Soccer Rules Changes - 2021-22

By NFHS on March 26, 2021

4-2-10 NEW: Head coverings worn for religious reasons shall not be made of abrasive or hard materials; and must fit securely.

Rationale: This rule addition will allow student-athletes to express their religious beliefs through the wearing of headwear without the approval from the state.

4-2-11 NEW ARTICLE: In addition to the above permitted uses, state associations (or designee) may on an individual basis permit a player to participate while wearing a head covering for medical or cosmetic reasons if it is required by a licensed physician. A physician's statement is required before the state association can approve a covering which is not abrasive, hard or dangerous to any other player and which is attached in such a way it is highly unlikely that it will come off during play.

BLUE BOOK RULES - SPECIAL POINTS OF INTEREST

ACCOUNTABILITY RULES

RULE 125.1 - COACH EJECTION

Upon the ejection of a coach from any CIF Southern Section contest, it is the responsibility of the principal of said school to file a letter of explanation with the CIF Southern Section office which includes the circumstances surrounding the matter and what action the principal has taken to prevent a recurrence. Said correspondence is to be filed in CIFSSHome within THREE school days of notification of the ejection. **Additionally, upon ejection, the ejected coach shall be disqualified from participating in the remainder of the game and will be ineligible for the team's next contest. A second ejection will constitute a two contest suspension and a third ejection will cause suspension for the remainder of the season.**

RULE 125.2 - FAILURE TO COMPLETE A CONTEST

When a school fails to complete a contest, due to a coach pulling his/her team from the floor, court or field, it is MANDATORY that the CIF-SS office be notified by the principal within 24 hours (excluding holidays and weekends). The competing schools and officials will be required to file written reports and, after review of the aforementioned material, the principal of the school involved will be required to respond to the CIF Southern Section office concerning his/her investigation of the incident.

Q & A - How serious is such action? *It has been the position of the CIF-SS Executive Committee to expect the building principal of the school concerned to relieve the coach from his/her assignment for the balance of that season or the Executive Committee is empowered to consider recommendations for additional penalties.*

Q & A - What if the head coach is red carded and there is not an assistant coach on the bench? *A district/school employee that holds **ALL coaching certifications** ("Coaches Education Training", CPR, First Aid, Sudden Cardiac Arrest, Concussion Training and anything else required by the district/school board specifically for coaches) may supervise the remainder of the game. If there is not a person holding the aforementioned credentials, the game will be terminated at that point. Teachers, administrators and other district personnel cannot fill this role unless they hold ALL necessary coaching certifications.*

RULE 503.H – CONCUSSION PROTOCOL

A student-athlete who is suspected of sustaining a concussion or head injury in a practice or game shall be removed from competition at that time for the remainder of the day. A student-athlete who has been removed from play may not return to play unless the athlete is evaluated by a licensed health care provider trained in education and management of concussion and receives written clearance to return to play from that health care provider. If a licensed health care provider, trained in education and management of concussion determines that the athlete sustained a concussion or a head injury, the athlete is required to complete a graduated return-to-play protocol of no less than seven (7) full days of diagnosis under the supervision of a licensed health care provider. On a yearly basis, a concussion and head injury information sheet shall be signed and returned by all athletes and the athlete's parent/guardian/caregiver before the athlete's initial practice or competition. (Approved May 2010/Revised May 2012 Federated Council/Revised January 2015 Federated Council)

Q & A: What is meant by "licensed health care provider?" *The scope of practice for licensed health care providers and medical professionals is defined by California state statutes. This scope of practice will limit the evaluation to a medical doctor (MD) or doctor of osteopathy (DO).*

CONCUSSION RETURN TO PLAY PROTOCOL

CA STATE LAW AB 2127 (Effective 1/1/15) STATES THAT RETURN TO PLAY (I.E., COMPETITION) CANNOT BE SOONER THAN 7 DAYS AFTER EVALUATION BY A PHYSICIAN (MD/DO) WHO HAS MADE THE DIAGNOSIS OF CONCUSSION.

RULE 506 – PRACTICE ALLOWANCE

All teams will be allowed no more than eighteen (18) hours of practice time per week and no more than four (4) hours in any single day. Double day practices shall not be held on consecutive days and must include a minimum of three hours rest between practices. Any competition day would count as three (3) hours toward the allowable weekly and daily practice hours no matter the length of the contest(s). No practice may be held following the conclusion of any contest.

