WINNERS OF THE 2010-11 CIF SOUTHERN SECTION ACADEMIC AWARDS ANNOUNCED

The winners of the annual CIF Southern Section Academic Awards program are announced. 1492 team entries were received in all sports (except team sports that have less than 20% of the CIF Membership participating in a sport).

The team awards, based on a cumulative grade point average, are awarded in 22 sports. To be considered, teams must have a minimum 3.0 GPA average (4.0 scale) in college-prep courses in the first semester of the 2010-11 school year. The highest team GPA in each sport determines the winner. Schools are divided into two enrollment categories: enrollment of 1500 or more and enrollment of less than 1500. The team with the highest GPA in each enrollment category for each sport receives the award. The first place teams receive a banner to commemorate their achievement. All teams who participate receive Academic Award certificates for their student athletes.

Each CIF-SS member school is entitled to name a male and a female "Student-Athlete-of-the-Year" as well. Recipients of the individual awards must be seniors that have maintained a minimum of a 3.5 GPA (4.0 scale) in college-prep courses over the past three years, in addition to earning a letter in at least one varsity sport and participating in extracurricular activities (music, drama, service groups, etc.).

The Academic Awards program is sponsored by the Anaheim Angels and FORD. **Team winners** are honored at a pre-game ceremony before the May 9 Anaheim Angels game.

Note to Team First place winners:

Important dated material is being **mailed, emailed and faxed** to your Athletic Director on Monday, April 4, 2011.
