Dear CIF Southern Section League Representatives,

Thank you for your unwavering commitment to the Student-Athletes of the CIF Southern Section. Your dedication to their success in the classroom and during competition is appreciated. We'd like to express another opportunity of enrichment for your student-athletes; The Special Olympics World Games Los Angeles 2015.

The Special Olympics World Games created the "Fans in the Stands" program to increase fandom for the athletes coming from around the world. Student-Athletes of the CIF Southern Section are eligible to earn four (4) hours of community service/volunteer hours by attending one of the sporting competitions. The Games will be held on July 25th through August 2nd and there is no cost to attend. Our hopes are that each athletic department will select one competition event to attend as a group. They are welcomed and encouraged to watch additional events at one of the 25 venues throughout the greater Los Angeles area.

Every two years, the world transcends the boundaries of geography, nationality, political philosophy, gender, age, culture and religion, to come together for the largest sports and humanitarian event on the planet, the Special Olympics World Games. Alternating between summer and winter games, this event is the flagship event of the Special Olympics Movement, which promotes equality, acceptance and inclusion for people with intellectual disabilities around the world.

No other organized event in the world has the emotional and social impact of the Special Olympics World Games. For the athletes and their families, it opens doors to unimagined possibilities. For those who volunteer, support, and sponsor the Games, it inspires unprecedented pride and hope for a brighter future.

The World Games will feature nine days of challenging and inspiring international competition among thousands of athletes. The World Games are watched on television by millions of viewers across six continents, and more than 500,000 spectators including world leaders, celebrities and dignitaries, typically attend. The culmination of years of athletic training and competition, the World Games bring together adults and children with intellectual disabilities to compete on one of the world's greatest athletic stages.

We request your school's participation to involve your student-athletes and students to cheer on athletes from around the World. The four (4) hours spent cheering for these athletes will not only make a huge impact on their lives but your students as well.

Special Olympics World Games CEO, Patrick McClenahan, will give a presentation at the CIF Southern Section Council Meeting on January 28th at The Grand in Long Beach. You will be able register your school's athletic departments on-site and be issued tickets via email.

Thank you for your time and I look forward to meeting you in late January.

Regards,

McCall Hall
Director, Community Relations & Fan Development
McCall.Hall@LA2015.org

Celebrating begins not when the athletes cross the finish line or score the winning goal but when the fans erupt with excitement. Having supportive fans creates an atmosphere the athletes crave to excel in competition. Help us fill the stands and create that excitement!

WHAT IS THE 'FANS IN THE STANDS' PROGRAM?

This is a great opportunity to get involved and be a volunteer of the Special Olympics World Games Los Angeles 2015! Please join us and volunteer to cheer as a "Fans in the Stands" Team Captain. The Team Captain must be at least 14 years old and is responsible for recruiting 10 or more people to support the athletes during competition. Register today and recruit a team of friends, families and coworkers to join you!

HOW CAN YOU BECOME A TEAM CAPTAIN?

- Visit LA2015.org/volunteer/fans-in-the-stands
- Scroll down and click on 'Register Now' to give us your information and let us know how many people you are bringing with you to the games
- Start recruiting your team of 10 or more people!
- Participate in our online orientation training in January 2015 and share the information with your team
- Your team must be available a minimum of 4 hours during one day or evening of competition (July 25 – August 2, 2015) to cheer on athletes.

QUESTIONS?

Regular Meeting of the Council

Thursday, October 23, 2014

9:00 a.m.

***The Grand
4101 East Willow
Long Beach, California***

Agenda

1. OPENING BUSINESS	DISPOSITION	ITEM
----------------------------	--------------------	-------------

- A. Call to order by Reggie Thompkins, President of the Council

The meeting was called to order at 9:04am

- B. Pledge of Allegiance

- C. Roll Call

- D. Introduction of Guests:

Roger Blake from the CIF State Office

Introduction of the Executive Committee

Jeremy Balan from OC Register

Eric Sondheimer from LA Times

1. Gatorade Presentation

Melanie Shell

Gatorade representatives offered the opportunity for schools to speak with their marketing team about all that Gatorade has to offer their schools in terms of products and incentivized programs. The Gatorade representatives also discussed their premier high school event; G-Week, where Gatorade provides product for the student-athletes at the participating schools who comply with the parameters of the program.

2. Special Olympics Southern California Presentation

Bill Shumard

Mr. Bill Shumard thanked all of the administrators in the room who work on behalf of the student-athletes in our Section. He also shared that the Special Olympics is the world's largest sports organization serving over 16000 athletes from San Louis Obispo to San Diego. The organization reached out to Roger Blake and Rob Wigod to initiate a conversation about high school administrators providing opportunities for unified sports for students with handicaps. In 6 different states, a high school student-athlete can letter in JV, Varsity, and Unified sports. Special Olympics also hosts the World Games which is the largest sporting event in the world and biggest event since the 1984 Olympic Games. The World Games sponsors 25 sports in several different venues and provides 30,000 volunteers to support and promote unified sports. There are 75 cities in the footprint that will serve as hosts to all of the different countries that will participate in the Special Olympics Games. For those interested in getting involved, this is a great team building opportunity for student-athletes, coaches and staff of CIF-SS member schools. ESPN is a presenting sponsor worldwide for

unified sports. Lastly, Mr. Shumard left the group with the reminder that people get involved with the organization to help the athletes, but in the end it is the athletes who have a greater impact within the communities serving to support and assist with the events. Mr. Reggie Thompkins mentioned that the City of Corona will serve as a host city for the upcoming event and the community is really looking forward to being involved and support the Special Olympics organization.

E. Adopt Agenda

Action

A motion and a second were made to adopt the agenda; the motion was approved and the agenda was adopted without revision. The motion carried unanimously.

F. Approval of Minutes

1. Minutes of the April 30, 2014 Council Meeting

Action

1F1

A motion and a second were made to adopt the minutes; the motion was approved and the minutes were adopted without revision. The motion carried unanimously.

2. PUBLIC HEARING SESSION

A. Recognition of anyone wishing to address the Council.

Speakers must limit their remarks to three minutes.

Mike Wilks and Meagan Nelson from MaxPreps introduced themselves and provided a brief historical perspective of MaxPreps and the products offered to Southern Section member schools. All scores entered into MaxPreps flow to the CIF-Southern Section public website. When coaches submit postgame results on MaxPreps, they also have the opportunity to send that information to selected media outlets. MaxPreps has projected to collect over 2 million scores on their site. A new app, MPCoach has launched to allow coaches to enter complete scores and schedules directly from their smart devices. The app is already available for iOS systems and an Android app will be available soon.

Brett Proctor from Alta Loma addressed the Council to solicit any reconsideration of the Association Rule. Mr. Proctor cited student-athlete and Coach burn-out, straining the multi-sport athlete as reasons to consider revisiting the Association Rule. The goal would be to provide a solution that would give our coaches and athletes an opportunity to have a break from their sport in order to provide a greater balance for student-athletes and coaches. Any council members interested in continuing the conversation should contact Mr. Proctor via email or phone to discuss further.

3. ACTION ITEMS

A. STATE FEDERATED COUNCIL ACTION ITEMS

There are no State Federated Council action items at this time.

B. SOUTHERN SECTION ACTION ITEMS

There are no Southern Section action items at this time.

4. NON-ACTION ITEMS

DISPOSITION

ITEM

A. STATE FEDERATED COUNCIL NON-ACTION ITEMS

1. Proposed Bylaw 503 H. Concussion Protocol Revision
Carter Paysinger reviewed the proposal for 503 H. Concussion Protocol Revision. STATE502
2. Proposed Bylaw 1901 A & B Additions
Carter Paysinger reviewed the proposal for Bylaw 1901 A & B. STATE503
3. Proposed Bylaw 1502 (baseball) and 2502 (softball) Additions
Carter Paysinger reviewed the proposal for Bylaw 1502 and 2502. There was discussion addressing the following: effective date (will be voted on in January for immediate implementation for the Baseball/Softball season), can the proposal be separated by sport and not voted on as a package, baseball and softball are two different sports and should be categorized as such. STATE504
4. Proposed State Girls Volleyball Tournament Revisions
Carter Paysinger reviewed the proposal for the State Girls Volleyball Tournament Revisions. STATE505
5. Proposed State Football Bowl Championships Revisions
Carter Paysinger reviewed the State Football Championships Revisions. STATE506
6. Proposed Revision of Bylaw 22.B.(9) Coaches Education and Training and Bylaw 503 J. Sudden Cardiac Arrest Protocol
Carter Paysinger reviewed the proposal for the revision of Bylaw 22.B.(9) regarding Coaches Education and Training and Bylaw 503 J. addressing Sudden Cardiac Arrest Protocol. STATE507

B. SOUTHERN SECTION NON-ACTION ITEMS

1. Proposal Recommendation for Second Level of Appeal for
Area Placement Decisions
Reggie Thompkins reviewed SS508 and explained that the proposed recommendation is designed to mirror the relegating process and add an additional level of appeal for Area Placement Decisions. SS508

5. NEW BUSINESS

- A. Public/Private Committee Report
Rainer Wulf provided historical background of the Public/Private Committee for the Council in addition to an update of the last Committee meeting. Alan Clinton from Servite High School and Jim Perry from Huntington Beach Unified presented to the Council on behalf of the committee. They shared that while this isn't a new issue to the Section, the committee is tasked with discussing solutions to provide equity and parity for all schools in our Section with regards to competitive equity. As the Committee continues to brainstorm possible solutions with regard to competitive equity between public and private schools, consideration will be made for the following: strength of schedule, playoff history, and strength of program. Rainer Wulf

6. REPORT SESSION

A. President's Report

Reggie Thompkins

Reggie Thompkins provided an update from the 2014 NFHS Summer Conference where the hot topic concussion protocol and the national concerns regarding the health and safety of the student-athletes. There were also national discussions surrounding amateur status issues with some states sharing the extreme solutions used to combat the issue. Mr. Thompkins also provided a Section 7/8 meeting summary and CIF remains ahead of the majority of states in our region. It is nice to know that CIF-SS continues to be ahead of the curve with what we are doing in the Section and the State. With California hosting the meeting next year, it will be nice to showcase what we do as an organization. Lastly, at Santiago HS, there was an opportunity for a young man with special needs on the football team who was able to score a touchdown for his freshmen football team. What a great show of sportsmanship by our student-athletes and coaches.

