2024-2025 TRACK AND FIELD ADVISORY COMMITTEE

Over the past years, the CIF-SS office has worked with the concept of establishing advisory committees in most of the sports for boys and girls. The role of the advisory committee, comprised of coaches in the respective sport and an administrator from the CIF-SS office, may include the following:

1. Meetings
2. Recommendations for playoff sites
3. Recommendations for procedural changes
4. Recommendations for rule changes
5. Evaluation of sport season
6. Assistance to coaches and/or official's organizations
7. Liaison between coaches and the CIF-SS office

For your reference, members of the 2024-2025 Track and Field Committee and the Management Committee are:

| ADVISORY / MANAGEMENT COMMITTEE | |
|--|--------------------------------|
| JT Ayers, Trabuco Hills HS | Van Latham, Carpinteria HS |
| Rich Benoy | Bryan Leighliter, Gahr HS |
| Keith Chann, Temescal Canyon HS | Joe McNab, Notre Dame/SO HS |
| John Corona, ML King HS | Guadalupe Nieves, Ontario HS |
| Rob Dearborn, Moorpark HS | Mary Perez, Camarillo, HS |
| Mark Gardner, Corona HS | CB Richards, South Pasadena HS |
| Hal Harkness | Richard Rico, Ontario HS |
| Stirley Jones, Yorba Linda HS | Mo Russell, Mira Costa HS |
| Dennis Kelly, Trabuco Hills HS | Jaime Sandoval, Rosary HS |
| Jonas Koolsbergen, Harvard Westlake HS | Keith Thompson, Walnut HS |

TRACK AND FIELD CALENDAR DATES

The following is a capsule of the CIF Southern Section calendar for the Boys and Girls Track and Field season.

FIRST CONTEST:

The initial date on which a school may schedule and conduct an interscholastic contest is **SATURDAY, FEBRUARY 22, 2025.**

SCRIMMAGE:

A scrimmage is defined as:

An activity involving teams or individual student-athletes from two or more different schools in a CIF approve sport; AND

Where no official score is kept; AND

Where regulation time is not kept; AND

Where substitute rules are set aside; AND

Where coaches may stop play for instructional purposes; AND

Where no score/results are released to the media.

Number of Scrimmages: A maximum number of two (2) scrimmages are permissible prior to the first interscholastic contest (league or non-league)

LAST LEAGUE CONTEST:

All league competition for entries must end on or before **FRIDAY, MAY 2, 2025.**

MAXIMUM CONTEST:

An individual of a track and field team will be permitted to enter and participate in no more than a total of 14 dual, triangular or invitational (sanctioned) meets during the season, not including all-league or CIF Southern Section Championships.

COMPETITION IN ONE DAY:

No student will be permitted to enter two different meets on the same day. A student may compete in different classifications during a calendar week but not in the same meet. League prelims and finals are considered to be one meet, as are the CIF Southern Section prelims and finals.

PLAYOFF DATES: (see page 18 for detailed information)

Divisional Prelims: Saturday, May 10, 2025 – 4 sites

Divisional Finals: Saturday, May 17, 2025 – Moorpark High School

Masters Meet: Saturday, May 24, 2025 – Moorpark High School

State Track Meet: Friday and Saturday, May 30 and 31, 2024 - Clovis

TRACK AND FIELD APPROVED SANCTIONED EVENTS

Please refer to the CIF Southern Section website (www.cifss.org) for the latest Sanctioned Events, as events are updated daily.

CIFSSHOME.org REQUIREMENTS

VARSITY TEAM INFORMATION (ROSTER)

Attention Athletic Directors/Coaches: It is very important that you enter your entire Boys/Girls Track and Field roster into CIFSSHOME.org (no later than **WEDNESDAY, APRIL 30, 2025.**

Log in @ www.cifsshome.org (If you do not have a log in & password as a coach, check with your Athletic Director).

- Click on the “**Teams**” tab, click on “**Teams Manager**”, click on “Track , Boys or Track, Girls”, select “Vr”

You can UPLOAD your roster using the instructions below (1) or you can enter each player one by one (2).

Required roster information for Boys/Girls Track and Field is: First Name, Last Name, Birth date, Year, & Eligibility

(1) To ADD roster players one by one:

- Click on “+Add Players One By One” and complete fields required for Boys/Girls Track and Field.

(2) To Import a Roster using an Excel sample file:

- Download the [sample file](#) and delete the “contents only”.

- Copy and paste or type your roster information into the file as the contents and save the file to your computer.

- Only an excel file (**xls**) can be uploaded that is the exact same format as the sample file.

