# LEAGUE ENTRY INSTRUCTIONS – TRACK WRESTLING

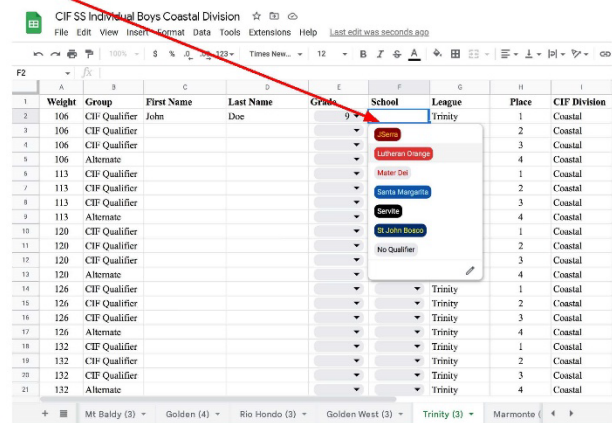

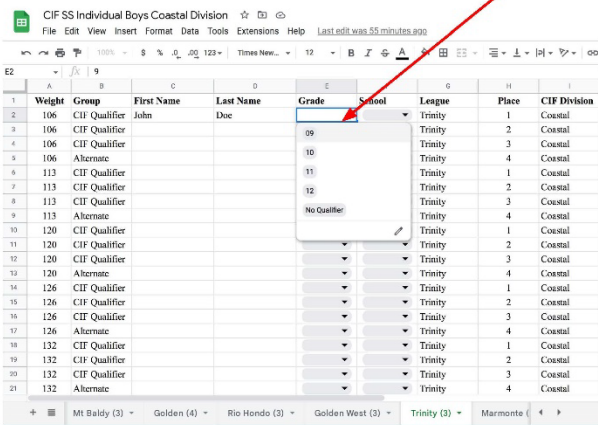

## Entering League Results for CIF Individual Tournaments

- ❖ All League Meet Managers will receive an email that brings them directly to a spreadsheet for their league. Simply enter the names of the wrestlers in the appropriate fields.

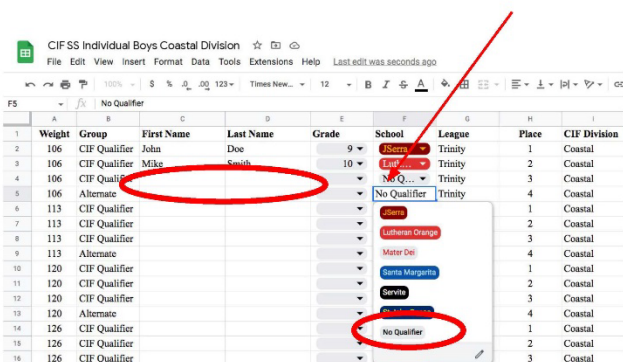

The link should bring you to your league.

- ❖ In the next two columns, select the Grade and School of the wrestler from the dropdown menus.

- ❖ Be sure to include Alternates. If there are less qualifiers than there are slots for that weight class, leave the name fields blank and then select “No Qualifier” from the dropdown menu in the School Column.

If your boys and girls league finals have the same Meet Manager, he or she will receive two separate links (one for boys and one for girls).

## **LEAGUE ENTRIES**

The manager of each league-wrestling tournament will be furnished with an official link to enter results. An example is shown on the previous page. League entry deadline is **SUNDAY, FEBRUARY 9, 2025 at 5:00 P.M.**

## **DRAW – All 6 Divisions will be Double Elimination Format**

Per existing rule, 4-team leagues will be guaranteed 2 entries, 5-6 team leagues will be guaranteed 3 entries and leagues with 7-8 teams or more will be guaranteed 4 entries and 9 or more teams will be guaranteed 5 entries into the C.I.F. Southern Section Individual Wrestling Championships. **The brackets for each division will reflect the total number of guaranteed entries of the leagues in that division. There will no longer be a random draw for additional alternates to add wrestlers to those brackets.** If a league loses an entry prior to the start of the tournament, that league can replace that entry with an alternate from that league first. If no Alternate from that league is present, then the alternates from other leagues can be drawn in. Wrestlers that have a first round bye, and win their second-round match, will receive two (2) advancement points for round one in addition to their second-round advancement points.

