### **5. REPORT SESSION**

#### **A. President's Report**

**Jim Monico**

Mr. Monico had the opportunity to visit a few of the Winter Championship events for the Section and the State. The Girls Wrestling State championship has exploded over the past few years. He also attended the CIF-SS Soccer Championships, CIF-SS and State Basketball Championships as well. It has been a busy few months but every time he attends those events, he is reminded why we do what we do and continues to take pride in the opportunities we provide for the student-athletes in our Section.

Mr. Monico also expressed a special thank you to the Commissioner, Staff, and Council for all the work that has been done over the past two years. In addition, he wanted to thank the cabinet for all of their work and support, and Bill Dabbs for all of his leadership and advisement as Past President.

#### **B. Treasurer's Report**

**Carter Paysinger**

Mr. Paysinger noted that all member schools sports fees have been paid amounting to a total of \$468,650, a +3% increase. T-Shirt/apparel sales have returned \$38,038 and are on-track to meet budget projections. Friends of Golf have donated \$47,000 to the CIF-SS and checks have been sent to 130 boys and girls golf programs on March 31, 2014. Basketball (net) income is \$357,787 and will meet budget projections. Wrestling (net) income is \$8,635 and will NOT meet

## **5. REPORT SESSION (Cont'd.)**

projections (-36%). Girls water polo has netted \$15,438 and is on-track. The net for soccer is \$49,316 and is NOT on-track (-1%). The sports net income is \$1,302,156 and on-track to meet projections. Revenue sharing, money returned to member schools is \$775,478 (football, basketball, volleyball).

### **C. Commissioner's Report**

Rob Wigod

Commissioner Wigod thanked the three areas for the work that they did in the very short time frame given, the area leadership and diligence is greatly appreciated. He specifically thanked Jeff Jordan, Tony Diaz, and Sam Robles for all of their work in the Relegating process. The Commissioner noted that nominations for Champions for Character, Distinguished Service, and Hall of Fame awards were all due by May 1<sup>st</sup> and nomination forms were available online. It was also the last day to register for the Champions for Character Golf Tournament and the Commissioner encouraged members to register as quickly as possible. Commissioner Wigod thanked his staff, and especially Heather Smith for all of her hard work with the Council Meetings and organization of CIF-SS events. The playoff grouping deadlines were reviewed again for the recently approved areas to submit their divisional placement requests. The timeline for the release of the playoff grouping staff recommendations and appeals was also reviewed for informational purposes. Spring sports championships are right around the corner. Fall Eligibility workshop information and CIFSSHOME Training in CIFSS Office dates have been sent out to the membership, the Commissioner encouraged members to sign up if they haven't already done so.

Lastly, the Commissioner wanted to publicly recognize Jim Monico, for his leadership over the past two years. He has been extremely devoted to and supportive of the work that we do and because this was his last meeting, he would like to recognize Mr. Monico for all of the work he has done for the greater good of the Section.

**Proposal Summary:** With the passage of A.B. 2127 (Cooley) the CIF must revise our “Return to Play,” if a licensed health care provider determines that the athlete sustained a concussion or a head injury, the athlete is required to complete a graduated return-to-play protocol of no less than 7 days in duration under the supervision of a licensed health care provider.

**Fiscal Impact: None**

**Background:** In 2010 the CIF passed Bylaw 503 (formerly Bylaw 313) that required physicians signed “Return to Play” for any student suspected of having a concussion. This change would further provide that, if a licensed health care provider determines that the athlete sustained a concussion or a head injury, the athlete is required to complete a graduated return-to-play protocol of no less than 7 days in duration under the supervision of a licensed health care provider as required by A.B. 2127 that will be added to the Education Code on January 1, 2015

## Concussion Protocol

A student-athlete who is suspected of sustaining a concussion or head injury in a practice or game shall be removed from competition at that time for the remainder of the day. A student-athlete who has been removed from play may not return to play until the athlete is evaluated by a licensed health care provider trained in education and management of concussion and receives written clearance to return to play from that health care provider. If a licensed health care provider, trained in education and management of concussion determines that the athlete sustained a concussion or a head injury, the athlete is required to complete a graduated return-to-play protocol of no less than 7 days, from the time of diagnosis, in duration under the supervision of a licensed health care provider. On a yearly basis, a concussion and head injury information sheet shall be signed and returned by all athletes and the athlete's parent or guardian before the athlete's initiating practice or competition.

