8-MAN FOOTBALL SCHOOLS

FROM: RICH SHEARER, ASSISTANT COMMISSIONER

DATE: OCTOBER 2021

RE: 2021 CIF-SOUTHERN SECTION 8-MAN FOOTBALL PLAYOFFS

On the 8-Man Football page at [www.cifss.org](http://www.cifss.org) is the list of schools in Division 1 and Division 2 for the 2021 8-Man Football Playoffs. As per CIF Southern Section policy, League Coordinators will submit the names of their league entries to this office. All 8-Man Division League Champions will be guaranteed entry into the playoffs. The 8-Man Division 1 draw and the 8-Man Division 2 draw will have a minimum 8 team bracket, or maximum 16 team bracket based on the number of entries..

## EIGHT-MAN FOOTBALL PLAYOFF FORMAT

1. The 8-Man Football Playoffs will consist of 2 divisions. Schools will be placed into their appropriate playoff divisions based on their CBEDS enrollment number on October 1, 2020. NOTE: By rule, if a school has experienced a 15% increase or decrease in their total school enrollment between October 1, 2020 and October 1, 2021, a school may petition for re-classification into another payoff division based on that increase or decrease in total school enrollment. Petitions for re-classification must be filed with the C.I.F.-SS Office prior to October 1, 2021, or they will not be considered.

Only the champions of each league will be guaranteed automatic entry into the playoffs in each division, with the remaining berths in each draw filled by at-large teams, using the criteria listed below. Also, the total numbers of 8-Man football schools are to be divided into two divisions.

2. Guaranteed entries will only be accepted from leagues where members have **PLAYED** at least 3 league contests (forfeitures will not be accepted).
3. The remainder of the bracket will be filled by at-large teams, which include freelance teams, as well as league schools who do not qualify automatically.
4. No team may qualify for the playoffs, either as a guaranteed entry, or as an at-large team, unless they have actually played 6 contests (no forfeits).

**NOTE:** Should the number of guaranteed playoff entries fail to complete a full bracket, this will necessitate the inclusion of at-large teams. The following criteria and procedures will be used to accomplish this task.

- (1) Leagues will have the option of entering at-large teams for consideration should they desire (see process below). Each individual school must also complete an at large application.
- (2) All automatic and at-large entries must be submitted to the CIF-SS no later than 11:00 p.m. on the Saturday evening for the weekend in which the playoff draw will be completed.
- (3) Schools which are being submitted as at-large entries **MUST** submit to this office by 11:00 p.m. the Saturday of the weekend in which the playoff draw is finalized, on the proper form which lists all contests played, results of same and any further background information the at-large selection committee should be appraised of in determining the teams which will be selected for the filling of byes.
- (4) The Selection Committee, with the full support of the CIF-SS Football Coaches Advisory Committee, will utilize the following criteria in its selection process, with each category below having the specific weight listed:

## **AT LARGE ENTRIES**

Each school desiring admission into the playoffs, must complete an 8-Man Football At-Large Application Form in [www.cifsshome.org](http://www.cifsshome.org) before they can be considered. **All at-large applications must be in this office by 11:00 p.m., Saturday, October 30, 2021,** or your school will not be considered for the 8-Man Football Playoffs.

AT-LARGE TEAMS MUST HAVE A .500 RECORD OR BETTER FOR THEIR COMPLETED SCHEDULE TO BE CONSIDERED. A TIE CONTEST WILL COUNT AS ½ WIN AND ½ LOSS AS THE CRITERIA FOR .500 OR BETTER RECORD ( A RECORD OF 4-4-1 WOULD BE CONSIDERED AS QUALIFYING.)

If there are still openings in the bracket after all of the Guaranteed Entries and .500 or better at-large teams have been taken, then below .500 teams will be taken into consideration to fill any remaining openings in the bracket.

The Selection Committee, with the full support of the CIF-SS Football Coaches Advisory Committee, will utilize the following criteria in its selection process, with each category below having the specific weight listed:

- (a) Head-to-head competition of teams under consideration (4 points)
- (b) Overall strength of the league from which the team is entered (1 point)
- (c) Overall win-loss record (1 point)
- (d) Strength against common opponents (1 point)
- (e) Strength of schedule (2 points, using overall win-loss record of opponents)

A LIST OF AT LARGE TEAMS GRANTED ENTRY WILL BE POSTED ON CIFSS.ORG  
BY 6:00 pm SUNDAY, NOVEMBER 3, 2019.

