### 3. ACTION ITEMS

### DISPOSITION

### ITEM

#### A. STATE FEDERATED COUNCIL ACTION ITEMS

1. Proposed CIF State Budget 2016-2017

Exec. Cmte. STATE 528  
Support 18-0-1

There was a motion and a second to approve STATE 528. Discussion: None

The proposed budget is balanced and does not include any COLA. Operating costs are projected to increase slightly due to step only adjustments to qualified employees. Note that legal and liability costs will increase by \$0.05 per student (from \$0.63 to \$0.68) to begin closing the gap on legal costs incurred by the organization.

Motion Passed: 75 – 0 – 4

2. Proposed Revision of Bylaws 201, 204, 207 & 208

Exec. Cmte. STATE 530  
Support 19-0

There was a motion and a second to approve STATE 528. Discussion: None

The proposal and revisions will better define and clarify “days of enrollment”.

Motion Passed: 77 – 2 – 0

3. Proposed Revision of Bylaw 1901.B

Exec. Cmte. STATE 531  
Support 19-0

There was a motion and a second to approve STATE 531. Discussion: None

This proposal prohibits “full contact” football camps outside the season of sport for all CIF sections. Team camps and other off-season activities are allowable with the following equipment only: footballs, bags, blocking sleds and football shoes

Motion Passed: 74 – 2 – 3

4. Proposed Revision of Bylaw 3103

Exec. Cmte. STATE 532  
Support 19-0

There was a motion and a second to approve STATE 532. Discussion: None

This proposed revision of Bylaw 3103 does not remove the current requirements and mandates of the wrestling weight management program. It moves the current standards, processes, appeals and penalties to the “Blue Policy” pages to coincide with all other CIF sports.

Motion Passed: 74 – 0 – 5

5. Proposed Revision of Bylaws 2401, 700, 2701, 2903, & 2904

Exec. Cmte. STATE 535  
Support 19-0

There was a motion and a second to approve STATE 535. Discussion: Clarification of when other CIF sections held soccer season of sport. Rob pointed out that other CIF sections would be moving their season of sport to the Winter to match the Southern Section. This change will allow greater flexibility in placement of section entries into the Regional Championships in Soccer, Tennis, and Boys Volleyball. The object is to reduce travel time for teams participating in these regionals.

Motion Passed: 76 – 2 – 1

SS533

Brice Sunderland, Chairman, Officials Fees and Relations Committee presented SS533. The proposal is for a three-year agreement starting with the 2016-2017 school year. The proposal requests a \$3 increase in 2016-2017, a \$3 increase for 2017-2018 and a \$2 increase in 2018-2019 across the board in all sports. Additional changes in specific sports are also included.

There was a motion and a second to approve SS533. Discussion: None

Motion Failed: 35 – 38 – 6

Mr. Monico announced that the Official's Fees Committee will need to meet again to review the proposal. That committee will report to the Executive Committee in May with an update. Mr. Wigod stated that we can't move forward into the 2016-2017 school year without an official's agreement in place. Follow up discussion ensued as to why the proposal failed. Comments ranged from too large an increase in wrestling dual meets, schools didn't want to increase ticket prices to cover the higher cost of officials, \$3, \$3 and \$2 was too much and finally the officials are not doing enough to recruit, retain and improve the quality of officiating.

#### **5. REPORT SESSION**

##### **A. President's Report**

Jim Monico, Past President

Mr. Monico offered his congratulations to those who were able to win a Southern Section Championship this past Winter season; specifically mentioned were the efforts of Chino Hills in Boys Basketball; he also noted that the Girls Wrestling event has increased in popularity. Mr. Monico attended several section finals and State Regional events and was impressed by all the athletes and the work of the playoff committees hosting the events.

##### **B. Treasurer's Report**

Jeff Jordan

Mr. Jordan noted that as of April 4, 2016 income was approximately \$670,000 and that our CFO Mitch Carty is expecting a \$100,000 net after all is finalized after the Spring sport playoffs. Final figures for football show a net of about \$110,000. All sports fees have now been paid by member schools. Expenses are where they were expected to be and we will have a balanced budget by the end of the year. Approximately \$1,000,000 has been returned to our schools. The Friends of Golf have donated \$47,000 to our golf programs.

