QUALIFYING LEAGUE FINALS INTO DIVISIONAL PRELIMINARIES

DIVISIONAL PRELIMINARIES - QUALIFYING STANDARDS

Each league has been allotted 1 automatic entry per event for the Southern Section Divisional Track and Field Preliminaries.

1. The league champion in each event will automatically qualify. The athlete **MUST** have competed in the league finals and attained a time/mark in league finals. A disqualification, DNF, dropped baton, no height, etc. does **NOT** count as a qualifying mark and these athletes/relay teams will **NOT** be allowed to be advanced to Prelims
2. Second and third place finishers will qualify **IF** they meet the minimum standard for their event. That standard can only be achieved in the varsity league finals competition. In leagues with only four schools, there are only two total entries. Qualifying marks are available on the CIF-SS Website: <https://cifss.org/sports/track-field/>
3. Fourth place finishers and higher must meet the At-Large standard, available on the CIF-SS website: <https://cifss.org/sports/track-field/>

League Meet Managers are responsible for uploading results of their league finals to MileSplit by Friday May 1, 2026 at 11:59pm.

“WILD CARD” INCLUSION INTO CIF-SS PRELIMS

To be considered for wild card inclusion into CIFSS Prelims, any athlete or relay competing at their league finals meet will advance into the meet if:

- Athlete whose mark at their league finals meet is in the top twelve (including ties) for their division as published on the CIF-SS Prelims performance list on May 2, 2026 but failed to:
 - achieve a top three result at league finals
 - and/or failed to receive a mark that meets the “at-large” standard for their CIF-SS division at league finals

Coaches with individual athletes or relay teams whose performance at the league finals meet puts them into this situation should confirm their top twelve status on the final CIF-SS Prelim performance list on MileSplit on May 2, 2026 and contact the Prelim Meet Manager for their division with official results from their league finals meet so that their athlete can be included in the CIF-SS Prelim field as a “Wild Card” entry.

The deadline for “Wild Card” entry submission to the Prelim Meet Manager is **10:00am on Monday, May 4, 2026** following the submission of entries by league meet managers. **Anyone who misses the deadline will not be entered after that point.**

FREELANCE ENTRIES INTO CIF-SS PRELIMS STANDARDS

GENERAL INFORMATION (Divisional Finals and Masters Meet)

The Division Preliminary Meets and Championship Meet are considered under National Federation Rules as **ONE** meet. Coaches are reminded of Rule 4-2-1 & 2 limiting participation for each athlete to 4 events (including relays).

All competing athletes must wear a regulation uniform as specified in National Federation rules 4-3. All athletes competing must wear their school uniform at all times. No other non-school uniforms or clothing may be worn during warm up, competition, or in the awards area. **While in the area of competition the athlete must keep their uniform on. Area of competition includes the track and adjacent grass areas.** Jerseys will be required to be tucked into the shorts during competition. (Note: National Federation Rules: Rule 4-3-1 and Rule 3-2-4 (j))

All warmups for running events will take place on the grass field located near the stadium. Access to this area will be limited to athletes and coaches wearing identifying credentials. Members of the press with credentials may also be in this area for interview purposes. These interviews should in no way conflict with an athlete preparing for a later event. No member(s) of the general public will be allowed to enter the warmup field.

Runners must report to the Clerk of Course at least 15 minutes prior to the posted time schedule for their race or they will not be allowed to participate. Alternates should also report to the Clerks area in case of a scratch in that race. A loudspeaker system will keep all athletes informed of when they are to report. Hip numbers that are issued in the clerks' area are to be worn on the side seam of the competitors shorts. All athletes reporting to the Clerk should be in uniform, ready to compete on the track. **Coaches, media, parents ARE NOT PERMITTED IN THE CLERKS AREA. Coaches for Para/Unified athletes are permitted.**

In case of a tie in a running event, the run-off to break the tie will occur 30 minutes after the last running event.

The maximum length of spikes at all sites is 3/16 inch. All other spikes are strictly prohibited. All shoes will be checked at the athlete's entrance gate, the Clerk of Course, and by individual event officials. Suitable spikes will be available for purchase.

FinishLynx timing systems will be used with Hy-Tek results. All results will be made available online. In the Prelims, questions regarding the official results should be directed to the Meet Manager. In all other meets, the Coaches Corner will handle all questions regarding event results. Automatic timing to the thousandths of a second will be used to break ties.

Coaches are reminded that if an athlete must use an inhaler (atomizer) it will **NOT** be considered an illegal aid as long as a physician's statement documenting the need of the athlete to use a prescription during competition is presented to the Clerk of Course prior to the beginning of the meet.

The Referee and a Jury of Appeals will be available to rule on all non-judgement appeals submitted by the head coach of the concerned team. Appeals are to be submitted in writing to the Coaches Corner for Division Finals and Master Meets. Forms for appeals will be available from the Coaches Corner. The appeal **MUST** be lodged no later than 30 minutes after the results have been made available online. The Jury of Appeals will make the final decision regarding any appeal.

Awards will be given in each event in the Championship Meet and Master's Meet. In the **Championship**

Meet there will be medals for the first six place finishers in each of the four divisions and there will be team plaques for the winner and runner-up in each Division. At the Championship meet, the medals will be awarded in the field events at the conclusion of the event; and the medals will be awarded on the field for running events as soon as official results have been determined. At the **Masters Meet** there will be medals for first three place finishers at the conclusion of their event. Team scoring in **all** events for the Championship Meet will be:

1 st = 10 points	3 rd = 6 points	5 th = 4 points	7 th = 2 points	9 th = 0 points
2 nd = 8 points	4 th = 5 points	6 th = 3 points	8 th = 1 point	

No electronic devices will be allowed onto the track or infield areas with the exception of the pole vault coaching box. Any violation of the above rules may result in immediate disqualification and removal from the facility.

