SUBJECT: **Aquatics Legislation – Certification**

DATE: January, 2024

Just a reminder that the following legislation took effect January, 1991:

Section 116033 of the Health and Safety Code reads as follows:

Persons providing aquatic instruction, including, but not limited to, swimming instruction, water safety instruction, water contact activities, and competitive aquatic sports, at a public swimming pool shall possess an American Red Cross Emergency Water Safety Course certificate, or have equivalent qualifications, as determined by the state department. In addition, these persons shall be certified in standard first aid and cardiopulmonary resuscitation (CPR). All of these persons shall meet these qualifications by January 1, 1991. Persons, who only disseminate written materials relating to water safety, are not persons providing aquatic instruction within the meaning of this section.

The requirements of this section shall be waived under either of the following circumstances: (a) when one or more aquatic instructors possessing the American Red Cross Emergency Water Safety Course Certificate or its equivalent are in attendance continuously during periods of aquatic instruction, or (b) when one or more lifeguards meeting the requirements of Section 116028 are in attendance continuously during periods of aquatic instruction.

* * * * *

Please Note: The Emergency Water Safety certificate is no longer offered by the American Red Cross. The legislation above has not been revised, despite numerous requests from water safety people around the State, and it is not clear what the “state department” has established as equivalent qualifications.

It is strongly recommended that all coaches enroll in the Safety Training for Swim Coaches course currently offered by the American Red Cross, as an interim solution to the missing EWS certificate. Not many ARC Chapters offer the class, so you may need to do some investigating to locate one that does. The Long Beach Chapter has offered the class as recently as spring 2003, so that might be a good starting point for you.

CIF-SS SWIMMING & DIVING ADVISORY COMMITTEES

The CIF-SS is continuing to utilize the concept of advisory committees for virtually all of the sports. The role of the advisory committee, comprised of coaches in their respective sports and an administrator from the CIF Office, may or may not include the following:

1. Meetings
2. Recommendations for playoff sites
3. Recommendations for procedural changes
4. Recommendations for rule changes
5. Evaluation of sport season
6. Assistance to coaches and/or officials organizations
7. Liaison between coaches and the CIF-SS office

We urge that if you have suggestions or questions, please make use of this excellent channel of communication and pass along suggestions to one of the committee members. We will be meeting on a regular basis during the current swimming season and your items will become part of our agenda.

GUIDELINES FOR SUBMITTING 2024 VERIFICATION CARDS

“CIFSS qualifying swimming times must be achieved using a fully automatic timing system”

You can download/ print verification cards for the 2024 season from the Swimming & Diving page at www.cifss.org. These are the ONLY cards that will be accepted for entry into the championships. Coaches MUST complete the cards accurately and completely if they are to be accepted for the 2024 preliminary meet.

In the VERIFICATION portion of the card, all information must be filled in completely. It is important that the card is verified with officials and/or meet manager and coach's signatures.

The CIF-SS will not be responsible for swimmers disqualified from competition because of mistakes, lack of information, lack of proper signatures, and incomplete cards.

In DIVING, coaches are reminded that completed qualifying diving score sheets (no need for a card) properly signed must accompany the CIF Southern Section Championship entry.

Coaches are reminded that a swimmer may qualify for CIF-SS championship swim meets if he/she equals or betters the time standard IN ANY CIF-SS SANCTIONED DUAL, TRIANGULAR, OR INVITATIONAL MEET.

Swimmers may not qualify in any competition designated as a time trial. This means that swimmers NOT entered in an event MAY NOT fill lanes in order to swim for a qualifying time.

WHEN A COACH SIGNS THE VERIFICATION CARD AND OFFICIAL ENTRY SHEETS, HE/SHE IS VERIFYING THE AUTHENTICITY.

In DIVING, coaches are reminded that completed qualifying diving score sheets (no need for a card) properly signed must accompany the CIF Southern Section Championship entry.

“CIFSS qualifying swimming times must be achieved using a fully automatic timing system”

ENTRY RULES (National Federation Rule 3)

RULE 3, SECTION 1, ART. 1 ... "In championship meets, each team shall be permitted a maximum of 4 entries in an individual event and 1 team in a relay event."

RULE 3, SECTION 2, ART. 1 ... "A competitor shall be permitted to enter a maximum of 4 events, no more than 2 of which may be individual events. Prelims and finals are considered one meet."

RULE 3, SECTION 2, ART. 3... " **In championship meets and other multiple team meets**, a competitor officially becomes a participant in an individual event when the official entry card or form bearing the name of the event, competitor's first and last name, coach's signature (where applicable), school name, and submitted time, if one exists, is delivered to the meet director, or meet's director's designee, at the specified time and place.

