

2017-18 BOYS AND GIRLS CROSS COUNTRY GROUPINGS/DIVISIONS - FINAL

Each Section will determine the divisional placement for its schools who qualify for the state cross country championships and is required to submit the placement of schools into the five divisions to the State CIF Office no later than October 1. CIF member schools will be required to participate in the division that has been established by their respective Section. Sections may use their own established criteria to determine placement of teams in the five divisions based on the following guidelines:

STATE CIF GROUPINGS

Division I	As determined by Section
Division II	As determined by Section
Division III	As determined by Section
Division IV	As determined by Section
Division V	As determined by Section, but enrollment may not exceed 600

CIF-SS GROUPINGS

Division 1	2470 and above
Division 2	2469-2050
Division 3	2049-1430
Division 4	1429-601
Division 5	600 and below

****** *The CIF-SS Cross Country divisions are based on CBED information from the 2016-2017 year. When the CBED information for 2017-2018 has been submitted to CIF-SS and the State Department of Education, any school that incurs a gain/loss in enrollment of a minimum of 15% in the current year will utilize the new CBED data for placement into division. Reporting of the information to the State Department of Education occurs prior to October 1st each year. Final divisional placement for each school will be determined once this information has been received and compiled.*

REMINDER: By action of the CIF-SS Council at the March 23, 2000 meeting, no schools will be allowed to compete outside of their enrollment based division.
