CIF-SS COUNCIL MEETING MINUTES

October 3, 2017

1. OPENING BUSINESS

A. Call to order by Carter Paysinger, President of the Council 9:07 a.m.

B. Pledge of Allegiance

C. Roll Call

D. Introduction of Guests - Steve Fryer – OC Register, Bobbi Madsen – State CIF Office, CiCi Robinson – State CIF Office

E. Adopt Agenda

1. It was moved and seconded to adopt the agenda as written. MOTION PASSED (81-0-4)

F. Approval of Minutes

1. Minutes of the April 5, 2017 Council Meeting. It was moved and seconded to accept the minutes of the April 5, 2017 Council Meeting. MOTION PASSED (85-0-0)

2. PUBLIC HEARING SESSION

A. Recognition of anyone wishing to address the Council. Justin Peterson of Huddle Tickets / GoFan Digital Tickets made a presentation of his company's online ticket sales program. Each Southern Section school should be receiving an emailed offer from Huddle regarding free tickets for all school events. Huddle is now the official agency to be used for CIF-SS online ticket sales due to a new partnership with the CIF-SS. The company will set up and create a custom ticket page if schools elect to use the service and Huddle Tickets can be used for not only athletics, but all school events.

3. ACTION ITEMS

A. STATE FEDERATED COUNCIL ACTION ITEMS

1. Enacting of Bylaw 1108 Delegated Powers -Hurricane Harvey There was a motion and a second to approve. No discussion. An athletic eligibility waiver for students displaced by Hurricane Harvey who wish to transfer to a California school; An eligibility waiver is extraordinary and applies to students displaced by Hurricane Harvey ONLY. MOTION PASSED (83-0-2)

2. Proposed Revision Bylaw 207.B.(5) – Sit Out Period There was a motion and a second to approve. This revision would create equal Sit-Out Periods for all sports and the Sit-Out period would be equal to 50% of the number of days in the sport's season. If that season has an odd number of days then the Sit-Out Period would be 50% plus one additional day. Discussion: If schools play a Zero Week contest, will the date be adjusted? Potential to miss 6 games due to current league set up. 50% of the days of the season of sport will be used, regardless of when first game is played. No relief to adjust for schools who choose to play a Zero Week game. The same situation that is current with schools choosing to play a Zero Week games will still exist with this new proposal. MOTION PASSED (81-0-4)

3. Proposed Revision Bylaw 2006.B – There was a motion and a second to approve. Discussion: None. During the CIF State Regional and CIF State Championship Football Games the 25-yard tie-breaker system will be used. Other CIF sections have an option of the 10-yard or 25-yard system during their section playoffs. The Southern Section currently uses the 25-yard tie-breaker system. MOTION PASSED (77-3-5)

B. SOUTHERN SECTION ACTION ITEMS

1. Releaguings Plans - There was a motion and a second to approve the recently finalized area re-leaguings plans. Discussion: Was the Orange County area plan included in the packet? Yes, the full plan must be approved before appeals can be heard. MOTION PASSED (82-0-3)

A. Releaguings Appeals - Orange County Area

1. Laguna Beach High School - Laguna Beach High School requested to be moved from the Sunset League to the Pacific Coast League. Lance Neal, Athletic Director at LBHS: Opening comments related to the process and that the process was perfect. Lance then commented that the school's placement within the Sunset League was incorrect based on competitive equity and an imbalance between his school and the other member school within the Sunset League. They had asked the Orange County re-leaguings group for a change from the Orange Coast League due to the school success within that current league realizing that they did need to step up in the level of competition. Lance showed results of teams' performances compared to results v. the Sunset League teams. Lance showed results v. Pacific Coast league teams and how they were a better fit with programs and number of teams offered. Mike Brennan, Principal at Servite and the Orange County Releaguings Chair: Principal Brennan gave specific details on how the Releaguings process started in February and finished in May. He detailed how the Orange County Area developed its policies and procedures and that their

