ADVISORY COMMITTEE MEMBERS

Over the past years, the CIF-SS Office has worked with the concept of establishing advisory committees in virtually all the sports for boys and girls. This program is being continued into the 2019-2020 school term. The role of the advisory committee, comprised of coaches in the respective sport and an administrator from the CIF-SS Office, may include the following:

1. Meetings
2. Recommendations for playoff sites
3. Recommendations for procedural changes
4. Recommendations for rule changes
5. Evaluation of sport season
6. Assistance to coaches and/or officials’ organizations
7. Liaison between coaches and CIF-SS Office
8. Coordination of weekly Top Ten Poll - Although every effort is made to be as accurate as possible with the Top Ten selections, it should be realized that the poll is published to create interest in the sport and is dependent upon coaches’ input. It is understood that this is a coaches’ poll and that no students or parents are involved with the poll.

If you have suggestions or questions, please make use of this excellent channel of communication and pass them along to one of the committee members. We will be meeting on a regular basis during the current tennis season and your items will become part of our agenda.

RULES SECTION

CIF SOUTHERN SECTION GIRLS TENNIS GUIDELINES

BLUE BOOK RULES:
Following are key points tennis coaches should review with their assistants and participants in reference to CIF-SS rules and regulations as set down in the 2019-2020 Blue Book. This list is NOT all-inclusive and only highlights some of the key areas.

RULES:
All tennis matches in the CIF-SS will be played under USTA rules unless otherwise provided for in the CIF-SS Blue Book, CIF-SS Preview Bulletin or CIF-SS Playoff Bulletins. (See specific information listed below)

UNOFFICIAL ENTRANT:
The principal of each school shall be held responsible for the amateur standing and eligibility of the school's teams and team members under CIF rules. Ineligible students shall not compete as representatives of the school in any CIF contest. In CIF competition, no person shall be permitted to participate as an unattached athlete or unofficial entrant.

OUTSIDE COMPETITION BY AN INDIVIDUAL:
(a) During Individual's Season of Sport - A member of a high school tennis team may NOT during the season of sport, COMPETE for an outside team in the sport of tennis. A season of sport is defined as that period which begins with a student's first interscholastic competition (non-league, tournament or league match) and ends with that student's last interscholastic match (non-league, tournament, league or CIF-SS playoff).

(b) Unattached Competition - Unlimited unattached entry in outside competition in singles and doubles is permissible at any time in the sport of tennis.

2806. SUMMERTIME RULES
With the exception of the summer dead period, until the beginning of the first official starting date for fall sports, there shall be no restriction on high school coaches working with high school students registered and/or attending their respective high school or entering them in summer competition, provided approval is received from the school principal.

514. TOBACCO PRODUCTS PROHIBITED
The use of tobacco products in conjunction with any CIF Southern Section athletic contest is prohibited. This would include all those involved in the contest including players, coaches and officials.

INCIDENT REPORTS
All incidents, injuries, or disruptions, regardless of the degree of seriousness involved, should be reported in the event that further problems develop. The completed report is to be submitted to the Commissioner of Athletics of the CIF-SS and must be post-marked no later than the third school day following the incident. It is mandatory that an informational copy of the report be sent to the principal of the other school involved.
DUTIES OF THE PRINCIPAL - From the Blue Book

125.1 COACH EJECTION - Upon the ejection of a coach from any CIF Southern Section contest, it is the responsibility of the principal of said school to file a letter of explanation with the CIF Southern Section which includes the circumstances surrounding the matter and what action the principal has taken to prevent a recurrence. Said correspondence is to be filed within THREE school days of notification of the ejection. Additionally, upon ejection the head or assistant coach shall be disqualified from participating in the remainder of the game and will be ineligible for the team’s next contest.

125.2 FAILURE TO COMPLETE A CONTEST - When a school fails to complete a contest, due to a coach pulling his/her team from the floor, court, or field, it is MANDATORY that the CIF-SS Office be notified by the Principal within 24 hours (excluding holidays and weekends). The competing schools and officials will be required to file written reports, and after review of the aforementioned material, the principal of the school involved will be required to respond to the CIF Southern Section Office concerning his/her investigation of the incident.