Definition of Practice

- (1) Any school team or individual activity organized by the coach that is intended to maintain or improve a student athlete's skill proficiency in a sport; AND/OR
- (2) Any school team or individual activity that includes skill drills, game situation drills, inter-squad scrimmages or games, weight training, chalk talks, film review, meetings outside of school time (excluding parent meetings) that are implicitly/explicitly required by the coach; AND/OR
- (3) Any other coach-directed or supervised school team or individual activity or instruction for a specific sport (private, small group or positional instruction, etc.) AND/OR
- (4) Any other team or individual instruction for a specific sport organized or supervised by any team member, or anyone else associated with the high school athletic program, team or school; AND
- (5) Outside organization activity (club, etc.), shall not be used to circumvent these Bylaws.

RULE 600 – COMPETITION ON AN OUTSIDE TEAM BY AN INDIVIDUAL DURING THE SEASON OF SPORT **REINSTATED FOR THE 2021-2022 SEASON**

A member of a high school soccer team may not compete for an outside team in the sport of soccer during the season of sport. A season of sport (as outlined in CIF-SS Blue Book Rule 504) is defined as that period which begins with a student's first interscholastic competition (non-league, tournament or league game) and ends with that student's last interscholastic contest (tournament, non-league or CIF-SS playoff game).

The following information and explanation effects **ALL** levels of competition. This includes varsity, junior varsity, sophomore and freshman teams.

1. A student on a high school soccer team **CANNOT** compete on an "outside" soccer team during the student's high school season of sport.
2. The CIF-SS, which your school is a member, further defines that the student's "season of sport" begins with his/her **FIRST** interscholastic competition which includes non-league games, tournament games or league game. **(The earliest date in the Southern Section for the 2021-2022 season is November 15)**

Q & A – What exactly does this mean? *No member of a high school soccer team can compete on an "outside soccer team" which has 6 or more players after his/her first game for his/her high school.*

RULE 601 - BYLAW 600 PENALTY

A. INDIVIDUAL

- (1) **FIRST OFFENSE IN HIGH SCHOOL CAREER IN ANY SPORT** - The student becomes immediately ineligible for participation with his/her high school team for a number of contests equal to twice the number of contests of outside competition in which the student participated.
- (2) **ANY SUBSEQUENT OFFENSE IN HIGH SCHOOL CAREER IN ANY SPORT** - The student becomes immediately ineligible for one year (365 days) from the second infraction in all sports.

B. TEAM

- (1) **GAMES FORFEITED** - Games in which a student participated on his/her high school team after violation of CIF Bylaw 600 shall be forfeited.

RULE 1226 - LEVEL OF COMPETITION

No student shall participate in more the ONE level of competition in the same sport in the same day.

RULE 2600 - OFFICIAL NATIONAL FEDERATION AUTHENTICATING MARK

Only balls with the National Federation authentication mark shall be used in the sports of baseball, basketball, field hockey, football, soccer, softball, volleyball and water polo. (February 1999 Federated Council; revised to include lacrosse November 2000 Federated Council.)

RULE 2613 - SPECIAL RULES FOR SOCCER

2613.1 The duration of varsity games shall be two equal 40-minute halves. The duration of junior varsity and frosh-soph games shall be two equal 35-minute halves. In the case of a tie game, two extra periods of ten minutes each may be played, by league adoption for league games, or by mutual agreement between coaches in non-league games. A tie at this latter point then stands as official.

2613.2(A) A player who receives a straight red card in any game (non-league, tournament, league or playoff) may not play for the duration of the game and will adhere to the appropriate number of subsequent game suspensions in accordance with bylaw 503.M. (See Rule 1224)

2613.2(B) A player who receives two yellow cards in any game (non-league, tournament, league or playoff) may not play for the duration of the game. The player will be eligible for the team's next game. (See Rule 1224)

2613.3 A player who receives a yellow card in any game (non-league, tournament, league or playoff) must leave the field and may be substituted for. The player may re-enter the game at any subsequent time that a legal substitution may be made.

2613.4 Prior to any game (non-league, tournament, league or playoff) each coach must submit completed line-up cards to the referee and opposing coach.

2613.5 Any high school soccer team (boys' or girls', Varsity or Non-Varsity) receiving its fourth straight red card during the high school season of sport, will immediately be put on probation and will lose four allowable contests the subsequent season.