- Columns for information not required for your sport may be left blank, but the HEADER INFORMATION MUST REMAIN EXACTLY AS THE SAMPLE.

- Required Columns for Boys/Girls Track and Field are: First Name, Last Name, Birth date, Year, & Eligibility

- Click on “Choose File” to find your file, then click on “Import”

- To confirm the roster has been uploaded, your players’ names will be uploaded in the “**Official Roster**” section

- Click on the “Pencil” edit button next to the player’s name to view each player’s information.

IMPORTANT: Complete process for both Boys and Girls Track Rosters

RULES - BLUE BOOK BYLAWS - SPECIAL POINTS OF INTEREST

Following are key points/highlights coaches should review with their assistants and participants in reference to the NFHS Rule Book and CIF-SS rules and regulations as defined in the 2024-2025 Blue Book.

NFHS RULE CHANGES – Track (Spring 2025/Cross Country Fall 2025)

Track and Field Rules Changes – 2025

By NFHS on July 10, 2024

Track & Field/Cross Country

5-7-6: Adjusts the recall distance to within the first 50 meters. Rationale: Starters oversee recalling races in track and field events. 50 meters is sufficient in calling a fair start. Athletes are accelerating and are up to racing speed well before the 100-meter mark. In addition, the current recall distance is problematic depending on the number of officials on the track and location of field events that may obstruct the view of the 100-meter distance around the entire curve.

5-10 and 11: Reorganizes Sections 10 and 11 for ease of use. Rationale: Reorganization of Sections 10 and 11 concerning relay races and infractions. The change moves all infractions into Section 11 (Relay Infractions) for ease of use by officials.

5-13-3: Clarifies how to determine if an infraction occurred when an athlete leaves the track on a straightaway. Rationale: Provides guidance to the meet referee as to when an athlete leaves the track on a straightaway and whether or not a competitor should be disqualified.

6-2-2f (NEW): Offers officials guidance when warning competitors their time limit is about to expire. Rationale: This change gives athletes notification that their time limit is about to expire. Additionally, the change brings officiating practices in line with other rules codes while still giving the games committee options for using flags, signal clock or verbal signals.

6-2-2 CHART: Defines field event time limits for all competitors. Rationale: The change to the table and additions of the notes helps clarify the time limits of all competitors throughout the entire competition in field events.

6-3-2 NOTES 1: Clarifies the starting height in a jump-off with athletes at varying heights. Rationale: Aligns language in rules book with current situations and interpretations. Gives directions to officials and event judges for the starting height in a jump-off when athletes exit the event at varying heights due to passes. The jump-off will begin at the next height in the progression after the tying height.

6-8-2: Further defines an active flight and continuing flight. Rationale: The change clarifies the definition of an active flight (five-alive) and continuing flight (straight through) for vertical jump competitions.

6-9-22: Establishes a standard placement of the high jump crossbar and standards. Rationale: The change creates a standard distance for the placement of the high jump crossbar and standards.2024

Managing Vertical Jump Landing Systems: A Guide for Track and Field Officials

Excused Athletes

Time Limits in Vertical Jumps

False Starts

2. 3. 4. 1.

DISCUS CAGE SPECIFICATIONS

The use of a protective cage is required for the discus event. There will be a rear to the cage as well as sides that extend forward at least up to the front of the ring and preferably several feet beyond the front of the ring.

SUGGESTED DISCUS CAGE SPECIFICATIONS

Portable or permanent installation. It is recommended that the cage be constructed of heavy nylon netting or other material that will absorb the energy of the discus to prevent bounce back.

Suggested Specifications:

Height: 10' to 12'

Front Opening: 20'-24'

Distance from Corner Post to Sector Line: 4' to 5'

Distance from Center of Circle to Fencing: 10' to 11'

Fencing: Energy Absorbing Material

(a) 10' to 10'6"

(b) 10' to 11'

- Note:**
- 1) The above diagram of a discus throwing cage is designed to provide limited protection for competitors, officials and spectators in the immediate throwing area due to the nature of the event. It does not assure the safety of the aforementioned personnel.
 - 2) It is recommended that all throwing areas be roped and flagged to ensure the safety of spectators and athletes.

CIF RULES FOR THE POLE VAULT

The State CIF issues the following rules directive for immediate implementation in the pole vault event. National Federation Track & Field Rules 7-5-3 and 7-5-4 in the pole vault require important and necessary modifications in the conduct of the event. State High School Associations may exercise their authority to require a stricter enforcement of these rule changes. CIF coaches and officials must comply with and enforce all National Federation and State CIF rules. Failure to do so may jeopardize the safety of the event.

