TO: CIF SOUTHERN SECTION ATHLETIC DIRECTORS
CIF SOUTHERN SECTION GIRLS AND BOYS GOLF COACHES

FROM: ROB WIGOD, COMMISSIONER OF ATHLETICS

SUBJECT: iWANAMAKER

DATE: SEPTEMBER 14, 2022

I hope all is well with you and your families.

I am excited to announce that the CIF Southern Section has entered into a multi-year agreement with Wanamaker Corporation to use golf apps powered by iWanamaker. The CIF-SS app is now available in the app stores today. The CIF-SS golf app will be used for live scoring for our CIF Southern Section Championships this year and I highly recommend that you use the app during the regular season to prepare our student-athletes for CIF Southern Section Championship events.

To get you started, I want to bring a few things to your attention regarding the iWanamaker platform and the CIF-SS Golf app. Registering as a Golf Coach, Athletic Director, golfer or spectator is done with the CIF-SS Golf app (not the iWanamaker app) from the app store and is free of charge for Athletic Directors, coaches, golfers and media members. Athletic Directors, coaches and golfers are added automatically to their respective schools when they get the CIF-SS Golf app from the app store. Please install the app and during the registration process you will be added to your school with the correct role.

Coaches, after signing up using the CIF-SS Golf App, you will go to <https://iwanamaker.com> to manage your schedule and roster. To navigate to your school, you can click on LEAGUES, then CIF-Southern Section to find your school.

Please refer to the documents below for additional information. Feel free to forward these links to all those involved with Golf at your school and email us with any questions. If you have already installed the CIF-SS Golf app and are still having difficulties, please contact iWanamaker at support@iwanamaker.com or call at (720 984-2379).

I hope this information is useful to you and if you have any questions, or I can help you in any way at all, do not hesitate to contact our office.

Thank you very much for your help and support, it is truly appreciated.

**Be sure to sign your athletes up today as this system
WILL be used at all championship events!**

GIRLS STRENGTH OF LEAGUE 2022

Updated 9/30/2022

Each year, Team Divisionals will be composed individual schools using the factors of competitive equity for placement into each division. There will be a strong effort to ensure that every Team Divisional Championship will have 20 teams in divisions 1, 2, and 3, and 18 teams in division 4.

The competitive equity of each league will be determined by giving each league a strength rating based on points accumulated by golfers from each league who qualified for Individual Golf Championships in the previous year.

Geography may come into play, when appropriate, in an effort to try and place leagues for individual competition.

QUALIFYING CRITERIA

Girls Team Qualifying Criteria:

1. Teams will be placed based on previous finishes in CIF-SS championships over the previous 2 years. All teams that advanced to the SCGA round in the previous season will automatically be placed in Division 1 the following season.
2. Scores from previous CIF-SS championships will be used to create team's 'team handicap' (using USGA handicap formula) for ranking purposes.
3. Teams that have never qualified will be given a rating below what the worst at-large qualifier handicap has been over the past 2 years. This number was 28 for this year for girls. If the top team from a league scored higher than 28, teams were given numbers that reflected that.
4. Scores are weighted 1/3 from 2 seasons ago, and 2/3rds from last season.
5. For the inaugural year: advancement into CIF-SS finals, gaining an at-large bid, or league performance, may have slightly impacted divisional seeding.
6. There continues to be 4 divisions, they are now based on competitive equity.

Qualification into CIF-SS Divisionals:

1. Qualification to CIF-SS championships will now be based on league placement. Earning scores of 230 will no longer be used.
2. League Champions will automatically qualify, then as many second-place finishers in league, 3rd place finishers in league, and so on until no more than 20 places within Divisions 1, 2, and 3 are filled and no more than 18 places within Division 4 are filled.
3. Any team from a league can petition for a place in the CIF-SS championship, but spots will be designated based off league finish.
4. Example-If there is 1 spot remaining to advance, and there are 3 teams that finished in 3rd place within their league, the 3 teams will be compared based on submitted scores to determine who will advance.
5. No more than 20 teams will qualify into Divisions 1, 2, and 3 and no more than 18 teams will qualify into Division 4.