## **AT LARGE APPLICATION**

***Check out the Help video under the Help tab on the bottom left, "Be CIF Prepared!"***

## **DETERMINATION OF SITES/DATES**

In the first round of the playoffs, the arrangement shall be as follows: The Commissioner shall match the teams for first-round playoff contests and the host school for these games shall be pre-determined by the Commissioner. In cases where a first team representative meets an at large representative in an opening-round game, the first team representative will be designated as the host team. Where two first, or at large representatives meet in the opening round, a coin flip will take place to determine the host school, prior to the publishing of the draw, to determine the host school. Leagues are responsible for developing the priority for their representatives.

The decision of who shall be the host team, after the first round of competition, is the responsibility of the Commissioner. In cases where two teams are paired after the first round of the playoffs, the team having the fewest number of host games in playoff competition in the entire draw, shall be designated as the host team. When both teams have had an equal number of host playoff contests, the Commissioner shall toss a coin to decide that host team. When a school has been designated as the host school for a playoff contest, it shall (1) act in that capacity unless excused by the Commissioner, and (2) be considered the host team regardless of where the game is being played.

The designation of "host" does not guarantee the game will be played at the host school's facility. It does designate the responsibility for management of the contest, which includes suggesting a site that will handle the anticipated crowd. A host school may use its home site facility if it can safely provide for the anticipated crowd. Approval of the site will be made by the Southern Section office, after taking into consideration input from the participating schools and evaluation of crowd sizes from previous years.

## **PLANNING MEETING**

Member schools, on occasion, have reported they have encountered problems in crowd control at night football games. In some instances, there have been fights, games suspended, reports of vandalism and serious problems in the parking lots. This again points up the extreme need for proper preparation and pre-game planning for all football playoff contests.

It is **required** that administrators from the two competing schools discuss details connected with the staging of the contest. Visiting students and supporters should be given detailed information regarding the best method of reaching the site of the contest, where to park, where to enter the stadium and where their allotted seats are located. The half-time entertainment, and all activities connected with the game, should be thoroughly worked out.

## **CIF-SS OFFICE ARRANGEMENTS**

With a very limited amount of time between each round of the playoffs, a tremendous strain is placed on the staff at the CIF-SS office, in arranging the myriad of details connected with insuring a successful playoff activity. Game sites must be established, officials secured, press credentials issued and press releases distributed. To expedite matters, our staff will be in the office on Saturday, November 6, Saturday, November 13 and Saturday, November 20 during the playoffs. Saturday office hours are 9:00 a.m. - 10:00 a.m.

With the numerous specifics involved in conducting playoffs, the host school **MUST SEEK APPROVAL FROM THE CIF-SS BY 3 P.M. MONDAY, AS TO THE EXACT SITE OF THE UPCOMING PLAYOFF CONTEST.** This deadline must be met, in order for game officials to be assigned, information to be distributed to the press for advance publicity and to allow ample time for field inspection, if necessary. As indicated earlier, schools are to have sites tentatively under reservation in advance, thus allowing for a quick answer by 3 p.m. each Monday.

## **EQUAL FACILITIES**

Although it is necessary that one team be designated as the host team, it shall be kept in mind that the game belongs equally to both competing schools. **A pre-game planning meeting must be held to cover all details connected with the staging of every playoff contest.**

**Blue Book Rule 3316:** The visiting school in dual team playoff contests is entitled to equal facilities, including one-half of the seating, locker rooms, phone lines, spotting facilities, etc.

If headphones are provided for one team, they must also be provided for the other team. If equal headphones cannot be provided, neither team may use the phones. The same principle of equal facilities applies to camera sites, dressing facilities, press box seats for spotters, etc.

## PHYSICIAN

Medical coverage for all C.I.F. Southern Section Football Playoff games is defined by Blue Book Rule 2029.2: A licensed medical doctor, or the primary health provider designated by the home team as team physician or team doctor, shall be in attendance at all playoff games. The fee shall be paid from the gross game receipts.