**Proposal Summary:** With the passage of A.B. 2127 (Cooley), California Education Code will be revised on January 1, 2015 to state that *“If a school district, charter school, or private school elects to offer an athletic program, it shall comply with all of the following:*

*(A) A high school or middle school football team shall not conduct more than two full-contact practices per week during the preseason and regular season. (B) The full-contact portion of a practice shall not exceed 90 minutes in any single day. Further, the additions to the Education Code also stated that “A high school or middle school football team shall not hold a full-contact practice during the off-season. For purposes of this section, a team camp session shall be deemed to be a practice.”* These proposed additions to Bylaw 1901 will bring our CIF Bylaws into compliance with State Education Code. These additions are proposed as immediate implementation.

**Fiscal Impact:** None

**Background:** Bylaw 1901 is a longstanding sport specific rule regarding the required number of days of practice and a prohibition on Sunday practices. These additions would add a further clarify to the amount of permissible “full contact” practice.

## 1901. ~~NUMBER OF~~ FOOTBALL PRACTICE DAYS; NO SUNDAY PRACTICE

**A.** There shall be no football games until the squad has had 14 days of practice before the first game. Each individual student on the team must have had at least 10 days of practice before being allowed to compete in a game. (The opening date of football practice may be determined by each Section.) No Sunday practice is permitted (See Bylaw 504.M. for exception).

**B.** Football teams are limited to two days per week of full contact practice, with no more than 90 minutes of full contact on each of those days during the season of sport. For purposes of this Bylaw, each team's season of sport is defined as the first day of practice, as allowed by the Section, until the final contest for the team. All full contact practices are prohibited in the off-season which includes team camps.

Full contact practice is defined by state statute as a practice where drills or live action is conducted that involves collisions at game speed where players execute tackles and other activity that is typical of an actual tackle football game. For the purposes of this bylaw, refer to the definition of "Live Action" as defined by USA Football.

Type: Bylaw Additions for Baseball and Softball

Next: 10/26/2014 – Executive Committee

**Proposal Summary:** This proposal would require that all individuals must wear a protective helmet while coaching the bases. It would be implemented immediately.

**Fiscal Impact:** In most cases less than \$100 per sport.

**Background:** Professional and NCAA baseball require the use of a protective helmet for all individuals coaching the bases. Each year high school baseball and softball coaches are struck in the head by batted balls that may result in catastrophic injuries. While the NFHS Rule Books are permissive in the use of protective helmets by adult base coaches, it is not a mandate. It is not currently a requirement that NCAA softball coaches wear a protective helmet while coaching the bases.

## **New Baseball**

**Bylaw 1502:** It is required that adult base coaches wear a protective helmet. Play will not continue until compliance with this rule is met. It is recommended that the helmet meet NOCSAE standards.

## **New Softball**

**Bylaw 2502:** It is required that adult base coaches wear a protective helmet. Play will not continue until compliance with this rule is met. It is recommended that the helmet meet NOCSAE standards.

Note (for both sports): NFHS rules govern use of protective equipment by a player/student.

**Type:** Expansion of Existing Championship Event

**Next:** January 2015 Federated Council First Read

**Proposal Summary:** Expand existing girls' volleyball championships from 8 team to 16 team brackets in Divisions I-V beginning in the fall of 2016.

**Fiscal Impact:** First and second round games in girls regional volleyball have historically shown a profit. It is expected the addition of 8 more teams and one more round of games in Divisions I-V will also be profitable.

**Background:** Girls volleyball in California is highly competitive and should allow more teams the opportunity to participate. Basketball currently has 16 team brackets. Participation in girl's volleyball has shown steady increases over the past 5+ years.

## Proposed State Girls Volleyball Expansion

**Proposal:** Expand the girls volleyball state championship brackets from 8 teams to 16 teams.  
Implementation: 2016-2017 school year.