B. Treasurer's Report

Jeff Jordan

Jeff Jordan provided an update from the independent auditor (the Harrington Group) who submitted their final report in August for the 2013-14 fiscal year. At the end of the fiscal year, the CIF-SS revenue was \$4,076,252 with \$3,976,811 in expenses leaving a net profit of \$99,441. For the 2014-15 academic year the current financial position is as follows; revenues are at \$779,574 with expenses listed at \$1,067,816 resulting in a deficit of \$288,242. There is always a loss in the 1st quarter since the championship season hasn't started yet. The CIF-SS is currently focusing on the solar panel project which will increase the value of the building and create a long term expense reduction solution to overhead costs. Lastly, out of the 576 total member schools in the Section, 574 have paid their dues. To have almost all schools within a month of the due date (October 1) is unprecedented. This is a testament to the maturation of the CIF-SS Home system and the diligence of our member schools.

C. Commissioner's Report

Rob Wigod

Commissioner Wigod welcomed the first time members and attendees. As a Section Office, we are focused on moving forward and improving on what we are doing for our member schools. The Commissioner expressed his appreciation for the attendance of the CIF Executive Director, Roger Blake and a special thank you to the staff for all of the work that they do throughout the year. Catherine Gretsund, newest addition to the CIF-SS Office was introduced as well as CIF-SS interns, Chelsea Heyward and Lindsay Warkintin were introduced as well. In an effort to assist member schools in preparation for playoff readiness, all schools received a document from Greta Rens in our office providing all playoff information for all of our Fall Championships. The new 'Message from the Commissioner' introduced the idea of a new playoff/power ranking model we are currently working on with Wes that will be used through CIFSSHOM. We are creating a formula that would take the following into consideration; strength of schedule, playoff performance, and regular season schedule to shift from league based divisions to a more competitive equity based model. We are also considering the implementation of a new AD Symposium that would be offered to our member schools. Rainer Wulf sent out a survey to seek input from our membership to gauge interest in attending a one day AD Symposium. To date, we have received 250 responses from the survey with 94% of the responses in favor of the symposium. The survey included a list of topics that would be covered to assist in the professional development of our athletic administrators and provided an option to give additional feedback. The target date for the event would be sometime next fall should we choose to move forward with that program. We appreciate all of your involvement on behalf of the schools and leagues, as always our administrative staff is happy to attend your league meetings to answer any questions you may have.

In closing, our thoughts and prayers go out to the Perry family in the passing of Dr. Richard Perry, an influential man in our Section and in our community, he will truly be missed.

6. ADVANCE PLANNING

A. DATES

1. January 17, 2015 – Executive Committee Meeting, Cliffs Resort, Pismo Beach, California
2. January 28, 2015 – CIF Southern Section Council Meeting, The Grand, Long Beach, California

Type: Bylaw Revision

Next: 1/30/2015 – Action Item Federated Council

Proposal Summary: With the passage of A.B. 2127 (Cooley) the CIF must revise our “Return to Play,” if a licensed health care provider determines that the athlete sustained a concussion or a head injury, the athlete is required to complete a graduated return-to-play protocol of no less than 7 days in duration under the supervision of a licensed health care provider.

Fiscal Impact: None

Background: In 2010 the CIF passed Bylaw 503 (formerly Bylaw 313) that required physicians signed “Return to Play” for any student suspected of having a concussion. This change would further provide that, if a licensed health care provider determines that the athlete sustained a concussion or a head injury, the athlete is required to complete a graduated return-to-play protocol of no less than 7 days in duration under the supervision of a licensed health care provider as required by A.B. 2127 that will be added to the Education Code on January 1, 2015

Concussion Protocol

A student-athlete who is suspected of sustaining a concussion or head injury in a practice or game shall be removed from competition at that time for the remainder of the day. A student-athlete who has been removed from play may not return to play until the athlete is evaluated by a licensed health care provider trained in education and management of concussion and receives written clearance to return to play from that health care provider. If a licensed health care provider, trained in education and management of concussion determines that the athlete sustained a concussion or a head injury, the athlete is required to complete a graduated return-to-play protocol of no less than 7 days, from the time of diagnosis, in duration under the supervision of a licensed health care provider. On a yearly basis, a concussion and head injury information sheet shall be signed and returned by all athletes and the athlete's parent or guardian before the athlete's initiating practice or competition. (Approved May 2010 Federated Council/Revised May 2012 Federated Council)

Type: Bylaw Revision - Addition

Next: 1/30/2015 – Action Item Federated Council

Proposal Summary: With the passage of A.B. 2127 (Cooley), California Education Code will be revised on January 1, 2015 to state that *“If a school district, charter school, or private school elects to offer an athletic program, it shall comply with all of the following:* (A) *A high school or middle school football team shall not conduct more than two full-contact practices per week during the preseason and regular season. (B) The full-contact portion of a practice shall not exceed 90 minutes in any single day.* Further, the additions to the Education Code also stated that *“A high school or middle school football team shall not hold a full-contact practice during the off-season. For purposes of this section, a team camp session shall be deemed to be a practice.”* These proposed additions to Bylaw 1901 will bring our CIF Bylaws into compliance with State Education Code. These additions are proposed as immediate implementation.

Fiscal Impact: None

Background: Bylaw 1901 is a longstanding sport specific rule regarding the required number of days of practice and a prohibition on Sunday practices. These additions would add a further clarify to the amount of permissible “full contact” practice.

STATE503

ROGER L. BLAKE, EXECUTIVE DIRECTOR

CALIFORNIA INTERSCHOLASTIC FEDERATION

CIF STATE OFFICE • 4658 DUCKHORN DRIVE • SACRAMENTO, CA 95834 • PH: 916-239-4477 • FX: 916-239-4478 • WWW.CIFSTATE.ORG

1901. ~~NUMBER OF~~ FOOTBALL PRACTICE DAYS; NO SUNDAY PRACTICE

A. There shall be no football games until the squad has had 14 days of practice before the first game. Each individual student on the team must have had at least 10 days of practice before being allowed to compete in a game. (The opening date of football practice may be determined by each Section.) No Sunday practice is permitted (See Bylaw 504.M. for exception).

B. Football teams are limited to two days per week of full contact practice, with no more than 90 minutes of full contact on each of those days during the season of sport. For purposes of this Bylaw, each team's season of sport is defined as the first day of practice, as allowed by the Section, until the final contest for the team. All full contact practices are prohibited in the off-season which includes team camps.

Full contact practice is defined by state statute as a practice where drills or live action is conducted that involves collisions at game speed where players execute tackles and other activity that is typical of an actual tackle football game. For the purposes of this bylaw, refer to the definition of "Live Action" as defined by USA Football.

NOTE: See the Blue Policy Page XX for further clarification. (drafts attached)

Q & A TBD

STATE503

CIF State Bylaw 1901.B. – Policy Page

State statute mandates that football teams are limited to two days per week of full contact practice, with no more than 90 minutes of full contact on each of those days during the season of sport. For purposes of this CIF Bylaw, each team's season of sport is defined as the first day of practice, as allowed by the Section, until the final contest for the team. All full contact practices are prohibited in the off-season which includes team camps.

Full contact practice is defined by state statute as a practice where drills or live action is conducted that involves collisions at game speed where players execute tackles and other activity that is typical of an actual tackle football game. Live action is defined by USA Football as a drill run in game like conditions and is the only time that players are taken to the ground. Thud is a drill run at an assigned speed through the moment of contact with no pre-determined winner. Contact remains above the waist and players stay on their feet. Thud is considered full-contact by the National Federation of State High School Associations (NFHS).

The CIF has developed the following regarding full contact football practices:

Allowable Activities During the Season of Sport:

- A team is allowed two days per week of full contact practice, with no more than 90 minutes of full contact on each of those days. This includes live action and thud.
- A team may participate in air, bags/blocking sleds-and control drills at any time unless the Section has implemented more restrictive rules. A team may continue to dress in full pads for practice when conducting any of these drills defined below:
 - **Air-** Players run unopposed without bags or any opposition.
 - **Bags/Blocking Sleds-** Activity is executed against a bag/blocking sleds, shield or pad to allow for a soft-contact surface, with or without the resistance of a teammate or coach standing behind the bag.
 - **Control:** Drill is run at assigned speed until the moment of contact with a pre-determined winner. Contact remains above the waist and players stay on their feet.
- For purposes of this Bylaw, the season of sport for each team is defined as the first day of practice, as allowed by the Section, until the final contest for that team.

