

QUALIFYING CRITERIA

Girls Team Qualifying Criteria:

1. Teams will be placed based on previous finishes in CIF-SS championships over the previous 2 years. All teams that advanced to the SCGA round in the previous season will automatically be placed in Division I the following season.
2. Scores from previous CIF-SS championships will be used to create team's 'team handicap' (using USGA handicap formula) for ranking purposes.
3. Teams that have never qualified will be given a rating below what the worst at-large qualifier handicap has been over the past 2 years. This number was 28 for this year for girls. If the top team from a league scored higher than 28, teams were given numbers that reflected that.
4. Scores are weighted 1/3 from 2 seasons ago, and 2/3rds from last season.
5. For the inaugural year: advancement into a CIF-SS finals, gaining an at-large bid, or league performance, may have slightly impacted divisional seeding.
6. There continues to be 4 divisions, they are now based on competitive equity.

Qualification into CIF-SS Divisionals:

1. Qualification to CIF-SS championships will now be based on league placement. Earning scores of 230 will no longer be used.
2. League Champions will automatically qualify, then as many second-place finishers in league, 3rd place finishers in league, and so on until 20 places within divisions 1, 2, and 3 are filled and 18 places within division 4 are filled.
3. Any team from a league can petition for a place in the CIF-SS championship, but spots will be designated based off league finish.
4. Example-If there is 1 spot remaining to advance, and there are 3 teams that finished in 3rd place within their league, the 3 teams will be compared based on submitted scores to determine who will advance.
5. 20 teams will qualify from divisions 1, 2, and 3 and 18 teams will qualify from division 4.

Qualification to CIF-SS SCGA Qualifier

1. There will still be 12 teams advancing to CIF-SS SCGA Qualifier out of the divisions.
2. The top 8 finishers in division 1 will advance to CIF-SS SCGA Qualifier.
3. The other 4 top finishers based on adjusted team handicap from the CIF-SS championships at each divisional will fill the remaining spots. (WINNING THE CHAMPIONSHIP FROM DIVISION 2, 3 and 4 DOES NOT AUTOMATICALLY QUALIFY YOU FOR CIF-SS SCGA Qualifier) All 12 teams could hypothetically advance from division 1.

The handicap formula being used:

$$\frac{(\text{Team Total}/5)\text{-Course Rating} \times 113}{\text{Course Slope}}$$