1. **Verification of Weight**

All coaches of high school track and field teams are required to present written verification to the starter-referee listing the current weight of each student pole vaulter prior to each high school meet. Such verification is to be recorded on an official **pole vault event card** appropriately designed with a space for the listing of the vaulter's weight plus the signature/initials of the coach. The pole vault event card is an **official record**.

a) **Dual Meets** - Each school shall enter competitors on their own event cards i.e. entrants from two or more schools should not be on the same entry card. Each school will be responsible for retaining a permanent file of the event cards in the office of its athletic director.

b) **Invitationals, League Championships, Section Championships, State Championships** - All entrants may be listed on a single event form and coaches are required, at check-in time, to enter the current weight for each vaulter, and place their initials on that official event form. The meet director is responsible for retaining the event form as an official record on permanent file.

2. **Inspection of the Poles - Penalty for Violation**

A. When the athlete checks in at the event, the pole vault event judge and/or the starter-referee will inspect the poles of each student vaulter to compare the signed, official pole vault event card (which lists each vaulter's current weight) against the numerical pole rating of all poles to be used by that student-vaulter. The above inspection shall be completed in order to approve each vaulter for subsequent practice vaults and official vaulting attempts. **Athletes who violate National Federation rule 7-5-3 which requires a vaulter to use a pole rated at the vaulters body weight, or above, will be disqualified from the pole vault event.**

NOTE: The CIF is not suggesting the event judge check the pole weight rating for every jump taken, but that the judge spot check the pole during warm-ups and competition for adequate compliance.

It is further clarified that should an athlete be disqualified; it would be a disqualification from the pole vault event only and not from the meet itself.

B. The pole vault event judge and/or starter referee may periodically check the poles of each student vaulter during practice or official vaulting attempts to insure: 1) the proper placement of a top hand-hold band 2) the numerical pole rating in one-inch numerals 3) proper pole bindings

REMARKING OF OLDER POLES

When the etching of printing listing the manufacturer's pole rating is no longer clearly visible, the pole may be remarked for possible use provided the pole has been reflexed according to the original manufacturer's specifications. The poles' numerical rating must be clearly marked according to National Federation rule specifications.

3. Safe Hand-Hold Zone - CIF Penalty for Violation

The top of the safe hand-hold zone shall be clearly marked with a one-inch circular band around the pole in contrasting color (National Federation Rule 7-5-3). **By State CIF rule, a violation of the safe hand-hold zone by a student-vaulter shall be deemed a failed try. A further violation shall be cause for disqualification.**

When checking for compliance, the one-inch circular band marking the top of the safe hand-hold zone must be "clearly visible" after the vaulter places his/her top hand next to that band.

4. Variable Weight Poles i.e. Training or Technique Poles

By State CIF rule, the variable weight pole shall not be used in any CIF high school competition. We note that expert vaulting coaches indicate there is some value in a variable weight pole, but its use must be restricted for short run, drill work and only during practice or training sessions and always under skilled supervision.

5. Box Collar Padding Requirement

7-5-24: Padding meeting the ASTM Specification Standards has been required since the start of the 2014-15 track season. Rationale: For the purpose of minimizing risk of injury to a pole vaulter, require that planting box padding shall meet the applicable ASTM Specification Standard.

ALL NATIONAL FEDERATION AND CIF RULES APPLY WHENEVER THE POLE VAULT EVENT IS CONTESTED REGARDLESS OF WHETHER THE EVENT IS SCORED OR NOT.

The landing surface measured beyond the back of the standard base protection pad, shall be a minimum of **19'8"** wide, and the dimension of the landing surface in back of the vaulting box to the back of the landing pad shall be **16'5"** deep. The material in the pad shall be high enough and of a composition that will **decelerate the landing**. When the landing pad is made up of two or more sections, the landing surface shall include a common cover or pad extending over all sections. (7-5-7) (7-5-8).

If the edges of the front, or landing pad, immediately adjacent to the planting box are not tapered, the back of the cutout may be placed no farther than **3 inches** from the top of the back of the planting box. (7-5-8)

The upright standards that support the crossbar shall be not less than **13'8" (4.16m) or more than 14'8" (4.48m)** apart, and the standards must include pins or holes for them to support the crossbar. (7-5-10)

The non-metal crossbar shall be **14'10" (4.52m)** in length, of uniform thickness, and shall have a weight of not more than 5 pounds. (7-5-11)