Allowable Activities During the Off-Season:

- No full contact practice is allowed during the off-season. Please consult Section Bylaws for allowable off-season activities.
- For purposes of this Bylaw, the off-season is defined as the team's last football contest of the season until the first day of practice the following school year as set by the Section.

Allowable Activities for Team Camps:

- No full contact practice is allowed during the off-season.
- Team camps are considered practice.
- If allowed by the Section, a team may participate in air, bags/blocking sleds-and control drills (see above for definitions of these activities) while attending a team camp. A team may continue to dress in full pads for practice when conducting any of these drills at a team camp. Please consult Section and School District rules regarding the use of school equipment in the off-season.
- For purposes of this Bylaw, the off-season is defined as the team's last football contest of the season until the first day of practice the following school year as set by the Section.

Type: Bylaw Additions for Baseball and Softball

Next: 01/30/2015 Action Item

Proposal Summary: This proposal would require that all individuals must wear a protective helmet while coaching the bases. It would be implemented immediately.

Fiscal Impact: In most cases less than \$100 per sport.

Background: Professional and NCAA baseball require the use of a protective helmet for all individuals coaching the bases. Each year high school baseball and softball coaches are struck in the head by batted balls that may result in catastrophic injuries. While the NFHS Rule Books are permissive in the use of protective helmets by adult base coaches, it is not a mandate. It is not currently a requirement that NCAA softball coaches wear a protective helmet while coaching the bases.

New Baseball

Bylaw 1502: It is required that adult base coaches wear a protective helmet. Play will not continue until compliance with this rule is met. It is recommended that the helmet meet NOCSAE standards.

New Softball

Bylaw 2502: It is required that adult base coaches wear a protective helmet. Play will not continue until compliance with this rule is met. It is recommended that the helmet meet NOCSAE standards.

Note (for both sports): NFHS rules govern use of protective equipment by a player/student.

Type: Football Regional and State Bowl Game Format Revision

Next: 1/30/2015 Action Item Federated Council

Proposal Summary: The Commissioners Committee is making a recommendations for revisions and to modify the CIF State Football Regional and State Championship Bowl Formats.

Fiscal Impact: It is anticipated that this event would increase the section revenue profit sharing based upon the past two years' experience.

Background: Currently only eighteen (18) of the fifty-one (51) section champions are selected for participate in the CIF Football Bowl Championships. For the past several years the Football Advisory Committee and the Commissioners Committee have been discussing formats that would allow all Section Champions, who chose to participate, the opportunity to play in a Regional Football Bowl Championship.

Proposed Football Regional and State Bowl Game Format Revision

AMENDED

- 1.) This proposal will advance all Section champions, if they choose to participate, to a CIF Regional Football Championship Bowl Game. If a team from a Section does not wish to participate in the CIF Football Championship Bowl Games, they must notify their Section commissioner by the start of the 2nd week of their Section playoffs.
- 2.) CIF Sections with an “Open Division” will be allowed to replace one or more of their Section champions from another division with a team that participated in that Section’s Open Division.
~~That Section Open Division team may only replace a Section Champion from the division in which they would have been slotted if they had not been selected for the Section’s Open Division.~~
 - a. Sections with an Open Division choosing to utilize this provision must have a policy in place (adhering to the above language) which outlines the process the Section will use to replace champions from their Section divisions with non-champions from their Open Division.
- 3.) All teams in the CIF Regional Football Championship Bowl Games will be slotted based on “competitive equity.” See the sample mock selection below using the 2013 Section Champions.
 - a. Due to the number of Section divisions, there will be one play-in game in the north. The two teams will be selected from those Section division champions that complete play prior to week # 14.
- 4.) There will be two (2) Open Divisions.
 - a. The first will be open to all teams regardless of enrollment that have qualified through their respective section playoffs. The best team for the north and the best team from the south will be selected to participate and will receive byes directly to the CIF State Football Championships Bowl Open Division game.
 - b. The second will be open to all teams with an enrollment of 1,250 students or less that have qualified through their respective section playoffs. These teams will participate in the CIF Regional Football Bowl Games with the winner advancing to the CIF State Football Championship Bowl Game (1,250 or less)
- 5.) In order to balance the number of teams from the north and the south, Central Section Divisions I, III and V have been slotted in the north and Central Section Divisions II, IV and VI have been slotted in the south. The Central Section teams will be slotted in their respective regions in a manner to ensure that two teams from that Section would not play each other in a CIF State Football Championship Bowl Game.

COMPETITIVE EQUITY BASED "MOCK SELECTION" (USING TEAMS FROM 2013)

Type: Bylaw Additions

Next: Vote by Federated Council – January 30, 2015

Proposal Summary: Training and education for coaches, parents and students for the awareness, recognition, and management of sudden cardiac arrest in student-athletes.

Fiscal Impact: Minimal. All materials available for free including the on-line education and training class through the *Eric Paredes Save A Life Foundation* and *Simon's Fund*.

Background: Sudden Cardiac Arrest (SCA) is the number two (2) cause of death in young people participating in education based athletics. While very rare, about 100 such deaths are reported each year in the United States in young athletes according to the American Heart Association. Tragically, California students have been on that list including one this past July. This Bylaw will alert coaches and parents to this condition, and ensure that they are aware of and know how best to react to the condition's warning signs. This spring, state legislatures in Delaware and Connecticut have implemented similar training requirements in their states.

STATE507

22. B. (9) Ensure that all coaches, paid and unpaid, will have completed a coaching education program that emphasizes the following components:
- a. Development of coaching philosophies consistent with school, school district and school board goals;
 - b. Sport psychology: emphasizing communication; reinforcement of young people's efforts; effective delivery of coaching regarding technique and motivation of the student-athlete;
 - c. Sport pedagogy: how young athletes learn and how to teach sport skills;
 - d. Sport physiology: principles of training; fitness for sport; development of a training program; nutrition for athletes; and the harmful effects associated with the use of steroids and performance-enhancing dietary supplements by adolescents;
 - e. Sport management: team management; risk management; and working within the context of an entire school program;
 - f. Training: certification in CPR **and** first aid that includes training in signs and symptoms of concussions **and sudden cardiac arrest**.
 - g. Knowledge of, and adherence to, statewide rules and regulations; as well as school regulations including, but not necessarily limited to, eligibility, gender equity and discrimination;
 - h. Sound planning and goal setting; AND
 - i. A school/district may use a coach that does not meet these standards for one sports season in an emergency. The coach must still hold a CPR and First Aid, **Concussion and Sudden Cardiac Arrest** certification as required under Title V. However, that person may not coach another season of sport without fulfilling this coaching education requirement. Any currently employed coach who has completed and passed a prior version of a coaching education program that meets the above listed criteria, as determined by the local administration, is exempt from this provision. The above certification is transferable between/among CIF member schools. Coaches may need to complete additional local school or school district requirements.
- NOTE:** Definition of a coach, paid or unpaid: Any individual that the school/district is required to approve under Title V, California Code of Regulations, Section 5593 and 5594 and/or under California Education Code 35179-35179.7, 49032 and 4125.01-45125.1.

503. ADMINISTRATIVE OVERSIGHT

The principal of each school shall be held responsible for the amateur standing and eligibility of the school's teams and team members under CIF, Section, and league rules.

F. Coaching

Principals are responsible to insure that all coaches of the CIF member school for all individual or team(s) meet the requirements of the California Education Code 49032, 35179.1 and Bylaw 22.B.(9)
(Revised February 2009 Federated Council)

H. Concussion Protocol

A student-athlete who is suspected of sustaining a concussion or head injury in a practice or game shall be removed from competition at that time for the remainder of the day. A student-athlete who has been removed from play may not return to play until the athlete is evaluated by a licensed health care provider trained in education and management of concussion and receives written clearance to return to play from that health care provider. On a yearly basis, a concussion and head injury information sheet shall be signed and returned by all athletes and the athlete's parent or guardian before the athlete's initiating practice or competition. (Approved May 2010 Federated Council/Revised May 2012 Federated Council)

Q: What is meant by "licensed health care provider?"

A: The "scope of practice" for licensed health care providers and medical professionals is defined by California state statutes. This scope of practice will limit the evaluation to a medical doctor (MD) or doctor of osteopathy (DO).

I. Steroid Prohibition

As a condition of membership, all schools shall adopt policies prohibiting the use and abuse of androgenic/anabolic steroids. All member schools shall have participating students and their parent(s)/guardian(s)/caregiver agree that the athlete will not use steroids without the written prescription of a fully licensed physician (as recognized by the AMA) to treat a medical condition.

