Football Officials Set Oct. 28 for Banquet

Southern California football officials are reminded to hold the date Oct. 28 for the annual So. Calif. Football Officials Association banquet at the Rodger Young Auditorium.

Tickets are \$5.00 each and are available from Chip Armstrong at L.A. Trade Tech College. More details in October Monthly Bulletin.

Press and Record Book Joins List of CIF, SS, Publications

A fourth publication—in addition to the Blue Book, Directory of Member Schools, and the Monthly Bulletin—has been added to the list of printed matter distributed by the CIF, SS, office.

The new publication is a 60-page Southern Section Press and Record Book which chronicles Southland high school athletic champions dating back to 1913. The Press and Record Book was edited by Don Andersen, Director of Public Information for the Southern Section.

In addition to past team champions in all sports, the Press and Record Book lists every individual Southern Section and State track champion since 1913, individual golf and tennis titleholders back to the mid-1940's and current Southern Section and National Interscholastic Records in track and swimming.

A complete list of CIF, SS, Sanctioned Events will be dropped from the 1964-65 edition of the directory and will find a new home in the Press and Record Book as will a section on how teams are selected to appear in play-offs. The book also includes pages on the organization of the CIF, SS, its officers, Executive Committee and Council.

Old records, being as difficult as they are to dig out, are missing in some instances, but it is hoped that in subsequent editions the lacking information can be found and added. If you have additional information which might find its way into the pages of the next Press and Record Book it will be appreciated if you would forward such material to the Southern Section office. Half mile relay winners in Southern Section track finals and team tennis champions, runners-up and winning coaches are two areas in need of additional research.

Much of the background for the Press and Record Book has come from Jimmy Heartwell of Long Beach, a

"This Is Basketball" Is Newest Addition to CIF, SS, Film Library

Four prints of the latest basketball film—"This is Basketball"—released by Official Sports Film Service and produced under the supervision of the National Federation of State High School Athletic Associations have been purchased by the Southern Section. These films are now part of the Southern Section film library and are immediately available for use by member schools at no cost.

"This is Basketball" is available in either black and white or color, runs just under 30 minutes, and if filmed in 16 mm.

Filmed at Tipton High School in Tipton, Indiana, "This is Basketball" is valuable to players and officials alike in that it contains helpful information on play and game situations which are often subject to misinterpretation. Officials signals, variations of foul classifications, explanation of new rules and play in the post are among areas covered in depth by the motion picture.

Equally outstanding films on baseball and football, as well as films of the Southern Section Track and Field Championships are also available at no cost.

Color films of the 1964 State Track and Field Championships will be ready for release early this fall and may be obtained for showing by contacting the State CIF office at 525 E. Hyde Park Place, Inglewood, or calling (213) Oregon 8-3811.

Pat and Mike Story No Joke at Indio HS

Basketball coach Marv Dennis at Indio High can hardly wait for next season, even though his team finished six games out of first place in a 10-game Desert-Valley League schedule last season.

Marv's reasons for optimism can be attributed to a story about Pat and Mike:

It seems that Pat and Mike Wendt are twin brothers. Now these twins are not like just plain, ordinary twins, if twins can be plain and ordinary. Pat and Mike are both 6-4; both possess ability to put the round ball through the hoop at a pretty good clip; and both are juniors.

Coach Dennis knew that he had two better than average players, but

long time friend of high school sports. Heartwell compiled and put on paper information in the major sports dating back to the founding of the Southern Section in 1913.

SOUTHERN SECTION NOTEBOOK

One of the integral functions of the Southern Section office, which sometimes tends to be taken for granted, but really rates a better fate, is that of the assignment officials.

An in depth story is forthcoming in a later issue of the Monthly Bulletin, but for a starter here's an interesting comparison of the number of officials assignments made for the leagues within the Metropolitan Los Angeles County during the 1957-58 season and the 1963-64 season.

	1957-58	1963-64
Football	3312	4666
Basketball	1869	4505
Baseball	2026	3874
Swimming	96	200
Water Polo	—	334
Track	186	500

* * * *

Water Polo is the fastest growing sport in the Southern Section if you compare the number of coaches listed in the Directory of Member Schools in recent years. In 1959 just 36 schools had coaches listed. Last year the figure climbed to 70 and in the new edition of the publication 84 coaches are shown.

* * * *

A California Interscholastic Federation sports participation survey conducted this summer showed more schools in the State participate in basketball (737) than any other sport. Baseball (721) ranked second, track and field (696) third, and 11-man football (690) fourth.

King football, of course, had more individuals participating (72,600) with track and field (49,838) ranking second.

what he didn't know was how much better than average they really were.

He found out the last week of the season. Mike Wendt went on a scoring spree—the likes of which may never have been matched by a prep sophomore—and tallied 54 points. Indio defeated Twenty-Nine Palms High School, 92-54, and in the process Mike scored on 19 of 28 field goal attempts (68%) and 16 of 19 free throws. His score by quarters went 11-9-20-14.

Incidentally, Pat scored nine points and was credited with numerous assists, which resulted in baskets for Mike.

Needless to say, Marv Dennis is looking forward to next basketball season, when Pat and Mike return to befuddle opponents with their identity and their basketball prowess.