##### **C. Commissioner's Report**

Rob Wigod

Mr. Wigod thanked Reggie Thompkins for his efforts with us and with the State CIF (Reggie has resigned his position with the Southern Section as he has accepted a Deputy Superintendent position in the San Diego Section); Jim Monico for providing the steady hand needed as he steps into the President's chair; CIF-SS Staff and the CIF-SS the Council for their leadership. He also commented on his pride in the new MVP AD program. He directed the Council to consider nominating worthy individuals for the Hall of Fame and Distinguished Service Awards and for the Champions of Character Awards. All nominations are due May 1. **Summary:** The Commissioners Committee is recommending that the CIF implement a northern California Regional Soccer Championship for Boys and Girls beginning 2017-2018. This regional tournament would mirror the current Regional Soccer Championships implemented in 2008 in southern California.

**Fiscal Impact:** Based upon the previous experience in southern California, a regional tournament would start with a minor net gain for the organization and grow as the tournament gains popularity.

**Background:** The CIF Federated Council approved a southern California Regional Soccer Tournament in February of 2007. The regional tournament has grown in size and participation over the past few years.

At the time of the original Soccer Regional approval, the majority of northern California CIF Sections did not offer soccer during the winter season of sport. That is not the case today. The majority of schools in northern California now compete in soccer during the winter season of sport making a post season regional championship viable. This proposal still allows the flexibility for sections. The North Coast and Northern Sections can continue to offer multiple seasons of sports for soccer within their sections to accommodate their schools location (snowline) and allows the sections/schools that are aligned to compete in a regional format.

**2402. NORCAL REGIONAL CHAMPIONSHIPS**

Northern California boys and girls soccer Championships (four [4] divisions) will be held following the completion of Section playoffs.

## **Proposal for CIF Northern California Regional Soccer Championships**

The following proposal will be forwarded to the Championships and New Events Committee of the California Interscholastic Federation (CIF) as the first step in the State CIF process for possible implementation. The proposal is to request the California Interscholastic Federation to administer a Northern California Regional Championship for Boys' and Girls' Soccer to begin in the winter of 2018. It is understood that any proposal for the addition of a new championship under the auspices of the California Interscholastic Federation must follow the criteria and procedures for new events, as specified by the CIF Federated Council.

### **SUMMARY OF PROPOSED CIF NORCAL REGIONAL SOCCER TOURNAMENT**

#### **1. Format**

The proposed format is an eight-team single-elimination tournament in each of four divisions for both boys and girls, with the first round to be held during the week immediately following the six Sections' Soccer Championships to begin in March, 2018. Entries into the tournament will be the section champions as well as at-large selections to fill the open brackets in each of the four divisions, for a total of 32 entries for each gender.

#### **2. Management**

The CIF NorCal Regional Soccer Championships will be under the direct responsibility of the CIF NorCal Soccer Management Committee, to be determined through the process as delineated by the State CIF Office. The Management Committee is to include but not be limited to representation from all six Sections.

#### **3. Regional Tournament Dates**

The CIF NorCal Soccer Championship dates will be Tuesday, March 6<sup>th</sup>, Thursday, March 8<sup>th</sup> and Saturday, March 10<sup>th</sup>, 2018.

#### **4. Classification System for Placement in NorCal Championships**

There will be four divisions. Teams will advance from their Section Championship in a criteria set by their governing board.

## 5. Minimum Number of Entries from Each Section

SECTION	Division I	Division II	Division III	Division IV
Central Coast	2	2	2	**
North Coast	2	2	2	**
Northern		2	2	2
Oakland				1
Sac-Joaquin	2	2	2	2
San Francisco				1
At-Large	2*			2*

## 6. Seeding Committee

The Seeding Committee will be composed of the six Section Commissioners and the Tournament Director, as determined by the State CIF Office.

## 7. Sites

The First Round, Semi-Final and Regional Final games will be played at the school designated as the "home" team.

## POLICY AND PROCEDURES FOR NEW EVENTS

The criteria specified by the CIF Federated Council for proposals of new events to be managed by the California Interscholastic Federation are addressed below.

### 1. Financial Criteria

**A. Travel expenses, lodging and meals:** First round pairings will be made with consideration of travel time and expense. During all rounds, the visiting teams will be responsible for their own travel expenses, to include transportation, meals, and lodging, if required, subject to reimbursement. Host schools will be provided a flat amount to cover basic expenses. It is expected that since only the six Northern California sections are participating, the cost for lodging will be minimal.