## FILM EXCHANGE

**There shall be a mandatory exchange of four game films between the competing schools.** Each coach will have his choice of any four of his opponent's game films which may include the most recent game. These original film copies shall be unedited and shall include all plays as originally filmed. In addition to the mandatory exchange, it shall be permissible for either coach to secure from other sources, any game videotape of his opponent that he may desire to view for the purpose of preparing for his next playoff game. If a school entering the playoffs has not videotaped any of its games, it should communicate that fact to the Commissioner, prior to the beginning of the playoffs.

It is mandatory that coaches exchange game film electronically or bring their film with them to a mutually agreed upon site on the day the initial pairings are announced. All subsequent exchanges will take place at a mutually agreed upon location by Noon, the day after each playoff game. The coaches shall return the tapes to one another the night of their playoff game.

Any violation of the mandatory film exchange rule (refusal to cooperate) should be reported at once to the CIF-SS office. Such violation may subject a team to disqualification from the playoffs.

### Suggested Guidelines for Filming

- A. Filming should be from a height of 30' or higher.
- B. Recording should include the entire contest.
- C. Recording should start before the snap/kick and continue until the play is over. The camera should not continue to run when the play is dead.
- D. Picture should be clear and numbers of players readable.
- E. Picture should include enough players on both teams to recognize offensive and defensive formations. The camera should follow its own team during kick plays.

## FOOTBALL 2021 FINANCIAL REGULATIONS

Recognizing the risks involved with transmission of the COVID virus through paper tickets, on-site ticket sales, exchanging cash, on-site ticket takers, etc., all tickets for all contest will be purchased and activated electronically through the Southern Section Office and our digital ticketing partner GoFan.

Historically, member schools hosting CIF Southern Section playoff events have been responsible for the management and sales of CIF-SS issued physical tickets (pre-sale and/or game day ticket window sales). Under this new policy, ticket sales and revenue management responsibilities will be relieved from member schools and all sales will occur via unique event links for each and every CIF Southern Section playoff game/event via GoFan. These event links will be shared with each participating school (host & visitor) as well as posted publicly at [www.cifss.org](http://www.cifss.org) and [www.gofan.co](http://www.gofan.co) OR privately shared with guaranteed patrons (parents and/or comp tickets).

Host school game management will shift away from ticket sales to ticket promotion prior to the event AND ticket validation at each entry point of the playoff event. Each member school will have access to live sales data via their Go Fan admin account as well as the ability to manage and promote their events.

Venue capacity management will become extremely important as each event link (host, visitor, public and private) will have an assigned quantity available for purchase/entry. With COVID venue restriction, the CIF-SS will need each member school to validate their default gymnasium and stadiums on file, as well as the capacities of those facilities, so the proper amount of tickets can be made available.

**The CIF-SS Executive Committee has required that the host school charge admission to 8-Man Football Playoff contest. (See financial policy Article 1, Section 143-145, CIF-SS Blue Book, page 57).** All information can be found on the CIF-SS website at [www.cifss.org](http://www.cifss.org).

Playoff financial reporting via [www.cifsshhome.org](http://www.cifsshhome.org) will change as schools will no longer be reporting ticket revenue. CIF-SS will assume this responsibility as all ticket sales will be reported on the day following each event from the GoFan captured sales report. However, host will maintain the responsibility of reporting game expenses via [www.cifsshhome.org](http://www.cifsshhome.org). Upon approval of the host submitted expenses, CIF-SS will distribute expense reimbursements and/or playoff splits.

**The visiting team will receive no reimbursement for travel expenses or other expenses.**

By vote of the 8-Man schools, there will be no allowable expenses for 8-Man playoff contests. With the distances traveled and crowd sizes, it was felt it would be more cost efficient to pay no expenses. The host team will be responsible for game management expenses and the visiting team will cover their own travel expenses. The gross gate will be split 40% to each school, and 20% to the Southern Section.