**Rationale:** California volleyball is highly competitive and should include more quality teams, and more teams should have the opportunity to participate. The precedent of 16-team brackets has been set with basketball. In addition, participation numbers in girls volleyball have shown a steady increase.

**Calendar:** In order to expand to a 16-team bracket, the state and section playoff calendar would need to be adjusted.

This proposal would require each section move their championship one week earlier (was done with football in 2011).

The state volleyball playoff dates would be as follows:

### 2016 State Playoffs

State Playoff Seeding Meeting	Sunday	November 13
1 <sup>st</sup> round	Wed	November 16
2 <sup>nd</sup> round	Saturday	November 19
3 <sup>rd</sup> round	Tuesday	November 22
<b>Thanksgiving Thursday, November 24</b>		
Nor Cal/SoCal finals	Saturday	November 26
State Finals	Sat	December 3

## ENTRIES – Seeding Procedures

The volleyball handbook could be amended with the following changes:

The CIF State Volleyball Championships will be conducted using ~~eight-team~~ **sixteen-team** brackets in both the north and south in ~~each of the six divisions~~ **Divisions I-V**. Out-brackets will be used if necessary.

### Northern California Regional

The Central Coast Section (CCS), North Coast Section (NCS), Northern Section (NS), Oakland Section (OS), Sac-Joaquin Section (SJS), and San Francisco Section (SFS) will participate in the CIF Northern California Regional Tournament. The number of eligible team entries is listed below:

**Proposal Summary:** The Commissioners Committee is making a recommendations for revisions and to modify the CIF State Football Regional and State Championship Bowl Formats.

**Fiscal Impact:** It is anticipated that this event would increase the section revenue profit sharing based upon the past two years' experience.

**Background:** Currently only eighteen (18) of the fifty-one (51) section champions are selected for participate in the CIF Football Bowl Championships. For the past several years the Football Advisory Committee and the Commissioners Committee have been discussing formats that would allow all Section Champions, who chose to participate, the opportunity to play in a Regional Football Bowl Championship.

## **Proposed Football Regional and State Bowl Game Format Revision**

- 1.) This proposal will advance all Section champions, if they choose to participate, to a CIF Regional Football Championship Bowl Game. If a team from a Section does not wish to participate in the CIF Football Championship Bowl Games, they must notify their Section commissioner by the start of the 2nd week of their Section playoffs.
- 2.) CIF Sections with an “Open Division” will be allowed to replace one or more of their Section champions from another division with a team that participated in that Section’s Open Division. That Section Open Division team may only replace a Section Champion from the division in which they would have been slotted if they had not been selected for the Section’s Open Division.
  - a. Sections with an Open Division choosing to utilize this provision must have a policy in place (adhering to the above language) which outlines the process the Section will use to replace champions from their Section divisions with non-champions from their Open Division.
- 3.) All teams in the CIF Regional Football Championship Bowl Games will be slotted based on “competitive equity.” See the sample mock selection below using the 2013 Section Champions.
  - a. Due to the number of Section divisions, there will be one play-in game in the north. The two teams will be selected from those Section division champions that complete play prior to week # 14.
- 4.) There will be two (2) Open Divisions.
  - a. The first will be open to all teams regardless of enrollment that have qualified through their respective section playoffs. The best team for the north and the best team from the south will be selected to participate and will receive byes directly to the CIF State Football Championships Bowl Open Division game.
  - b. The second will be open to all teams with an enrollment of 1,250 students or less that have qualified through their respective section playoffs. These teams will participate in the CIF Regional Football Bowl Games with the winner advancing to the CIF State Football Championship Bowl Game (1,250 or less)
- 5.) In order to balance the number of teams from the north and the south, Central Section Divisions I, III and V have been slotted in the north and Central Section Divisions II, IV and VI. The Central Section teams will be slotted in their respective regions in a manner to ensure that two teams from that Section would not play each other in a CIF State Football Championship Bowl Game.

**Type:** Bylaw Additions

**Next:** 10/7/2014 Athletic Administrator Advisory Committee

**Proposal Summary:** Training and education for coaches, parents and students for the awareness, recognition, and management of sudden cardiac arrest in student-athletes.

**Fiscal Impact:** Minimal. All materials available for free including the on-line education and training class through the *Eric Paredes Save A Life Foundation* and *Simon's Fund*.