**B. Mitigating expenses of new event:** In order to minimize expense (and loss of school time), in the first round in each division, the seeding committee will consider geography when determining brackets.

**C. Financial burden on Section and State budgets:** The financial burden the sections and/or state may incur must be off-set, wholly or partially, through the use of funding sources to include, but not be limited to: ticket sales, television and internet broadcast rights fees, and contributing corporate sponsors.

**D. Detailed, specific, feasible cost estimate:** The figures below reflect the total for four of the five divisions (I, II, III and V) of the CIF Southern California Regional Soccer Championships which should be similar in size of field and format:

2015 Revenue: \$83,333

2015 Expenses: \$45,504

2015 Net: \$37,829

**2. Philosophical criteria:** The addition of a NorCal Regional Soccer Championship will continue to enhance the awareness of positive values taught through sport participation, including the opportunity for athletes to excel on the field while also adhering to the principles of "Pursuing Victory with Honor." Secondly, the event will elevate the sport of soccer in the high school community, and add credibility to the sport, as played at the championship level. Lastly, the sport of soccer in California features athletes that represent a high level of diversity.

**3. Qualifying participation criterion for a championship event:** According to the 2014-15 CIF Participation Census, more than 82% of all CIF member schools participate in the sport of soccer, with 93,934 boy and girl student-athletes.

**4. Feasibility:** The operational format and financial feasibility of a Regional Soccer Championship has been successfully implemented in Southern California.

**5. Other recommendations:** The addition of a CIF Northern California Regional will one day lead to the addition of a CIF State Soccer Championship in the coming years. The benefits of a SoCal Regional Soccer Championship will exceed the financial expense of such an event. A championship of this caliber will reinforce soccer as a major high school sport, and will give the student athletes the opportunity to excel at the highest level possible in their high school careers.

**Next:** March 8, 2016 - New Events Committee  
March 15, 2016 – Commissioners Committee

**Proposal Summary:** The CIF Central Section is proposing the implementation of a CIF Regional Water Polo Championship to begin in the fall/winter of 2017-2018. This proposal follows the approved State Championships Master Schedule timelines for implementation of new events.

The event would allow the most competitive water polo teams in the state an opportunity to compete at the Regional level. This championship event is proposed as a one week tournament held immediately after the section finals.

**Fiscal Impact:** The Regional Championship is projected as a \$6,900 loss without any corporate sponsorship. It is anticipated that with corporate support and ancillary event income the regional tournament could become revenue neutral to the organization.

**Background:** State CIF does not currently have a regional championship in water polo.

**ARTICLE 300  
WATER POLO**

**3000. CLOCKS**

It is recommended, but not required, that clocks used in conducting water polo contests be visible to the participants.

**3001. OFFICIAL NATIONAL FEDERATION AUTHENTICATION MARK**

Only balls with the National Federation authentication mark shall be used in the sports of baseball, basketball, field hockey, football, lacrosse, soccer, softball, volleyball and water polo.

(Revised to include lacrosse November 2000 Federated Council)

**3002. WATER POLO REGIONAL CHAMPIONSHIPS**

A regional boys and girls water polo Regional Championship will be held following the completion of Section playoffs. Water Polo Regional Championships entries will be placed into the appropriate Region aligning with the Sections current "season of sport."

## Water Polo North and South Regional Championship

### Season of Sport

Section	Boys	Girls
CCS	Fall	Fall
NCS	Fall	Fall
SJS	Fall	Fall
CS	Fall	Fall
SS	Fall	Winter
SD	Fall	Winter
LA	Fall	Winter
NS	None	None
SF	None	None
Oak	None	None

Due to the fact that the San Diego, Southern and Los Angeles sections participate in girls water polo during the winter season, there cannot be a state championship in girls water polo. For equity reasons, it is projected that there will not be a state championship in boys water polo if different seasons of sports prohibits one for the girls.

Central Section participates in both genders in the fall and will therefore compete in the North Regional.