A qualifying event for approved freelance schools will be held, as necessary, on Saturday, February 1, 2025 and hosted at a site TBD. Eligibility of freelance participants must comply with Bylaw 3510 and have participated in 50% of the allowable matches. (20 for wrestling)

## **WEIGH-IN AND GROOM CHECK – OFFICIALS WILL BE PRESENT AT ALL WEIGH-INS**

Each divisional meet will conduct weigh-ins and grooming check at 9:00 a.m. on Friday, February 14, and on Saturday, February 15th 9:00 a.m. **All wrestlers must be present at the weigh-in area at the beginning of weigh-ins.** All weigh-ins will begin with the 106 lb. class and progress in order up to the 285 lb. class. When all wrestlers for a weight class have had an opportunity to weigh-in and the next class is called, that weight class is closed. Each coach is expected to be present to identify his wrestlers during weigh-in to prevent misunderstandings and/or mistakes. Grooming will be checked prior to weigh-in. Each wrestler is to have his hand stamped after making weight/grooming. The 2-pound weight allowance will be in effect.

## **ENTRY FEE**

No entry fee will be charged to member schools.

## **ELIGIBILITY LIST**

Once you have completed the Team Roster information, the Eligibility Form requirement will be satisfied. **Please make sure this is completed prior to the first playoff competition.**

**TEAMS ARE REQUIRED TO PRESENT  
ALPHA SHEETS AT ALL MATCHES.**

## **WRESTLING SEEDING WILL BE DONE BY COMMITTEE ONLY**

Seeding will be done by a seeding committee made up of League Representatives and members of the CIF Wrestling Advisory Committee. A Short Tournament organizational meeting will be held for coaches at 7:00 PM to discuss tournament procedures and announce the seeded wrestlers.

**The decisions of the seeding committee will be final.**

The seeding committee will meet at 4:00 pm. Thursday the week of the individual divisional meet. The Tournament director will be responsible for selecting an individual to run the committee seeding meeting. The Tournament Director and the Seeding Director will meet with the CIF-SS administrator in charge of wrestling the Tuesday prior to the seeding committee meeting to discuss the proper procedures for running the seeding meeting.

The seeding committee will be made up of:

- Tournament Director
- Seeding Meeting Director
- One representative from each league
- Any member of the CIFSS Advisory Committee

The seeding committee will have the responsibility of seeding each weight class based on information shared on paper from each league representative. Wrestling Advisory Committee member will assist in this process

The seeding committee will follow the stated CIFSS seeding criteria.

All coaches are responsible to have in the hands of their league representatives the pertinent information for their individual wrestlers immediately after the league finals to include prior results of who has beaten whom, State placement, CIFSS placement, tournament results and total records. It is the responsibility of that league representative to see that his league wrestlers are appropriately seeded.

At 7:00 p.m., there will be a general meeting of "all coaches" where tournament information will be shared along with the seeds. Any seeding "anomalies" that need to be corrected will be done at that time by the Seeding Director.

### **ALTERNATES**

The manager of each league finals meet will provide for the selection of alternates from his league for representation at the divisional finals meet. No alternates will wrestle unless their names are listed (league finals managers only are responsible for alternates). Each alternate should be notified of the time schedule for the divisional finals meet, and plan to be present, in case they are called upon to wrestle. Should an opening occur after the league entries are submitted, that opening will be filled from the alternate list submitted by that league. Alternates will only be included if there is room in the bracket of 32.

### **FORFEIT RULE**

If a wrestler forfeits, or fails to show for a championship or third-place match in any of the divisional meets, the winner will be given his choice of accepting either first or second place, or third or fourth place. This decision must be made at the time of the forfeit and so indicated to the Divisional Meet Manager. This procedure will also be used in the Master's Meet.