In relay events, 8 individuals may be designated, and it shall not count as an entry unless the competitor actually competes in the event. Any of these 8 individuals may swim in finals provided he/she does not exceed the permitted entries for the meet. Only the 4 swimmers declared on the event entry card which shall be submitted at a specified time and place prior to the start of the event are permitted to report to the blocks and compete."

2024 BOYS' AND GIRLS' VARSITY DIVING STANDARDS

DIVING POINTS FOR QUALIFYING FOR THE CIF SOUTHERN SECTION CHAMPIONSHIPS

“CIFSS qualifying diving scores must be achieved in a meet where electronic software containing a “dive verifying program” is used. Some examples are eDive and divemeets.com.”

A diver MAY qualify for the championships by any one of the following methods:

1. Perform a list with the “Automatic D.D.” in their respective division and achieve the Qualifying score. This may be done in an 11- dive invitational meet or an 11 dive league championship contest.
2. Perform a list with the “Consideration D.D.” AND earn a qualifying score in their respective division. This may be done in an 11- dive invitational meet or an 11 dive league championship contest.
3. Rank within the top 36 divers of the division based on the “Consideration D.D.” with the “Qualifying Score”.

NOTE: Any failed or incorrect dive on the qualifying scoresheet will have a 0.0 D.D. when calculating the total D.D. for an entry list. This will eliminate the possibility of listing a high D.D. dive that a diver cannot complete just to achieve the qualifying standard.

TO ENTER AS CONSIDERATION...Diver can submit one 11-DIVE Contest Sheet for CONSIDERATION which meets both the D.D. and Score requirement from an 11 dive contest. Divers in the consideration category will be ranked based on the total D.D. of the submitted list. Total score will only be used to break any ties for the final qualification spots.

For invitational meets, 3-meter diving will no longer be allowed for those schools which have diving pools with a water depth of 12 feet or less. **League Championship meets must be conducted on 1m boards ONLY.** 1-meter and/or 3-meter diving will continue to be an event in our CIF Southern Section Championship meet. Attached are the Diving Tables for both 1-meter and 3-meter diving.

REMINDER: 3 meter diving will be permitted at CIF sanctioned Invitational and CIF-SS Championships only.

For the 2024 CIF Southern Section Swimming and Diving Championships there are both automatic (AUTO) and

Consideration (CON) standards. Swimmers/ Divers who achieve the automatic standard will be entered in that event. Additional entries will be based upon the consideration standards that will be used to fill up the event. AUTO QUALIFYING D.D. for CHAMPIONSHIPS FOR ALL DIVISIONS requires the divers to compete a reasonably challenging 11 dive list. They may AUTO qualify with (1) one 11- dive contest list. NOTE: Any failed or incorrect dive on the qualifying scoresheet will have a 0.0 D.D. when calculating the total D.D. for an entry list. This will eliminate the possibility of listing a high D.D. dive that a diver cannot complete just to achieve the qualifying standard.

Diving is an event of swimming, and as such, should be viewed by schools in the same manner as the other events in the swimming program. Team points for an individual placing in diving are the same as in swimming. It has come to our attention that some schools that could offer diving to their athletes are choosing not to do so. Typically, the reasons for not offering diving are the lack of a proper facility and/ or a qualified coach. In trying to promote diving throughout the CIF-Southern Section, we would encourage all of our member schools to give interested student athletes an opportunity to compete in this event. If facilities are available, either at the school site or off-campus, and a qualified coach can be secured, the CIF Southern Section strongly supports any efforts that can be made to increase the number of schools and student/athletes participating in diving.

If competition is taking place with 2 **CONCURRENT** judging panels, a diving official must be assigned to each panel to properly view violations such as balks, incorrect dives, breaks in position, etc.

DUAL MEETS -All Divisions (6 DIVE EVENTS)

- A. (National Federation Rule 9-4-6). “In other meets, the competition shall consist of one voluntary dive which shall be done first -Week 1= forward group; Week 2 = back group; Week 3=inward group; Week 4=twisting group; Week 5=reverse group; etc. and five optional dives, coming from at least four of the five groups and which may include any of the dives other than the voluntary dive. Any dive from a group may be designated as a voluntary dive. It will receive its assigned DD through 1.8. Any designated voluntary dive with a DD greater than 1.8 will be assigned as DD of 1.8.”