**There will no longer be any obligation to report financial information via CIF-SS Home as revenue will be reported by the CIF-SS Financial Department with immediate distribution of 40% of the gross receipts to the host and 40% of the gross receipts to the visitor for games that made a profit.**

## **GAME PERSONNEL**

The host management is responsible for staffing the stadium with the personnel necessary to conduct the contest. The same pay schedule followed for league contests should be used to reimburse ticket sellers, ticket takers, police, physician and custodial help.

In playoff contests, payment to faculty personnel to supervise a rooting section is not an allowable expense and may not be charged to game expense. It is realized that some schools pay faculty persons to supervise rooting sections in league contests, but because this is **not** the policy in many schools, the Executive Committee has ruled that if a school (host or visitor) desires to pay such personnel, it shall do so out of its share of the net receipts and not charge the cost to game expense.

There is a wide disparity of staffing policies for athletic contests among schools in the Southern Section. Because of this, schools in the playoffs are asked to assign the minimum number of personnel necessary to assure efficiency and safety.

## **ADMISSION OF FACULTY PERSONNEL**

### **BOTH SCHOOLS**

Only those regular faculty personnel from the competing schools, who have been assigned definite supervisory responsibilities for the playoff game, will be admitted free of charge. No other administrators, counselors, faculty, or staff members will be admitted free, without a complimentary ticket. **NO CIF-SS Courtesy Cards will be accepted for admission into the Football Championship game.**

## **GATE PROCEDURES**

**All schools, hosting playoff games should make certain that gate personnel handling tickets are advised of the following procedures:**

1. Tickets presented for admission are to be taken at the admission gate.
2. All tickets are to be checked for appropriate color and round verbiage. This is to prevent someone from entering with a ticket designated for another game, or with a ticket that was used for the previous playoff round. This also prevents an adult from entering with a student ticket, a student with a child ticket, etc.
3. Do not accept cash in large bills unless absolutely necessary.
4. Check large bills for authenticity (hold up to the light). \$100 bills will have a vertical marking as well as a facial picture off to one side. Counterfeit bills do not have this watermark.
5. Do not accept personal checks.
6. Tear ticket and return stub to spectator.

All schools hosting playoff games should have one entrance gate designated as the "Pass Gate". This gate, properly identified with an appropriate sign and staffed by a qualified person, would be used exclusively for the admission of all holders of CIF-SS Courtesy Cards, Press Passes, Photo Passes, and Gold Life Passes.

**It is highly recommended that the visiting team have a faculty member, or other representative, assigned to the main entrance gate prior to and during the game.**

## **BLEACHER RENTAL**

Schools complementing their spectator seating capacity by renting additional bleachers, are to call the CIF-SS office in advance for approval to charge the bleacher rental to game expense. If this is not done, the bleacher expense will be charged to the host school and may not be deducted from gate receipts.

## **CONCESSIONS AND PROGRAMS**

Where concessions and programs are involved in a playoff contest, the profit or loss from such enterprises shall not be included in the financial report. The CIF-SS will furnish the electronic programs for all finals games. Additionally, CIF-SS T-shirts and hats will be provided at some finals sites. The programs, T-shirts, and hats income will not be part of the gate receipts. No other programs, T-shirts, or hats will be allowed. In all other games, the host school reserves the right to handle the program and concessions as a separate venture and need not share the profit, nor expect the CIF-SS or the visiting school, to share in any loss.

## CHEERING SECTIONS

Fan/Student cheering sections are encouraged to cheer and support their own team and should display proper sportsmanship with respect to the opposing team and the game officials. They are expected to follow the following guidelines and failure to do so may lead to removal from the contest and/or forfeiture of the contest.

1. No noisemakers (horns, bells, victory bells, sirens, chimes, wooden blocks, balloons, thunder sticks, etc.). Megaphones may only be used by the school's uniformed cheer squads.
2. Cheering devices such as rally towels, pom poms and pennants are acceptable when used within the bounds of good sportsmanship.
3. It is the expectation that cheering section behavior will be monitored by the assigned school staff of the school that they represent. All improper behavior/language should be addressed and corrected immediately by school staff supervisors.
4. Face painting is acceptable from the neck up only and shall not include any inappropriate letters or symbols. Assigned school staff shall monitor their cheering sections in regards to face painting.