## SEEDING PROCEDURES

These criteria, developed and supported by the C.I.F. Southern Section Wrestling Coaches Advisory Committee, are to be followed in order. When conflicts arise, they are to be resolved by a vote of the League Representatives. The Seeding Director is responsible for all final seeding decisions.

1. Criteria for seeding...
  - a. Most recent head-to-head competition
  - b. A returning State placer
  - c. A returning State qualifier (placed in the C.I.F.-SS Masters Meet 1<sup>st</sup> thru 9th)
  - d. A returning C.I.F.-SS place winner (1<sup>st</sup> thru 8<sup>th</sup>)
  - e. A wrestler with the best overall “representative” record against quality opposition.

**Note: Coaches need to be able to provide verification of their wrestler’s results to their league representatives.**

### Voting Procedure

1. When there is considerable disagreement, argument or otherwise, the League Representatives should vote. This vote would follow a two-minute presentation by League Representatives.
2. The Seeding Director will make an arbitrary seeding, with the assistance of the Advisory Committee as a starting point for seeding.
3. A short “orderly” discussion will follow and League Representative, will decide each seed.
4. No more than 8 wrestlers per weight will be seeded. The remaining positions will be by draw. Where possible leagues will be separated.
5. Alternates will weigh-in along with qualifiers. The first alternate from each league will take the place of a qualifier in his league who does not make weight or is a no show. If a qualifier is overweight, injured, etc., and there is no alternate present from that league, there will be a random draw of other league alternates to fill that spot.
6. If a seeded wrestler does not show up, then each seeded wrestler will move up, and the bracket will remain the same, unless there is inter-league conflict, at which time the non-seeded wrestlers will be drawn again.
7. The Seeding Director has the power to make final seeding decisions.

The purpose of these criteria is to **be sure that best wrestlers are seeded appropriately**. When there is considerable consensus on who is number one, i.e., the number #1 rated wrestler in the State (Cho’s TCW rankings), who has totally dominated their opponents but did not place in State or CIFSS the prior year due to his grade, then “reason” should prevail.

Refer to **SCENARIOS** section in the Committee Meeting Seeding procedures for specific rulings.

## **COACHES**

CIF-SS rules state that during tournament competition, a maximum of two (2) team coaches will be permitted to sit in the restricted coach's area. Facilities permitting, coaches shall be seated at least 10 feet from the official's table and the edge of the mat. The coach must have a coach's badge to be in the mat area or to enter through the participant's entrance. Mat maids, other participants, spectators, or other coaches violating this rule may be asked to leave the gym.

## **PROTESTS**

By action of the CIF Council at its March 1983 meeting, protests of playoff contests involving National Federation Rules will not be entertained following the conclusion of the contest. Coaches may direct questions to the officials, as they pertain to a possible misapplication of the rules, in accordance with the National Federation Rules governing that sport. No protest may be carried forth once the contestants have left the mat area. Coaches are encouraged to carry a National Federation Wrestling Rule Book with them for all playoff contests. Schools will still have the opportunity to protest a contest in accordance with Southern Section Rules 1110 and 1111, as they pertain to the use of ineligible players, or violations of any CIF-SS rule, in connection with the contest.

## **OFFICIALS**

Officials for all Divisional Championships, and the Masters Meet, will be assigned from the Commissioner's office.

## **AWARDS**

The following awards will be presented at each championship tournament on Saturday, February 15, 2025.

1. **Individuals**: Engraved CIF-SS medals for all wrestlers placing first, second, third, fourth, fifth, and sixth in each weight division.
2. **MVP** for lower weight levels 106-144 and upper weight levels 150 to heavyweight.
3. **Participation Certificates**: The template for the Participation Certificates can be downloaded from our website. [www.cifsshome.org](http://www.cifsshome.org) Go to "Awards" tab on the left toolbar.