A planting box shall be located midway between the standards. This box shall be constructed of concrete, fiberglass, metal, or other hard surface material into which the vaulting pole is placed. The box shall be of dimensions indicated in the accompanying Diagrams A and B, and it shall be placed so the top edges are at

ground level. The box in Diagram B shall be constructed so that the sides slope outward at the end nearest the landing pit. The end of the planting box shall be placed at an angle of 105 degrees with the base of the box. **The front edge of the box shall not extend above the grade of the runway surface.** NOTE: It is recommended the planting box be of a color contrasting to the color of the runway. (7-5-12)

A minimum of 2" dense foam padding (box collar) shall be used to pad any hard and unyielding surface including **between the planting box and all pads.**

LANDING SYSTEM: The standards or uprights shall be set to position the crossbar from a point 18 inches (45.7c) beyond the vertical plane of the top of the stopboard, up to a maximum distance of 31.5 inches (80c) in the direction of the landing surface.

CIF POLE VAULT SIGN-IN/VERIFICATION FORM

NFHS Track and Field Rules Rule 7, Section 5 - Pole Vault

- Art 2 The vaulting pole may be of any material and of any length and diameter. It may have a binding of not more than two layers of adhesive tape of uniform thickness. However, the bottom of the pole may be protected by several layers of tape, PVC, metal, sponge rubber or other suitable material to protect it when placed in the planting box.
- Art 3 The competitor's weight shall be at or below the manufacturer's pole rating. The manufacturers must include on each pole: the pole rating that shall be a minimum of 1-inch in a contrasting color located within or above the top handhold position; a 1-inch circular band indicating the maximum top handhold position with the position being determined by the manufacturer. Prior to competition, the coach must verify that all of the schools' pole vaulters meet these requirements.
- Art 4 A competitor shall not use a variable pole, a pole which is improperly marked or a pole rated below his/her weight during warm-up or competition.

OTHER POINTS OF INTEREST -

1. **MAXIMUM CONTEST** - An individual of a track team will be permitted to enter and participate in no more than a total of 14 dual, triangular or invitational (sanctioned) meets during the season, not including all-league or CIF Southern Section Championships.
2. **MAXIMUM NUMBER OF MEETS/DAY** -- No student will be permitted to enter two different meets on the same day. A student may compete in different classifications during a calendar week but not in the same meet. League prelims and finals are considered to be one meet, as are the CIF Southern Section Prelims and Finals.

MAXIMUM NUMBER OF EVENTS: A STUDENT MAY ENTER A TOTAL OF NOT MORE THAN FOUR EVENTS IN ANY ONE MEET. These may be four running events or four field events or any combination of track and field events totaling not more than four.

3. **OUTSIDE COMPETITION** - (Unattached) competition is permissible for a student in other than school contests during the season of sport. Please refer to Blue Book Rule 600 regarding unattached competition which will highlight specific regulations in reference to athletes who compete unattached.
4. **PROPER UNIFORM** - All Athletes competing in track and field must be in proper team uniform and wear running shoes.
5. **LEVEL OF COMPETITION** -- No student shall participate in more than one level of competition in the same sport in the same day.
6. **RULES** – Track and Field competition in the CIF Southern Section is conducted under National Federation Rules, which are contained in the most current edition of the National Federation Track and Field Rule Books.
7. No interscholastic contests or practices of any kind are to be held on Sunday.

2024-2025 CIF-SS BOYS AND GIRLS TRACK AND FIELD PLAYOFF DIVISIONS

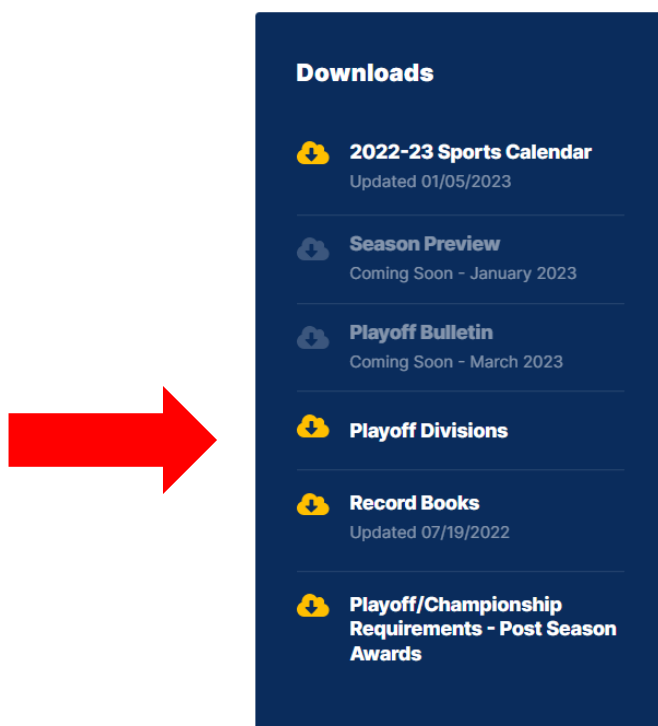

As a result of the CIF Southern Section Council decision (*March 23, 2000), for the 2024-2025 Track and Field season, league qualifiers for the CIF Southern Section Prelims will advance to their division based on the previous year's (2023-2024) CBED enrollment figures for their individual schools.