If your school is fortunate enough to advance to the Championship Finals, there is an added responsibility that we ask of your administrations. Our Championship Finals are an intense experience for all involved, as they should be. However, with the passion brought by your school and your communities comes your obligation to assist us in maintaining proper control of all students and fans. Our action plan always includes working with your administration first for assistance with any issues that relate to your crowd. To effectively manage all aspects of these contests, we ask your school for the following...

- 1) Participating schools will provide the required number of faculty supervisors we request at the event and make sure to inform our staff when they are present.
- 2) Assist in briefing those supervisors before the start of your game on the responsibilities they have in maintaining proper control of your students and fans.
- 3) Strongly emphasize with all involved that there will be swift action taken against anyone who behaves inappropriately.
- 4) Assist us in taking action against those who violate appropriate standards of behavior and sportsmanship.

A school's failure to monitor their students and fans may result in sanctions being placed against your school such as loss of future home playoff contests, payment for damages caused, etc. Be sure to review with your constituents the seriousness of these consequences so we may prevent any problems from occurring.

It is our hope that we can provide a memorable championship experience for all of our stakeholders and with your help and cooperation there is no doubt that will be accomplished.

## OFFICIALS

The Commissioner, on the basis of the merit of the particular official's work during the regular season, will appoint officials for all playoff games. Official's fees shall be charged to game expense. In the playoff rounds in all divisions, the referee will receive \$93.00 and the other four officials will receive \$91.00. In the championship game in all divisions, each official will receive a fee of \$104.00. One alternate official will be assigned to all championship games and they will receive a fee of \$49.00. Mileage will be paid to the Head Official, when necessary. Please refer to page 128 of the Blue Book for official's mileage breakdown.

**The home school will be notified of the appointed officials for all playoff contests. Please do not call the CIF-SS office, or any assignors, for your game officials prior to Thursday. In the event that you have not been notified by Wednesday, please call Bob McQueen at 626- 285-6608 for those names.**

## PRE-GAME PREPARATION

1. Go to the official's dressing room or see the officials on the field. Get the proper pronunciation of their names and the positions they will work.
2. Go over the referee's signals with him and ask for any instructions he might have. It is up to you to interpret his signals to the crowd. If you have a person on the sidelines relaying information to you, explain this to the officials, so they can forward information about unusual rulings to you.
3. Go to each team and be sure you have the correct numbers and names of the players.
4. Be sure you have the proper starting line-up for each team. Coordinate the announcing of the starting line ups with any other pre-game activities (playing of the National Anthem) so that the game will start on time.
5. Check the accuracy of any information about the visiting team you plan on using before the game, or at halftime, with someone from that team. You should have done this for your own team during the week.
6. Always start your program by welcoming the crowd and introducing yourself. Example: "Good evening, ladies and gentlemen, welcome to Memorial Stadium, this is Earl Richard, your game announcer."
7. Give the line-ups at a moderate pace – not too fast, but especially not too slow. Start with the left and go across the line, then the running backs, receivers, and quarterback.

After you give the line-ups, give the names of the officials in this order – Referee, Umpire, Head Linesman, Field Judge, Back Judge

8. Give the winner of the toss and the options the captains chose.

9. If the national Anthem is used, invite the crowd to sing. For example: "Ladies and Gentlemen, would you please rise and join our director Al Rhienke and the Eagle Band in singing our National Anthem."

## CHAIN CREW

Personnel assigned to the chain crew, responsible for marking downs and distances on the field, shall be responsible adults at all CIF-SS football playoff games.

Best of luck to your school in their remaining games. If we can be of any assistance, please do not hesitate to contact us at the CIF Southern Section office.

## RULES

CIF Southern Section games will be played under the 2019 National Federation Football Rules, except where superseded by Blue Book rulings or this Handbook/Playoff Bulletin.

## LENGTH OF GAMES

The timing of the game will be under current National Federation Rules.

## BALL

The NFHS rule book specifies that either a rubber covered or leather covered football is legal. In cases where either school desires to use a different type of ball, each school will furnish its own ball for the game and there will be no charge made to game expenses. **Wilson is the official football of the CIF-SS and is the required football to be used in all playoff games. In all Championship Finals, a football for each team will be furnished by Wilson and the CIF-SS.**

## CHECK TIMER

The check timer for playoff games shall be a faculty member or responsible adult. The host team will supply a faculty timer. It is recommended that a sound device be used to denote the end of each period.

