PLAYOFF ENTRY AND FORMAT

The 2022-2023 Softball Playoff brackets will be established based on submissions from the respective league within each division. There will be seven divisions of Softball.

As adopted by the CIF Southern Section Council, League Automatic Entries will be limited to the following:

- 4 Team Leagues – 2 Guaranteed Entries Only
- 5 Team Leagues – 3 Guaranteed Entries Only
- 6 Team Leagues – 3 Guaranteed Entries Only
- 7 Team Leagues – 4 Guaranteed Entries Only
- 8 Team Leagues – 4 Guaranteed Entries Only
- 9 or more Team Leagues – 5 Guaranteed Entries Only

Under the playoff format, in all sports, leagues have the responsibility of developing and identifying the priority for their representatives into the playoffs as so noted under Article 340 (Playoffs) of the CIF Southern Section Blue Book. Please note, leagues may not conduct additional contests beyond the prescribed limits unless said contests are to determine ENTRY and not representative priority (leagues must have this as part of their constitution and must secure permission from the CIF-SS office before conducting such playoffs for entry). Contest(s) that are necessary for determining a leagues automatic entry into the playoffs must be completed by Thursday, April 27, 2023.

LEAGUE CHANGE OF ENTRY

Once the draw sheet has been finalized by the CIF Southern Section Office and then notification is received that a league has made a mistake in submitting the proper entries in order of priority, this Office may exchange positions of the schools involved in the bracket from that league. Once the playoffs begin no changes due to incorrect information can be accepted and adjusted.

END OF COMPETITION

All league competition for entries must end on Thursday, April 27, 2023. Schools may compete until Saturday, April 29, 2023 in non-league contests. Any contest(s) played after the completion of league play and/or submission of league entries will not impact the entries (final record), seeding or ranking of a team or teams that were involved in those events.

BRACKET CONSTRUCTION

SEEDS - The initial step is to designate four teams in rank order as seeds, with No. 1, 2, 3, and 4 placed in the designated draw position in each quarter of the bracket. Now, designate the next four teams in rank order as seeds, with No. 5, 6, 7, and 8 being placed in each quarter of the designated bracket. Next, the teams designated as seeds No. 9, 10, 11, and 12 will be placed in each quarter of the designated bracket. The last four teams in rank order designated as No. 13, 14, 15, and 16 will now be placed in each quarter of the designated bracket.

ADJUSTMENTS

Adjustments to this procedure would be made if the seeds in the same half/quarter of the bracket were from the same league. If this occurs, using the example of the top half of the bracket, should the No. 1 and 4 seeds be from the same league, No. 4 would become the No.

3 seed and the No. 3 seed would fill the No. 4 designated position.

Adjustment may become necessary to ensure that the No. 1 and 2 entries from the same league are placed in opposite halves of the overall bracket.

Note: Throughout this process, a league No. 2 entry may not be seeded higher than the No. 1 entry from the same league, nor may a No. 3 league entry be seeded higher than the No. 2 entry from the same league. If there are First Round “byes” available in playoff brackets, those byes will be awarded to League Champions first, regardless of the overall seeding for that bracket. If all the League Champions in that bracket have been awarded a “bye”, and there are still additional byes available, 2nd place teams will have priority to receive them.

FILLING THE DRAW

The next step is to begin completing the draw by placing any remaining No. 2 league entries in the opposite half of the bracket from the No. 1 entries from the same league. The final step to complete the draw is to place the remaining No. 3 entries (along with any No. 4 entries, At-Large and/or Freelance teams) from each of the respective leagues in the remaining open slots, attempting to place each in one of the remaining “quarters” of the bracket where the league is not represented. This process eliminates the aspect of schools from the same league meeting in the second round of competition (Exception: if the overall bracket holds less than 32 teams, it is possible for two teams from the same league to meet in the second round or if five (5) or more entries from the same league compete in the same division two teams from the same league will be placed in the same quarter).

WILD CARD CONTEST

Where the number of teams exceeds the number of openings in the draw, the Commissioner may order a special playoff contest (Wild-Card System) to determine entry into the main draw for the playoffs. Wild Card contest are only necessary and allowable when the number of automatic entries for the bracket exceeds the size of the bracket. For example, 37 teams earned an automatic entry into a 32-team bracket. Wild Card contests become necessary to trim the field down to 32 teams.

AT-LARGE ENTRIES / Must Have Overall Record of .500 or Better

AT-LARGE entries can only be considered when the number of automatic entries does not fill the size of the playoff bracket. For example, 30 teams earned an automatic entry therefore two (2) AT-LARGE entries are to be selected to fill the bracket to 32 teams.