NOTE: Article 1-12.N. (Revised May 2005 Federated Council)

J. Sudden Cardiac Arrest Protocol

A student-athlete who passes out or faints while participating in, or immediately following, an athletic activity or who is known to have passed out or fainted while participating in or immediately following an athletic activity, must be removed immediately from participating in a practice or game for the remainder of the day. A student-athlete who has been removed from play after displaying signs and symptoms associated with sudden cardiac arrest may not return to play until the athlete is evaluated by a licensed health care provider and receives written clearance to return to play from that health care provider. On a yearly basis, a Sudden Cardiac Arrest information sheet shall be signed and returned by all athletes and the athlete's parent or guardian before the athlete's initiating practice or competition.

Q: What is meant by "licensed health care provider?"

A: The "scope of practice" for licensed health care providers and medical professionals is defined by California state statutes. This scope of practice will limit the evaluation to a medical doctor (MD) or doctor of osteopathy (DO).

CIF SOUTHERN SECTION COUNCIL PROPOSAL FORM**

In accordance with Blue Book Article 3, Bylaw 30.1, the following proposal is submitted for Council consideration.

“CIF Southern Section Council may entertain proposals submitted to the governing body on the appropriate proposal form from duly appointed advisory committees, leagues or the Executive Committee.” *All items coming before the Southern Section Council must contain the financial implications on member schools, leagues and the Southern Section.*

Date: 8/15/14

Submitted by:

Name of representative: Reggie Thompkins, President, Carter Paysinger, President-Elect

School of representative: CIF-SS Executive Committee ☒ Telephone: N/A

Check one of the following:

☐ League Proposal. Name of League: _____

☐ Advisory Committee Proposal. Committee Name: _____

☒ Executive Committee Proposal. Submitted by: Reggie Thompkins, Carter Paysinger

Rule Change:

Rule Number Affected: 32.A.6

Implementation Date: July 1, 2015

Abstract: (Please add any supporting documents.)

The CIF Southern Section Executive Committee proposes that an additional level of appeal be included in the Area Placement Appeals Process.

Council First Read: 10/23/14

Council Action Date: 1/28/15

Date Proposal will take effect on member schools: July 1, 2015

Financial Impact on Member School and Southern Section (Attach an analysis and supporting documents):

There would be no financial impact on member schools or the CIF Southern Section.

All Council Proposals must be submitted according to the timelines published in the Blue Book. If they are not received in a timely manner, they will be postponed until the next meeting.

Council Proposals that do not contain the information in the fields provided on both pages will not be considered.

Sport advisory committees are advised to confine their proposals to the sport(s) under their advisement. Any proposals that do not affect Articles 1400 – 3100 must contain a rationale as to why the sport advisory committee is requesting action.

Procedure for Proposed Bylaw Changes:

1. Identify the bylaw, by number, to be changed or eliminated.
2. Type the bylaw, using normal font face, for language that will remain unchanged.
3. Use strikethrough to identify language to be eliminated or changed.
4. Identify proposed language using bold type.
- 5.

For example, if a league wants to address the color of jerseys in basketball, the proposal may read:

The _____ League proposes the following changes to the basketball bylaws.

Bylaw 1623 Color of Jerseys

Proposed language:

“In all basketball games played between member schools of the CIF Southern Section,
The host team shall wear ~~white~~ **dark** colored jerseys.”

Rule 32.A.6 – The Executive Committee, in accordance with the following guidelines, will hear **initial** appeals with reference to area placement:

- (a) Was due process extended to the parties concerned?
- (b) Was the Brown Act followed?
- (c) Were Blue Book rules and criteria followed?

The Executive Committee may accept the initial appeal, in which case the appellant would immediately be granted their request for a change in their recommended area placement. If the Executive Committee denies the initial appeal, schools who appealed their area placement to the Executive Committee, and are still dissatisfied, may appeal to the CIF Southern Section Council. Schools seeking an appeal to the CIF Southern Section Council, with reference to area placement, must forward a copy of the appeal to the CIF Southern Section Office, and a copy to the principals of the affected area schools, at least 14 calendar days prior to the scheduled CIF Southern Section Council meeting. All decisions made by the CIF Southern Section Council regarding area placement appeals will be FINAL and area placement will be concluded. Area placements will be subject to review every four (4) years in odd years and will be concluded prior to the start of the re-leaguings process.”

V.B.1.
CIF Proposed Budget for 2015-2016

Will be distributed on January 30th at the Federated Council meeting
Following the meetings and recommendation by the
Executive Committee and Economic Viability Committee.

Proposal Recommendation

Forward Candidates to Fed. Council

Type: 01/30/2015 – Federated Council

Next: Election May 1, 2015

Proposal Summary: As per the CIF Constitution and Bylaw 70.E. (1) the following Federated Council members were appointed to the CIF Nominating Committee to review and nominate candidates to serve a one-year term on the CIF Executive Committee for the 2015-2016 school year.

70.E. Nominations

- (1) Each year, the President shall appoint a nominating committee consisting of at least five members. Members of the nominating committee shall be selected from among the Federated Council and may include no more than two current members of the Executive Committee.
- (2) The Executive Director and the President shall be ex-officio members of the nominating committee.
- (3) Nominations for the Executive Committee shall be presented to the Federated Council at the meeting prior to the election.

2014-2015 Nominating Committee

Amy McNamara, Chairperson* (NCS)

Richard Rankin, Central Section

Marco Sanchez, Central Coast Section

Nancy Acerrio, San Diego Section

Carter Paysinger, Southern Section

Susan Saunders, San Francisco Section*

Ex-Officio Members:

President Reggie Thompkins

Executive Director Roger Blake

* Executive Committee Member

Fiscal Impact: None

The following candidates have been nominated to serve a one-year term on the CIF Executive Committee:

Terry Barnum, California Association of Private School Organizations

Duane Coleman, San Diego Section

David Contreras, Northern Section

Marci Cranford, Central Section

Chris Heller, North Coast Section

Jim Monico, Southern Section

Jim Perry, California Association of Health, Physical Education, Recreation and Dance

Susan Saunders, San Francisco Section

70. E. Nominations

- (7) Nominations will also be accepted from the floor at the Federated Council meeting whereupon nominations are presented.

70. B. Composition of the Executive Committee

- (1) Federated Council Officers — President, President-Elect and Past-President; AND
- (2) Five additional members who are representatives of Sections/Allied Organizations with no more than one member representing the group of Allied Organizations; AND
- (3) One at-large representative from the Federated Council who shall be selected in an effort to reflect both gender and ethnic representation on the Federated Council.

C. Limitations of Membership on the Committee

- (1) No Section shall have more than one member eligible to be elected to the Executive Committee unless another committee member from the Section is an officer or at-large representative.
- (2) The group of Allied Organizations shall have no more than one member eligible to be elected to the Executive Committee unless another Allied Organization representative is an officer or at-large representative on the committee.
- (3) No Section may have more than one representative serving as an officer at any one time. [See Article 7-70.G.(2)] for exception.
- (4) Only one person from the group of Allied Organizations may serve as an officer at any one time.

F. Elections

- (1) Elections will occur at the final meeting of the year of the Federated Council.
- (2) Elections for Executive Committee members, other than officers and the at-large committee member will be held annually. (The at-large representative will be chosen annually following the election for other Executive Committee members).
- (3) Should a second candidate be nominated from any Section or the group of Allied Organizations, only the candidate with the most votes (more votes) from that Section/or group is eligible for election.
- (4) The nominees who receive the most votes, from among those eligible for election, will be elected.
- (5) In the event of a tie between/among candidates whereby there is only one seat available and/or remaining, a revote for the remaining position will take place only between/among the candidates that are tied.
- (6) In the event there is still a tie vote after the first revote, one more vote will take place and if the tie is not broken, a flip of a coin will determine the winner.

Educational Work Experience:

Superintendent of Schools- 2014- present

Oceanside Unified School District (OUSD)
Oceanside, CA 92058

Areas of Concentration: Chief Executive Officer (CEO) of the District. Responsible for the effective operation of the District; general administration of all instructional, business or other operations of the District; and for advising and making recommendation to the Board of Education with respect to such activities.

Associate Superintendent of Educational Services, 2008-2014

OUSD
Oceanside, CA 92058

Areas of concentration: Oversee district's K-12 (20,000 student enrollment) direction and success in the areas of curriculum and instruction, student services, special education support services, California Interscholastic Federation athletics, and other duties as assigned. Supervise and evaluate elementary and secondary school principals, and directors of Curriculum and Instruction of K-5 and 6-12, Student Support Services, Special Education Services, Assessment and Evaluation, and Information Technology departments. Support the vision of the Board of Education via the Superintendent.

Director of Secondary Curriculum and Instruction, 2007-2008

Oceanside Unified School District
Oceanside, CA 92058

Areas of concentration: Provide curriculum and instruction support to middle and high schools in the Oceanside Unified School District. Support the vision of the Board of Education via the Superintendent and Deputy Superintendent. Oversee program compliance and categorical funding budgets at the site and district level.

Middle School Principal, 2002-2007

Jefferson Middle School

Oceanside, CA 92054

Areas of concentration: Responsible for overall programs of middle school, including implementing an innovative schedule that allowed every student additional math and language arts time (approximately 65-70% more time than most schools). Jefferson Middle School also had the most extensive Fine and Performing Arts electives in San Diego County, if not the state of California. Jefferson Middle School was also named a California Distinguished School in 2002.

