

## CIF Southern Section Boys Team Golf Qualifying Criteria

1. Teams will be placed based on previous finishes in CIF-SS team championships over the past 2 years of competition. All teams that advance to the SCGA round last season are automatically placed in Division I for this season.
2. Scores from previous CIF-SS championships will be used to create team's 'team handicap' (using USGA handicap formula) for ranking purposes.
3. Scores are weighted 1/3 from 2 seasons ago, and 2/3rds from last season, however if last year's score is better than that of two years ago, last year's score alone will be used.
4. If a school did not have a score posted for last season's CIF divisional playoff, a team handicap was assigned that was equivalent to +0.1 higher than the highest (or 2nd highest) score posted from an at-large entrant in their assigned division.
5. In addition to the team handicap, strength of league may be considered in division placement
6. There continues to be a total of seven boys' divisions, which have been created based upon competitive equity.

### Qualification into CIF-SS Divisionals:

1. Qualification to CIF-SS championships will now be based on league placement. Earning scores of 230 will no longer be used.
2. League Champions will automatically qualify, then as many second-place finishers in league, 3<sup>rd</sup> place finishers in league, and so on.
3. Any team from a league can petition for a place in the CIF-SS championship, but spots will be designated based off league finish.
4. Example-If there is 1 spot remaining to advance, and there are 3 teams that finished in 3<sup>rd</sup> place within their league, the 3 teams will be compared based on submitted scores to determine who will advance.
5. No more than 20 teams will qualify into Divisions 1, 2, 3, 4, 5, 6 and no more than 18 teams will qualify into Division 7.

### Qualification to CIF-SS SCGA Qualifier

1. There will still be 14 teams advancing to CIF-SS SCGA Qualifier out of the divisions.
2. The top 10 finishers in Division 1 will advance to CIF-SS SCGA Qualifier.
3. The other 4 top finishers based on adjusted team handicap from the CIF-SS championships at each divisional will fill the remaining spots. (WINNING THE CHAMPIONSHIP FROM DIVISION 2, 3, 4, 5, 6, and 7 DOES NOT AUTOMATICALLY QUALIFY YOU FOR CIF-SS SCGA Qualifier) All 14 teams could hypothetically advance from Division 1.

The handicap formula being used:

$$\frac{(\text{Team Total}/5) - \text{Course Rating} \times 113}{\text{Course Slope}}$$

**Note: The Golf Advisory Committee has determined that qualifying scores must follow USGA scoring rules.**

Therefore, no league amended rules (such as double par scoring, using Model Local Rule E-5, playing out of bounds and lost ball as a lateral hazard, etc) will be allowed for qualifying scores.