## JERSEYS

The host team shall wear the dark-colored jerseys and visiting team white colored jerseys for all playoff contests.

## **TEAM BENCHES**

During CIF-SS playoff games, the team benches will be restricted to authorized personnel consisting of substitutes, coaches, student managers, trainer and team physician. Parents, members of booster clubs and other such unauthorized personnel must sit in the stands. Schools are urged to issue visible sideline tags to those that are authorized for easy recognition.

## **PROTESTS**

By action of the CIF-SS Council, protests of playoff contests involving National Federation Rules will no longer be entertained following the conclusion of the contest.

Coaches may direct questions to the game officials, as they pertain to a possible misapplication of the rules, in accordance with the National Federation rules governing that sport. No protest may be carried forth once the contest is completed. Coaches are encouraged to carry National Federation rulebooks with them for all playoff contests.

Schools will still have the opportunity to protest a contest, in accordance with Southern Section Rule 1111.2, as it pertains to use of an ineligible player or violations of any CIF-SS rule in connection with the contest.

## **TIE-BREAKER SYSTEM**

The "25-Yard Tie-Breaker System" is authorized for use in the Southern Section for playoffs as follows:

1. Respective leagues have the option of adopting the plan for use
2. If adopted, all ties within league must be resolved with the "25-Yard Tie-Breaker System"
3. If adopted, the plan may be used for the V, JV or Frosh/Soph levels, or any combination of
4. By mutual consent, the plan may be used for non-league contests
5. The "25-Yard Tie-Breaker System" will be used for all CIF-SS playoff contests
6. May not be used beyond the last allowable playing date to determine entry into the playoffs

## **TIE GAMES**

The twenty-five-yard line tiebreaker system will be used in all divisions and all games, **(including finals)**, of the CIF Southern Section football playoffs, when games end in regulation time with the score tied. Although the ball will be placed on the 25-yard line for tiebreakers, we will adopt the National Federation 10-yard tiebreaker rules, with the exception that teams will be able to make first downs and have the opportunity to score on a defensive interception or fumble recovery. Complete details for the 10-yard line tiebreaker are listed on page 85 of the 2021 National Federation Official High School Football Rules.

## **HOW THE TIE-BREAKER WORKS**

If the score at the conclusion of regulation play is tied, there will be a timeout. The captains of the two squads will meet at midfield, with the officials, for a flip of the coin. The winner of the toss will have the option to defend a goal or to determine possession.

Then, each team will have the opportunity to score from the 25-yard line and the team which outscores the other in the “overtime” session will be the winner, following the rules of football.

.... For example, the team on offense first will have one series of downs in which to score a touchdown (and try to kick for a one-point conversion or a run-pass for a two-point conversion) or kick a field goal. The other team will have one series of downs in which to equal, or surpass, the points scored by the first team. If the second team on offense does not equal or surpass the first team on offense, the first team on offense wins. If the second team scores more points than the first team, the second team wins. If the second team scores an equal number of points, the whole procedure is repeated until a winner is determined.

## **INCLEMENT WEATHER**

It is difficult to predict what the weather conditions will be like for our football playoffs. During late November and early December, the weather can pose many problems for school administrators charged with the responsibility of staging football playoff games. Rain and fog constitute major problems and each must be handled in a different manner.

Accepted policy provides that the two schools administrations and the head official are responsible for determining whether the game will be started. After it is under way, the decision as to whether or not it should be continued, suspended, or called, rests solely with the game officials.

**RAIN:** A game can be played even though it rains prior to, or during, a contest. Some of the questions which should be considered in a decision to postpone playoff football games due to rain are:

1. Has the rain made the field unplayable?
2. If a game is being played in a junior college or community owned stadium, will the stadium manager permit the game to be played in the event of rain?

Do weather conditions, and the forecast for the following day, justify postponing the contest to the next afternoon or night?

