### IN-SEASON RANKINGS (NEW IN 2024-2025)

With the passage of the new competitive equity playoff system in January 2024 and changes to Bylaws 3519 and 3520, a weekly Top 10 poll will not be necessary. The playoff divisions will be created at the end of the regular season based on the current year's data utilizing a combination of WTN Power Rankings and team results calculated by Massey Ratings.

All member schools will need to claim their school from the USTA platform and enter their scores and rosters in the USTA platform. The USTA will email information to tennis coaches and Athletic Directors at our CIFSS member schools. They will also provide training sessions and webinars. For questions regarding this process, please email [CIF@scta.usta.com](mailto:CIF@scta.usta.com).

Additionally, it is **IMPERATIVE** that schools/teams **MUST** enter results, match-by-match, in CIFSSHome during the regular season as well as submit team rosters with players rankings (if applicable). This information is vital to rankings during the season and bracketing for the playoffs. As we move toward current year data for playoffs, failure to complete these requirements will affect schools/teams ability to participate in the playoffs. See Bylaw 3519.3 and 3519.

## RULES SECTION

### BLUE BOOK RULES:

Following are key points tennis coaches should review with their assistants and participants in reference to CIF-SS rules and regulations as set down in the 2024-2025 Blue Book. This list is NOT all-inclusive and only highlights some of the key areas.

### RULES:

All tennis matches in the CIF-SS will be played under USTA rules unless otherwise provided for in the CIF-SS Blue Book, CIF-SS Preview Bulletin or CIF-SS Playoff Bulletins. See specific Blue Book information listed below:

- STANDARDS OF ELIGIBILITY – BYLAW 201  
<https://cifss.org/resources/blue-book/?gotopage=53>
- BASIC ELIBILITY REQUIREMENTS FOR PARTICIPATION – BYLAW 220  
<https://cifss.org/resources/blue-book/?gotopage=92>
- ACCOUNTABILITY – BYLAW 125

- PLAYER CONDUCT – BYLAW 503.M  
<https://cifss.org/resources/blue-book/?gotopage=101>
- SUMMERTIME RULES/SUMMER DEAD PERIOD/SUNDAY RESTRICTION – BYLAW 1223  
<https://cifss.org/resources/blue-book/?gotopage=140>
- PRACTICE ALLOWANCE – BYLAW 506

<https://cifss.org/resources/blue-book/?gotopage=116>
- PLAYOFFS – BYLAW 3500  
<https://cifss.org/resources/blue-book/?gotopage=209>

- SUPERVISION OF ATHLETES – BYLAW 503  
<https://cifss.org/resources/blue-book/?gotopage=97>

CIF State and Southern Section BYLAW 503 (E) states:

"No CIF team or individual shall participate in interscholastic or approved competition with any other team unless the CIF team is under supervision as required by the California Education Code 49032. (See also Bylaw 503.F)".

It should be noted that schools representing the same district may send one credentialed or certified supervisor for three or four students. These individuals have been recognized and are to continue to be recognized for registration and participation purposes in that the district has assigned the supervisory role for all students from its member schools to this one individual. The supervisor must remain in attendance at all times.

However, the concern is for those students who are not accompanied by a faculty representative and report to the playoff site by themselves or with a parent.

PLEASE NOTE: THIS RULE WAS REVIEWED WITH BOTH THE STATE CIF OFFICE AND THE SOUTHERN SECTION EXECUTIVE COMMITTEE AND REAFFIRMED THAT THE INTERPRETATION STAND AS ABOVE AND THAT ANY STUDENT REPORTING FOR COMPETITION WHO IS NOT UNDER THE DIRECT SUPERVISION IN ACCORDANCE WITH STATE AND SOUTHERN SECTION BYLAW 503 (E), IS TO BE "DENIED" ENTRY FOR PARTICIPATION IN THE COMPETITION.

As pointed out by the Southern Section and State CIF Attorney, there are also inherent liability problems when an individual competes in violation of said rule. Please review this rule with your staff in that it will be strictly enforced as per the above application.

## USTA HANDBOOK OF RULES AND REGULATIONS:

The following link provides current rules and regulations from the USTA. Please review with tennis coaches and assistants.