If a boys' or girls' soccer team that is on probation receives an additional three (3) red cards during their probationary period, the following penalties will apply:

Varsity teams will be removed from the CIF Southern Section Playoffs for a period of one year and continue their probationary status for the following season

OR

Non-Varsity teams will be restricted to playing their league schedule only during the subsequent high school season.

If a team whose current status is "probationary" then violates the red card policy (again), that level of competition will be suspended from participation in the CIF Southern Section entirely the subsequent season.

Note: All individual player penalties shall apply (see Bylaw 1224 for details)

Upon written appeal to the Southern Section commissioner, the school may petition the Section for reinstatement of the team to be removed from probationary status.

RULE 1224 - PLAYER CONDUCT RULE

Statewide Sportsmanship and Ejection Policy

Player:

A player who is ejected from a contest (for reasons other than fighting or leaving the bench area during a fight) shall be ineligible to participate in the remainder of that contest (event) and his or her team's future contest (s) as outlined below:

First Ejection: Player is ineligible to participate in the team's next contest. Player may remain on the bench for the duration of that contest and may be on the bench in street clothes for the team's next contest. If the ejection occurs in the last game of the season, the player would be ineligible for the team's first contest the following season. If the player is a senior, he or she would be ineligible for the first contest of their next season of sport.

Second Ejection: Player is ineligible to participate in the team's next three (3) contests. Player may remain on the bench for the duration of that contest and may be on the bench in street clothes for the team's next three (3) contests. If the season concludes prior to the player serving the three (3) contests suspension, he or she would be ineligible for the number of contests remaining on the suspension for the team's following season. If the player is a senior, he or she would be ineligible for the number of contests remaining on the suspension for their next season of sport.

Third Ejection: Player is ineligible to participate for the remainder of that season. Player may remain on the bench for the duration of that contest and may be on the bench in street clothes for the team's remaining contest that season. If there are six (6) or fewer contests remaining in the season, the player would be ineligible for up to six (6) contests for the team's following season as determined by the CIF Section Commissioner with jurisdiction in the matter. If the player is a senior, he or she would be ineligible for up to six (6) contests for the next season of sport as determined by the CIF Section Commissioner with jurisdiction in the matter.

A player who is ejected from a contest for fighting or leaving the bench area during a fight* shall be ineligible to participate in the remainder of that contest and his or her team's future contests as outlined below:

First Ejection: Player (Fighting/Assaultive Behavior/Gross Unsportsmanlike Conduct) is ineligible to participate in the team's next three (3) to six (6) contests as determined by the CIF Section Commissioner with jurisdiction in the matter. Player may remain on the bench for the duration of that contest and may be on the bench in street clothes for the duration of the suspension. If the season concludes prior to the player serving the full suspension, he or she would be ineligible for the number of contests remaining on the suspension for the team's following season. If the player is a senior, he or she would be ineligible for the number of contests remaining on the suspension for their next season of sport. *NFHS Rules indicate automatic one game suspension for leaving the bench.

Second Ejection: Player is ineligible to participate for the remainder of that season. Player may remain on the bench for the duration of that contest and may be on the bench in street clothes for the team's remaining contests that season. If there are six (6) or fewer contests remaining in the season, the player would be ineligible for up to six (6) contests for the team's following season as determined by the CIF Section Commissioner with jurisdiction in the matter. If the player is a senior, he or she would be ineligible for up to six (6) contests for their next season of sport as determined by the CIF Section Commissioner with jurisdiction in the matter.

Before a player may return to participate in a contest following a multiple game suspension for any of the above infractions, the school principal must inform the CIF Section Commissioner with jurisdiction in the matter that they have met with the student-athlete, his or her parent/guardian/caregiver and coach to discuss future behavioral expectations.

Q & A: What must be submitted to the Section office before a student can be cleared to rejoin his/her team?
The Section office will provide a form on their website that must be uploaded to CIFSSHome or directly emailed to the CIF Office. The School must also indicate the date(s) of the contest in which the player will not be in attendance in the "School Action" portion of the misconduct.

Q & A: Can an ejected coach be in attendance at a contest? *No. While an ejected player may be in attendance at the next contest in street clothes, an ejected coach may not be in attendance at the next contest. Attendance is defined as being present at the location/site of the contest, which includes the team bench/area, in the stands/spectator area, any location where the contest can be observed at any time, inside a gymnasium, stadium or playing area. The intent of this rule is that the ejected coach is not present at the location/site of the next contest.*

Q & A: What happens when a student engages in Fighting/Assaultive Behavior during an athletic contest that is not observed by game officials? *In cases when a student engages in Fighting or Assaultive Behavior that is not observed by game officials, it is the expectation of the CIF Southern Section Executive Committee that the building principal of the school involved will impose a minimum one-game suspension for the students who commit such offenses.*

Q & A: What happens if a student receives a red card, misconduct of any kind, or an ejection during the last game of the season?