Middle School Principal, 1998-2002

Oak Crest Middle School
Encinitas, CA 92024

Areas of concentration: Responsible for overall programs of middle school. Oak Crest was the only Title I school in the San Dieguito Union HS district. In 2001, Oak Crest was named a California Distinguished School and was one of only 37 schools (K-12) in the state of California to be nominated for a National Blue Ribbon Award.

High School Principal, 1997-1998

Murrieta Valley High School
Murrieta, CA

Areas of concentration: Responsible for overall high school program. Student enrollment, 2700.

High School Assistant Principal, 1996-1997

San Dieguito Academy
Encinitas, CA 92024

Areas of concentration: Was part of the initial team that created San Dieguito Academy. Supervised day to day operations of a newly restructured high school with its philosophy based on "Second to None – A Vision of the New California High School", the report of the California High School Task Force. San Dieguito Academy was one of the first high schools in the state to successfully implement a 4X4 block schedule.

High School Assistant Principal, 1993-1996

San Dieguito High School
Encinitas, CA

Areas of concentration: Supervise day-to-day operations of a comprehensive high school as directed by the principal.

Teacher, 1985-1993

El Camino High School
Oceanside, CA

Areas of concentration: Business Economics and Physical Education. Head Varsity girls' basketball coach, assistant football and track coach.

Education:

- Masters of Art in Educational Technology, Central Michigan University, 2013- Present
- Doctorate in Educational Leadership, Alliant University, 2008
- Education Specialist Degree, Point Loma University, 1997
- Masters in Business Education, National University, 1988
- Bachelors in Education, University of Hawaii, 1983

Credentials:

- Professional Administrative Clear Credential
- Education Specialist Credential
- Physical Education Credential
- California Junior College Life Credential

Other Related Professional Experiences:

- Adjunct Professor, Alliant International University, 2008 – 2014
- San Diego County CIF Board of Managers member, 2010 – present
- State CIF Federated Council member, 2011- present
- State CIF Federated Executive Council member, 2014-present
- Board member- North County Lifeline Services, 2012- 2014
- Chairperson- San Diego County Office of Education (SDCOE) Curriculum and Instruction committee, 2013- 2014
- Member- SDCOE representative to the Legislative Action Committee-, 2013- 2014
- Member – Rotary Club of Oceanside, 2014- present
- Advisory Board member- Transitional Youth Academy (subsidiary of Interfaith Community Services) 2010- 2012
- Member - Association of California Schools Administrators (ACSA)
- Member - Association of Supervision and Curriculum Development (ASCD)
- Member- Association of American School Administrators (AASA)
- Motivational speaker for San Diego County area schools: “**Overcoming Adversity**” and “**Don’t be Afraid to be the Change**”

Awards and Honors:

- Association of California Schools Administrators “Middle School Administrator of the Year” – 2002
- Crystal Apple Administrator of the Year- 2002
- Vice President, Association of California School Administrators 1993-2003, Greater San Diego county regions
- Principal – California Distinguished School and National Blue Ribbon nominee – Oak Crest Middle School – 1999
- California School Leadership Academy – 1997
- SDCOE Curriculum and Instruction Academy 1993 – 1994
- Denver Broncos wide receiver – 1983-1984

Past President, California Interscholastic Federation Southern Section (CIFSS)
Liaison Director of Athletics, Paramount Unified School District
Pivot Learning Partners, Coach/Consultant

Abstract

Jim began his teaching career as a Language Arts teacher; taught Health and was an Independent Study Coordinator. He was a Varsity Football coach for 19 years and as an Athletic Director for several years. At Paramount High School, Jim held an administrative position for 14 years, 10 of which as principal and served five years as the Director of Student Services, for the Paramount Unified School District.

In 2004, Jim was appointed to the CIF Southern Section Executive Committee as the Foothill Area Representative, and was elected to a full term as Foothill Area Representative on the Executive Committee. He was elected as CIFSS Treasurer, President-Elect and currently the CIF Southern Section President. Jim has been a member of the CIFSS Audit and Finance Committees, the Distinguished Service/Hall of Fame Committee, and the Football At-Large Selection Committee. Currently, Jim is a member of the CIF Federated Council, and Executive Committee Member.

Proposal Recommendation

8-2 in favor of moving proposal forward
6-2 (2 sections not represented at meeting)
8-0 in favor of moving proposal forward
11-3-1 in support
9-0 in favor of adding Open Division to proposal
Information Only
9-0 in support

Type: Expansion of Existing Championship Event

Proposal Summary: Expand existing girls volleyball championships in the north and south from 8-team to 16-team brackets in Divisions I-V and add an 8 team Open Division Bracket with implementation beginning in the fall of 2016.

Fiscal Impact: First and second round games in girls regional volleyball have historically shown a profit. It is expected the addition of 32 more teams and one more round of games in Divisions I-V will also be profitable. Based on Basketball Open Division financials, it is expected the Open Division in Volleyball would generate additional revenue.

Background: Girls volleyball in California is highly competitive and should allow more teams the opportunity to participate. Basketball currently has 16 team brackets and an Open Division. Participation in girl's volleyball has shown steady increases over the past 5+ years.

Proposed State Girls Volleyball Expansion

Proposal: Expand the girls volleyball state championship brackets from 8 teams to 16 teams and add an Open Division.

Implementation: 2016-2017 school year.

Rationale: Given the highly competitive nature of California High School volleyball, the addition of team would not diminish the quality of the championships. The precedent of 16-team brackets and an Open Division has been set with basketball. In addition, participation numbers in girls volleyball have shown a steady increase.

Calendar: In order to expand to a 16-team bracket, the state and section playoff calendar would need to be adjusted.

This proposal would require each section move their championship one week earlier (was done with football in 2011).

The state volleyball playoff dates would be as follows:

2016 State Playoffs for DI through DV

Final Day for Section Championships	Saturday	November 12
State Playoff Seeding Meeting	Sunday	November 13
1 st round	Wed	November 16 (16 teams)
2 nd round	Saturday	November 19 (8 teams)
3 rd round	Tuesday	November 22 (4 teams)
<i>Thanksgiving Thursday, November 24</i>		
Nor Cal/SoCal finals	Saturday	November 26 (2 teams)
State Finals	Sat	December 3 (1 team)

2016 State Playoffs for Open Division

Final Day for Section Championships	Saturday	November 12
State Playoff Seeding Meeting	Sunday	November 13
1 st round	Thursday	November 17 (8 teams)
2 nd round	Tuesday	November 22 (4 teams)
<i>Thanksgiving Thursday, November 24</i>		
Nor Cal/SoCal finals	Saturday	November 26 (2 teams)
State Finals	Friday/Sat	December 2/3 (1 team)

Seeding Procedures

The volleyball handbook could be amended with the following changes:

The CIF State Volleyball Championships will be conducted using one eight-team Open Division bracket in both the north and south. Divisions I-V will use sixteen-team brackets in both the north and south. Division VI in the north will remain an 8-team bracket.

Girls Volleyball Open Division

- 1) There will be two regional Open Division brackets (one in the north and one in the south).
- 2) Each regional Open Division bracket will have a maximum of eight (8) teams.
- 3) No more than 50% of the bracket (4 teams) will be from the same section.
- 4) Teams must compete, and qualify through, their respective CIF Section Championships to participate in CIF Open Division Championships.
- 5) The tournament committee will select the teams for the Open Division before they seed the 5 divisions in the south and 6 divisions in the north.
- 6) Teams selected for the Open Division will compete in the Open Division ONLY and cannot opt out.
- 7) Teams that participate in a Section Open Division will revert to the division the team would have participated in had they not been selected for the Section Open. For example: A team is listed as Section DII, they are selected and participate in the Section Open Championship. The team is put forward by the section but IS NOT selected for the State Open Division. The team can only compete in the State DII bracket.
- 8) If a section has a team selected for the Open Division, the section may elect to replace that team, from their designated division, with another team from the section. The section must have a policy in place which outlines the process the section will use to fill spots vacated by teams selected for the State Open Division.

Open Division Criteria: The following criteria will be utilized to select the teams for the Open Division for the CIF State Volleyball Tournament. A school needs to only satisfy one of the criteria below to be considered:

- a. A school has competed in their Section Semi-Finals 2 out of the last 3 years.
- b. A school qualified and participated in the CIF Regional Championships 2 out of last 4 years.
- c. A school qualifying for their regional playoffs may request to be placed in the open division.

Entries:

Northern California Regional

The Central Coast Section (CCS), North Coast Section (NCS), Northern Section (NS), Oakland Section (OS), Sac-Joaquin Section (SJS), and San Francisco Section (SFS) will participate in the CIF Northern California Regional Tournament. The number of eligible team entries is listed below:

<u>Section</u>	Open	Division I	Division II	Division III	Division IV	Division V
CCS	TBD	4	4	4	4	4
NCS	TBD	4	4	4	4	4
SJS	TBD	4	4	4	4	4
NS	TBD	0	2	2	2	2
OAK	TBD	2	0	0	0	0
SFS	TBD	TBD**	TBD**	TBD**	TBD**	TBD**
Totals	8	16	16	16	16	16

**SF and Oakland will have two automatic berths in the tournament. Entries will be placed into their respective enrollment division as determined by the section. Division V enrollment not to exceed 600.

