Council Meeting

State Federated Council Non-Action Items

MARIE M. ISHIDA, EXECUTIVE DIRECTOR

CALIFORNIA INTERSCHOLASTIC FEDERATION

CIF STATE OFFICE • 4658 DUCKHORN DRIVE • SACRAMENTO, CA 95834 • (916) 239-4477 • FAX (916) 239-4478 • CIFSTATE.ORG

AGENDA ITEM:

V.B.1

TO: FEDERATED COUNCIL

FROM: Southern Section, CIF

THROUGH: CIF Executive Committee

DATE: May 4, 2012

RE: Revision of CIF State Football Championship Bowl format

The Southwestern League of the Southern Section recommended to the Southern Section Council a revision to the current CIF State Football Championship Bowl format. This revision would also effect the regional format that will be implemented this fall, 2012.

The attached proposal was voted on favorably by the Southern Section Council and is being forwarded for Federated Council action. Implementation date is requested for Fall of 2013.

First Reading: May 4, 2012

Discussion: ??

Vote: ??

CIF SOUTHERN SECTION COUNCIL PROPOSAL FORM**

In accordance with Blue Book Article 3, Bylaw 30.1, the following proposal is submitted for Council consideration.

"CIF Southern Section Council may entertain proposals submitted to the governing body on the appropriate proposal form from duly appointed advisory committees, leagues or the Executive Committee." *All items coming before the Southern Section Council must contain the financial implications on member schools, leagues and the Southern Section.*

Date: SEPTEMBER 1, 2011

Submitted by:
Name of representative: RAY MOORE

School of representative: VISTA MURRIETA Telephone: 951-874-5750

Check one of the following:

☒ League Proposal. Name of League: SOUTHWESTERN LEAGUE

☐ Advisory Committee Proposal. Committee Name: _____

☐ Executive Committee Proposal. Submitted by: _____

Rule Change: STATE FOOTBALL
Rule Number Affected: BOWL GAME FORMAT Implementation Date: FOOTBALL SEASON 2013

Abstract: (Please add any supporting documents.)

Council First Read: 10/20/11

Council Action Date: 2/2/12

Date Proposal will take effect on member schools: FALL OF 2013

See reverse side for additional information.

Financial Impact on Member School and Southern Section (Attach an analysis and supporting documents):

This proposal would increase the potential revenue to schools that are selected to play in "bowl" games and also increase the potential revenue to each section. Visiting schools would also receive a portion of expenses from bowl game gate receipts. Individual CIF sections would receive more funds than the current program.
All Council Proposals must be submitted according to the timelines published in the Blue Book. If they are not received in a timely manner, they will be postponed until the next meeting.

Council Proposals that do not contain the information in the fields provided on both pages will not be considered.

September 1, 2011

Rob Wigod, Commissioner
CIF Southern Section
10932 Pine Street
Los Alamitos, CA 90720

Dear Commissioner Wigod,

On behalf of the Principals in the Southwestern League, I would request that the attached proposal be placed on the October 20 CIF-SS Council Agenda as a non-action item and then as an action item at the February 2, 2012 CIF-SS Council Meeting.

It is our belief that this football bowl proposal, if passed, will benefit student-athletes, coaches, schools and each individual section in our state. It also allows for every section to have teams participate in post season state bowl games.

Yours truly,

Ray Moore CMAA
Athletic Director
Vista Murrieta High School

State Football Bowl Proposal

Rationale:

- This proposal would allow one week for football bowl games to be held instead of two weeks. The 2013 football calendar would be similar to the 2011 calendar.
- The current regional football bowl proposal forces some teams to play 16 total games. This is dangerous for California student/athletes. Only NFL teams play this length of schedule and the NFL requires a bye week during their season.
- The "regional" bowl proposal forces the Southern Section and the San Diego Sections to move their football calendar one week earlier than in past seasons. This negatively affects almost 700 high schools which is approximately 50% of the high schools in this state while only a small fraction of teams will have the option to participate in the "regional" bowl format at the conclusion of the season.
- In the 2012 season, teams with a "zero week" game and a scrimmage will need to begin practicing in late July. This is not good for players or coaches.
- There is no official "State Football Bowl Championship" in California. Television broadcasts have made this assumption in error. Post-season football games have been sanctioned by CIF member schools and sections as "State Bowl Games" only.
- In the original bowl format, all sections did not have representation in the state bowl games. This proposal allows for all sections to be represented without lengthening the season for more than one week.
- The past and current state bowl formats send all net profits to the State CIF and participating sections while participating schools bear the brunt of the costs to play and receive no profit sharing. Football is the major revenue source for a high school

athletic program. This proposal shares revenue with participating schools, sections and the state office.

NEW FOOTBALL BOWL GAME PROPOSAL:

1. Implementation Date: December 2013. If this proposal passes, the football calendar would be the same as the 2011 football calendar and allow for one week only for "bowl games."
2. Section Commissioners will meet and determine (by blind draw) an opposing section for the next two years. One section would host three bowl games the first year and the other section would be the host the second year. Every third year Section Commissioners would draw to determine new section match-ups. ***For example:***

a. North Coast	vs	San Diego
b. Southern	vs	Sac-Joaquin
c. Central Coast	vs	Los Angeles
d. Northern	vs	Central
e. Oakland	vs	San Francisco *

 - NOTE: Due to their comparative size, the Oakland and San Francisco Sections could resume their "Bay" Bowl format as a permanent, annual event in their two sections.
 - NOTE: Sections (other than Oakland and San Francisco) would pair up with new opposing sections following each two year period.
3. At the conclusion of the section football playoffs, Section Commissioners would meet to select 3 bowl teams from each section as a small school representative, medium school representative and large school representative.
4. 30 total teams from all ten sections in the state would participate in the State Bowl Game format.

5. "Host" sections would be responsible for securing an adequate site for the three bowl games. One game would be played on Friday evening and two games would be held on Saturday. The following year, the visiting section would be the "host" section and have the same responsibilities. (This could also allow sections to reserve lodging and transportation well in advance of the contest to get better rates.)
6. Financial Information: Expenses for the games would be determined and approved by the 2 section offices prior to the bowl games weekend. Travelling teams would receive a portion of the mileage and hotel costs as expenses for the event. Net profits for the bowl games at one site would be shared as follows:
 - a. 20% to the State CIF Office
 - b. 25% to the host section
 - c. 15% to the visiting section
 - d. 25% the host schools
 - e. 15% to the visiting schools
 - f. All television revenue and corporate sponsorship will be retained by the State CIF.

NOTE: The host section and schools would receive a larger split of the profits to encourage and reward their efforts to promote this special event held in their section.

OPEN DIVISION OPTION:

In addition to the proposal described above, Section Commissioners could meet to select 6 teams total from any of the ten sections to compete in State Open Division Bowl Games to be held on the same weekend as the other state bowls games. A site for these "open division" games would be secured by the State CIF Office. The revenue sharing plan as previously described would be used for these games. (This option would allow for 36 teams to participate in state bowls games.) This option would allow for more than 3 teams from some sections to participate in the bowl game format. For example, if De La Salle was selected to play in this "Open Bowl Game," an additional team from the NC Section would be selected to play in the "Section Bowl Game."