**Background:** Sudden Cardiac Arrest (SCA) is the number two (2) cause of death in young people participating in education based athletics. While very rare, about 100 such deaths are reported each year in the United States in young athletes according to the American Heart Association. Tragically, California students have been on that list including one this past July. This Bylaw will alert coaches and parents to this condition, and ensure that they are aware of and know how best to react to the condition's warning signs. This spring, state legislatures in Delaware and Connecticut have implemented similar training requirements in their states.

22. B. (9) Ensure that all coaches, paid and unpaid, will have completed a coaching education program that emphasizes the following components:
- a. Development of coaching philosophies consistent with school, school district and school board goals;
  - b. Sport psychology: emphasizing communication; reinforcement of young people's efforts; effective delivery of coaching regarding technique and motivation of the student-athlete;
  - c. Sport pedagogy: how young athletes learn and how to teach sport skills;
  - d. Sport physiology: principles of training; fitness for sport; development of a training program; nutrition for athletes; and the harmful effects associated with the use of steroids and performance-enhancing dietary supplements by adolescents;
  - e. Sport management: team management; risk management; and working within the context of an entire school program;
  - f. Training: certification in CPR **and** first aid that includes training in signs and symptoms of concussions **and sudden cardiac arrest**.
  - g. Knowledge of, and adherence to, statewide rules and regulations; as well as school regulations including, but not necessarily limited to, eligibility, gender equity and discrimination;
  - h. Sound planning and goal setting; AND
  - i. A school/district may use a coach that does not meet these standards for one sports season in an emergency. The coach must still hold a CPR and First Aid, **Concussion and Sudden Cardiac Arrest** certification as required under Title V. However, that person may not coach another season of sport without fulfilling this coaching education requirement. Any currently employed coach who has completed and passed a prior version of a coaching education program that meets the above listed criteria, as determined by the local administration, is exempt from this provision. The above certification is transferable between/among CIF member schools. Coaches may need to complete additional local school or school district requirements.
- NOTE:** Definition of a coach, paid or unpaid: Any individual that the school/district is required to approve under Title V, California Code of Regulations, Section 5593 and 5594 and/or under California Education Code 35179-35179.7, 49032 and 4125.01-45125.1.

## 503. ADMINISTRATIVE OVERSIGHT

The principal of each school shall be held responsible for the amateur standing and eligibility of the school's teams and team members under CIF, Section, and league rules.

### F. Coaching

Principals are responsible to insure that all coaches of the CIF member school for all individual or team(s) meet the requirements of the California Education Code 49032, 35179.1 and Bylaw 22.B.(9)  
(Revised February 2009 Federated Council)

### H. Concussion Protocol

A student-athlete who is suspected of sustaining a concussion or head injury in a practice or game shall be removed from competition at that time for the remainder of the day. A student-athlete who has been removed from play may not return to play until the athlete is evaluated by a licensed health care provider trained in education and management of concussion and receives written clearance to return to play from that health care provider. On a yearly basis, a concussion and head injury information sheet shall be signed and returned by all athletes and the athlete's parent or guardian before the athlete's initiating practice or competition. (Approved May 2010 Federated Council/Revised May 2012 Federated Council)

*Q: What is meant by "licensed health care provider?"*

A: The "scope of practice" for licensed health care providers and medical professionals is defined by California state statutes. This scope of practice will limit the evaluation to a medical doctor (MD) or doctor of osteopathy (DO).

### I. Steroid Prohibition

As a condition of membership, all schools shall adopt policies prohibiting the use and abuse of androgenic/anabolic steroids. All member schools shall have participating students and their parent(s)/guardian(s)/caregiver agree that the athlete will not use steroids without the written prescription of a fully licensed physician (as recognized by the AMA) to treat a medical condition.  
**NOTE:** Article 1-12.N. (Revised May 2005 Federated Council)

### J. Sudden Cardiac Arrest Protocol

A student-athlete who passes out or faints while participating in, or immediately following, an athletic activity or who is known to have passed out or fainted while participating in or immediately following an athletic activity, must be removed immediately from participating in a practice or game for the remainder of the day. A student-athlete who has been removed from play after displaying signs and symptoms associated with sudden cardiac arrest may not return to play until the athlete is evaluated by a licensed health care provider and receives written clearance to return to play from that health care provider. On a yearly basis, a Sudden Cardiac Arrest information sheet shall be signed and returned by all athletes and the athlete's parent or guardian before the athlete's initiating practice or competition.