* Sections must have more than 8 teams in a division to receive more than one entry in that division.

Southern California Regional

The San Diego Section (SDS), Los Angeles Section (LAS), Southern Section (SS) and the Central Section (CS) will participate in the CIF Southern California Regional. The number of eligible team entries is listed below:

<u>Section</u>	OPEN	Division I	Division II	Division III	Division IV	Division V
CS	TBD	2	2	2	2	2

LAS	TBD	2	2	2	2	2
SDS	TBD	4	4	4	4	4
SS	TBD	8	8	8	8	8
Totals	8	16	16	16	16	16

CIF SOUTHERN SECTION COUNCIL PROPOSAL FORM**

In accordance with Blue Book Article 3, Bylaw 30.1, the following proposal is submitted for Council consideration.

“CIF Southern Section Council may entertain proposals submitted to the governing body on the appropriate proposal form from duly appointed advisory committees, leagues or the Executive Committee.” *All items coming before the Southern Section Council must contain the financial implications on member schools, leagues and the Southern Section.*

Date: 11-20-14

Submitted by:

Name of representative: Bill Moyer

School of representative: Temecula Valley High School Telephone: 951-695-7300

Check one of the following:

☐ League Proposal. Name of League: Southwestern League

☐ Advisory Committee Proposal. Committee Name: _____

☐ Executive Committee Proposal. Submitted by: _____

Rule Change:

Rule Number Affected: 1211.7

Implementation Date: September 2015

Abstract: (Please add any supporting documents.)

Please refer to page 3 of this document for abstract and rationale.

Council First Read: January 28, 2015_____

Council Action Date: April 29, 2015

Date Proposal will take effect on member schools: July 1, 2015

See reverse side for additional information.

Proposal Number

Financial Impact on Member School and Southern Section (Attach an analysis and supporting documents):

N/A: There will be no additional financial impact on the Member Schools or the Southern Section

All Council Proposals must be submitted according to the timelines published in the Blue Book. If they are not received in a timely manner, they will be postponed until the next meeting.

Council Proposals that do not contain the information in the fields provided on both pages will not be considered.

Sport advisory committees are advised to confine their proposals to the sport(s) under their advisement. Any proposals that do not affect Articles 1400 – 3100 must contain a rationale as to why the sport advisory committee is requesting action.

Procedure for Proposed Bylaw Changes:

1. Identify the bylaw, by number, to be changed or eliminated.
2. Type the bylaw, using normal font face, for language that will remain unchanged.
3. Use strikethrough to identify language to be eliminated or changed.
4. Identify proposed language using bold type.

For example, if a league wants to address the color of jerseys in basketball, the proposal may read:

The _____ League proposes the following changes to the basketball bylaws.
(your league name)

Bylaw 1623 Color of Jerseys

Proposed language:

“In all basketball games played between member schools of the CIF Southern Section,
The host team shall wear ~~white~~ **dark** colored jerseys.”

Abstract and Rationale for Proposed Rule Number: 1211.7

Abstract:

Regional Wrestling Tournament Exception

A regional wrestling tournament must request a minimum of 20% of the total number of officials needed to staff the event from the host school's assignment area. They may request additional officials from other assignment areas. For a wrestling tournament to be considered a regional tournament, it must meet all of the following criteria:

1. It is a multiple day tournament.
2. It must include a minimum of 50 contracted participating schools.
3. Participating schools must come from a minimum of 5 different CIF sections.
4. Participating schools must come from a minimum of 6 different wrestling officials assignment areas throughout the state of California.

Rationale:

1. **Equitable Playing Field.** Competitors at regional wrestling tournaments are comprised of athletes from throughout the state of California. Providing officials from multiple wrestling officials' assignment areas is in line with the multitude of geographic areas represented at this type of tournament.
2. **Preparation for State.** There are only a small percentage of wrestling tournaments that meet the criteria of a regional wrestling tournament. The purpose of tournaments of this nature is ultimately to prepare athletes for the state tournament. At the state tournament, competitors will be exposed to officials from several wrestling officials' assignment areas throughout the state.
3. **Elite Competition.** The level of officiating should align with the high level of competition. Tournaments that meet the criteria for a regional wrestling tournament field highly competitive wrestlers. Staffing such an event with officials from one assignment area limits the potential for providing adequate officiating that is aligned/appropriate for the level of competition. This circumstance represents a situation that often places athletes as well as officials in precarious positions.

☐ Executive Committee Proposal. Submitted by: _____

Rule Change:

Rule Number Affected: 1503.2 & 1505 Implementation Date: July 2015 (2016 Baseball Season)

Abstract: (Please add any supporting documents.)

Council First Read: January 2015

Council Action Date:

Date Proposal will take effect on member schools: July 2015 (2016 Baseball Season)

See reverse side for additional information.

Proposal Number

SS510

Financial Impact on Member School and Southern Section (Attach an analysis and supporting documents):

All Council Proposals must be submitted according to the timelines published in the Blue Book. If they are not received in a timely manner, they will be postponed until the next meeting.

Council Proposals that do not contain the information in the fields provided on both pages will not be considered.

Sport advisory committees are advised to confine their proposals to the sport(s) under their advisement. Any proposals that do not affect Articles 1400 – 3100 must contain a rationale as to why the sport advisory committee is requesting action.

Procedure for Proposed Bylaw Changes:

1. Identify the bylaw, by number, to be changed or eliminated.
2. Type the bylaw, using normal font face, for language that will remain unchanged.
3. Use strikethrough to identify language to be eliminated or changed.
4. Identify proposed language using bold type.

For example, if a league wants to address the color of jerseys in basketball, the proposal may read:

The _____ League proposes the following changes to the basketball bylaws.
(your league name)

Bylaw 1623 Color of Jerseys

Proposed language:

“In all basketball games played between member schools of the CIF Southern Section,
The host team shall wear ~~white~~**dark** colored jerseys.”

Financial Impact on Member School and Southern Section (Attach analysis and supporting documents):

The financial impact on schools would be minimal. This rule change would allow for most schools to add a possible four games to their current schedule. The obvious costs associated with a game would come in to affect (transportation and officials). Some schools however may find a slight reduction in games played and in that case additional funds would be saved (transportation and officials).

**The Baseball Advisory Committee proposes the following changes to the Baseball Bylaws.
Bylaw 1503 Tournaments**

~~1503.1 “For each Tournament, a team will be charged two games toward the allowable maximum number of contests.”~~

~~1503.2 “All tournaments, regardless of the number of teams participating, are allowed a maximum of 5 games while still counting as 2 of your allowable contests.”~~

1503.1 All contests: League, Non-League, Tournaments, and Double Headers will be counted as one (1) individual game/contest towards your maximum allowable permitted contests.

Bylaw 1505 Maximum Team Contests

“A baseball team will be permitted to play no more than ~~20~~ **30** games during the season, including tournaments, but excluding CIF Southern Section playoffs.”

Rationale:

The CIF–SS Baseball Advisory Committee proposes that we change the formula that allows for a maximum number of allowable contests (20) per current Blue Book rules to a set number of 30 total contests. Currently the rules allow for a maximum of three tournaments with a maximum of five games each that only count as six games against your twenty game schedules. Furthermore, schools can also play two doubleheaders that count as two games against your twenty game schedules. Each league game counts as one game against your twenty game schedules. This formula allows for a widespread discrepancy in games that teams from different leagues can play. For Example if Team A from a 6 team league that has 3 rounds of league play, using the formula they will maximize their allowable games at 26. However, if Team B is in a 6 team league and has 2 rounds of league play; using the formula they can maximize their allowable games at 31. The Baseball Advisory Committee believes this creates a competitive advantage for some and disadvantage for others. Therefore, the Baseball Advisory Committee proposes that the formula for games be eliminated and that each game count as one game; regardless of it being part of a tournament or doubleheader. Consequently the Baseball Advisory Committee believes that for competitive equity the number of allowable games be changed to a maximum of 30.

For example, if a league wants to address the color of jerseys in basketball, the proposal may read:

The _____ League proposes the following changes to the basketball bylaws.
(your league name)

Bylaw 1623 Color of Jerseys

Proposed language:

“In all basketball games played between member schools of the CIF Southern Section,
The host team shall wear ~~white~~ **dark** colored jerseys.”

1903. PHYSICAL CONDITIONING PRACTICE

A high school shall not conduct a physical conditioning practice session during the summer prior to the opening date of authorized football practice, unless so authorized by the appropriate CIF Section.

1903.1 The start date for fall football practice, for each individual school, will be determined according to the following:

1. ~~Identify the date of their first contest.~~

1. Week 0 Games – The starting date for fall practice is August 10, 2015

2. Week 1 Games – The starting date for fall practice is August 17, 2015

Note (CIF Bylaw 506, Practice Allowance, will begin on the starting date of fall practice listed above).