## SPORT SPECIFIC INFORMATION:

## DIVISION PLACEMENTS:

The Boys Tennis playoff divisions will be created at the end of the regular season based on the current year's data using the USTA First Serve ranking system.

# USTA Serve Tennis High School Module

## Ratings and Ranking

### What is the ITF World Tennis Number?

The International Tennis Federation (ITF) developed the ITF World Tennis Number (WTN) for singles and doubles, providing a global standard for players. Using a 40-1 scale, with 40 being a beginner and 1 being an elite professional, this scale is for all players, regardless of age, gender or ability.

### Why did the USTA adopt the WTN?

WTN, has been adopted in 170+ countries, is designed to make playing and competing more fun. It is one of the most advanced and accurate rating systems in the world.

### How do I get a WTN?

A player earns a WTN from participation in and results from USTA tournaments, Junior Team Tennis, USTA League and CIF (SoCal) plus ITF events. Players can access their WTN on [usta.com](http://usta.com).

### How does WTN work?

WTN is calculated by an algorithm that takes into account pre-match rating, match score and results. A player's WTN changes depending on the match score and how it compares to the pre-match projection of the outcome. Current results carry more weight, and match results are analyzed at the set level; the algorithm takes into account each individual set as its own result.

### What are some benefits of the WTN?

WTN benefits players, providers and coaches alike by:

- Identifying players at your level for closer matches, more fun and more improvement
- Tracking your progress, as well as your favorite players, friends, professionals and local competition, and making comparisons to improve your game
- Grouping, seeding, and comparing players and teams. Helping college coaches evaluate prospective student-athletes worldwide

### How will the USTA use WTN?

WTN is seamlessly integrated into Serve Tennis to aid tournament directors, commissioners, referees, and providers in seeding, selection, grouping, flighting and setting up banded

events.

### Does the WTN cost anything?

The WTN is a no-cost solution for a dynamic rating for providers to group players, and for players, parents and coaches to track progress over time. It is a free tool for providers and players.

### How does WTN differ from a ranking?

Match wins make up your USTA ranking. Ranking points are awarded by either points per round or points per win, depending on the tournament level. Match scores make up your WTN rating. Match scores are analyzed at set level. The algorithm takes into account each individual set as its own result.

### USTA Rankings - National Standings List

How is the National Standings list calculated?

- 100% of the singles ranking points from a player's 6 best Junior Ranking Tournaments
- 15% of the ranking points from a player's best 6 doubles and/or mixed doubles Junior Ranking Tournaments played.
- Ranking Points earned in an older age division tournament count towards a player's standing in one or more younger age divisions provided that a Junior Ranking Tournament has been played in the division and they are among the player's best 6 results.
- 20% of the Ranking Points earned in a younger age division tournament count towards a player's standing in the next-older age division if they are among the player's best 6 results, regardless of whether a Junior Ranking Tournament has been played in that division.

### CIF Southern Rankings- calculation method to be determined by CIF Southern Tennis

WTN is used to establish both USTA Rankings and CIF Rankings but each governing body maintains and administers its own ranking list.

## TEAM TENNIS PLAY FORMAT:

### TEAM SIZE AND SCORING:

Each team shall consist of nine players: three singles and three doubles teams. No player may play both singles and doubles.

### TEAM TOURNAMENT RESULTS:

When reporting your overall team win/loss record, include all team tournament matches played in any format.

### GAME SCORING: "Deuce + 1"

When opposing players or doubles teams reach the score of "deuce" in any game, the player who is serving will serve the deuce and add points. If the score returns to "deuce", the server will serve one more point to decide the game, and the receiver(s) may choose which side of the court to receive the serve on for the last point. It is recommended that the second deuce be called out as "1" or "deuce + 1" by the serving player. In doubles, the player to receive the final point must receive on the same side of the court that the player has been receiving during that set.

### MATCH SCORING:

Both singles and doubles shall play a round robin, with singles players playing one set against each opposing singles player and doubles team playing one set against each opposing doubles team.

### TIEBREAKER SYSTEM - (TO BE USED WHEN THE GAME SCORE OF A SET REACHES 6-6):

regular USTA tiebreaker (7 out of 12) will be used. One point is awarded for each singles or doubles set won for a total of 18 team points. In case of a tie in points when all sets have been counted, the total number of games (including any tie-break games) shall determine the winner.

