WEIGH-IN AND GROOMING CHECK

Each coach is expected to be present to identify his or her wrestlers at the beginning of weigh-ins to prevent misunderstandings and/or mistakes. Grooming will be checked prior to weigh-ins. Weigh-ins will be conducted by female weight masters whenever possible. They will check conformance as required by the National Federation Rule Book. **All wrestlers must be present in the weigh-in area at the beginning of weigh-ins and are not allowed to leave until their weigh-in is completed.** All weigh-ins will begin with the 101 lb. weight class and proceed in order up to the 235 lb. class. When all wrestlers for a weight class have had the opportunity to weigh-in and the next class is called, that weight class is closed. The two-pound growth allowance will be in effect.

A contestant shall weigh in for only one weight class during the weigh-in period. If only one scale is available, a contestant may step on and off that scale two times to allow for mechanical inconsistencies in that scale. If the contestant fails to make weight on the first scale, the contestant shall immediately step on each available scale one time in an attempt to make weight. During time off the scale(s), activities that promote dehydration are prohibited. (NFHS Wrestling Rules Book 4-5-3.)

It is the responsibility of the head coach to verify that his wrestlers are properly groomed and equipped to wrestle. Before they arrive at the tournament, they should examine their wrestlers and their equipment to make sure of the following things:

1. Their nails are clipped short and smooth
2. Their hair is cut properly, braided, or have a hair cover that is attached to the wrestler's headgear
3. They bring a mouthpiece to protect both their top and bottom teeth if they have braces
4. Their laces are properly tied, secured in an acceptable fashion (Velcro strap, tape, double knotted).
5. Headgear should provide adequate protection and have no tape or crossed straps.
6. If there are any questionable skin conditions, they should start treatment and bring the

correct form signed by a doctor. ...Final decision on skin questions will be made by designated Tournament Doctor/Meet Director.

WEIGH-IN ATTIRE

The CIF Southern Section mandates that all wrestlers weigh-in wearing their school issued competition uniform fully in place

A reminder that Track Wrestling Program is different for girls in reference to minimum body fat of 12% for females.

SEEDING PROCEDURES

These criteria, developed and supported by the C.I.F. Southern Section Wrestling Coaches Advisory Committee, are to be followed in order. When conflicts arise, they are to be resolved by a vote of the League Representatives. The Seeding Director is responsible for all final seeding decisions.

1. Criteria for seeding
   a. Most recent head-to-head competition
   b. A returning State placer
   c. A returning State qualifier (placed in the C.I.F.-SS Masters Meet)
   d. A returning C.I.F.-SS place winner
   e. A wrestler with the best overall "representative" record against quality opposition.

   Note: Coaches need to be able to provide verification of their wrestler's results

   Voting Procedure

   When there is considerable disagreement, argument or otherwise, the League Representatives should vote. This vote would follow a two-minute presentation by the wrestler's coach only of facts concerning the desired wrestler to be seeded. Only representatives may vote on a one (1) vote per league basis.

2. The Seeding Director will make an arbitrary seeding as a starting point for seeding.

3. A short "orderly" discussion will follow and League Representative, if necessary, will quickly vote upon each seed.

4. The remaining positions will be by draw. Where possible, leagues will be separated. No more than 8 wrestlers per weight will be seeded.

   Alternates will weigh-in along with qualifiers. The first alternate from each league will take the place of a qualifier in his league who does not make weight or is a no show. If a qualifier is overweight, injured, etc., and there is no alternate present from that league, there will be a random draw of other league alternates to fill that spot.

5. If a seeded wrestler does not show up, then each seeded wrestler will move up, and the bracket will remain the same, unless there is inter-league conflict, at which time the non-seeded wrestlers will be drawn again.

6. The Seeding Director has the power to make final seeding decisions.

PAIRINGS

Pairings for the CIFSS Girl's Championship Meet will be done utilizing a computer program which includes a random number generator that will select a formula for each weight class. This is a bracketed double elimination tournament. Byes for the first round will be determined by a random draw. Please do not call the CIF-SS office for the draw; it will be available at the Championship Meet.

DRAW – All 4 Championships will be Double Elimination Format

Per existing rule**,** 4-team leagues will be guaranteed 2 entries, 5-6 team leagues will be guaranteed 3 entries and leagues with 7-8 teams or more will be guaranteed 4 entries and 9 or more teams will be guaranteed 5 entries into the C.I.F. Southern Section Individual Wrestling Championships. **The brackets for each division will reflect the total number of guaranteed entries of the leagues in that division.**
