2024 Girls Golf Playoff Rankings Report - September 30, 2024

Below you will find the first ranking report in Girls Golf for the 2024 season. We ask that all coaches and Athletic Directors check the information regarding their school for accuracy.

The data used to compile these rankings comes from the iWanamaker system and the CIF-SS Golf app. Scores for all contests during the season must be entered into the CIF-SS Golf app to have our rankings be as accurate as they can be by the end of the season. All teams and individual players must have at least six (6) 9-hole rounds entered into the system to qualify for post season play.

Freelance entry petitions must be completed, forwarded, and received by the CIF Southern Section office by 9:00 a.m., Friday, October 4, 2024. The committee will review all petitions and selection for the tournament will be made; notification of acceptance into the Freelance Tournament will be made by a committee member.