If, at the end of the match, teams are tied 9-9 in points and also in total games, the following procedure will be followed:

Another complete round robin is to be played, but, instead of sets, players will play only the regular USTA tiebreaker (7 out of 12) against each opposing singles player or doubles team. Each tie-break is recorded as one game. If teams are still tied, the total number of points in the tie-break matches shall decide the winner. If the teams are still tied, the whole tie-break round robin shall be repeated until a winner has been determined. There shall be no warm-up, except that a player or team off the court for 10 minutes or more shall be entitled to a one-time only 3-minute warm-up prior to starting. There shall be no rest period between tie-break matches. Only those players competing at the end of the regulation match or any unused substitutes shall be eligible for the round robin of tie-breakers.

Should a match not be completed, due to rain or darkness, with neither team having scored 10 points (or 9 points with an insurmountable game total), the contest shall be resumed on the next possible day that conditions allow. It shall resume with the same lineup, set scores, game scores and service rotation.

### TEAM LINE-UP:

All players on both teams starting line-ups must be ready to begin at the designated starting time. Any player(s) in the starting line-up arriving more than 10 minutes after the designated starting time will make that set(s) subject to forfeiture. Late arriving players are eligible to play in the succeeding round.

### SUBSTITUTIONS:

If at any point during a team tennis match a player is injured, play may be halted for five (5) minutes, ONCE only. A second stoppage causes a player/team to retire the set.

Teams may substitute for a singles player, a doubles team, or one-half of a doubles team at the end of any round, before that player(s) was due to begin play in the next round. Once a player has been removed from the lineup, the player shall not go back in to play in the match. Players shall not switch between singles and doubles.

Rules governing substitutions:

1. The lineup exchanged at the beginning of the match must be used for the first round.
2. Potential substitutes must be listed on the opposing coach=s scorecard when the lineups are exchanged. Substitutes do not have to be physically present at the start of the match.
3. Before putting in a substitute(s) to play, the coach must notify the opposing coach as to who the substitute(s) will play for and in which position in the lineup. The substitute(s) may have the 10 minutes to warmup, if needed with an opponent or teammate.
4. Substitutions shall not delay the start of the next round.
5. If a player becomes ill or is injured, the usual timeout is allowed. If it is determined that the ill or injured player cannot continue, the current set shall be retired with the retiring player retaining any games won (example: if the score is 3-3, then the set is retired, 6-3 for the opponent). All succeeding sets played will count in the normal manner. (Adopted April 26, 2001, CIF-SS Council.)

### DEFAULT/RETIRE:

A player may not retire any set other than due to illness or injury. Once a player has retired in any set, the player may not return to play in any subsequent set. A player who is removed (defaulted, retired, substituted, etc.) may not re-enter the match. A player can only be defaulted for late arrival (no show) or USTA Code violations (3). Score is 6-0 to opponent.

### BALLS:

Home team provides six (6) cans of new USTA approved Penn tennis balls.

### CONTINUOUS PLAY RULES:

The USTA continuous play rule shall be observed.

- (a) All warm-ups (including ALL serves) must be taken before the first point is played.
- (b) Warm-up time before the start of a singles or doubles team's first set - 10 minutes.
- (c) Warm-up time before the start of any subsequent set - 5 minutes.
- (d) No pauses or stop in play is allowable except that players are allowed 90 seconds at the time they change sides of the court (including after the first game of each set in **team** play); no break is allowed in tiebreakers. NOTE: Both players/teams must be ready, and the ball put into play at the end of the 90 seconds.

### COACHING:

Coaching is **permitted** only between sets and during the 90 seconds allowed for changing sides (including after the first game of each set in **team** play), providing it does not distract opposing players or delay the start of play at the end of the allowable 90 seconds. This rule is applicable to both singles

and doubles matches. **Coaching is allowed by TWO coaches, designated by their high school, whose names are listed on the opposing coach's line-up card.** An official playoff bulletin will be posted prior to the end of the season.

DISPUTED LINE CALLS:

When players dispute line calls and an official is requested, the following should be done:

- A. Request a USTA official to go on court.
- B. In the absence of a USTA official, the coach from each school shall fill the role.
- C. If B (above) is not possible, through mutual agreement, each coach will supply a linesperson.