2. ~~Count backward from that date, counting each day in the following way:~~

~~a. Non School Weekdays Two (2) practice opportunities~~

~~b. School Days One (1) practice opportunity~~

~~c. Teacher/Staff Work Days, Saturdays and Labor Day One (1) practice opportunity~~

~~d. The week of the first game One (1) practice opportunity~~

~~NOTE: If a school wishes to practice twice on Teacher/Staff Work Days, Saturdays and/or Labor Day, they may do so, but each practice will count toward their maximum of 25 practice opportunities.~~

~~3. The one allowable scrimmage will count as one (1) practice opportunity.~~

~~4. The maximum number of practice opportunities allowed, prior to their first contest, is 25.~~

~~QUESTION: What if a school chooses not to conduct practice on a day after they have started football practice?~~

~~ANSWER: Each day, counting backward from the first contest date, will count toward their total of 25 practice opportunities, regardless of whether a team practices once, twice, or does not practice at all on that day.~~

1903.2 All conditioning sessions will be held at the schools regular practice field. No workouts will be permitted at beaches, mountain resorts, or military sites.

QUESTION: When will schools be allowed to fit equipment?

ANSWER: Schools may fit equipment prior to the conditioning period as long as it is during the summer and not during the dead period. Uniforms may not be issued prior to the conditioning period.

1903.3 Schools will be permitted to issue uniforms and equipment on the first day of conditioning after which a time may be designated for individual and team photos. No conditioning in any type of uniform will be permitted.

1903.4 Schools will have the option to allow their players to wear full pads on the first day of their fall practice, if their summer dead period is arranged in a way that allows for a minimum of three days of conditioning in helmets, t-shirts and shorts only, immediately prior to their first day of fall practice.

~~1903.5 Each school's principal shall provide to the league president a calendar showing their school's twenty five practice opportunities. Each school in the league will be provided with the calendars of practices for all league schools.~~

1903.6 The three-week dead period is mandatory. Alternate dates may be requested as needed to accommodate the practice schedule.

<>1918. STARTING DATES FOR INTERSCHOLASTIC CONTESTS/"0" WEEK CONTEST

No interscholastic contests (non-league or league) may be scheduled prior to August 29. For information regarding scheduling of a contest prior to August 30, refer to the following guidelines:

#1918.1 "0" Week Contest Approval Procedure: If a school chooses to schedule a "0" Week contest, they are required to do the following:

1. Include on the CIF Southern Section Football Practice Information Form the following information:
 - a. The date of the "0" Week contest.
 - b. ~~The school's start date for fall practice. Based upon the date of the "0" Week contest and the 25 practice opportunities allowed. (See Rule 1903.1)~~
 - c. ~~The dates of the school's Summer Dead Period.~~
 - d. The dates of the school's bye week - The bye week is from Monday through Saturday. Practices must be conducted without pads. Players are allowed to wear helmets during the bye week, similar to the first three days of the fall conditioning period. (See Rule 1903.4 for further clarification.)

QUESTION: What medical coverage is required for regular season football contests?

ANSWER: The host school shall designate and provide a medical practitioner for all regular season (non-league and league) football contests.

1921. SUMMERTIME RULES/SUMMER DEAD PERIOD/SPORTS CAMPS

1921.1 With the exception of the summer dead period, until the beginning of the first official starting date for fall sports, there shall be no restriction on high school coaches working with high school students registered and/or attending their respective high school or entering them in summer competition, provided approval is received from the school principal.

QUESTION: Who may participate in high school summer athletic programs approved by the principal?

ANSWER: Only students registered for the upcoming school year in grades 9 through 12. Additionally, it would be a violation to allow elementary students (8th grade and below) to participate with the high school team. For students enrolled in more than one school, all summer practice and competition must be confined to one school.

1921.2 High schools may sponsor sport camps and/or allow non-school sponsored sport camps to use their facilities.

- * High school students and individuals from the general community can attend.
- * The high school name, nickname and identifying marks can be used in the title and/or promotion of the camp.
- * The principal of the high school must give permission for the camp to take place; non-school sponsored camps must secure a facility permit for use of any facilities and equipment.
- * The camp must comply with all CIF rules, including those pertaining to undue influence and dead period.
- * Non-school sponsored camps should provide required liability insurance for the use of any school facilities.

1921.3 A summer dead period must be declared by the school principal for all sports. The dates of the dead period must be forwarded to the Southern Section Commissioner. The dead period must be the same for all levels and must be three (3) consecutive weeks between the end of school or the first Friday in June, whichever is first, **and prior to the start of fall practice (Week 0 Games - August 10, 2015, Week 1 Games - August 17, 2015).** ~~the last Monday in August.~~ No class could be offered which could circumvent the rule. There are no exceptions to the summer dead period.

During the dead period, weight lifting ONLY would be permitted. No running or other type of conditioning would be allowed.

Special nationally recognized programs in various sports that require a national or regional championship format, such as Bobby Sox Softball, American Legion or Mickey Mantle Baseball, etc., would be allowed to continue, until completion, during the dead period.

- 1921.4 It should be noted that in football only, the following is applicable as part of the high school program.
- (a) High school students participating in summer football practice may wear the following type of clothing or uniform: (1) football shoes; (2) "T" or sweat shirts (football jerseys prohibited); (3) trunks or sweat pants; (4) protective equipment for the ears and head. (Football or other hard plastic helmets will not be permitted because of the hazard to other players unless you are utilizing your 3 days of conditioning (see rule 1903.4) prior to the start of fall practice.)
 - (b) The following equipment will be permitted during summer football practice provided it is used in a safe and sane manner: (1) air dummies; (2) stand-up dummies; (3) two or seven-man sleds; (4) tackling dummies; (5) blocking aprons.
 - (c) There shall be no live tackling at any time.
- 1921.5 A student with further high school eligibility may participate during the summer on a touch or flag football team. No CIF Southern Section restrictions shall be placed upon the personnel composition of such a team. A high school football coach may, as an individual, coach such a team.

QUESTION:	Can protective gear such as shoulder pads, helmets, etc., be furnished by schools for use at private or public schools or camps?
ANSWER:	No. Uniforms or any type of school equipment may not be used.

- 1921.6 A student with further high school eligibility may attend and participate in football activity at any public recreation, private football school or camp. A member of the football coaching staff from the school which the student attends may serve as an instructor at such a camp. A private football camp is defined where there are students from three or more schools in attendance and the camp is not being run by a high school coach who has students in attendance. A team contact camp is defined as a camp in which high school players utilizing helmets and pads participate along with their high school coach(es). Participation in team contact camps is prohibited.

Proposal Number

SS512

Financial Impact on Member School and Southern Section (Attach an analysis and supporting documents): **NONE**

The Golf Advisory Committee proposes the following changes to the Golf bylaws.

Bylaw ◇2003 - Starting Date for Interscholastic Contests

Proposed language:

◇Girls Teams - No interscholastic matches (non-league, tournament, or league) may be scheduled prior to ~~August 31~~ **August 24**.

Rationale:

- 1) Girls Golf is the first fall sport to conduct championships, held during the last week of October. These dates are based on state championships set by the CIF. This creates a shorter time period for non-league and league contests. Date for last contest in 2015 is Oct. 22. For 2016 and 2017 is Oct. 20th
- 2) Start of season date would equate to Week '0' for football.
- 3) Start of school dates for many districts in the Southern Section are during the 2nd and 3rd week of August.
- 4) Allows flexibility in scheduling for non-league and league contests. Also allows flexibility for golf course scheduling as practices and contests are conducted off campus.

Financial Impact on Member School and Southern Section (Attach an analysis and supporting documents): There is no fiscal impact on member schools or the Southern Section of the CIF.

All Council Proposals must be submitted according to the timelines published in the Blue Book. If they are not received in a timely manner, they will be postponed until the next meeting.

Council Proposals that do not contain the information in the fields provided on both pages will not be considered.

Sport advisory committees are advised to confine their proposals to the sport(s) under their advisement. Any proposals that do not affect Articles 1400 – 3100 must contain a rationale as to why the sport advisory committee is requesting action.

Procedure for Proposed Bylaw Changes:

1. Identify the bylaw, by number, to be changed or eliminated.
2. Type the bylaw, using normal font face, for language that will remain unchanged.
3. Use strikethrough to identify language to be eliminated or changed.
4. Identify proposed language using bold type.

For example, if a league wants to address the color of jerseys in basketball, the proposal may read:

The _____ League proposes the following changes to the basketball bylaws.
(your league name)

Bylaw 1623 Color of Jerseys

Proposed language:

“In all basketball games played between member schools of the CIF Southern Section, The host team shall wear ~~white~~ **dark** colored jerseys.”

January 5, 2015

Mr. Rob Wigod
Commissioner, CIF-SS
10932 Pine Street
Los Alamitos, CA 90720

Dear Rob:

Enclosed is a rule change recommendation from the Trinity League. This change, with regards to sand volleyball and indoor volleyball, was discussed and voted on unanimously by the league principals at the last league meeting. Hopefully the change will eliminate the type of problem that was experienced last fall.

Please let me know if there is anything else the CIF-SS requires of me or the league for this proposal to move forward.

Thank you!