procedures were followed for each meeting and each Releaguings vote. He specifically noted that any Releaguings plan would need a 60% majority to be approved. He also noted that the Orange County Area principals voted to approve a two-year Releaguings Cycle, beginning with the 2018 school year. The two-year Releaguings Cycle plan passed by a 75-0-0 vote. Mr. Brennan then detailed that no proposal reached the required 60% majority, therefore a caucus was needed to review the two proposals that received the largest number of votes to determine if a compromise could be reached. Proposals #6 and #7 were the two that were examined and after another vote was held proposal, #7 passed with the required 60% majority. Proposal #7 had placed Laguna Beach High School into the Sunset League. Chris Krebs, Principal at Woodbridge High School and Pacific Coast League Rep: He is asking for a "no" vote to the LBHS request to move to the Pacific Coast League and out of the Sunset League. He requested a "no" vote based on the simple fact that the Orange County Releaguings Plan that was approved today represents the majority of schools in Orange County and that the process was followed. Kevin Fairman, Marina HS, Sunset League Rep, addressed the Council and asked the Council to vote "no" on the LBHS appeal. He cautioned that if Laguna Beach were allowed to leave, this would cause a ripple effect to his school and the rest of the Sunset League.

COUNCIL MINUTES

(Continued from previous page)

Part of the Orange County Plan is to create a Football-Only league, including Laguna Beach and Marina, and if Laguna Beach is removed the Football- Only league would dissolve. Jerry Halpin, Principal, Brea Olinda HS: called for a motion to move Laguna Beach HS from the Sunset League to the Pacific Coast League. The motion received a second and call for a vote. MOTION FAILED (10-54-22).

2. Laguna Hills High School - Bill Hinds, Principal Laguna Hills: Opened his statement with rationale on why Laguna Hills High School does not belong in the Coast View Athletic Association and they wish to be placed into the Pacific Coast League. The appeal is based on decreasing enrollment and competitive equity. Mr. Hinds stated that they have been a member of the CVAA for the past 7½ years and that his programs are at the bottom of the conference across the board. He finished with a review of declining enrollment as compared to other conference member schools from both the Saddleback Valley Unified School District and the Capistrano Valley Unified School District. Mike Brennan, Principal Servite HS, Orange County Re-Leaguings Chair: Addressed the Council and reviewed the process once again providing the same information as he presented during the Laguna Beach High School appeal. Chris Carter, Principal San Clemente, South Coast League Rep: Requested the Council vote “no” on the LHHS appeal since this would leave the CVAA as a nine-member body. This would create disruption in the conference and an imbalance between the two leagues that make up the CVAA. He also asked that the Council support the Orange County Releaguings Plan that was completed through a very lengthy process. Craig Collins, Principal Trabuco Hills, Sea View League Rep: Asked the council to vote “no” on the proposal by LHHS. He provided the Council with a basic structure of the CVAA and that they have a process that allows relief to LHHS with the 10-member conference. CVAA uses a two-year cycle to move teams on an individual sport basis. Football would be greatly affected when trying to schedule with our team and five team configurations. Chris Krebs, Principal Woodbridge, Pacific Coast League Rep: Asked that the Council vote “no” on the proposal presented by LHHS. He cautioned the council that the lack of success data presented by LHHS should be reviewed and that the time today (15 minutes) is not enough. Finished with the plea that today’s forum is not the time to make this decision when they have already taken four months of work to arrive at the Orange County Releaguings Plan that was approved today. Mark Cunningham, Athletic Director University High School, PCL: Presented data showing the number of league championships won by several members of the CVAA. This data was to rebut the lack of success claim made by Laguna Hills. During the past few years, the number of league championships for LHHS totaled nine while other CVAA members were all comparable. For example; San Juan Hills (8), Dana Hills (10) and Capistrano Valley (14). Call for a motion from the floor to move Laguna Hills High School from the Coast View Athletic Association to the Pacific Coast League in all sports. Motion received a second. MOTION FAILED (12-52-22)

3. Proposed Revision Bylaw 208.A(4) Foreign Exchange Student Host Family - The current rule does not allow students who are part of an approved foreign exchange program to participate in any level of a sport if they are hosted by a coach at the school of attendance. This revision would allow participation at the junior varsity or freshman level in such a case. MOTION PASSED (42-39-5)

A. STATE FEDERATED COUNCIL NON-ACTION ITEMS

1. Revision to Bylaw 103 – Weighted Voting - Southern Section will see an increase from 36 votes to 38 votes.

2. Proposed Revision to Bylaw 207 – Transfer Eligibility, International Students – Motion is to remove the SOP transfer application from foreign students who do not arrive at the new school as part of an approved Foreign Exchange program. These students (international students) would then need to apply under one of the following applications: Valid Change of Residence, Non-Participation or Limited eligibility.