Qualification to CIF-SS SCGA Qualifier

1. There will still be 12 teams advancing to CIF-SS SCGA Qualifier out of the divisions.
2. The top 8 finishers in Division 1 will advance to CIF-SS SCGA Qualifier.
3. The other 4 top finishers based on adjusted team handicap from the CIF-SS championships at each divisional will fill the remaining spots. (WINNING THE CHAMPIONSHIP FROM DIVISION 2, 3 and 4 DOES NOT AUTOMATICALLY QUALIFY YOU FOR CIF-SS SCGA Qualifier) All 12 teams could hypothetically advance from Division 1.

The handicap formula being used:

$$\frac{(\text{Team Total}/5) - \text{Course Rating} \times 113}{\text{Course Slope}}$$

Entry Information and Instructions

ENTRY INSTRUCTIONS

Team and Individual entries are due no later than **9:00 a.m., Friday, October 21, 2022.**

Entry Form Information: League Finals Manager is responsible for all entries and will be contacted if there are any questions about entries. **YOU WILL BE HELD RESPONSIBLE FOR UNDERSTANDING AND FOLLOWING ENTRY INSTRUCTIONS.** In order to access entry forms, go to www.cifsshome.org. On the left column, click on Forms, Tennis Indv/Golf Forms. On the next page, choose Golf Individual/Team then click Add New Entry. On the next page, fill out each all the requested information. Once all information is verified and completed, click on submit. Tutorials for completing your entries are located under the “Help” tab at www.cifsshome.org. The CIF Southern Section office requests that you make every effort to get your results in early so we may distribute the entries to the tournament managers in a timely manner.

Note: The Golf Advisory Committee has determined that best scores must follow USGA scoring rules. Therefore, no league amended rules (such as double par scoring, using Model Local Rule E-5, playing out of bounds and lost ball as a lateral hazard, etc) will be allowed for best scores.

AT-LARGE ENTRIES

***At-large petitions will be accepted for entry consideration into a team divisional tournament on a space available basis.** At-large entry petitions must be completed, forwarded, and received by the CIF Southern Section office by **9:00 a.m., Friday, October 21, 2022.** **LATE SUBMISSIONS WILL NOT BE CONSIDERED.** See page 25 for the At Large Petition Link.

Teams may submit at-large petitions for consideration. Teams will be selected from submitted petitions **based upon space availability in a particular division.** Selection of teams will be made considering the next league finisher teams first, then the next places thereafter, until space is full and/or all petitions have been placed.

Selections will be made by members of the Golf Advisory Committee and the schools will be notified of acceptance and placement by 12:00 p.m. on the day after the entries are due.

FREELANCE

Schools that do not belong to a girls’ golf league (leagues do not field girls golf and do not hold a girls golf league qualifying tournament) or individuals whose schools do not offer team golf may apply for Freelance status. By the start date of the season, coaches must submit an email stating their intent to participate Freelance, along with the schedule of matches/tournaments for their team. The email should be sent to Commissioner Rob Wigod’s office at sharonh@cifss.org.

TEAM Qualifications: A team must submit their best scores for any matches during the season. If a team has met the qualifications and is the only team participating in the Team Freelance Tournament, they will automatically advance to a Team Divisional Tournament. The school will have the ability to enter two individual golfers from their team into the Freelance Tournament.

INDIVIDUAL Qualifications: A maximum of two individuals can be entered from one school. For the 2022-23 season, it is recommended that individuals must have an established index of **15** or better or scores of 42 or better on a par 36 for nine holes. The scores must be VERIFIED and accumulated within the regular season of play.

Freelance entry petitions must be completed, forwarded, and received by the CIF Southern Section office by **9:00 a.m., Friday, October 7, 2022.** The committee will review all petitions and selection for the tournament will be made; notification of acceptance into the Freelance Tournament will be made by a committee member.

ALTERNATES FOR CIF-SS INDIVIDUAL FINALS

Each CIF-SS Individual Regional will declare a maximum of two alternates. These alternates may gain entry into the CIF-SS Individual Finals only if a player who qualified for the event from their regional notifies the CIF Southern Section Office in advance that they will not be able to compete.