Respectfully,

Raymond R. Dunne
Principal

Check one of the following:

☒ League Proposal. Name of League: Sunset

Rule Change:

Rule Number Affected: 2911 Implementation Date: Fall 2015

2911. OUTSIDE COMPETITION BY AN INDIVIDUAL

During Individual's Season of Sport - A member of a high school volleyball team may not, during his or her season of sport, compete for an outside team in the sport of volleyball. **This shall include any form of tryouts or player evaluations, occurring during the high school season of sport with a team, program, club, or any other outside organization other than the student-athlete's high school team. Any such event is considered a violation of this Bylaw. A student shall become ineligible for CIF competition if he/she participates in any tryout for a team, program, club, or any other outside organization.**

A season of sport (See Bylaw 511) is defined as that period which begins with a student's first interscholastic competition (non-league, tournament or league game) and ends with that student's last interscholastic contest (non-league, tournament, league or CIF Southern Section playoff).

Abstract:

This proposal was originally introduced last Spring in order to remedy what many consider an undue burden placed on girls volleyball participants, who are asked to compete in numerous weekend tryouts for club volleyball positions scheduled during their season of high school interscholastic competition. Further, this proposal was introduced to align girls volleyball with the spirit and intent of CIFSS Bylaw

506 (which caps weekly playing/practice time at 18 hours). Currently club tryouts are scheduled midway through the high school volleyball season, effectively nullifying the intent of Bylaw 506 in the process.

Anecdotally, a majority of club owners and coaches support this proposal, as it pushes back club tryouts until after their season is over. Further, in recognition of the CIF San Diego Section's prohibition on club tryouts occurring during the high school season, the sport's governing body, the Southern California Volleyball Association (SCVA), currently has adopted the following language within their bylaws:

"Please note, the SCVA recognizes that **San Diego** area high school players are bound to the CIF rules. The SCVA asks that all San Diego clubs and players abide by those rules, so as to not jeopardize the eligibility of girls during their high school season. Thus the following tryout dates and commitment dates will be used for those **clubs in the San Diego areas**:

- Girls 14 and Under Divisions- tryout date of October 18, 2014 with a commitment date of October 27, 2014.
- Girls 15 and Under Division- tryout date of November 8, 2014 with a commitment date of November 17, 2014.
- Girls 18 and 16 and Under Divisions- tryout date of November 15, 2014 with a commitment date of November 24, 2014."

Through passage of this proposal, we are essentially asking the SCVA to apply the above language to the remainder of the Southern Section. For informational purposes, applicable CIF SS dates in Girls Volleyball are as follows:

Lower level seasons end on	11/4/14
WILD CARD	Saturday, Nov. 8
1st ROUND	Tuesday, Nov. 11
2nd ROUND	Thursday, Nov. 13
QTR-FINALS	Saturday, Nov. 15
SEMI-FINALS	Tuesday, Nov. 18
FINALS	November 21 and 22, 2014
Club Season Begins	December 1, 2014

Council First Read: 1/7/15

Council Action Date: 1/28/15

Date Proposal will take effect on member schools: March 1, 2015

Financial Impact on Member School and Southern Section (Attach an analysis and supporting documents):

No Fiscal Impact

HECTOR VASQUEZ

CITRUS BELT AREA REPRESENTATIVE

Mr. Vasquez has worked in education for over 15 years. He received his Bachelor's Degree in Physical Education, Master's Degree and both his credentials from Azusa Pacific University.

Since graduating from APU he has had a diverse and unique career in several school districts and has been part of many different sport systems. He has been involved as a high level high school Soccer Coach, Head Cross Country Coach, Head Track and Field Coach, assistant Freshman Football Coach, assistant Freshman Baseball Coach and a high performance athletic director/administrator. He has worked with professional athletes, teams at all levels, all ages and all sports.

Mr. Vasquez started his athletic career as a soccer player while at Sonora High School in La Habra. While a student athlete he earned Most Valuable Player Honors as well as being named a member of the First Team All-League. After high school he began his college playing career at Fullerton College. While at Fullerton College he was named captain and was featured in local newspapers as a player to watch. During his second season at Fullerton College he was recruited by Don Lawrence, soccer coach at Azusa Pacific University where he competed for the Cougars and finished out his collegiate career.

After his college playing experience, he began coaching both high school and club soccer. While coaching at Santa Fe Springs High School he took his team to the play-offs each of his three years as a coach and was ranked number four going into the play-off his last year as the soccer coach. During his tenure at Santa Fe Springs High School he began his career as an athletic director. As an athletic director he established an accountability program for sixth period athletics and served as the liaison for athletics for the coaching staff and the counseling/administration at the site. As an athletic director, Mr. Vasquez got the opportunity to assist all athletic programs as an assistant and often filled in when there was a lack of qualified coaches.

After four successful years as a coach, athletic director and teacher, he was recruited by a neighboring school district to direct one of their high schools and serve as an assistant principal. During his time at Bellflower High School he was directly involved with coaching development and establishing systematic athletic programs that exist to this day. One of his most proud accomplishments at Bellflower High School was establishing fundraising events that continue to produce funds for the athletic and ASB programs to this day.

In 2010 he moved to Pacific High School in San Bernardino City as a vice principal in charge of a small learning community and athletics. After two very successful years as a vice principal at Pacific High School, he was promoted to middle school principal. While at Arrowview Middle School, Mr. Vasquez successfully resurrected middle school sports for the San Bernardino City Unified School District. During his two years at the middle school, he re-established intramural competition, purchased all uniforms and needed equipment for successful student participation for years to come.

Mr. Vasquez has returned to Pacific High School only this time as the principal. In his short time at Pacific he has successfully implemented an athletic period into the master schedule, has recruited on-campus coaches for all sports, established weekly grade checks and personally led a mentoring program for all athletes on campus. These changes ensured an increase in student-athlete participation to 30% of all students attending the school and even more impressive only ONE fall student-athlete was ineligible at the first quarter grading period. Equally impressive the football team earned its first multiple game winning season in eight years. With a 4-6 record in his first year, he plans to take a close look at all possibilities for next year. Besides the success in football, Pacific won a league title in girls cross country and a third place for the boys.

In addition to his high quality work with various schools he is also a well-respected speaker on all areas of performance management and has delivered presentations on both athletics and academics. He is a WASC Accreditation **Committee Chair**, Certified as a Franklin Covey “Speed of Trust” (SOT) trainer, Certified as a Houghton Mifflin Harcourt Rigorous Curriculum Design (RCD) trainer of trainers and also serves on as a committee member/leader for the K-8 California Career Partnership Trust Grant, Community Gathering for Excellence Facilitator, Bargaining Committee- Substitute Teachers, Instructional Rounds District Facilitator, Coaching and Mentoring Committee Member, Local Control Accountability plan(LCAP) committee leader (AVID), management interview panel and screening process, Linked Learning Leadership Team Member and Instructional Framework Committee Member. He has attended professional training for The Breakthrough Coach, The speed of Trust- Franklin Covey, Total School Solutions-Improving Performance for Latino Students and English Learners, National Alliance of Black School Educators Annual Conference, Nashville, TN, Common Core National Institute, San Francisco, CA, AP by the Sea, San Diego, CA, California Association of Directors of Activities (CADA) Conference, Reno, NV, California Association of School Business Officials (CASBO) Conference, San Diego, CA, California School Resource Officers Association Conference, San Diego, CA, California Interscholastic Federation, Coaching Education Program Coach, California State Athletic Directors Association (CSADA), Conference, San Diego, CA and taking you and your organization to the next level- The Student Group.

LOREN KLEINROCK

FOOTHILL AREA REPRESENTATIVE

Loren Kleinrock's educational career spanned over 40 years. He began his career in 1973 teaching social studies and coaching football and baseball at Morningside High School. In 1975 he moved to San Marino High School where he taught social studies for 11 years and was the department chair. He then became an assistant principal of activities, discipline and attendance for six years. After serving as the district's middle school principal for two years, Loren moved back to San Marino High, where he served as the principal for 17 years. During the last three years of his career, Loren was the superintendent of the San Marino Unified School District.

Loren's high school coaching career extended for 30 years. While an assistant principal, middle school principal, and high school principal, he continued his coaching career. At the high school level, Loren coached football for 30 years, soccer for 15, and baseball for 7.

Loren was the Foothill Area re-leaguings coordinator for the for the 2010 cycle. For the past three years, he has been the Foothill Area representative to the CIF Executive Committee.

Loren is married to his wife of nearly 41 years, Sandy, and he has two sons and two grandchildren.

NANCY KELLY

SUPERINTENDENT REPRESENTATIVE

Nancy currently serves as the Superintendent of Schools for the Upland Unified School District. As a member of the CIF Southern Section Executive Committee since 2010, Nancy has served as the Superintendent's Representative as well as the Southern Section representative on the CIF State Federated Council. A strong advocate for high school athletics, Nancy has worked collaboratively with the CIF Southern Section Office since 1993, and has served on the Blue Book Committee, the Officials Fees Committee, various At-Large Committees, and Appeals Hearings.

Nancy graduated from St. Joseph High School in Lakewood and received an Associate of Arts degree from Long Beach City College, a Bachelor of Arts degree from San Diego State University, a Master of Science degree from Purdue University, and a joint doctoral degree from UC Irvine/UCLA.

Nancy has served in the field of education for 31 years. She has served both private and public schools throughout Los Angeles County, Orange County and San Bernardino County. She began her high school career as a counselor/teacher at Cornelia Connelly High school and has since served in public schools as a counselor, middle school and high school assistant principal, middle school and high school principal, Director of Student Services, and Assistant Superintendent, Human Resources, prior to her current position.