## CIF SOUTHERN SECTION PLAYOFF/CHAMPIONSHIP REQUIREMENTS - ALL TEAMS AND HOST SITES 2024-2025

### Rosters & Scores:

- Complete schedules are to be submitted to CIFSSHOME prior to each season.
  - Update scores following every contest direct to CIFSSHOME
- Additional directions on accessing CIFSSHOME are included in this document.

### TV/Web/Radio Rights:

Any TV or streaming webcast (video or audio) or radio transmission of a CIF-SS playoff or championship event requires a contract and rights fees through the CIF-SS office prior to the contest. The only 'exceptions' are: Games broadcast via The NFHS Network, Bally Sports West or Bally Sports SoCal.

### 'Official' Championship Souvenirs:

The exclusive vendor for CIF Southern Section Championship souvenirs (t-shirts, scarfs, pins, beanies, hats, etc...) is our long-time partner *CIF T-shirts*. These are the official items sold each year per sport. You are likely familiar with their annual shirts at the finals. You can order team and individual items through them at [www.ciftshirts.com](http://www.ciftshirts.com).

### Official Ball Required:

Only the approved official ball in each ball sport may be played by either school during CIF-SS playoff contests. Violation of this rule will result in loss of your next home playoff game. The current Official Ball list for each sport is included and available at [www.cifss.org](http://www.cifss.org) in the "Resources" drop down. This policy has been in effect since 2002.

### Gatorade Only:

Only Gatorade jugs, cups, bottles, ice chests may be used or visible during any CIF-SS playoff contest. (No Powerade, Body Armor, etc). The only acceptable alternative is a plain-wrap or Igloo labeled products. This rule does not apply to the actual liquid distributed to athletes. This policy has been in effect since 1995.

### CIF-SS on Souvenirs:

The 'CIF Southern Section', 'CIF-SS', 'Southern Section' and 'CIF' marks and logos are registered trademarks with the State of California. Schools may only use the CIF Southern Section marks on rings, patches and banners, by doing business with a CIF-SS licensed vendor. **Schools may only use the CIF Southern Section marks on apparel and other souvenir items exclusively through [ciftshirts.com](http://ciftshirts.com). Schools creating items with CIF-SS registered marks from a non-licensed vendor will face sanction and/or will be required to purchase any unsold shirts/items at the Championship Final.** A list of the currently licensed vendors for these products is included and regularly updated on [www.cifss.org](http://www.cifss.org).

Please note: The use of only "CIF" is strictly prohibited per the State CIF registered trademark. The "CIF", is not just the CIF Southern Section. Only those teams in State regionals, bowl games and individual sport finals actually qualify to use CIF without Southern Section attached. Any such use must be approved in advance by the CIF State office.

## **Host Site Requirements:**

- Playoff Tickets:** (This pertains to revenue sports of basketball, football and volleyball): It is mandatory to sell tickets for admission to all CIF-SS playoffs and championship contests. Through the CIF-SS partnership with GoFan, all playoff tickets will be made available online for digital purchase and presented electronically at the event gate for entry. Patrons can purchase in advance via [gofan.co](http://gofan.co), via private links made available by the participating schools or via QR code at the entry gate of the playoff event. All playoff revenue will be sent directly to CIF-SS. Both the host and visiting schools will be required to submit a financial/expense report following each playoff game in an effort to receive reimbursement for game expenses and revenue share split in the case of a profit game.
- CIF-SS/FORD Banner:** It is a requirement of each host school (including off-site) that the CIF-SS/Ford Championship banner be displayed at every playoff home game in football and the gymnasium sports post football season (or on the electronic signage where schools/venues do not display banners). If you need a banner please contact [jackieg@cifss.org](mailto:jackieg@cifss.org)
- Gatorade:** It is a requirement of each school use only Gatorade product/jugs/cups/squeeze bottles during CIF-SS championship events. No other competitive product shall be used. Water can be placed in Gatorade merchandise.
- PA Announcements:** As a host of a CIF-SS playoff contest, the CIF-SS announcements take precedence over the host school's messaging and must be read in entirety at each playoff contest. Home schools are the host of a CIF-SS event in the playoffs. For contractual requirements, please read all the provided PA's each contest. PA's for each sport can be found on [cifss.org](http://cifss.org) under the designated sports page.
- Media Credential Access:** Accredited working media should be given admission to all playoff games by showing their CIF-SS Media credential.