*Q: What is meant by "licensed health care provider?"*

A: The "scope of practice" for licensed health care providers and medical professionals is defined by California state statutes. This scope of practice will limit the evaluation to a medical doctor (MD) or doctor of osteopathy (DO).

## CIF SOUTHERN SECTION COUNCIL PROPOSAL FORM\*\*

In accordance with Blue Book Article 3, Bylaw 30.1, the following proposal is submitted for Council consideration.

“CIF Southern Section Council may entertain proposals submitted to the governing body on the appropriate proposal form from duly appointed advisory committees, leagues or the Executive Committee.” *All items coming before the Southern Section Council must contain the financial implications on member schools, leagues and the Southern Section.*

Date: 8/15/14

**Submitted by:**

Name of representative: Reggie Thompkins, President, Carter Paysinger, President-Elect

School of representative: CIF-SS Executive Committee ☒ Telephone: N/A

**Check one of the following:**

☐ League Proposal. Name of League: \_\_\_\_\_

☐ Advisory Committee Proposal. Committee Name: \_\_\_\_\_

☒ Executive Committee Proposal. Submitted by: Reggie Thompkins, Carter Paysinger

**Rule Change:**

Rule Number Affected: 32.A.6

Implementation Date: July 1, 2015

**Abstract:** (Please add any supporting documents.)

The CIF Southern Section Executive Committee proposes that an additional level of appeal be included in the Area Placement Appeals Process.

**Council First Read:** 10/23/14

**Council Action Date:** 1/28/15

**Date Proposal will take effect on member schools:** July 1, 2015

**Financial Impact on Member School and Southern Section (Attach an analysis and supporting documents):**

There would be no financial impact on member schools or the CIF Southern Section.

All Council Proposals must be submitted according to the timelines published in the Blue Book. If they are not received in a timely manner, they will be postponed until the next meeting.

Council Proposals that do not contain the information in the fields provided on both pages will not be considered.

Sport advisory committees are advised to confine their proposals to the sport(s) under their advisement. Any proposals that do not affect Articles 1400 – 3100 must contain a rationale as to why the sport advisory committee is requesting action.

### **Procedure for Proposed Bylaw Changes:**

1. Identify the bylaw, by number, to be changed or eliminated.
2. Type the bylaw, using normal font face, for language that will remain unchanged.
3. Use strikethrough to identify language to be eliminated or changed.
4. Identify proposed language using bold type.
- 5.

For example, if a league wants to address the color of jerseys in basketball, the proposal may read:

The \_\_\_\_\_ League proposes the following changes to the basketball bylaws.

Bylaw 1623 Color of Jerseys

Proposed language:

“In all basketball games played between member schools of the CIF Southern Section,  
The host team shall wear ~~white~~ **dark** colored jerseys.”

---

Rule 32.A.6 – The Executive Committee, in accordance with the following guidelines, will hear **initial** appeals with reference to area placement:

- (a) Was due process extended to the parties concerned?
- (b) Was the Brown Act followed?
- (c) Were Blue Book rules and criteria followed?

**The Executive Committee may accept the initial appeal, in which case the appellant would immediately be granted their request for a change in their recommended area placement. If the Executive Committee denies the initial appeal, schools who appealed their area placement to the Executive Committee, and are still dissatisfied, may appeal to the CIF Southern Section Council. Schools seeking an appeal to the CIF Southern Section Council, with reference to area placement, must forward a copy of the appeal to the CIF Southern Section Office, and a copy to the principals of the affected area schools, at least 14 calendar days prior to the scheduled CIF Southern Section Council meeting. All decisions made by the CIF Southern Section Council regarding area placement appeals will be FINAL and area placement will be concluded. Area placements will be subject to review every four (4) years in odd years and will be concluded prior to the start of the re-leaguering process.”**