1. What travel, lodging, and meal reimbursement will be provided to participating schools (please use the CIF Adopted Criteria)?  
Reimbursement will follow the CIF's currently adopted criteria for team championships.
2. Will this event place any CIF Section event at risk financially?
  - This event will not place any CIF Section event at risk financially because it takes place after all section championships have been concluded. This event will possibly generate greater excitement in the sport water polo at the section level and generate additional profit.
3. Will this event be a burden on any CIF Section budget or the State CIF budget?
  - This event will not place any burden on any CIF Section budget because it takes place after all section finals have been completed. The State CIF will work with interested host communities to keep championship expenses in line with the projections and use additional marketing opportunities to supplement the budget.
4. Please provide a detailed, specific, feasible cost estimate for the operation of this event.

Below are the budget estimates for this event:

Projected Regional Water Polo Championships based on Central Section Championship historical revenue and expense figures		
	Revenue	Expense
Marketing		
Gate Receipts	1.5 X # of Competitors (960) \$11,500	
Personnel Expenses		\$1700
Officials		\$7200
Misc Expense/travel		\$4000
Awards		\$800
Entries	NA	
Security		\$1000
Announcer/s		\$300
Credentials		\$100
Ticket Takers/Sellers		\$500
Facility		\$2000
Tournament Director		\$800
	Total \$11,500	\$18,400

5. Please demonstrate using both costs in #4 above and anticipated event revenue how this event may be sustained economically over many years.

This event will be financially feasible with the anticipated selection of a sport specific sponsor. Overhead costs could also be minimized with the addition of another home site contest leading up to the championship final.

6. Is the current CIF State Office staff capable of managing this event?
  - The current CIF State Office staff is capable of managing this event and the event expenses cover the costs of a State Tournament Director to assist the State office staff.
7. Is there capable staff available to support the CIF State Office in the operation of this event?
  - Yes. The State office staff currently has adequate resources to staff the event.

#### **Philosophical Criteria for New Events:**

1. How does this event contribute to the goals of the CIF (i.e. a new event may enhance gender equity, economic stability and enhance the awareness of values taught through sport)?
  - This event would bring the top teams from each section to compete in an even larger scale event than their own section championships. It's another opportunity for both boys and girls to have "state" level competition in the sport of Water Polo as other sports currently do (Swimming and Diving, Basketball, Volleyball, etc).

#### **Qualifying Participation Criterion for a Regional Championship:**

1. Do 50% of all CIF sections participate in the sport in the same season?
  - Yes, for boys, the CCS, NCS, SJS, CS, SS. LA and SD all participate in the winter. For girls, CCS, NCS, SJS, CS all participate in the fall. In the SS, LA and SD, girls participate in the winter. Currently, NS, SF and Oakland do not have Water Polo Championships.

#### **Other Questions:**

1. How will this event benefit participating schools and students?
  - This event will give boys and girls the opportunity for post-section championship opportunities not currently available in Water Polo.
2. Do the proposed dates conflict with state mandated testing?
  - The proposed dates are ones that are currently used for playoff opportunities in other sports. No conflict with state testing is anticipated.
3. Does the event cause additional loss of instructional time? If so, has any thought been given to mitigating this loss (Saturdays, evenings, vacation time)?
  - The Regional event will follow a schedule similar to many of the other state level regional events (Boys and Girls Soccer, Boys Volleyball). Depending on

travel, there may be some loss of instructional time, but every effort will be made to minimize lost class time.

4. If the proposal is for a sport that is played now in more than one season in the state, what dates are selected and why?
  - There would be 4 separate Regional Championships.
  - 1) Fall- Boys Nor Cal Regional (CCS, NCS, SJS, CS)
  - 2) Fall- Boys So Cal Regional (SS, SD, LA)
  - 3) Fall- Girls Nor Cal Regional (CCS, NCS, SJS, CS)
  - 4) Winter- Girls So Cal Regional (SS, SD, LA)