All athletes competing in all field events must wear a regulation uniform as specified in the National Federation rule 4-3. All athletes competing must wear their school uniform at all times. No other non-school uniforms or clothing may be worn during warm up, competition, or in the awards area. While in the area of competition the athlete must keep their uniform on. (Area of competition includes the track and adjacent field event areas). See National Federation Rules, page 24.

Implements must be provided by student-athletes. Management will not provide implements. Implements must be engraved with the appropriate weight. Implements need to be weighed and marked at the Master's Meet prior to check-in.

Athletes MUST also check in to the field event judge prior to the start of the competition in their division. Only those in uniform with identification will be permitted to enter the field. No coaches, media, or other personnel will be permitted.

Coaches and athletes are reminded of the National Federation Rule against athletes in field events crossing the track to confer with coaches in the stands. Coaches/athletes may meet only in the warm-up area south of the main stadium. Throwing competitors may confer with coaches only in unrestricted areas. Once an athlete has reported to a field event venue and checked in with event officials, he/she may only leave that venue to compete in another event or to use the restroom. During that excused time, viewing electronic images or video of current competition is not allowed.

The only exception would be where the field event venue/competition is in an unrestricted location. That would include a "coaching box, or off-field mixed area where athletes, coaches and spectators are allowed. Use of cell phones, pagers or other electronic communication devices is also prohibited and will result in immediate disqualification from the meet.

Field event athletes who are also in running events, need to advise the Field Event Judge of the running event and secure a release from the official. The athlete **MUST** report to the Clerk of Course when their event is called **AFTER** securing a release from the Field Event Judge. Competitors will be excused for a maximum of 30 minutes to compete in the running event and return to the field event. If the bar is raised in the High Jump or Pole Vault the athlete must jump at the new height. **The bar will not be lowered.**

The **Coaches Corner** will be located on the East side of the press box. Coaches should take any concerns to the Coaches Corner and express them in writing.

PLAYOFF FACILITY INFORMATION

FACILITY CLOSURES: As of May 3, 2026, no one other than athletes/coaches of the host school will be permitted access to the track and field facilities at any of the sites until the last competition has been held at that site.

INCLEMENT WEATHER - The decision to re-schedule or postpone the scheduled meets will be up to the Games Committee (Meet Managers and CIF-SS Administrators). Information regarding the meet will be distributed as early as possible to avoid conflicts with transportation and athlete preparations.

USE OF DRONES/DRONE VIDEOGRAPHY IS NOT PERMITTED. Drones are not allowed during contests at any level. Although there is not an actual State CIF rule against the use of drones, the FAA (Federal Aviation Administration) in its June 21, 2016, Summary of Small Unmanned Aircraft Rule states *"Small unmanned aircraft may not operate over any persons not directly participating in the operation."* Based upon this federal ruling the CIF State Office has instructed our section to deem it a safety hazard and to not allow the use of drones.

NO DOGS/PETS ALLOWED INSIDE FACILITIES! Please ask all parents and fans to leave all pets at home.

SUPERVISION OF ATHLETES – Bylaw 503

SPECIAL NOTICE

SUPERVISION OF ATHLETES

The Southern Section Office has experienced a problem which has perpetuated itself over the past few years as it pertains to proper supervision and entry of student-athletes in the post-season playoffs.

The situation relates only to individual sports, i.e. CROSS COUNTRY, INDIVIDUAL TENNIS, TRACK, SWIMMING, etc. and the official recognition and registration of entrants at the respective playoff sites.

State and Southern Section Rule 503 states:

No CIF team (i.e., individual) shall participate in inter-scholastic or approved competition with any other team unless the CIF team is under supervision as required by the California Administrative Code 49032 and CIF By-Law #503 (F). (Additionally, refer to Rule 123.) The supervisor must remain in attendance at all times.

Those persons APPROVED FOR SUPERVISION PURPOSES are limited to:

- A. Certificated personnel**
- B. Certified Coaches (certified credentialed coaches)**
- C. Non-certificated temporary coaches (certified walk-on coaches.)**

(It should be noted that schools representing the same DISTRICT may send one credentialed or certified supervisor for three or four athletes. These individuals have been recognized and are to continue to be recognized for registration and participation purposes in that the district has assigned the supervisory role for all students from its' member schools to this one individual.)

However, the concern is for those students who ARE NOT accompanied by a faculty representative and report to the playoff site by themselves or with a parent. ***GIVING PARENTS THE SUPERVISION AUTHORITY, WHETHER IN WRITING OR NOT, DOES NOT MEET THE STANDARDS SET FORTH IN THE ABOVE REGULATIONS. This also applies to parents who are the student's private coach but are not under contract to the member school.***

PLEASE NOTE, THIS RULE WAS REVIEWED BY BOTH THE STATE CIF OFFICE, ITS GENERAL COUNSEL AND THE SOUTHERN SECTION EXECUTIVE COMMITTEE. IT HAS BEEN REAFFIRMED THAT THE INTERPRETATION STAND AS ABOVE AND THAT ANY STUDENT REPORTING FOR COMPETITION WHO IS NOT UNDER DIRECT SUPERVISION IN ACCORDANCE WITH STATE AND SOUTHERN SECTION RULE 503, IS TO BE DENIED ENTRY FOR PARTICIPATION IN THE COMPETITION.

As pointed out by the Southern Section and State CIF attorney, there are inherent liability problems when an individual competes in violation of said rule. Please review this rule with your staff in that it will be strictly enforced as per the above application.