The game suspension(s) carry over to the first game(s) at the beginning of the subsequent season. For example, a sophomore soccer player receives a red card the last game of the 2017 season. He/she will serve a game suspension the first game of 2018 season. Suspensions carry over and must be served before the athlete becomes eligible to compete in that sport. See next Q&A for answers regarding seniors.

Q & A: What if a senior (12th grader) student receives a red card, misconduct of any kind, or ejection during the last game of the season?

If a senior (12th grade) student receives a red card, misconduct or ejection during the last game of the season, he/she must serve the penalty in the NEXT sport in which he/she participates. If the student does not participate in any other sports, the CIF Office WILL need a letter from the principal indicating the corrective action taken with that student. This letter will be uploaded to the ejection report in CIF-SS Home.

RULE 3410 - FREE LANCE PLAYOFF ENTRY VERIFICATION -- If a school does not have membership in a league or the school belongs to a league which does not offer students in a given sport an opportunity to qualify into CIF Southern Section championships, special conditions exist which must be followed in order to qualify for possible entry into a CIF Southern Section playoff activity.

3410.1 Team Sports - All free lance schools desiring entry into the playoffs must submit schedules to the Commissioner for evaluation and approval of conditions under which the team may qualify. Schedules must be submitted prior to the start of each season for evaluation.

Q & A - How can a freelance team qualify for CIF playoff consideration?

You must schedule 80% of allowable games per sport and they must be at the varsity level, and in order to be considered for the playoffs, the school must have a .500 or better record in all contests played and there must be openings in the bracket. Additionally, teams that win 80% of their contests played will be guaranteed entry. (Except football.)

Student-Athlete Post Ejection - Return to Competition Requirement

This form is to be completed for Player Ejections only. Coach Ejections should refer to CIF by-law 125.1.

This form indicating the completion of the conference must be uploaded to the CIFSS Home "Misconduct Manager" for this specific case. In addition, please enter the appropriate dates for subsequent game suspensions into the misconduct file.*

*A second ejection from a game or contest for fighting or assaultive behavior will cause suspension for the remainder of the season. A player who was ejected from the previous contest, who knowingly or unknowingly plays **WILL** result in the forfeiture of that contest.*

CIF-SS SOCCER GUIDELINES

The Following points of emphasis should be reviewed by coaches, staff and players regarding CIF Southern Section rules and regulations as published in the CIF-SS Blue Book. This list is not all-inclusive; it highlights key areas.

MAXIMUM TEAM CONTESTS

A soccer team will be permitted to play no more than 28 games during the season, including tournaments, but excluding CIF Southern Section playoffs. Games scheduled with alumni and/or faculty will not count toward the allowable number of contests and must be played during the defined season of sport. A team may not be entered in more than three tournaments.

1. Tournament managers are responsible for notifying participating schools of the number of games and/or teams participating in the tournament.
2. No soccer team may play more than one game in one day except in tournaments where the following rules will apply: a team may play three regular games in one day in a tournament on a non-school day, provided the total minutes played does not exceed 150 minutes for that day.

TOURNAMENTS

For those schools hosting sanctioned events, please review the 700 series. In particular, please be aware of the fact that all sanctioned events are to be administered by the sanctioning school and not outside groups. The interpretation is that all entry fees must be handled through student-body accounts under the administration of the principal of that school.

DURATION OF GAME

The duration of games for soccer games shall be two equal 40 minute equal halves for varsity games, 35 minute halves for junior varsity games and Frosh-Soph games. In the case of a tie game, two extra periods of ten minutes each may be played, by league adoption for league games, or by mutual agreement between coaches in non-league games. A tie at this latter point stands as the official.

TIE BREAKING PROCEDURE

With the potential for advancement to CIF-SS Soccer Regional Championships, a champion will need to be declared in each of the seven divisional finals.

The tie breaking procedure adopted by the soccer advisory committee will apply to ALL CIF-SS playoff rounds is as follows:

- After regulation time there will be 5 minutes prior to the start of overtime.
- Two, ten minute "Golden Goal" (or sudden victory) periods will be played with 2 minutes between each half.
- If a tie score still exists, the game will be decided by kicks from the mark.