The proposed dates of the event coincide with the next available weekend after the completion of Section finals.
5. How, specifically, will this event be a demonstration of the values of participation in high school athletics? In choosing teams or individuals for an event, is there any criterion such as demonstration of respect, sportsmanship, citizenship, achievement through effort and cooperation, full compliance to CIF code of ethics, rules, regulations, guidelines, etc.?
  - All CIF events are conducted with the above in mind. This event can give CIF member schools another opportunity to demonstrate that competition can be played fairly and with great sportsmanship. It is also an additional avenue for our member schools to promote the best values of educational athletics.
6. Will the proposed event lend itself to a partnership between the State CIF and a CIF Section? If so, the nature of the partnership must be detailed. What are the duties and responsibilities of the State and Section entities? If there is to be a risk/profit sharing, what are the proposed financial details? If resources, other than financial, are to be used as part of a partnership, what are the anticipated resources?
7.
  - Any proposal that considers a Section/State partnership should consider whether or not an event should be rotated, upon request, among Sections. The state office will assume financial responsibility of profit and/or loss of the event.
8. Will there be any ancillary activities associated with the event to make it more attractive and reflective of the goals and mission of CIF (i.e. training for coaches, sportsmanship activities for schools)?
  - None anticipated.

**Proposal Summary:** This Bylaw will place limits on the number of pitches that a pitcher may throw each game and will also provide for mandatory days of rest between appearances depending on the number of pitches thrown.

**Fiscal Impact:** None

**Background:** The NFHS baseball pitching limitation rule (6-2-6) was amended and now require all states to impose a pitching limitation rule which limits the number of pitches thrown during a game to afford pitchers a required rest period between pitching appearances.

**ARTICLE 150  
BASEBALL**

**1500. PITCHING LIMITATION RULE – 30 OUTS**

Sections shall adopt the following baseball pitching limitation rule: 30 outs and/or three (3) appearances in a calendar week through the season.

- A. The calendar week begins on Monday.
- B. Innings pitched in a no game (i.e., rainout, power failure, etc.) shall count toward the total.
- C. If the 30th out involves a double or triple play, the team will not be penalized.
- D. An appearance is defined as a pitcher pitching at least one (1) pitch. If a pitcher is removed from the mound to another position or to the dugout and later returns to pitch in the same game, the pitcher will be charged with a second appearance.
- E. Any violation constitutes a forfeit of the contest.

**1501. PITCHING LIMITATION RULE – PITCH COUNT**

In addition to 1500 above, Sections shall adopt the following baseball pitching limitation rule with respect to pitch count and required days of rest:

Pitch count limits and required rest:

Level	Daily Pitch Limit	0 Days Rest	1 Day Rest	2 Days Rest	3 Days Rest
Varsity	110 Pitches	1-30 Pitches	31-50 Pitches	51-75 Pitches	76+ Pitches
Freshman; F/S; JV	90 Pitches	1-30 Pitches	31-50 Pitches	51-75 Pitches	76+ Pitches

- A. A pitcher may finish the current batter if the Daily Pitch Limit is reached during that at-bat.
- B. Pitches thrown and appearances made in a no game (i.e., rainout, power failure, etc.) shall count toward the totals.
- C. At the end of each half inning, the umpire and head coach will both confirm and record the pitch count for all pitchers who threw a pitch in that half inning.
- D. Each school must keep a record of all pitches thrown by each of their players in each game and make this available to their respective Section Office upon request.
- E. Any violation constitutes a forfeit of the contest.

Questions & Answers:

Q: How is a day of rest defined?

A: A day of rest is defined as a calendar day. For example, if a pitcher throws 76 or more pitches in a Monday game thus requiring three-days rest before being allowed to pitch again, those days of rest would be Tuesday, Wednesday and Thursday allowing that pitcher to pitch again on Friday.

Q: If a pitcher exceeds the maximum number of allowable pitches with respect to the required days of rest while finishing a batter, how are the required number of rest days calculated?

A: The required days of rest is determined by the actual number of pitches thrown. For example, if a pitcher starts a batter with 48 pitches, finishes the batter with 53 pitches and is then removed from the game, that pitcher would be required to rest for two days before making another appearance.

**1501.2. OFFICIAL NATIONAL FEDERATION AUTHENTICATION MARK**

Only balls with the National Federation authentication mark shall be used in the sports of baseball, basketball, field hockey, football, lacrosse, soccer, softball, volleyball and water polo.

(Revised to include lacrosse November 2000 Federated Council)

**1502.3. PROTECTIVE EQUIPMENT**

It is required that adult base coaches wear a protective helmet. Play will not continue until compliance with this rule is met. It is recommended that the helmet meet NOCSAE standards.

**NOTE:** NFHS rules govern use of protective equipment by a player/student.

(Approved January 2015 Federated Council)