Players who qualify for the CIF-SS Individual Finals, and are not able to compete, must notify the CIF Southern Section Office by 12:00 p.m. on the day prior to the CIF-SS Individual Finals so that an alternate may be put in their place. For the Fall 2022 Girls Season, the office must be notified by 12:00 p.m. on Wednesday, June 9, 2021.

Alternates are not to show up at the CIF-SS Individual Finals unless they were notified in advance by the CIF Southern Section Office that a spot in the event was awarded to them.

DECLARATION OF ALTERNATES AT THE CIF INDIVIDUAL REGIONALS

The two alternates will be declared using the following procedure:

- If a player was eliminated from a sudden death playoff that was used to determine the final qualifying spots, his/her scores from the sudden death playoff should be considered first when declaring alternate spots.

Examples:

- Players A, B, and C are playing a sudden death playoff for the final qualifying spot. On the first playoff hole, A makes 3, B makes 4, and C makes 5. Player A has earned the automatic qualifying spot, player B is the first alternate, and player C is the second alternate.
 - Players A, B, C, and D are playing a sudden death playoff for the final qualifying spot. On the first playoff hole, A makes 3, B makes 4, C makes 4, and D makes 5. Player A has earned the automatic qualifying spot. The sudden death playoff does not continue, and the card-off procedure listed below is used to determine the order of the alternates between players B and C.
- A sudden death playoff will not be conducted or continue for the sole purpose of determining alternates.
 - Alternates will be declared using the USGA recommended card-off procedure (holes 10-18, 13-18, 16-18, 18).

ROSTERS AND ELIGIBILITY LISTS

Each **GOLF COACH** must submit a roster of players in CIFSS Home. The eligibility list is automatically created upon submission of the roster and no further action is needed.

SCORING AND TIES

Teams will consist of **six** players with the best **five** scores counted to determine the winners. Players are reminded to check their scorecards, hole by hole, prior to signing and turning them in at the conclusion of play. Scorecards should be marked with the number of strokes taken per hole.

It is **not** allowed to use alternative scores (i.e. double par pick up or 3-5-7) for qualifying scores.

Scores of the 6th player will be used to break ties for the second and final team qualifying positions at each divisional. If a tie still exists, a playoff, if possible, of those teams will follow immediately. Otherwise, a card off will be used. All six players will participate with all six scores totaled after each hole.

PROCEDURE FOR END OF COMPETITION

1. Players are responsible for verifying the hole by hole scores on their score card prior to turning it in to the Official Scorecard Box. Once the score card is turned in, it is deemed official. The player is not responsible for the addition of the total score.
2. Each player will turn in their own score card with two (2) signatures to the Official Scorecard Box or as directed in pre-round instructions.
3. The competition is officially over when the scores have been posted, the order of finish has been established and the awards have been presented. No inquiries or contesting of results will be considered after that time.

These rules will be in effect for all CIF Southern Section post season play. It is strongly recommended that leagues adopt this policy for the sake of consistency in the conduct of matches by CIF Southern Section member schools.

PULL CARTS AND DISTANCE MEASURING DEVICES (Limited Allowance)

All players may use pull carts.

Players may obtain distance information by use of a distance-measuring device. If, during a stipulated round, a player uses a distance-measuring device to gauge or measure other conditions that might affect his play (e.g. elevation changes, wind speed, etc.), the player is in breach of Rule 4-3. Any questions about such devices should be resolved before the start of the stipulated round.

The penalty for breach of this rule 4.3 is a two-stroke penalty, any subsequent offense related or unrelated to the first breach is disqualification.

The use of wireless handheld devices (smart phones) on the golf course is allowed by players to facilitate live scoring only. Coaches and Spectators will be allowed to text, email or view scoring (if available). Talking on cell phones is prohibited.

DRESS CODE

Players and coaches must be attired in a collared shirt, slacks, Bermuda-length golf shorts, or appropriate length golf skirts/skorts. No denim of any color is allowed. **Leggings may not be worn alone but are acceptable under skirts/skorts/shorts.** Any type of cargo or safari shorts with external pockets; tee shirts or tank tops are not permitted. Please be aware that some golf courses have additional dress code guidelines, which can be viewed on the course websites.