*CIF-SS ‘registered’ trademark:* The “CIF Southern Section”, “CIF-SS”, “Southern Section” and “CIF” marks and logos are registered trademarks with the State of California. Schools may only use the CIF Southern Section marks on rings, patches and banners by doing business with a CIF-SS licensed vendor. Schools creating items with CIF-SS registered marks from a non-licensed vendor will face sanction and/or will be required to purchase any unsold shirts/items at the Championship final if similar non-licensed items appear at the contest. A list of the currently licensed vendors for these products is included and regularly updated on [www.cifss.org](http://www.cifss.org).

Please note: The use of only “CIF” is strictly prohibited per the State CIF registered trademarks. # Skin Health and Wrestling

At the recent C.I.F. Southern Section Wrestling Coaches Advisory Committee meeting, the topic of skin health was a matter of concern. We feel that the conditions that are spreading throughout the section, the state and the country are hurting kids and are a serious threat to the entire sport. It will become more and more difficult to recruit kids and coaches if these problems continue to grow. Ringworm is a common problem along with rising instances of Impetigo, Herpes and various bacterial infections. There are some good practical suggestions in this Bulletin for running a healthy program. Below is a list of some other suggestions from various Southern Section coaches. These are not endorsed and/or tested by the CIF, but we feel that it is necessary to share information and ideas and to take proactive steps to combat this growing problem. Not all of these will be practical for **all** programs, but all coaches must follow the first rule of the effort; **Do not let your kids wrestle with a communicable condition.** Do not sabotage the whole sport by hiding a condition so that your squad can win a match. Keep contagious kids out of practice and competition. Some practical suggestions include:

- Have your team shower and wash with antibacterial soap like Dial after each practice. Kids should not share bars. If kids are bashful, have them shower in their shorts. Dandruff shampoo can help to counteract ringworm.
- Keep your mats clean. Use a powerful soap like KenClean Plus. Read the instructions. Try to leave a good amount of the material on the mats wet and allow it to air dry. This lets the chemicals do their work.
- Do not mix bleach and soap/mat cleaner. They counteract each other.
- Use clean materials every time you wash the mats. Use clean dry towels. If you use mops, make sure that they have a chance to completely dry between uses, preferably in the sun. If you use one of the new "bucketless mops", get multiple cleaning heads to use in a rotation.
- Sunlight helps to kill microorganisms. Keep shades and blinds open. If you get a chance to let a mat bake in the sun on a pool deck for a bit, it can help.
- Use an electric leaf blower to clean the mat of hair and dirt before you wash it. A broom can do this but not as efficiently and easily.
- Get a chemical sprayer backpack and fill it with the proper mix of mat cleaner and water. After sweeping (or blowing) the debris off the mats, simply spray on the solution and allow it to air dry.
- Keep mats in good repair. Cuts and holes in the mats can allow organisms to grow inside the mats.
- Have the kids clean their shoes before they get on the mats or perhaps make them put the shoes on the edge of the mats.
- Keep your room ventilated. Humidity and moisture foster the growth of organisms.
- Some products put onto the skin can help protect wrestlers. KenShield is a popular skin protection foam for use before wrestling. AQtiv PURE alcohol free hand and body skin cleanser can be used after wrestling to destroy organisms (info at <http://migropure.com>). It can be used as a sort of "waterless shower" at a tournament.
- Real showers with proper soap immediately after wrestling are the best protection!