GAME BALL

The game ball for ALL CIF-SS playoff rounds is the **Wilson Forte Fybrid II NCAA Match Soccer Ball** for both boys and girls use.

SCOUTING PROHIBITION - PRACTICE SESSION

Scouting of any type that would include personal viewing, written notes, audio tape, motion pictures, video reproduction and/or any other type of reproduction such as still pictures, etc., shall not be taken in any sport of a member school's practice sessions by anyone without written consent of the participating school(s). An interscholastic scrimmage is not subject to this rule.

Q & A - What is allowed with regard to scouting a contest? There will be NO restrictions on the part of member schools regarding the filming/video-taping of any contest. Host schools will maintain game management rights and₂₆ responsibilities.

9. A representative from the host school shall handle financial matters prior to the start of the contest. This task should not be handled by the coach.
10. The participating schools should enforce the principles of Pursuing Victory with Honor and the education code with regards to fan and spectator behavior. Schools are strongly encouraged to remove and sanction any spectator who engages in abusive verbal or physical behavior or who uses profanity.

HEALTH AND SAFETY

It is the expectation of the CIF Southern Section that your Athletic Coaches and Administration will take every measure to ensure the health and safety of your student athletes.

The following are key points of emphasis coaches should review with their staff and players in reference to CIF Southern Section rules and regulations in the CIF Southern Section Blue Book. This list is not all-inclusive but only highlights key areas. For necessary forms and additional information regarding Heat Safety, Hydration and other Sports Medicine resources, please go to www.cifss.org and click on “Resources”, then “Sports Medicine” tab on the blue toolbar.

Additional resources can be found at www.cifstate.org under the “Sports Medicine” tab on the white toolbar

PHYSICAL EXAMINATION

An annual physical examination, or a statement by a medical practitioner, is required for a student to take part in any authorized school practice session and/or pre-season conditioning period. This physical examination will be valid for a period of one year from the date of the examination. A student will be excused from this physical examination only if there is compliance with the Education Code (parent's refusal to consent). CIF Health and Safety Committee strongly recommends schools use the Pre-Participation Examination form that is endorsed by five major medical societies; American Academy of Family Physicians, American Academy of Pediatrics, American Medical Society for Sports Medicine, American Orthopedic Society for Sports Medicine and the American osteopathic Academy of Sports Medicine. All CIF schools must have school board approved forms.

CONCUSSION PROTOCOL

A student athlete who is suspected of sustaining a concussion or head injury in a practice or game shall be removed from competition at the time for the remainder of the day. A student-athlete who has been removed from play may not return to play until the athlete is evaluated by a licensed health care provider trained in education and management of concussion and receives written clearance to return to play from that health care provider. If a licensed health care provider, trained in education and management of concussion determines that the athlete sustained a concussion or a head injury, the athlete is required to complete a graduated return to play protocol of no less than seven (7) full days from the time of diagnosis under the supervision of a licensed health care provider. On a yearly basis, a concussion and head injury information sheet shall be signed and returned by all athletes and the athlete's parent/guardian/caregiver before the athlete's initial practice or competition. (Approved May 2010 Federated Council/Revised January 2015 Federated Council)

Question: What is meant by “licensed health care provider?”

Answer: the “scope of practice” for licensed health care providers and medical professionals is defined by California state statutes. This scope of practice will limit the evaluation to a medical doctor (MD) or doctor of osteopathy (DO).

STEROID PROHIBITION

All schools shall adopt policies prohibiting the use and abuse of androgenic/anabolic steroids. All member schools shall have participating students and their parent(s)/guardian(s)/caregiver agree that the athlete will not use steroids without the written prescription of a fully licensed physician (as recognized by the AMA) to treat a medical condition.

NOTE: Article 1-12.N. (Revised May 2005 Federated Council)

SUDDEN CARDIAC ARREST PROTOCOL

A student-athlete who passes out or faints while participating in, or immediately following, an athletic activity or who is known to have passed out or fainted while participating in or immediately following an athletic activity, must be removed immediately from participating in a practice or game for the remainder of the day. A student-athlete who has been removed from play after displaying signs and symptoms associated with sudden cardiac arrest may not return to play until the athlete is evaluated by a licensed health care provider and receives written clearance to return to play from that health care provider. On a yearly basis, a Sudden Cardiac Arrest information sheet shall be signed and returned by all athletes and the athlete's parent/guardian/caregiver before the athlete's initial practice or competition.