In order to address some concerns expressed by the Track and Field Advisory Committee and in an effort to avoid introducing, at this time, more drastic changes (i.e., additional minimum standards, capping entries, etc.) you will note that there have been some slight adjustments in the divisional makeup.

Leagues using Hy-Tek for their prelim/final meets must only use the school abbreviations listed on the divisional breakdown sheets. No other abbreviations can be used.

The Boys and Girls division placements can be found on the Track and Field sports page at www.cifss.org > Track and Field >Download button labeled "Playoff Divisions".

The Hytek Code for each school will also be listed on the Playoff Division page.

Friday and Saturday, May 30 and 31, 2025

CIF SOUTHERN SECTION MASTERS MEET 4 X 8 METER RELAY – added in 2023

4 x 800 meter relay

For the third year, the CIF-SS will contest a one-heat final per gender for the 4 x 800 relay at the Masters Meet (Saturday, May 17, 2025 at Moorpark HS) for qualification into the State CIF Meet in Clovis.

Fifteen (15) teams per gender will comprise each race at the Masters Meet. Four (4) teams per gender from the CIF-SS Masters Meet will qualify into the State CIF Meet in this relay.

ENTRY PROCESS TO COMPETE AT THE MASTERS MEET:

Participate > Submit Time > Qualify > Compete

1) Participate in any CIF-SS sanctioned invitational/meet in the 4 x 800 event during the 2024-25 CIF Southern Section track and field season of sport.

2) Submit your team's recorded fully automatic time (**FAT is required**) from that meet for inclusion on the CIF-SS 4x800 Leader List at the PrepCalTrack website (<https://prepcaltrack.com/>) by sending an email to CIFSS4x800@gmail.com . Times must be submitted via email no later than **Monday, May 5, 2025.**

3) The fifteen (15) fastest times in each gender will be notified of qualification prior to the 2024-2025 Masters Meet by the CIF-SS office.

4) The 4 x 800 relay will be contested in between the 200m and the 3200m at the Masters Meet.

IMPORTANT: If your school does not plan on actually entering a team in the 4 x 800 relay at the CIF-SS Masters Meet, **DO NOT** email your time to the above email address.

CIF SOUTHERN SECTION CHAMPIONSHIP QUALIFYING INFO

2025 QUALIFYING STANDARDS

1. League champions in the varsity league finals meet in each event will automatically qualify.
2. Second and third place finishers in the varsity league finals meet will qualify **IF** they meet the minimum standard for their event.
3. At-large entrant standards will be different from the minimum standards.
(*At-large standards can only be achieved in varsity league finals competition.)

**2025 QUALIFYING STANDARDS FOR 2nd & 3rd PLACE IN LEAGUE FINALS
and
2025 QUALIFYING STANDARDS FOR FREE LANCE & AT-LARGE ENTRIES**

will be posted on Track and Field page at www.cifss.org

LEAGUE MEET MANAGERS, LEAGUE COORDINATORS

All leagues should have, in their constitution, language dealing with the submission of league entries to the CIF Prelims. The process utilized for entry submission must be consistent with that approved language.

ATTN: HEAD COACHES - “WILD CARD” INCLUSION INTO CIF-SS PRELIMS

Any athlete or relay competing at their league finals meet who fails to achieve a top three result or a mark that meets the “at-large” standard for their CIF-SS division, but whose mark at their league finals meet is in the top twelve (including ties) for their Division as published on the CIF-SS Prelims performance list will advance into the meet.

Coaches with individual athletes or relay teams whose performance at the league finals meet puts them into this situation should confirm their top twelve status on the final CIF-SS Prelim performance list and contact the Prelim Meet Manager **via email** for their division with official results from their league finals meet so that their athlete can be included in the CIF-SS Prelim field as a “Wild Card” entry.

The **email** deadline for “Wild Card” entry submission to the Prelim Meet Manager is **10:00am** on the **Monday morning** following the submission of entries by league meet managers. League meet managers must submit “Wild Card” entry via email to the Divisional Prelim Meet Manager. Email information is listed below. **Anyone who misses the deadline will not be entered after that point.**