Below are some treatment guidelines that suggest MINIMUM TREATMENT before return to wrestling:

**Bacterial Diseases (impetigo, boils):** To be considered "non-contagious," all lesions must be scabbed over with no oozing or discharge and no new lesions should have occurred in the preceding 48 hours. Oral antibiotic for three days is considered a minimum to achieve that status. If new lesions continue to develop or drain after 72 hours, MRSA (Methicillin Resistant Staphylococcus Aureus) should be considered.

**Herpetic Lesions (Simplex, fever blisters/cold sores, Zoster, Gladiatorum):** To be considered "non-contagious," all lesions must be scabbed over with no oozing or discharge and no new lesions should have occurred in the preceding 48 hours. For primary (first episode of Herpes Gladiatorum), wrestlers should be treated and not allowed to compete for a minimum of 10 days. If general body signs and symptoms like fever and swollen lymph nodes are present, that minimum period of treatment should be extended to 14 days. Recurrent outbreaks require a minimum of 120 hours of oral anti-viral treatment, again so long as no new lesions have developed and all lesions are scabbed over.

**Tinea Lesions (ringworm on scalp or skin):** Oral or topical treatment for 72 hours on skin and oral treatment for 14 days on scalp.

**Scabies, Head Lice:** 24 hours after appropriate topical management.

**Conjunctivitis (Pink Eye):** 24 hours of topical or oral medication and no discharge.

**Molluscum Contagiosum:** Upon treatment with curettage and hyfrecator, may cover with bioocclusive and wrestle immediately.

**Note to Appropriate Health-Care Professionals:** Non-contagious lesions do not require treatment prior to return to participation (e.g. eczema, psoriasis, etc.). Please familiarize yourself with NFHS Wrestling Rules 4-2-3, 4-2-4 and 4-2-5 which states:

*"ART. 3 . . . If a participant is suspected by the referee or coach of having a communicable skin disease or any other condition that makes participation appear inadvisable, the coach shall provide current written documentation as defined by the NFHS or the state associations, from an appropriate health-care professional stating that the suspected disease or condition is not communicable and that the athlete's participation would not be harmful to any opponent. This document shall be furnished at the weigh-in for the dual meet or tournament. The only exception would be if a designated, on-site meet appropriate health-care professional is present and is able to examine the wrestler either immediately prior to or immediately after the weigh-in. Covering a communicable condition shall not be considered acceptable and does not make the wrestler eligible to participate."*

*"ART. 4 . . . If a designated on-site meet appropriate health-care professional is present, he/she may overrule the diagnosis of the appropriate health-care professional signing the medical release form for a wrestler to participate or not participate with a particular skin condition."*

*"ART. 5 . . . A contestant may have documentation from an appropriate health-care professional only indicating a specific condition such as a birthmark or other non-communicable skin conditions such as psoriasis and eczema, and that documentation is valid for the duration of the season. It is valid with the understanding that a chronic condition could become secondarily infected and may require re-evaluation."*

Once a lesion is considered non-contagious, it may be covered to allow participation.

**DISCLAIMER:** The National Federation of State High School Associations (NFHS) shall not be liable or responsible, in any way, for any diagnosis or other evaluation made herein, or exam performed in connection therewith, by the above named provider, or for any subsequent action taken, in whole or part, in reliance upon the accuracy or veracity of the information provided herein.

# WRESTLING

## **PROPER GROOMING AND SKIN CHECK PROTOCOLS**

The following protocols and procedures are recommendations to conduct the mandated skin checks prior to a wrestler competing.

It is very important for the official to be as well versed in the recognition of skin disorders and problematic conditions. The official is sometimes the frontline and possibly the only line to help keep the condition from spreading. Education is the key for the officials, coaches and athletes to keep these problems under control.