- QUESTION: How serious is such action?
- ANSWER: It has been the position of the CIF-SS Executive Committee to expect the building principal of the school concerned to relieve the coach from his/her assignment for the balance of that season or the Executive Committee is empowered to consider recommendations for additional penalties.

ACCOUNTABILITY RULE:
The following is an excerpt from the article which appeared in the "Commissioner's Corner" in the CIF-SS January/February 1982 Bulletin. We hope it will prove helpful to coaches in understanding the Accountability Rule.

Without question, the most serious breach within the realm of our programs presents itself when an individual coach removes a team from the playing facility prior to the conclusion of a contest.

Ironically, the justification invariably lacks substance at a subsequent hearing -- personal dissatisfaction with an official or the citing of dangerous conditions is the usual tenor of that thrust.

It is also paradoxical that such action is spawned by the individual coach on the short end of the score at the time.

How serious is such an action?

It has been the position of the CIF-SS Executive Committee to expect the Principal of the school concerned to relieve the coach from his/her assignment for the balance of that season.

When one considers the focal point is to involve as many student-athletes in our programs as possible, we lack accountability to those considered the heart of our organization -- not to mention the officials, the entire student body, the district and the community.

Each individual contest, regardless of the sport, lasts but a few minutes. The damaging results from such an occurrence are timeless.

Administrators are urged to review this aspect and the potential consequences with their staffs at the start of each sport season -- it takes but a few minutes.
SPORT SPECIFIC INFORMATION:

DIVISION PLACEMENTS:

DIVISION PLACEMENTS – Spring sports division placements will be released in January 2020. The Boys Tennis divisional placements can be found on the boys tennis sports page at www.cifss.org > Boys Tennis > Download button labeled “Playoff Divisions”. The power point formula is used in determining the boys tennis division placements.

TEAM TENNIS PLAY FORMAT:

TEAM SIZE AND SCORING:
Each team shall consist of nine players: three singles and three doubles teams. No player may play both singles and doubles.

TEAM TOURNAMENT RESULTS:
When reporting your overall team win/loss record, include all team tournament matches played in any format.

GAME SCORING: “Deuce + 1”
When opposing players or doubles teams reach the score of “deuce” in any game, the player who is serving will serve the deuce and add points. If the score returns to “deuce”, the server will serve one more point to decide the game, and the receiver(s) may choose which side of the court to receive the serve on for the last point.

MATCH SCORING:
Both singles and doubles shall play a round robin, with singles players playing one set against each opposing singles player and doubles team playing one set against each opposing doubles team.
TIEBREAKER SYSTEM - (TO BE USED WHEN THE GAME SCORE OF A SET REACHES 6-6):
regular USTA tiebreaker (7 out of 12) will be used. One point is awarded for each singles or
doubles set won for a total of 18 team points. In case of a tie in points when all sets have been counted, the
total number of games (including any tie-break games) shall determine the winner.

If, at the end of the match, teams are tied 9-9 in points and also in total games, the following
procedure will be followed:

Another complete round robin is to be played, but, instead of sets, players will play only the
regular USTA tiebreaker (7 out of 12) against each opposing singles player or doubles team.
Each tie-break is recorded as one game. If teams are still tied, the total number of points in
the tie-break matches shall decide the winner. If the teams are still tied, the whole tie-break
round robin shall be repeated until a winner has been determined. There shall be no warm-
up, except that a player or team off the court for 10 minutes or more shall be entitled to a
one-time only 3-minute warm-up prior to starting. There shall be no rest period between tie-
break matches. Only those players competing at the end of the regulation match or any
unused substitutes shall be eligible for the round robin of tie-breakers.

Should a match not be completed, due to rain or darkness, with neither team having scored 10
points (or 9 points with an insurmountable game total), the contest shall be resumed on the next
possible day that conditions allow. It shall resume with the same lineup, set scores, game scores
and service rotation.

TEAM LINE-UP:
All players on both teams starting line-ups must be ready to begin at the designated starting time.
Any player(s) in the starting line-up arriving more than 10 minutes after the designated starting time
will make that set(s) subject to forfeiture. Late arriving players are eligible to play in the succeeding
round.

SUBSTITUTIONS:
If at any point during a team tennis match a player is injured, play may be halted for five (5) minutes,
ONCE only. A second stoppage causes a player/team to retire the set.