The Coaches Advisory Committee will make selections based upon the following:

- (a) Head-to-head competition of teams under consideration
- (b) Strength of schedule and results vs. teams in division and higher
- (c) Overall strength of the league from which the team is entered
- (d) Overall win-loss record
- (e) Strength against common opponents

BYLAW 3400 PLAYOFFS

For additional information on bracket construction, filling of “byes”, wild card entries, At-large entries, and determination of sites after the first round please review Bylaw 3400 in the CIF Southern Section Blue Book starting on page 209.

PLAYOFF HOSTING INFORMATION

DETERMINATION OF SITES FOR ALL PLAYOFF ROUNDS AND FINALS

To decide who shall be the host team **AFTER** the first round of competition will be the sole responsibility of the Commissioner. In cases where two teams are paired after the first round of the playoffs, the team having the fewest number of host games in playoff competition shall be designated as the host team. When both teams have had an equal number of host playoff contests, the Commissioner shall toss a coin to decide the host team. When a school has been designated as the host school for a playoff contest it shall (1) act in that capacity unless excused by the Commissioner, and (2) be considered the host team regardless of where the game is being played. **SPECIAL NOTE: Teams receiving a bye in the first round shall automatically be the host team in the next round of the playoffs.**

The designation of "host" does not guarantee the game will be played at the host school's facility. It does designate the responsibility for management of the contest which includes suggesting a site that will handle the anticipated crowd. A host school may use its home site facility if it can safely provide for the anticipated crowd.

The host school is charged with the responsibility of securing an adequate facility for the holding of a Softball playoff contest. It is recommended that where available and when approved, playoff games shall be played in rent-free high school facilities, but in cases where it is necessary to pay a rental fee for an outside facility; such an arrangement must be approved by the Commissioner prior to the contest.

Competing schools are reminded that CIF Southern Section playoff softball games, while they may be played at one school, are under the control of the CIF-SS. Both competing schools in any one game are given equal consideration regarding seating. If, in the Commissioner's opinion, the host team field is not large enough to accommodate the anticipated crowd, the host team will be required to reserve one-half of the facility's capacity for the visiting school's rooters.

PRE-GAME ARRANGEMENTS

A. The host school is responsible for:

- 1) Securing a site which meets the standards as outlined in the National Federation Softball Rule Book. (Rule 1, Section 1 & 2). Fields do **NOT** need to have an outfield fence but the "ground rules" should address balls that are hit through the outfield beyond the field of play.
- 2) **Fields with baseball pitching mounds may not be used for any playoff contest.**
- 3) Schools not playing on their high school campus must inform the CIF-SS Office of the location of their host site. **Do not secure a site which requires a time deadline.**
- 4) Typing the ground rules on a card with copies to both umpires and the

opposing coach prior to the game.

- 5) Contacting the visitors prior to game day to establish any necessary ground rules should the field or equipment not meet required National Federation standards. (See Rule 1, Section 1 & 2)
- 6) Providing information to the visitors regarding directions to the school, locker room arrangements, visitor parking, or any other special circumstances relative to the contest.
- 7) To prevent game delays – it is recommended that the home team have available a minimum of ten game balls for each game.
- 8) **Game Ball** - The home team provides the game balls per National Federation Rules. The Rawlings FPCIF-SS will be the game ball for the Southern Section Championship Finals. The ball must have the NFHS stamp along with the COR and compression mark.
- 9) **Infield/Outfield Practice.** For the Playoffs, each team is allowed a 10-minute pre-game infield and/or outfield warm-up on the playing field prior to the start of the contest. **For the Championship Final this time will be reduced to 7 minutes.**

- B. The CIF-SS office is not presently equipped to survey all sites during the coming post-season competition, and although it is necessary that one team be designated the HOST team, it shall be kept in mind that the game belongs equally to both competing schools. Therefore, it is recommended that a pre-game planning meeting be held to cover all details (field conditions, crowd control, supervision) connected with the staging of every playoff contest.
- C. During playoffs, teams competing in the playoffs are not allowed to work-out or practice at the site of Southern Section Softball Championships which will be played at Deanna Manning Stadium at Colonel Bill Barber Marine Corps Memorial Park (1 Civic Center Drive, Irvine).

GAME TIMES

All games are scheduled for **3:15 p.m.** When schools must travel extensive distances for a playoff game, it is recommended that the teams mutually agree to a later start time. A school may play at other times or on other days if it is mutually agreeable to both competing schools. If the date of a scheduled contest is changed it must be played before the next scheduled playoff round.