The role of the linespersons shall be to make decisions **ONLY** when a player's call is challenged by the opponent. The linesperson shall either uphold the original call or overrule in favor of the challenge.

**TEAM SCORE CONFIRMATION:** It is highly recommended that both head coaches and/or their scorekeepers confirm with each other, all singles/doubles set scores at the conclusion of each round of the match. Any disputes of set scores should be settled at that time and prior to the next round starting. Both opponents must report score to the tournament desk immediately upon completion of each set.

USTA TENNIS PENALTY SYSTEM:

The USTA Code of Penalties will be in effect throughout the Team Tennis Tournament.

In team matches **PENALTY POINTS ARE CUMULATIVE** (they carry over from one set to the next)

**EXAMPLE:** During the first set of a team match a player is given a penalty, the player's first, so the player loses a **POINT**. During the second set the player is given another penalty, the player's second, so the player loses a **GAME**. During the third set the player is given another penalty, the player's third, so the player is **DEFAULTED**. Defaulted sets will be scored as 0-6.

In **DOUBLES**, penalty points are given to the doubles **TEAM** and carry over as such. If a doubles **TEAM** gets 3 penalty points, this **TEAM** has defaulted and may be replaced by a substitute team.

If a player is defaulted, the player cannot play any subsequent sets. A substitute may be used for succeeding sets.

## CODE OF CONDUCT:

Spectators, including parents and friends are welcome to watch and enjoy matches. Their role, however, is clearly restricted to that of passive observer with NO INVOLVEMENT OF ANY KIND during the match.

~USTA

## **EXTREME HEAT AND AIR QUALITY POLICY FOR THE CALIFORNIA INTERSCHOLASTIC FEDERATION**

As per **CA State Law AB 1653** and CIF Bylaw 503 K. Heat Illness and Air Quality Index Protocols, **all CIF member schools must adhere to the CIF Heat Illness Prevention and Heat Acclimatization Policies as outlined below.**

### **Extreme Heat Procedures:**

The WetBulb Globe Temperature (WBGT) is a measure of the heat stress in direct sunlight, which takes into account: temperature, humidity, wind speed, sun angle, and cloud cover (solar radiation). This differs from the Heat Index, which takes into consideration temperature and humidity and is calculated for shady areas. The WBGT is especially valuable in environments where people are physically active, such as sports, as it provides a better assessment of the risk of heat-related conditions during physical exertion. The CIF requires that schools use the WBGT for the most accurate measurement.

Depending on your Category Region (see map below), it is mandated for the benefit of the health and safety of our student-athletes that practice/games be canceled, or delayed until cooler when WBGT exceeds these levels:

- Region Category 1 >86.2°F
- Region Category 2 >89.9°F
- Region Category 3 >92.0°F

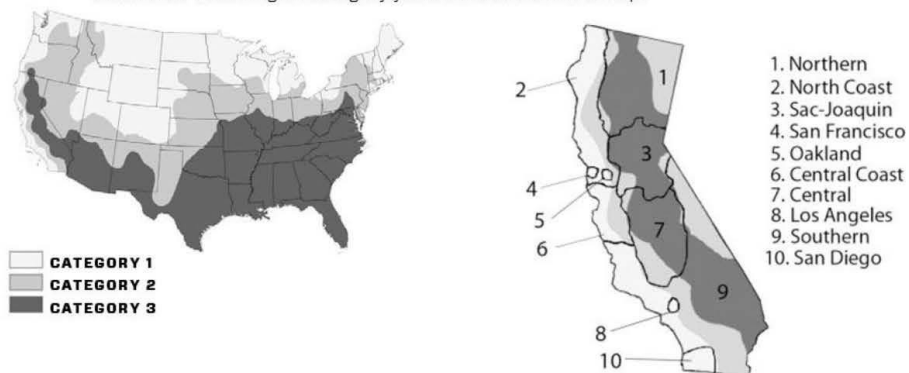

### **STEP 1**

#### **Find your Region Category**

Based on the following map, schools should select the category that best fits their region to follow the required guidelines shown below.