Teams may substitute for a singles player, a doubles team, or one-half of a doubles team at the end
of any round, before that player(s) was due to begin play in the next round. Once a player has been
removed from the lineup, the player shall not go back in to play in the match. Players shall not
switch between singles and doubles.

Rules governing substitutions:

1. The lineup exchanged at the beginning of the match must be used for the first round.
2. Potential substitutes must be listed on the opposing coach=s scorecard when the
   lineups are exchanged. Substitutes do not have to be physically present at the start
   of the match.
3. Before putting in a substitute(s) to play, the coach must notify the opposing coach as
to who the substitute(s) will play for and in which position in the lineup. The
   substitute(s) may have the 10 minutes to warmup, if needed with an opponent or
teammate.
4. Substitutions shall not delay the start of the next round.
5. If a player becomes ill or is injured, the usual timeout is allowed. If it is determined that the ill or injured player cannot continue, the current set shall be retired with the retiring player retaining any games won (example: if the score is 3-3, then the set is retired, 6-3 for the opponent). All succeeding sets played will count in the normal manner. (Adopted April 26, 2001, CIF-SS Council.)

DEFAULT/RETIRE:
A player may not default/retire any set other than due to injury. Once a player has defaulted/retired in any set, the player MAY NOT return to play in any subsequent set. A player who is removed (defaulted, retired, substituted, etc.) may not re-enter the match.

BALLS:
Home team provides six (6) cans of new USTA approved Penn tennis balls.

CONTINUOUS PLAY RULES:
The USTA continuous play rule shall be observed.

(a) All warm-ups (including ALL serves) must be taken before the first point is played.
(b) Warm-up time before the start of a singles or doubles team’s first set - 10 minutes.
(c) Warm-up time before the start of any subsequent set - 5 minutes.
(d) No pauses or stop in play is allowable except that players are allowed 90 seconds at the time they change sides of the court (including after the first game of each set in team play); no break is allowed in tiebreakers. NOTE: Both players/teams must be ready and the ball put into play at the end of the 90 seconds.

COACHING:
Coaching is permitted only between sets and during the 90 seconds allowed for changing sides (including after the first game of each set in team play), providing it does not distract opposing players or delay the start of play at the end of the allowable 90 seconds. This rule is applicable to both singles and doubles matches. Coaching is allowed by TWO coaches, designated by their high school, whose names are listed on the opposing coach’s line-up card. All team tennis finals are to be played at an alternate site. An official playoff bulletin will be posted prior to the end of the season.

DISPUTED LINE CALLS:
When players dispute line calls and an official is requested, the following should be done:

A. Request a USTA official to go on court.
B. In the absence of a USTA official, the coach from each school shall fill the role.
C. If B (above) is not possible, through mutual agreement, each coach will supply a linesperson.

The role of the linespersons shall be to make decisions ONLY when a players call is challenged by the opponent. The linesperson shall either uphold the original call or over rule in favor of the challenge.
**TEAM SCORE CONFIRMATION:** It is highly recommended that both head coaches and/or their scorekeepers confirm with each other, all singles/doubles set scores at the conclusion of each round of the match. Any disputes of set scores should be settled at that time and prior to the next round starting.

**USTA TENNIS PENALTY SYSTEM:**
The USTA Code of Penalties will be in effect throughout the Team Tennis Tournament.

In team matches PENALTY POINTS ARE CUMULATIVE (they carry over from one set to the next)
EXAMPLE: During the first set of a team match a player is given a penalty, the player’s first, so the player loses a POINT. During the second set the player is given another penalty, the player’s second, so the player loses a GAME. During the third set the player is given another penalty, the player’s third, so the player is DEFAULTED. Defaulted sets will be scored as 0-6.

In DOUBLES, penalty points are given to the doubles TEAM and carry over as such.

If a player is defaulted, the player cannot play any subsequent sets. A substitute may be used for succeeding sets.

**CODE OF CONDUCT:**

Spectators, including parents and friends are welcome to watch and enjoy matches. Their role, however, is clearly restricted to that of passive observer with NO INVOLVEMENT OF ANY KIND during the match.

~USTA

SUPERVISION OF ATHLETES:

State and Southern Section BYLAW 503 (E) states:

"No CIF team or individual shall participate in interscholastic or approved competition with any other team unless the CIF team is under supervision as required by the California Education Code 49032. See also Bylaw 503.F)".