Any changes must be confirmed between your opponent prior to contacting our office or the game officials/local assignor. **Any game time, location change, or date change must be sent via e-mail to the CIF-SS office.**

The e-mail must include the following information:

- **Division**
- **Teams in the Contest**
- **New game time / location / date**
- **The statement “I have confirmed this change with the Athletic Director, (insert name)”**
- **The visiting school’s Athletic Director has been included in the e-mail**

Send an e-mail to all the following individuals:

Assistant Commissioner: Mike Middlebrook at mikem@cifss.org
Program Coordinator: Lisa McInerney at lisam@cifss.org
CIF Officials Rep: Vince Rosse at m1aman308@mac.com
Your local Assignor: *for games played in the Wild Card, 1st, 2nd or Quarter-final round.*

ADMISSION REGULATIONS

Due to the inability of several schools to secure a playing site which is enclosed, there will be no admission charge at the playoff contests. The exception to this rule will be the championship games at Deanna Manning Stadium or a designated “home” site for a championship final.

However, if two competing schools agree, and admission is charged, the following financial regulations will be in effect:

- A. Admission Prices: The admission prices shall be \$4.00 for adults, \$3.00 for students from the competing schools and \$3.00 for children under 12. **(Schools may agree to a lower price structure).**
- B. Host School: The designated host school is responsible for all costs incurred in hosting the contest. These would include officials, supervision, stadium rental, etc.
- C. Visiting School: The designated visiting school is responsible for all costs incurred in traveling, such as bus, meals, etc.
- D. Gate Split: When admission is charged, the gate is to be handled as a gross gate and split 50-50 between the competing schools (please refer to Article 10, Rule #144 on page 49 of the Blue Book).

- 1. **RULES (MERCY RULE)** (10 run rule - Blue Book Bylaw 2700.1) **Games shall end after five innings of a seven-inning game when a team is behind by 10 runs (applicable to Wildcard, rounds 1 and 2 only).** All playoff games after round 2 will be a minimum of seven (7) innings. All playoff games will be conducted under the 2023 National Federation Softball Rules, except where Blue Book rulings or this bulletin supersede.
- 2. **PRE-GAME BATTING PRACTICE** - Includes bunting or slap hitting. **Teams entered in the softball playoffs WILL NOT be permitted to take batting practice on the day of the scheduled contest. (CIF Southern Section Blue Book Bylaw 2713.2)**

Batting practice is construed as any type of pitching motion with ANY type of ball from in front of the batter (including pitching machines, underhand tossing, overhand throwing, or pepper).

SIDE SOFT TOSS and BATTING TEES WILL BE ACCEPTABLE FOR PRE-GAME BATTING WARMUP.

The player who tosses the ball must not be standing; they must be sitting or on a knee directly to the side facing the batter. The ball should be lifted, not pitched, to the batter. Coaches are responsible for instructing and alerting all players of this rule. Coaches

should also instruct players on the correct allowable position a person tossing ball should be in. At no time should the person tossing the ball be any place other than directly to the side of the “plate” and directly facing the batter.

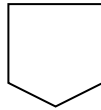

THE PENALTY FOR BATTING PRACTICE WITH A WIFFLE BALL, SOFTBALL, BASEBALL, FRONT TOSS, ETC. MAY BE FORFEITURE OF THE GAME.

A potential batting practice violation is not a violation under NFHS rules that can be protested. If the situation occurs the coach must bring the issue to the attention of the home plate umpire at the pre-game meeting and ask that it be recorded. The umpire will then forward that information in a report to our office after the game is over. The game is not played under protest.

Question:

If a coach, during the home plate pre-game meeting, does not announce to the umpire and their opponent that a possible violation of the batting practice rule has occurred could that violation be considered at any time after?

Answer:

No, any perceived batting practice violation must be noted by the plate umpire prior the end of the pregame meeting to be reported to the CIF-SS Office.

**CIF SOUTHERN SECTION PLAYOFF/CHAMPIONSHIP
REQUIREMENTS - ALL TEAMS AND HOST SITES
2022-2023**

- Rosters & Scores:**
- Complete schedules are to be submitted to CIFSSHOME prior to each season.
 - Update scores following every contest direct to CIFSSHOME
- Additional directions on accessing CIFSSHOME are included in this document.
- TV/Web/Radio Rights:** Any TV or streaming webcast (video or audio) or radio transmission of a CIF-SS playoff or championship event requires a contract and rights fees through the CIF-SS office prior to the contest. The only 'exceptions' are: Games broadcast via Bally's Sports West, Bally's SoCal, PrepZone or The NFHS Network.
- 'Official' Championship Souvenirs:** The exclusive vendor for CIF Southern Section Championship souvenirs (t-shirts, scarfs, pins, beanies, hats, etc...) is our long-time partner *CIF T-shirts*. These are the official items sold each year per sport. You are likely familiar with their annual shirts at the finals. You can order team and individual items through them at www.ciftshirts.com.
- Official Ball Required:** Only the approved official ball in each ball sport may be played by either school during CIF-SS playoff contests. Violation of this rule will result in loss of your next home playoff game. The current Official Ball list for each sport is included and available at www.cifss.org in the "Resources" drop down. This policy has been in effect since 2002.
- Gatorade Only:** Only Gatorade jugs, cups, bottles, ice chests may be used or visible during any CIF-SS playoff contest. (No Powerade, Body Armor, etc). The only acceptable alternative is a plain-wrap or Igloo labeled products. This rule does not apply to the actual liquid distributed to athletes. This policy has been in effect since 1995.
- CIF-SS on Souvenirs:** The 'CIF Southern Section', 'CIF-SS', 'Southern Section' and 'CIF' marks and logos are registered trademarks with the State of California. Schools may only use the CIF Southern Section marks on rings, patches and banners, by doing business with a CIF-SS licensed vendor. **Schools may only use the CIF Southern Section marks on apparel and other souvenir items exclusively through ciftshirts.com. Schools creating items with CIF-SS registered marks from a non-licensed vendor will face sanction and/or will be required to purchase any unsold shirts/items at the Championship Final.** A list of the currently licensed vendors for these products is included and regularly updated on www.cifss.org.