The majority of states fall under just one category or two at the most. However, due to its diverse climate across the state, California encompasses all three categories: light gray - Category 1 / medium gray - Category 2 / dark gray - Category 3. (See image below).

Determine which region category you are in based on the map.

**STEP 2**

**WBGT Readings** (Note: Temperatures listed in the chart below are calculated using a WBGT and are **not** basic air temperatures) Please see Step 3 below for samples of WBGT readings.

Cat 3	Cat 2	Cat 1	Outdoor Activity Guidelines
<82.0°F <27.8°C	<79.7°F <26.5°C	<76.1°F <24.5°C	Normal Activities – Provide at least three separate rest breaks each hour with a minimum duration of 3 min each during the workout.
82.2 - 86.9°F 27.9 - 30.5°C	79.9 - 84.6°F 26.6 - 29.2°C	76.3 - 81.0°F 24.6 - 27.2°C	Use discretion for intense or prolonged exercise; Provide at least three separate rest breaks each hour with a minimum duration of 4 min each.
87.1 - 90.0°F 30.6 - 32.2°C	84.7 - 87.6°F 29.3 - 30.9°C	81.1 - 84.0°F 27.3 - 28.9°C	Maximum outdoor practice time is 2 h. Provide at least four separate rest breaks each hour with a minimum duration of 4 min each. <u>For Football/Field Hockey:</u> players are restricted to helmet, shoulder pads, and shorts during practice. If the WBGT rises to this level during practice, players may continue to work out wearing full pads without changing to shorts.
90.1 - 91.9°F 32.2 - 33.3°C	87.8 - 89.6°F 31.0 - 32.0°C	84.2 - 86.0°F 29.0 - 30.0°C	Contests are permitted with additional hydration breaks. Maximum outdoor practice time is 1 h. No protective equipment may be worn during practice, and there may be no conditioning activities. There must be 20 min of rest breaks distributed throughout the hour of practice.
≥92.1°F ≥33.4°C	≥89.8°F ≥32.1°C	≥86.2°F ≥30.1°C	No outdoor workouts/contests. Delay practice/competitions until a cooler WBGT is reached.

#### **CIF Fall Outdoor Sports Acclimatization Policy**

Given the extreme heat issues typically experienced at the start of the Fall sports season, heat acclimatization is crucial for high school athletes to help them adapt to hot weather conditions and reduce the risk of heat-related illnesses. The following is a four-step plan for heat acclimatization in outdoor high school sports:

1. **Gradual Increase in Activity:**
  - Start with light workouts in cooler conditions to prepare athletes for increased heat exposure.
  - Gradually increase the intensity and duration of practice sessions over 10-14 days.
2. **Hydration Education:**
  - Teach athletes the importance of staying hydrated and recognizing signs of dehydration.
  - Encourage regular water breaks during practice and games and always provide access to water.
3. **Modify Practice Schedules:**
  - Schedule outdoor practices during cooler times, like early morning or late evening.
  - Allow frequent breaks and shade to help athletes cool down and recover.
4. **Monitor Athlete Health:**
  - Educate coaches, trainers, and athletes on the signs of heat-related illnesses (heat exhaustion and heat stroke).
    - The school will have available a method to institute whole-body cooling to treat a student-athlete with exertional heat illness, especially heat stroke (e.g., ice tub, "taco tarp", ice towels) which is easily accessible at all practice and contest venues.

Safety should always be the top priority when acclimating high school athletes to hot weather conditions. This plan helps athletes adapt while minimizing the risk of heat-related issues.

#### **For All Outdoor Fall Sports**

**Five-Day Acclimatization Period.** Preseason practice shall begin with a five-day acclimatization period for all Fall student-athletes. All student-athletes, including those who arrive at preseason practice after the first day of practice, are required to undergo a five-day acclimatization period. The five-day acclimatization period shall be conducted as follows:

- (a) Participants shall not engage in more than one on-field practice per day during the five-day acclimatization period. On-field practices shall last no longer than two hours.

#### **For Football Only**

- (b) During the first three days of practice or testing activity, helmets shall be the only protective equipment student-athletes may wear. During the next two days of practice or testing activity, helmets, and shoulder pads shall be the only protective equipment student-athletes may wear. Student-athletes may practice in full pads on the sixth day of practice or testing activity.