**FOG:** Over the years fog has caused the most serious problem in the staging of playoff football games. In such situations it is foggy during the day, while at other times, the fog continues to increase in density as the evening progresses. Many times, the surrounding area has fog, while in the stadium itself it is fairly clear. The reverse of this can also occur.

When fog has been present during the week, or is predicted for the weekend, the host management should check out the stadium the night before the scheduled game and keep in close contact with weather personnel. If conditions warrant, a decision to postpone the game should be made before the gates are opened. With nearly all games scheduled for Friday nights, a postponement to Saturday afternoon would be in order.

If fog conditions are uncertain, and it is the best judgment of the host management to attempt to play the game, the following precautions should be taken:

1. "Rain checks" should be prepared and given to each person entering the stadium.
2. Prior arrangements should be made regarding the time, date, and location of the game, in the event it is to be postponed due to rain or fog.
3. The public-address announcer should keep the spectators informed of the following:

Games interrupted because of events beyond the control of responsible administrative authority shall be continued from the point of interruption, unless the teams agree to terminate the game with the existing score.

When weather conditions are construed to be hazardous to life or limb of the participants, the crew of game officials is authorized to delay or suspend the game.

If a game is suspended due to events beyond the control of the administrative authority, then the game will resume at the point of interruption on the next calendar day.

Further questions should be directed to the CIF-SS office, relative to rain and fog conditions.

## **MERCY RULE**

A mercy rule will be in effect for all football contests in the C.I.F. Southern Section, which includes pre-season games, league games and playoff games, including Championship Finals. This means that if one team has a lead of 35 points or more at the end of three quarters, there will be a running clock for the 4<sup>th</sup> quarter until the end of the contest. If schools wish to invoke a running clock prior to the start of the 4<sup>th</sup> quarter, they can do so by mutual agreement of both schools. I have attached the relevant rule to this memo, so you can see the details.

**This item has been approved for statewide adoption, for both regular and post-season contests. This is in accordance with NFHS Football Rules 3-1-2 and 3-1-3.**

1. Prior to the 4<sup>th</sup> Quarter, by mutual agreement of the opposing coaches and the referee, a *“running clock”* may be used if the point differential between the two teams reaches 35 or more;
2. If at the start of the 4<sup>th</sup> Quarter or at any time during the 4<sup>th</sup> Quarter, the point differential is 35 or more points, a running clock shall be used for the remainder of the contest;
3. Once the *“running clock”* is in effect during the 4<sup>th</sup> Quarter, it shall remain in effect for the balance of the contest, even if the team that is behind subsequently scores to make the deficit less than 35 points;
4. The *“running clock”* will be administered as follows:
  - A. The game clock will start with the snap or legal touch of a free kick on the first play following the establishment of the pertinent point differential, and continue to run uninterrupted when:
    - A 1<sup>st</sup> down is awarded to either team, including following a change of possession;
    - The ball or runner is out-of-bounds;
    - A legal or illegal forward pass is incomplete;
    - A play results in a touchback;
    - An inadvertent whistle occurs;
    - During all penalty enforcements.
  - B. The game clock shall be stopped for:
    - A score (including touchdown: try; field goal; safety);
    - The free kick following a fair catch or awarded fair catch;
    - A charged team time-out;
    - A coach-referee conference;
    - An official's time-out (injury; equipment; 1<sup>st</sup> down measurement; other, as required);
  - C. Following a stoppage for any reason in B. above, the game clock will start when the ball is next:
    - Marked ready-for-play; or
    - Legally touched on the free kick following a score, a fair catch or awarded fair catch

# FOOTBALL PUBLIC ADDRESS ANNOUNCER GUIDELINES

The announcer should be a responsible adult who can set the tone of the game by calling spectators attention to the following points of reference:

1. CIF-SS playoff contests are conducted under the strictest code of good sportsmanship.
2. The officials are neutral people, representing the Commissioner and have been selected because of demonstrated ability.
3. Rooters are encouraged to support their own team but are requested to refrain from booing the opponents or officials' decisions.

The following information is provided for the benefit of the public address announcer at your home playoff games: this capsule summary was developed by the late John McDonough and has been found to be very useful to our member schools.