It is the responsibility of the coach to ensure that all players and coaches are dressed appropriately. Failure to do so will result in disqualification. Please carefully review the steps below that will be strictly enforced by tournament managers.

- Step #1:** At sign in, coaches will acknowledge their players are appropriately dressed and provide a cell phone number.
- Step #2:** If a committee member views a dress code violation, they will consult with tournament manager on appropriateness.
- Step #3:** The tournament manager will speak directly with the coach, giving the coach an opportunity to have the player become compliant.
- Step #4:** If the coach cannot or does not require the player to become compliant, the coach will be notified by the tournament manager that the player is disqualified

ACCOUNTABILITY AND STUDENT/COACH BEHAVIOR (Bylaws 2011, 2013 and 2014)

Coaches and players are expected to exhibit good sportsmanship and fair play, CIF Southern Section wishes to promote appropriate student and coach behavior at all post-season events. See Blue Book Rule 2013 and 2014 for information on player and coach conduct.

SUPERVISION REQUIREMENT

State and Southern Section Rule 503.E states:

No CIF team or individual shall participate in interscholastic or approved competition with any other team unless the CIF team is under supervision as required by the California Administrative Code 49032 (See also Bylaw 503.F). Additionally, see CIF Southern Section Bylaws 22.B.9, Bylaw 506, and Bylaw 123. **The supervisor must remain in attendance at all times.**

Those persons approved for supervision purposes are:

1. certificated personnel
2. certified coaches (certified credentialed coaches)
3. non-certificated temporary coaches (certified walk-on coaches)

It should be noted that schools representing the same district may send one credentialed or certified supervisor for multiple teams within that same district. These individuals have been recognized and are to continue to be recognized for registration and participation purposes because the district has assigned him/her the supervisory role for all students from its member schools.

This rule applies to those students who are not accompanied by a faculty representative and report to the playoff site by themselves or with a parent. **Giving parents the supervision authority, whether in writing or not, does not meet the standards set forth in the above regulations.** This also applies to parents who are the student's private coach but are not under contract to the member school.

Any student reporting for competition who is not under direct supervision in accordance with State and Southern Section Bylaw 503.E is to be denied.

A coach would be in violation of the rule if he or she dropped off their team members at the golf course and left the premises. A coach should always be present when student athletes are under his or her care.

SUNDAY PRACTICE RESTRICTIONS (Bylaws 310 and 2112) and COURSE DEADLINES

Course deadlines previously prohibited players and coaches from playing golf courses used for Southern Section post-season competition after a specified date. There are no course deadlines in effect.

Coaches and players must still adhere to the CIF Rule 310 which prohibits organized team practice on Sunday. Exceptions are granted only to religious schools who file the Declaration of Alternate Day of Respite form, which can be found at www.cifss.org.

No practice or instruction from the school coach of any type (team or individual) may be conducted on Sunday. If a coach is transporting players on Sunday to a tournament on Monday, the coach must notify the Southern Section office and advise the Commissioner of his plans.

What constitutes organized practice?

Organized practice shall be interpreted as meaning the association of a coach with team members for the purpose of learning or practicing the skills of golf. It is important to realize that a coach should also conform to the spirit as well as the letter of the rule. For example, a golf coach who is sitting in the clubhouse while his or her team is using the practice facilities or playing the golf course would be in violation of this rule.

COACHING AND ADVICE

Coach to provide instruction, encouragement and information to his/her golfers without interfering with play or the conduct of the event is allowed under the following regulations:

- Between the play of holes, a coach is allowed to communicate advice to his/her players.
 - Between the play of holes is defined as that period when an entire group has completed play of a hole and ends when the individual player hits his or her tee shot on the next hole.
- The communication of advice may not impede the pace of play.
- Coaches are NOT allowed to communicate any advice (verbal or non-verbal) during the play of the hole. A violation of this would result in the player being penalized under Rule 8 of the USGA Rules of Golf.
- Coaches who are in violation of this policy may be subject to one or more of following consequences from a member(s) of the tournament committee:
 - Warning
 - Limited coaching time
 - Removal from the golf course (coach may remain in the clubhouse/practice area)
- Only the golf coach as specified under Bylaw 309 may communicate advice to his/her players.
 - The golf coach is defined as the person who signs in the team at the event and is listed on file at his/her respective high school as the golf coach.
 - Throughout the competition, the golf coach must wear a badge identifying him or her as the golf coach. CIF will provide the badges at each post-season event.
 - Each school is restricted to a maximum of two golf coaches (head coach and assistant coach) who may communicate advice between the play of holes during the stipulated round.
- As a reminder, players are still prohibited from communicating advice, as defined by Rule 8, to other players at any time during their round. Any player who gives or asks for advice will be penalized according to Rule 8 of the USGA Rules of Golf.