Week	VOLUNTARY DIVE GROUP
February 17 – 24	forward group
February 25 - March 2	back group
March 3 – 9	inward group
March 10 – 16	twisting group
March 17 – 23	reverse group
March 24 – 30	forward group
March 31 – April 6	back group
April 7 – 13	inward group
April 14 - 20	twisting group
April 21 - 27	reverse group

- B. There must be 3 or 5 diving judges, Rule 9, Section 6 in the NFHS Swimming and Diving Rules Book.
Note: In non-championship meets when only two judges are available, 50% of the total score shall be added to make the final score equate with a three judges’ score.

INVITATIONAL OR LEAGUE CHAMPIONSHIPS

- A. Eleven (11) dives – 5 voluntary, 6 optional, Rule 9, Section 4, of the NFHS Swimming and Diving Rules Book.
- B. Five (5) to Nine (9) judges – Rule 9, Section 6.
- C. Consideration points require submitting one 11 dive contest sheet from an invitational or league meet.
- D. All score sheets **MUST** be signed by the COACH, ATHLETE, DIVING REFEREE and the MEET

DIRECTOR. Blue Verification Cards are no longer required for entry to the CIF-SS Diving Championships

E. ALL submitted dive sheets must be done using electronic scoring (divemeets.com, eDive, etc.) to ensure the list has accurate D.D.'s and scoring calculations are correct.

ATTENTION FREELANCE SWIMMERS/DIVERS:

Rule 3410 states that an individual must participate in at least 1/2 of the number of allowable contests permitted in a particular sport. Since the allowable number of contests in swimming/ diving is 14, in order for freelancers to be eligible for CIF Southern Section Swimming/Diving Championships, they must compete in at least 7 meets.

All PINK freelance entry cards MUST have official signatures verifying participation in 7 CIF Sanctioned Competitions, regardless of time or score obtained.

CIF-SS SWIMMING GUIDELINES

BLUE BOOK

Coaches are advised to review the Swimming & Diving Section of the current Blue Book, Bylaw 1222 and Officials Fees.

RULES

All swimming and diving competition in the Southern Section will be conducted under National Federation rules unless otherwise provided herein.

MAXIMUM TEAM CONTESTS

A swimming team will be permitted to compete in no more than 14 meets total during the season (this includes dual, triangular meets, and invitationals). There is no limit to the number of invitationals a team may enter (not to exceed 14 meets total during the season). The league championship meet and the CIF Southern Section championship meets are not considered part of the charged limits.

OUTSIDE COMPETITION

Unattached competition is permissible for a student during the season of sport provided the student enters in the individual sports of badminton (singles and doubles), cross country, golf gymnastics, skiing, swimming and diving, tennis (singles and doubles), track and field (including unattached entry on relays) and wrestling.

Each CIF Section may grant approval, upon individual petition, for an athlete to travel to a foreign country to participate in national or international competition sanctioned by the governing body for that sport in the United States and the international governing body. Written permission must be obtained **PRIOR** to competition.

Bylaw 503.M PLAYER CONDUCT

Any player ejected for any reason, or any player who leaves the confines of the bench or team area during a fight that may break out, or has broken out, shall be disqualified from participating in the remainder of the game and will be ineligible for the team's next contest.

LEVEL OF COMPETITION

No student shall participate in more than one level of competition in the same sport on the same day. Exception: Divers may dive at the varsity level and swim at lower levels. Diving is only scored at the Varsity level.

MAXIMUM ATHLETIC CONTESTS IN ONE DAY

No team member will be permitted to enter two different meets on the same day.

INCIDENT REPORTS

All incidents, injuries, or disruptions, regardless of the degree of seriousness involved, should be reported to insure accurate records in the event that further problems develop. The completed report is to be submitted in CIFSSHome.

COACHING

Only school-authorized coaches will be permitted to coach at prelims and finals of the CIF Southern Section Swimming and Diving Championships.

125.1 COACHEJECTION - Upon ejection, the head or assistant coach shall be disqualified from participating in the remainder of the game and will be ineligible for the team's next contest. The next contest may not be a forfeited, postponed or canceled game. A second ejection will constitute a two-contest suspension and a third ejection will cause suspension for the remainder of the season. A coach who was ejected from the previous contest, who, knowingly or unknowingly, participates in or is in attendance at the next contest, will result in the forfeiture of that contest.

QUESTION: What is meant by attendance at a contest?

ANSWER: Attendance is defined as being present at the team bench/area, inside a gymnasium, stadium or playing area. Students ejected from a game in progress should remain under supervision of school staff. The intent of this rule is that the ejected person is not in attendance at the contest.

125.2 FAILURE TO COMPLETE A CONTEST - When a school fails to complete a contest, due to a coach pulling his/her team from the floor, court, or field, it is MANDATORY that the Principal notify the CIF-SS office within 24 hours (excluding holidays and weekends). The competing schools and officials will be required to file written reports, and after review of the aforementioned material, the principal of the school involved will be required to respond to the CIF Southern Section Office concerning his/her investigation of the incident.