3. Proposed Elimination of Bylaw 1605 – Basketball Coaching Box - Proposal calls for the deletion of the language in the CIF Bylaws regarding the basketball coaching box. This rule is already addressed in the NFHS Basketball Rule Book and placing it in the bylaws is redundant.

B. SOUTHERN SECTION NON-ACTION ITEMS

1. Proposed Revision to 2018-2019 Sports Calendar –Baseball/Softball - This revision would change the start and end dates for the sports of girls’ tennis, baseball, softball and boys’ volleyball to better fit the calendar for all other sports beginning in 2018-2019.

2. Proposed Revision to 21-Day Summer Dead Period - Proposal allows for a more flexible Dead Period which moves the current starting date from the first Friday in June to the last Friday in May.

5.REPORTS

A. Treasurer’s Report - Jeff Jordan - Mr. Jordan noted that 2016-17 showed a net profit of \$103,000+. The audit for that year was just recently completed. At the end of the first quarter, income was at \$82,000+. Some 92% of schools have paid their dues and 8% (42 schools) have yet to do so.

B. President’s Report - Carter Paysinger - Mr. Carter reminded schools that they have a wonderful opportunity to influence students with their coaching staffs. Coaches should be counseled on how to deal with any situation that is presented to them from students who wish express concern, influence change and help them understand that all people should have their own opinion and that the field/court/etc. should be an acceptable place for all.

C. Commissioner’s Report - Rob Wigod - Mr. Wigod first thanked the members of the Southern Section staff and asked all to stand and be recognized. He went on to introduced to the Council the #PACKTHEHOUSE campaign in order to increase attendance at playoff events.

MINUTES OF THE EXECUTIVE COMMITTEE MEETING

August 17, 2017

1. OPENING BUSINESS

A. Call to order by Carter Paysinger, President of the Council - The meeting was called to order at 12:07 p.m. Carter Paysinger welcomed everyone back from a short summer and hoped everyone had a relaxing time.

B. Pledge of Allegiance

C. Roll Call - All members were present, except Rita Dever, Geniel Moon, and Mike West.

D. Introduction of Guests - There were no guests present. Those present for the Releaguings Appeals would introduce themselves at the appropriate time.

E. Adopt Agenda

Carter Paysinger made a motion to move Item 5A to before Item 1F of the agenda in order to approve the appointment of one member of the Executive Committee. It was moved and seconded to adopt the revised agenda 16-0-0. Carter Paysinger asked for a vote to appoint the following Executive Committee position: At-Large Representative - Dana Wilkerson - It was moved and seconded to approve Dana Wilkerson as At-Large Representative to the Executive Committee for a term of two years. The motion carried 16-0-0.

F. Approval of Minutes - There was a motion and a second to approve the minutes of the May 10, 2017 Executive Committee meeting. The minutes were approved 16-0-1.

2. PUBLIC COMMENT

A. Recognition of anyone wishing to address the Executive Committee. Speakers must limit their remarks to three minutes. Mr. Gary Rowe, parent of a student at Golden Valley High School, addressed the Executive Committee regarding the eligibility of his student.

3. ACTION ITEMS

A. STATE FEDERATED COUNCIL ACTION ITEMS

1. Proposed Revision Bylaw 207.B.(5) - Sit Out Period - Monica Colunga reviewed the proposal to change the Sit-Out Period from a specific date in each season of sport to a percentage of each season of sport. There was a motion and second to approve. Carter Paysinger clarified that the Sit-Out Period for the Southern Section would be 50% of the regular season. If the regular season has an odd number of days, the Sit-Out Period would be 50% of the regular season plus one day. The motion carried 17-0-0.

2. Proposed Revision Bylaw 1906.B - Football Tie-Breaker Period - Monica Colunga reviewed the proposal to remove the 10-yard football tie-breaker from the CIF Constitution and Bylaws. There was a motion and a second. Jim Monaco asked Rob Wigod to clarify if this is mandating the 25-yard tie-breaker be used or does this proposal give sections an option. Rob Wigod stated that this proposal takes away the language mandating the 10-yard tie-breaker, giving the sections the option of something different. The State will be utilizing the 25-yard tie-breaker for CIF State Regional and CIF State Championships games and the Southern Section will stay with the 25-yard tie-breaker that is already in place. The motion carried 18-0-0.

