SPECIAL NOTICE - INDIVIDUAL TENNIS

SUPERVISION OF ATHLETES

The Southern Section Office has experienced a problem which has perpetuated itself over the past few years as it pertains to proper supervision and entry of student-athletes in the post-season playoffs.

The situation relates only to individual sports, i.e. CROSS COUNTRY, INDIVIDUAL TENNIS, TRACK, SWIMMING, etc. and the official recognition and registration of entrants at the respective playoff sites.

State and Southern Section Rule 503 states:

No CIF team (i.e., individual) shall participate in inter-scholastic or approved competition with any other team unless the CIF team is under supervision as required by the California Administrative Code 49032 and CIF By-Law #503 (F). (Additionally, refer to Rule 123.) The supervisor must remain in attendance at all times.

Those persons APPROVED FOR SUPERVISION PURPOSES are limited to:

A. Certificated personnel

B. Certified Coaches (certified credentialed coaches)

C. Non-certificated temporary coaches (certified walk-on coaches.)

(It should be noted that schools representing the same DISTRICT may send one credentialed or certified supervisor for three or four athletes. These individuals have been recognized and are to continue to be recognized for registration and participation purposes in that the district has assigned the supervisory role for all students from its' member schools to this one individual.)

However, the concern is for those students who ARE NOT accompanied by a faculty representative and report to the playoff site by themselves or with a parent. ***GIVING PARENTS THE SUPERVISION AUTHORITY, WHETHER IN WRITING OR NOT, DOES NOT MEET THE STANDARDS SET FORTH IN THE ABOVE REGULATIONS. This also applies to parents who are the student=s private coach but are not under contract to the member school.***

PLEASE NOTE, THIS RULE WAS REVIEWED BY BOTH THE STATE CIF OFFICE, ITS GENERAL COUNSEL AND THE SOUTHERN SECTION EXECUTIVE COMMITTEE. IT HAS BEEN REAFFIRMED THAT THE INTERPRETATION STAND AS ABOVE AND THAT ANY STUDENT REPORTING FOR COMPETITION WHO IS NOT UNDER DIRECT SUPERVISION IN ACCORDANCE WITH STATE AND SOUTHERN SECTION RULE 503, IS TO BE DENIED ENTRY FOR PARTICIPATION IN THE COMPETITION.

As pointed out by the Southern Section and State CIF attorney, there are inherent liability problems when an individual competes in violation of said rule. Please review this rule with your staff in that it will be strictly enforced as per the above application.

CODE OF CONDUCT

The highest type of sportsmanship is expected from every player! An understanding of and a commitment to the points highlighted on this card are part of your responsibility as a player in a U.S.T.A. tournament. **Violators of this code or its spirit are subject to disciplinary action.**

1	Once you have entered a tournament, honor your commitment to play. Exceptions should occur only in cases of serious illness, injury, or personal emergency.
2	From the beginning of the match, play must be continuous. Attempts to stall or to extend rest periods for the purpose of recovering from a loss of physical condition (such as cramps or shortness of breath) are clearly illegal.
3	Intentional distractions that interfere with your opponent's concentration or effort to play the ball are against the rules.
4	Spectators, including parents, friends, and coaches, are welcome to watch and enjoy matches. Their role, however is clearly restricted to that of passive observer with no involvement of any kind during the match.
5	Players are expected to put forth a full and honest effort regardless of the score or expected outcome.
6	<p>Players are expected to maintain full control over their emotions and the resulting behavior throughout the match. If you begin to lose your composure during play, try the following:</p> <ul style="list-style-type: none"> \$ Take several deep breaths, exhale as slowly as possible and feel your muscles relax. \$ Concentrate on your own game and behavior while ignoring distractions from your opponent or surroundings. \$ Be your own best friend & enjoy your good shots and forget the poor ones.

ON-COURT RULES*

Take this card onto the court for reference!

If you have any doubt as to whether a ball is out or good, you must give your opponent the benefit of the doubt and play the ball as good. You should **not** play a let.

It is your obligation to call all balls on your side, to help your opponent make calls when the opponent requests it, and to *call against yourself* (with the exception of a first service) any ball that you clearly see out on your opponent's side of the net.

Any Aout@ or Alet@ call must be made instantaneously (i.e., made before either an opponent has hit the return or the return has gone out of play); otherwise, the ball continues in play.

Do **not** enlist the aid of spectators in making line calls.

If you call a ball out and then realize it was good, you should correct your call.

To avoid controversy over the score, the Server should announce the set score (e.g., 5-4) before starting a game and the game score (e.g., thirty-forty) prior to serving each point.

If players cannot agree on the score, they may go back to the last score on which there was agreement and resume play from that point, or they may spin a racket.

Foot faults are not allowed. If an opponent persists in foot faulting after being warned not to do so, the Referee should be informed.

\$ Do not stall, sulk, complain, or practice gamesmanship.

Wait until the players on another court have completed a point before retrieving or returning a ball.

**Excerpted from the official U.S.T.A. publication, The Code, whose principles and guidelines shall apply in any match conducted without officials.*