Please note: The use of only "CIF" is strictly prohibited per the State CIF registered trademark. The "CIF", is not just the CIF Southern Section. Only those teams in State regionals, bowl games and individual sport finals actually qualify to use CIF without Southern Section attached. Any such use must be approved in advance by the CIF State office.

Host Site Requirements:

- Playoff Tickets:** (This pertains to revenue sports of basketball, football and volleyball): It is mandatory to sell tickets for admission to all CIF-SS playoffs and championship contests. Patrons can purchase in advance via gofan.co, via private links made available by the participating schools or via QR code at the entry gate of the playoff event. All playoff revenue will be sent directly to CIF-SS. Both the host and visiting schools will be required to submit a financial/expense report following each playoff game in an effort to receive reimbursement for game expenses and revenue share split in the case of a profit game.
- CIF-SS/FORD Banner:** It is a requirement of each host school (including off-site) that the CIF-SS/Ford Championship banner be displayed at every playoff home game in football and the gymnasium sports post football season (or on the electronic signage where schools/venues do not display banners). If you need a banner please contact jackieg@cifss.org
- Gatorade:** It is a requirement of each school use only Gatorade product/jugs/cups/squeeze bottles during CIF-SS championship events. No other competitive product shall be used. Water can be placed in Gatorade merchandise.

CUSTOM AWARDS/ RINGS/BANNERS/APPAREL SOUVENIRS USING CIF-SS:

CIF-SS ‘registered’ trademark: The “CIF Southern Section”, “CIF-SS”, “Southern Section” and “CIF” marks and logos are registered trademarks with the State of California. Schools may only use the CIF Southern Section marks on rings, patches and banners by doing business with a CIF-SS licensed vendor. Schools creating items with CIF-SS registered marks from a non-licensed vendor will face sanction and/or will be required to purchase any unsold shirts/items at the Championship final if similar non-licensed items appear at the contest. A list of the currently licensed vendors for these products is included and regularly updated on www.cifss.org.

Please note: The use of only “CIF” is strictly prohibited per the State CIF registered trademarks. Only those teams in State regionals, bowl games and individual sport finals actually qualify to use CIF without Southern Section attached. Any such use must be approved in advance by the CIF State office.

PROTECT YOUR SCHOOL TRADEMARKS: The CIF Southern Section strongly suggests you double-check the status of *your school* licensed/registered marks and logos now. Some schools have permanently lost control of others selling their merchandise with no royalty or approvals because the proper State of California licensing/registering process had not previously occurred or been enforced.

MEMO

To: CIF STATE REGIONAL QUALIFIERS

From: Mike Middlebrook, CIF-SS Assistant Commissioner, Softball Administrator

Date: March 2023

Subject: CIF STATE SOFTBALL REGIONAL CRITERIA

The CIF Southern Section will be granted 20 entries into the CIF State Regional Championships. Teams may be moved to a different State Regional Division than the one in which they competed in during the Southern Section playoffs. There are no enrollment parameters in any division. The CIF State Seeding Committee has the authority to adjust when necessary due to travel considerations or when a repeat match-up of a final or semi-final occurs, but every effort is made to keep the schools in the order they are submitted by the Section. If a team(s) elects not to compete in the Regional event a school will be selected from the previous rounds. The highest seeded team that did not advance to the semi-final, or the final, will be invited followed by the next highest seeded team followed by the next, etc. until the entries are filled. The entrants will be as follows:

4 Semifinalists from Southern Section Division 1

4 Semifinalists from Southern Section Division 2

4 Semifinalists from Southern Section Division 3

2 Finalists from Southern Section Division 4

2 Finalists from Southern Section Division 5

2 Finalists from Southern Section Division 6

2 Finalists from Southern Section Division 7