QUESTION: How serious is such action?

ANSWER: It has been the position of the CIF-SS Executive Committee to expect the building principal of the school concerned to relieve the coach from his/her assignment for the balance of that season or the Executive Committee is empowered to consider recommendations for additional penalties

Rationale: The section will make it clear this provision applies to all articles in Section 3.

3-3-2: Removes language which specifies that a competitor shall only be able to compete in a suit that is of decent appearance.

Rationale: Eliminates the subjectivity of “decent appearance” for an official when making an illegal suit determination.

8-1-3d PENALTY 2, 8-1-6 PENALTY: Added the requirement of a written record for dual confirmation of a false start.

Rationale: The change aligns language with the current requirement that when dual confirmation is used, the relay takeoff judges are required to report in writing any violations to the referee.

8-2-1g: Removes the language about some part of the body at or above the surface during a backstroke finish.

Rationale: The change aligns with national trends, allows the official to concentrate on the backstroke finish (wall touch), and may prevent lunging at the wall which reduces risk.

8-2-2d-h: Requires the arms and legs to move simultaneously but does not require the arms and legs to be in the same horizontal plane. Also requires separation of the hands during the touch at turns and finish.

Rationale: Changes provide clarity, consistency, and alignment with national trends and do not provide a competitive advantage.

8-2-3c, e, g: Requires the separation of hands and a simultaneous touch with the hands during the turns and finish.

Rationale: Changes provide clarity, consistency, and alignment with national trends and do not provide a competitive advantage.

9-5 Diving Table: Removes dives 104A, 304A and 402A from the Diving Table.

Rationale: When each dive is performed slightly short of vertical, the diver’s head may be precariously close to the diving board. The risk of hitting the board in these cases is far greater than other dives on the table.

9-7-4c: Adds a penalty for when a diver's head is too close to the diving board. The diving referee shall make the determination and inform diving judges to score the dive as unsatisfactory.

Rationale: Minimizes the risk factor of the diver performing the dive in a way that brings the diver's head too close to the board.

SUPERVISION OF ATHLETES

ALL Athletes must have a certified supervisor in order to compete

The Southern Section Office has experienced a problem which has perpetuated itself over the years as it pertains to proper supervision and entry of student-athletes in the post-season playoffs. The situation relates to individual sports, i.e. CROSS COUNTRY, INDIVIDUAL TENNIS, TRACK, SWIMMING, etc. and the official recognition and registration of entrants at the respective playoff sites.

State and Southern Section Rule 503 states:

No CIF team (i.e., individual) shall participate in inter-scholastic or approved competition with any other team unless the CIF team is under supervision as required by the California Administrative Code Title V and CIF By-Law #506A and B. (Additionally, refer to Rule 123.)

Those persons APPROVED FOR SUPERVISION PURPOSES are limited to:

- A. Certificated personnel
- B. Certified Coaches (certified credentialed coaches)
- C. Non-certificated temporary coaches (certified walk-on coaches.)

(It should be noted that schools representing the same DISTRICT might send one credentialed or certified supervisor for three or four athletes. These individuals have been recognized and are to continue to be recognized for registration and participation purposes in that the district has assigned the supervisory role for all students from its' member schools to this one individual.)

However, the concern is for those students who ARE NOT accompanied by a faculty representative and report to the playoff site by themselves or with a parent. ***GIVING PARENTS THE SUPERVISION AUTHORITY, WHETHER IN WRITING OR NOT, DOES NOT MEET THE STANDARDS SET FORTH IN THE ABOVE REGULATIONS.*** **This also applies to parents who are the student's private coach but are not under contract to the member school.**

PLEASE NOTE, THIS RULE WAS REVIEWED BY THE STATE CIF OFFICE, ITS GENERAL COUNCIL AND THE SOUTHERN SECTION EXECUTIVE COMMITTEE. IT HAS BEEN REAFFIRMED THAT THE INTERPRETATION STAND AS ABOVE AND THAT ANY STUDENT REPORTING FOR COMPETITION WHO IS NOT UNDER DIRECT SUPERVISION IN ACCORDANCE WITH STATE AND SOUTHERN SECTION RULE 503, IS TO BE DENIED ENTRY FOR PARTICIPATION IN THE COMPETITION.

As pointed out by the Southern Section and State CIF attorney, there are inherent liability problems when an individual competes in violation of said rule. Please review this rule with your staff in that it will be strictly enforced as per the above application.