It should be noted that schools representing the same district may send one credentialed or certified supervisor for three or four students. These individuals have been recognized and are to continue to be recognized for registration and participation purposes in that the district has assigned the supervisory role for all students from its member schools to this one individual. The supervisor must remain in attendance at all times.

However, the concern is for those students who are not accompanied by a faculty representative and report to the playoff site by themselves or with a parent.

PLEASE NOTE: THIS RULE WAS REVIEWED WITH BOTH THE STATE CIF OFFICE AND THE SOUTHERN SECTION EXECUTIVE COMMITTEE AND REAFFIRMED THAT THE INTERPRETATION STAND AS ABOVE AND THAT ANY STUDENT REPORTING FOR COMPETITION WHO IS NOT UNDER THE DIRECT SUPERVISION IN ACCORDANCE WITH STATE AND SOUTHERN SECTION BYLAW 503 (E), IS TO BE "DENIED" ENTRY FOR PARTICIPATION IN THE COMPETITION.

As pointed out by the Southern Section and State CIF Attorney, there are also inherent liability problems when an individual competes in violation of said rule. Please review this rule with your staff in that it will be strictly enforced as per the above application.

Preparing Your Athletes For Competition In Hot Weather

By Carl V. Swift, Ph.D.
Department of Exercise Science, University of Iowa

How To Acclimate Your Athletes

Athletes can acclimate their bodies to excessive heat and humidity by performing mild to moderate exercise in a hot environment. After one and one-half to four hours of exercise per day for five to fifteen days, the body will adjust (acclimate) to hot and humid weather conditions. Successful heat acclimatization results in (1) a lower resting body temperature, (2) lower skin and core temperature during exercise, (3) decreased exercise heart rate and metabolism, and (4) increased sweating and evaporative cooling. All of these changes help athletes safely improve their performance in hot weather. The acclimatization process is similar in men and women, is not influenced by the menstrual cycle, and does not seem to be affected by age.

Endurance training, even in a cool environment, produces physiological adjustments similar to those caused by heat acclimatization. Training and acclimatization erate athletes to exercise at considerably greater exercise intensities while maintaining safe acclimatization are required for an optimal ability to exercise in the heat.

How To Prevent Thermal Injuries

In preparing for outdoor competition under hot, humid conditions, warm up in the shade to avoid raising body temperature too high, too soon.

“Rest in the shade between competitive events. Exposure to the sun can cause blood to accumulate in the skin. This makes less blood available to muscles during subsequent exercise.”

“Wear minimal, loose-fitting clothing to help promote heat loss.”

“During prolonged exercise in the heat, body fluids lost as sweat must be replaced as frequently as possible to avoid dehydration and subsequent thermal injury. Drinking 12-16-20 ounces (1 to 2 cups) of fluid 15-20 minutes prior to competition is a good idea, but can not substitute for ingesting fluids during exercise.”

“Running through a shower or being hosed with water also will not prevent the rise in body temperature during exercise.”

“Fluids (e.g., sports drinks) ingested during exercise should contain 5-8 percent carbohydrate and a small amount of electrolytes. Such beverages will provide a source of fuel for the working muscles and will facilitate the absorption of water and glucose from the intestines.”

Throughout heavy work or prolonged exercise, at least eight ounces (1 cup) of fluid should be consumed every 15-20 minutes.

The pre-season regimen for competitive football, long distance running and other sports under hot and/or humid conditions should be preceded by one-to-two weeks of conditioning. This means working one-to-two hours per day in the heat, while wearing minimal clothing and drinking liberally. This will help athletes gradually achieve heat-acclimatization.

“Practice sessions under hot, humid conditions should be limited to very moderate workouts or be canceled.”

“Athletes who typically train and compete in cool weather but are scheduled to compete in the heat can markedly improve their heat tolerance by training in excess clothing. Carefully supervised use of this practice will stimulate a warm environment and improve the heat-acclimatization process. Similar to exercise in warm weather, frequent fluid consumption is a must during this type of exercise.”

Applying proper precautions prior to and during exercise can help athletes avoid thermal injuries.

“Techniques, such as warming-up in the shade, ingesting adequate fluids, and wearing loose-fitting clothing can safeguard athletes’ heat and maximize performance.”
