

Soccer Power Ranking Playoff Divisions 2023-2024

All CIF Southern Section Soccer Schools have been ranked based on the following Information

- 2021-2022 Power Points earned (based on formula provided) (30% value)
- 2022-2023 Power Points earned (based on formula provided) (70% value)

The CIFSS Soccer Advisory Committee has moved to a new system for playoff groupings. Using “Massey Ratings”, divisional placement was done where teams can be compared through common opponents far removed. This system is used in many collegiate sports (football, soccer, lacrosse) and has been used successfully in the Southern Section in other sports since the inception of competitive equity playoff divisions. You are encouraged to visit the Massey site at masseyratings.com where there are links to FAQs and other information regarding the system.

In addition, this year we are experimenting with an “Open” division. The “Open” division will be selected at the conclusion of the regular season based on in season results. A team from **any** division (1-7) can be selected by the advisory committee and the in season results to participate in the “Open” division playoffs. The “Open” division playoff bracket will consist of no less than eight (8) teams and no more than sixteen (16) teams. The teams/schools not selected for the “Open” division will compete in the playoff division they have been assigned to based on the Massey ratings system.

Rational:

1. The column labeled “Power Ranking 2023-2024” is a combination of the 2021-2022 and 2022-2023 results. This is the schools two-year weighted average over that two-year period using the Massey System.
2. Based upon a two-year weighted power point total. The 2021-2022 season was given a 30% weighted value and the 2022-2023 season was given an 70% weighted value.
3. Strength of the regular season results and playoff performance results over the last two seasons.

4. Regular season contests are not weighted while playoff contests are weighted based upon the round where the match up took place.
5. Division splits are based upon a two-year average of automatic playoff entry bids required to fill a 32-team bracket.
6. Teams that are listed in “**RED**” while they have been placed in a playoff division for the purpose of opponents who play them are ineligible for the playoffs because they failed to submit the two-year information as required by the CIF bylaw.
7. Teams that are marked “TBD” are new programs or programs with only one (1) year of data and will have their schedule and results evaluated at the mid-point of the season and then be placed accordingly.
8. If you team/school is not listed please have your school’s Athletic Director contact our office immediately to discuss.
9. Schools have until the start of the season on November 13, 2023 to alert our office with any possible inaccurate information regarding their past years schedule. After that date the information will be “locked” and playoff divisions confirmed.