### **PROTOCOLS**

- Make sure the coach is with you
  - Do not touch the wrestlers when doing the skin check- it is all visual
  - Same gender male wrestlers-male official, female wrestler-female official
1. All boys and girls must weigh in with their school issued competition uniform fully in place.
  2. If there is tape on an area that you did not see being taped-have the wrestler remove the tape-use some common sense.
  3. Wrestlers should face you-with hands out
  4. Check for fingernail length
  5. Check for proper hair length, if athlete is wearing a hair cover make sure they have it and remind them it must be secured to headgear.
  6. Have the athletes extend their arms out to the side
  7. Visually examine face and under chin and behind ears, chest, under the arms, front of legs, front & side of scalp
  8. Have the athlete spin around slowly-with arm still extended, examine sides of body and legs
  9. Have the athlete stop with back to you
  10. Visually examine back of scalp, top of shoulders, behind the ears, down the back, under armpits, down the legs.
- If there is any questionable skin condition, ask the athlete did you know what this is.
  - Ask wrestler if he has a proper CIF Skin Lesion Clearance Form for it.
  - If so, check the return dates and where the skin infection was marked on the form, confirm your observation site with the site that is marked on the form.
  - If questionable skin condition does not have a form and you think it may be communicable, then you have a duty to not allow that wrestler to compete.

**CIF-SS PROTOCOL 2024-2025**  
**COACHES ADMINISTERING SKIN CHECKS**

**Each wrestler has a responsibility for their personal hygiene and to inform the coach, athletic trainer, and their parents of any skin concerns.**

**Each coach has a responsibility to check their student/athletes and make sure they are clear of any possible contagious lesions and protect the team from the spread of any contagious infection.**

The following protocols are recommended for coaches in conducting skin checks on members of their wrestling teams.

- Establish a clearly defined and timed program where there will be skin checks conducted by the coaching staff or an available trainer.
- The frequency of those skin checks should be determined by the occurrence of skin problems. It is suggested that a skin check be conducted at least once a week by a coach.
- Daily skin checks done by a wrestling “buddy system” is a proactive approach. Have a wrestling partner quickly check their work-out partner for any potential skin infections and report their findings to the coach.

**SPECIFIC PROTOCOL IN COACHES CONDUCTING SKIN CHECKS**

- The skin check should replicate the skin check protocol for officials during the grooming process prior to dual meets and tournaments.
- Conduct the skin checks in the wrestling room and never conduct a skin check where the wrestler is alone.
- Never conduct a skin check where the wrestler is nude. Follow the NFHS rules where the wrestler must be in a suitable undergarment that completely covers the buttocks and the groin area (undershorts). Female wrestlers must also wear a suitable undergarment that covers their breasts. Skin checks for females should be done by same sex coaches.
- Never touch a student athlete during a skin check.
- If there is tape on a skin area have the wrestler remove the tape.
- The wrestler should face you with arms extended out to the side.
- Visually examine the face and under the chin and behind the ears, chest, under the arms, front of the legs, and the front/side of the scalp.
- The wrestler should spin around slowly with arms still extended while you examine the sides of the body and legs.
- Have the wrestler stop with their back to you.
- Visually examine the back of the scalp, top of the shoulders, behind the ears, down the back, under the armpits and down the legs.
- If a wrestler has what appears be a skin disorder never touch that area or apply any ointment or cream.

**If a questionable skin condition is found, have that wrestler see the trainer immediately or seek medical advice. Utilize the CIF Skin Lesion Clearance Form when appropriate.**

## MRSA

MRSA (methicillin-resistant staph aureus) is a type of staph infection that is resistant to many common antibiotics and, in cases where treatment is needed, can be very difficult to treat. Staph bacteria are one of the most common causes of skin infections in the United States. Most of these skin infections are minor (such as pimples and boils) and can be treated without antibiotics, but occasionally serious infections require treatment. In the last few years, there have been a number of cases where these bacteria have spread among members of sports teams. Recently, this issue is making headlines as MRSA can have serious and deadly ramifications if not dealt with immediately.

Attached are two “Alerts” that were completed by the State CIF Sports Medicine Committee regarding MRSA.

- 2 – for distribution to schools, coaches, AD and administrators.

There are several good web sites that have posters FOR DOWNLOADING. Some sites are promoting “products” that can be purchased, but I think the education information provide/contained outweighs the implied endorsement at this time.
