RE: Basketball Playoff Divisions - Competitive Equity Criteria

The CIF-SS Basketball Advisory Committee and SCIBCA Executive Committee have reviewed the basketball division criteria that we have used the previous 6 seasons. The following recommendations to adjust the current mechanics of this process have been adopted by these committees for implementation in the 2014-15 season. This is being done to further enhance the goal of this format which is to speak to the needs of each member school.

Every year, schools will be placed into 11 original enrollment divisions. These 11 divisions (1AA, 1A, 2AA, 2A, 3AA, 3A, 4AA, 4A, 5AA, 5A, 6) will have approximately 44 and 75 schools. Divisions 5 and 6 will have higher numbers of schools than Divisions 1-4 to give a better chance at filling complete playoff brackets in those divisions.

Secondly, each member school will then have a cumulative CIF-SS playoff “three-year point profile” logged for the preceding three seasons (11-12, 12-13, 13-14). These totals are accumulated with points earned by a win in rounds one through the finals of each season.

At this stage, schools failing to qualify for the CIF-SS playoffs over a preceding three-year span, thereby accumulating “0” weighted points and not qualifying for the playoffs during that 3 year period, will be moved down one-half division from their original enrollment grouping, in an effort to address competitive equity.

Next, those “power schools” that have collected significant point totals over 3 years will be moved up accordingly from their original enrollment grouping based upon the following:

0-19 points – No movement, will remain in original enrollment grouping

20 – 21 points - will be moved up ½ division (example: 2AA to 1A),

22-23 points - 1 full division (example 4A to 3A)

24 points and up – move up to Division 1AA

This will serve to address strength in the sport and dominance in a particular division over the course of three seasons.

Appeals: You may only appeal division placement up to Division 1AA (24 points and up) **and only** if your school’s CBED enrollment number is at **600 students or below**. Appeals will be heard by a sub-committee of the CIF-SS Basketball Coaches Advisory Committee and if granted, will place the school one full division higher than their original enrollment grouping, instead of the full move up to Division 1AA. (IE; Division 5A to Division 4A or 5AA to 4AA)

This overall leveling by strength and non-strength (not qualifying for playoffs) will still maintain a grouping of approximately 44-75 schools in any one division (Divisions 5 and 6 will be at the higher end), with each “new division” more balanced in terms of competitive equity.

At-large teams will be selected only to fill to 32 team brackets in each division using selection criteria discussed in the basketball preview and bulletin and as selected by the CIF-SS Coaches Advisory Committee.

Questions and Answers

Question: Will schools still automatically qualify for the playoffs by finishing in the top half of their league, as is the current practice?

Answer: Yes. There is no change in this qualifying procedure

Question: By using this format, will the playoff divisions in basketball be adjusted each year?

Answer: Yes. They will be adjusted each year based on the school's new CBEDS number and three year profile point totals.

Question: How are points accumulated in a given year?

Answer: **In CIF-SS Divisions 1-6:** One point for a win in the first round; two points for a second-round win; three points for a quarter finals' win; four points for a semifinals' win; and five points for a CIF-SS championship. The maximum points a school can earn in any one playoff season is 15 points. In the event of a wild-card win (based on more than 32 teams automatically qualifying), there are no points earned.

In CIF-SS Open Division: Ten points for qualifying for Open Division, then two points for every win on the championship side of the bracket and one point for every win on the consolation side of the bracket. Championship maximum is 18 points, consolation championship maximum is 13 points.

Question: What is the three-year profile point range for moving up from my original enrollment grouping?

Answer: *0-19 points – No movement, will remain in original enrollment grouping

*20 – 21 points - will be moved up ½ division (example: 2AA to 1A),

*22-23 points - 1 full division (example 4A to 3A)

*24 points and up – move up to Division 1AA

**These three-year point totals will be modified after the 2014-15 season to account for the additional points being allotted for "Open Division" qualifiers beginning this season.*

Question: Can I appeal my division placement?

Answer: You may only appeal division placement up to Division 1AA and only if your school's CBED enrollment number is at 600 students or below. Appeals will be heard by a sub-committee of the CIF-SS Basketball Coaches Advisory Committee and if granted, will place the school one division higher than their original enrollment grouping, instead of the full move up to Division 1AA.

Question: What happens to a school's point total after each year?

Answer: All schools would subtract points earned in the playoffs 3 years ago and add any points earned in the most recent playoffs.

Question: What happens if our school's enrollment grows or declines significantly from one year to another?

Answer: Before final playoff divisions are released, current school year CBED enrollment numbers will be reviewed to determine if a school has lost 15% enrollment or gained 15% enrollment from the previous year. If it has been determined that this is the case, then the current year's CBED numbers will be used for those schools in determining their division placement.

Question: How will teams fill into the state playoffs from Southern Section divisions?

Answer: Because the adjusted criteria is now aligned with the enrollment standards established by the state for Divisions 4 & 5, schools under 1250 enrollment, this is how the 8 Southern Section bids in each division will move into the state playoffs:

SS Division 1AA, 1A- **will go to State D1**

SS Division 2AA, 2A – **will go to State D2**

SS Division 3AAA, 3AA, 3A – **will go to State D3**

SS Division 4AA, 4A – **will go to State D4**

SS Division 5AA, 5A, D6 – **will go to State D5 (600 cap)** (unless enrollment is over 600, than D4)