## SPORTSMANSHIP ANNOUNCEMENT

LADIES AND GENTLEMEN, CIF SOUTHERN SECTION PLAYOFF CONTESTS ARE CONDUCTED UNDER THE STRICTEST CODE OF GOOD SPORTSMANSHIP...THE OFFICIALS ARE NEUTRAL MEN, REPRESENTING THE COMMISSIONER, AND ARE SELECTED BECAUSE OF DEMONSTRATED ABILITY...SPECTOATORS ARE ENCOURAGED TO SUPPORT THEIR OWN TEAM, AND ARE REQUESTED TO DISPLAY PROPER SPORTSMANSHIP WITH RESPECT TO THE OPPOSING SCHOOL AND THE OFFICALS...THE CIF SOUTHERN SECTION THANKS YOU FOR YOUR SUPPORT OF HIGH SCHOOL ATHLETICS...

## ANNOUNCER GAME SUGGESTIONS

1. Remember, you are NOT a radio announcer and should not give a play-by play account of the game. This is an insult to the intelligence of the spectators. In a normal game you will be speaking about 25 percent of the time and be QUIET about 75 percent of the time. The crowd came to see the game, not to hear your opinions about it.
2. Give the down and distance before each play. Simply say, "Third and eight on the Homestead 42."
3. When the ball is snapped, do not say, "Jones has the ball and is going around left end." Again, you are insulting the intelligence of the spectators. Merely give his name – "Jones is the ball carrier."
4. When the play is over, give the name of the man, or men, who made the tackle, and set up the down and distance again.
5. After a long run, pass, or kick, give the total yardage, but make no comment. Such comments as "What a beautiful run" or "A great kick", are in bad taste. The crowd can see that it was a good run or kick, and as a PA announcer you must be 100 percent impartial and objective.

6. NEVER try to outguess the officials. If you think you see a foul, do not mention it. The chances are you will be wrong. If one of the officials throws a yellow foul marker, simply say, "There is a flag on the play." Then wait – do not try to explain the foul. When the referee gives his signal, interpret it to the crowd. Get a copy of the rulebook or a program, which has the signals. If it is an unusual play, the arrangements you made prior to the game will get this information to you to pass on to the spectators.
7. Never use the names of officials during the game. You should read their names prior to the game. Do not say, "The foul was called by Head Linesman Jones" or "Referee Smith is explaining the foul to the Captain Brown".
8. Never comment on the fouls that are called, or the work of the officials, whether you think it is good or bad. This is a good way to start a riot.
9. Never comment on the sportsmanship, or play, of either team, or either coach. This, too, is a good way to start a riot.
10. Never designate the player who committed a foul. You probably will be wrong anyway, and this type of announcement tends to make the game get out of hand.
11. If a player is injured, give his name. You are not a doctor, so do not try to diagnose his injuries from the press box. If you get a later report on the player's condition, give it with no comment. Never try to explain how a player was injured. This can easily be misconstrued by the crowd as an unsportsmanlike act on the part of an opponent and cause an unfortunate situation.
12. If the crowd starts to boo the visiting team, or the officials, to an extreme degree, say, "Ladies and Gentlemen, these people are our guests tonight, let's treat them as such."
13. A few minutes before the end of the game, preferably during a time out, thank the people for coming, announce convenient routes for leaving the stadium, and remind them to drive carefully on the way home.

In summary, the public address announcer just covers the facts of the game, as impartially and objectively as possible. You should not give opinions of your own because the spectators are present and should be free to form their own opinions. A radio announcer gives his opinions because the listener is seeing the game through his description, but you are a public address announcer, and this is a totally different art.

**CIF SOUTHERN SECTION PLAYOFF/CHAMPIONSHIP

**PROTECT YOUR SCHOOL TRADEMARKS:** The CIF Southern Section strongly suggests you double-check the status of *your school* licensed/registered marks and logos now. Some schools have permanently lost control of others selling their merchandise with no royalty or approvals because the proper State of California licensing/registering process had not previously occurred or been enforced.

For additional vendors licensing information, please contact CIF Southern Section, Director of Marketing, Jackie Gibson at [jackieg@cifss.org](mailto:jackieg@cifss.org) or 562-493-9500.