Any head coach, assistant coach, or school employee who is found to be in violation of the regulations outlined above may be denied entry at future CIF post-season events and may cause his/her team or individual players to be disqualified from the event. The suspension and disqualification penalties are subject to the judgment of the Commissioner of the CIF Southern Section whose decision is final.

NOTE: Coaching is prohibited during CIF/SCGA Southern Regional and CIF State events.

ADVICE RULE

Please remind all participants of Advice Rule 10-2 (Advice and Assistance) in the Rules of Golf which specifically prohibits players from receiving any counsel or suggestion from anyone including their coaches, teammates, other players, spectators or parents. "Advice" is any counsel or suggestion which could influence a player in determining his play, the choice of club or the method of making a stroke. However, information on the Rules of Golf, matters of public information and/or Local Rules for this tournament is not considered advice.

A player shall not give advice to anyone in the competition. Verbal or non-verbal communication between coaches, players, parents and/or spectators that meets the criteria of the Advice Rule will be considered a violation.

The penalty as described in the Rules of Golf (Rule 8, stroke play) is two strokes. A player who witnesses a violation of the Advice Rule is advised to call the infraction immediately to the attention of the competitor. Event staff who witness infractions are empowered to call the violation and assess the penalty.

SPECTATORS/EVENT MANAGEMENT

If a course permits spectators, only immediate family will be allowed per the CDPH COVID-19 guidelines. Masks will be required to be worn and spectators should be confined to the cart paths and rough only to promote social distancing. They should be well clear of the competitors and observe rules of etiquette when applauding or cheering a stroke or play. Event management reserves the right to remove unruly spectators from the course, or assess penalties against competitors who cause, encourage or promote inappropriate displays. **Spectator cart rentals may or may not be available; availability is based on the SOLE DISCRETION of each golf course.** Refer to schedule on page 6 of this bulletin for course information regarding the allowance of spectators on a particular course.

CIF SOUTHERN SECTION PLAYOFF/CHAMPIONSHIP REQUIREMENTS - ALL TEAMS AND HOST SITES 2022-2023

- Rosters & Scores:**
- Complete schedules are to be submitted to CIFSSHOME prior to each season.
 - Update scores following every contest direct to CIFSSHOME
- Additional directions on accessing CIFSSHOME are included in this document.
- TV/Web/Radio Rights:** Any TV or streaming webcast (video or audio) or radio transmission of a CIF-SS playoff or championship event requires a contract and rights fees through the CIF-SS office prior to the contest. The only ‘exceptions’ are: Games broadcast via Bally's Sports West, Bally's SoCal, PrepZone or The NFHS Network.
- ‘Official’ Championship Souvenirs:** The exclusive vendor for CIF Southern Section Championship souvenirs (t-shirts, scarfs, pins, beanies, hats, etc...) is our long-time partner *CIF T-shirts*. These are the official items sold each year per sport. You are likely familiar with their annual shirts at the finals. You can order team and individual items through them at www.ciftshirts.com.
- Official Ball Required:** Only the approved official ball in each ball sport may be played by either school during CIF-SS playoff contests. Violation of this rule will result in loss of your next home playoff game. The current Official Ball list for each sport is included and available at www.cifss.org in the “Resources” drop down. This policy has been in effect since 2002.
- Gatorade Only:** Only Gatorade jugs, cups, bottles, ice chests may be used or visible during any CIF-SS playoff contest. (No Powerade, Body Armor, etc). The only acceptable alternative is a plain-wrap or Igloo labeled products. This rule does not apply to the actual liquid distributed to athletes. This policy has been in effect since 1995.
- CIF-SS on Souvenirs:** The ‘CIF Southern Section’, ‘CIF-SS’, ‘Southern Section’ and ‘CIF’ marks and logos are registered trademarks with the State of California. Schools may only use the CIF Southern Section marks on rings, patches and banners, by doing business with a CIF-SS licensed vendor. **Schools may only use the CIF Southern Section marks on apparel and other souvenir items exclusively through ciftshirts.com. Schools creating items with CIF-SS registered marks from a non-licensed vendor will face sanction and/or will be required to purchase any unsold shirts/items at the Championship Final.** A list of the currently licensed vendors for these products is included and regularly updated on www.cifss.org.

Please note: The use of only “CIF” is strictly prohibited per the State CIF registered trademark. The “CIF”, is not just the CIF Southern Section. Only those teams in State regionals, bowl games and individual sport finals actually qualify to use CIF without Southern Section attached. Any such use must be approved in advance by the CIF State office.

Host Site Requirements:

- Playoff Tickets:** (This pertains to revenue sports of basketball, football and volleyball): It is mandatory to sell tickets for admission to all CIF-SS playoffs and championship contests. Through the CIF-SS partnership with GoFan, all playoff tickets will be made available online for digital purchase and presented electronically at the event gate for entry. Patrons can purchase in advance via gofan.co, via private links made available by the participating schools or via QR code at the entry gate of the playoff event. All playoff revenue will be sent directly to CIF-SS. Both the host and visiting schools will be required to submit a financial/expense report following each playoff game in an effort to receive reimbursement for game expenses and revenue share split in the case of a profit game.
- CIF-SS/FORD Banner:** It is a requirement of each host school (including off-site) that the CIF-SS/Ford Championship banner be displayed at every playoff home game in football and the gymnasium sports post football season (or on the electronic signage where schools/venues do not display banners). If you need a banner please contact jackieg@cifss.org
- Gatorade:** It is a requirement of each school use only Gatorade product/jugs/cups/squeeze bottles during CIF-SS championship events. No other competitive product shall be used. Water can be placed in Gatorade merchandise.
- PA Announcements:** As a host of a CIF-SS playoff contest, the CIF-SS announcements take precedence over the host school's messaging and must be read in entirety at each playoff contest. Home schools are the host of a CIF-SS event in the playoffs. For contractual requirements, please read all the provided PA's each contest.
- Media Credential Access:** Accredited working media should be given admission to all playoff games by showing their CIF-SS Media credential.

CUSTOM AWARDS/RINGS/BANNERS/APPAREL SOUVENIRS USING CIF-SS:

Schools often seek to create custom patches, gym banners and championship rings that include both the school and CIF-SS marks/logos/names. Example: ‘ACME BOYS BASKETBALL 2022 CIF-SS CHAMPIONS’. Schools may create these items using CIF-SS marks only through a CIF-SS licensed vendor.

CIF-SS ‘registered’ trademark: The “CIF Southern Section”, “CIF-SS”, “Southern Section” and “CIF” marks and logos are registered trademarks with the State of California. Schools may only use the CIF Southern Section marks on rings, patches and banners by doing business with a CIF-SS licensed vendor. Schools creating items with CIF-SS registered marks from a non-licensed vendor will face sanction and/or will be required to purchase any unsold shirts/items at the Championship final if similar non-licensed items appear at the contest. A list of the currently licensed vendors for these products is included and regularly updated on www.cifss.org.

Please note: The use of only “CIF” is strictly prohibited per the State CIF registered trademarks. Only those teams in State regionals, bowl games and individual sport finals actually qualify to use CIF without Southern Section attached. Any such use must be approved in advance by the CIF State office.

PROTECT YOUR SCHOOL TRADEMARKS: The CIF Southern Section strongly suggests you double- check the status of *your school* licensed/registered marks and logos now. Some schools have permanently lost control of others selling their merchandise with no royalty or approvals because the proper State of California licensing/registering process had not previously occurred or been enforced.

For additional vendors licensing information, please contact CIF Southern Section, Director of Marketing, Jackie Gibson at jackieg@cifss.org or 562-493-9500.