4. NON-ACTION ITEMS

A. STATE FEDERATED COUNCIL NON-ACTION ITEMS

There are no State Federated Council Non-Action Items at this time.

B. SOUTHERN SECTION NON-ACTION ITEMS

1. Proposed Revision Bylaw 208.A(4) - Foreign Ex-

change Student Host Family. Carter Paysinger reviewed the proposal to allow coaches to host foreign exchange students in their homes and to limit those students to lower level competition for one year. Rob Wigod explained that Wilson High School in Long Beach has a staff member that has hosted foreign exchange students for years. This staff member has been asked to be a coach on campus and Bylaw 208.A(4) clearly states that foreign exchange students cannot reside with a coach at their school. This is a CIF Bylaw, so the proposal would need to be approved by the CIF Southern Section Council prior to submitting it to the CIF Federated Council. It was asked what is the answer if the student is living with a volleyball coach but the student plays soccer? The bylaw states that living with a coach, regardless of the sport, is not allowed. Mike Middlebrook discussed the changes in the F1 visas and J1 visas and stated that open-ended visas are being issued more often.

5. NEW BUSINESS

(5A was moved to the top of Item 3. Action Items)

A. Appointment of Southern Section Executive Committee - At-Large Representative

B. Financial Report - Mitch Carty - Mitch Carty distributed a report on the just completed 2016-17 school year and reviewed it with the Executive Committee. The Financial Report is available at the end of these minutes.

C. Marketing Report - Thom Simmons/ Jackie Gibson - Thom Simmons distributed a Marketing Report and reviewed it with the Executive Committee. The Marketing Report is available at the end of these minutes. Jackie Gibson gave a presentation on the new electronic version of our championship programs that will be available this school year on our website. Team photos and advertisements will be in color, the program is easy to view on mobile devices as well and is downloadable as a pdf to save or to print. Also, it can be posted on social media and we will receive analytical information regarding views, view time and visits by page. Finally, because it will always be on our website, there is added value to the advertisers in our program.

6. OLD BUSINESS

A. 2018-2019 Sports Calendar - Baseball/Softball - Rob Wigod - The last page of your packet contained the vote regarding this issue from the Council meeting. This proposal lost by one vote. Several leagues that voted yes have stated that they would like to bring this proposal back for first read at the CIF Southern Section Council meeting in October. Our administrative staff will be going out to league meetings to find out what the concerns were and what changes would be acceptable to pass this proposal. Dave Reid stated that he agreed with staff heading to meetings. Dick Billingsley echoed the agreement of the staff coming to the leagues. Rob Wigod asked what were the no votes based on with some leagues answering that weather, daylight savings time, etc. were expressed as concerns. Leagues need to see this proposal coming from the schools and leagues, not from the Executive Committee. Chris Calderwood stated that there is sentiment around the Section that the State is dictating what we should do and that some leagues voted no as a protest vote. It was also stated that most proposals that are passed at the State level have come from Southern Section. Carter Paysinger stated that Executive Committee members should talk to their constituents and that he wouldn't want to be one of those coaches whose students are out of school during the playoffs. Rob Wigod said this needs to be introduced in October to be voted on in January, in order to give schools an appropriate time frame to set up schedules.

7. CLOSED SESSION

A. Public Employee Evaluation of Performance - (Government Code 54957):

1. CIF Southern Section Goals - 2017-2018 - The committee went into Closed Session at 3:42 pm.

8. REPORT OF ACTION(S) TAKEN IN CLOSED SESSION

The Closed Session ended at 4:05 pm. There was no action taken in Closed Session.

9. REPORTS

A. NFHS Summer Meeting Reports: Carter Paysinger, Monica Colunga, Jim Monaco, Rita Dever - Carter Paysinger attended the football breakout session. The NFHS is working to preserve Friday nights for high school football only. There was talk about promoting safety with youth

(See **EXECUTIVE** on page 6)

EXECUTIVE

(Continued from page 4)

coming into football. NFL flag football appeared to be a big deal at the conference. It was noted that the number of participants are dropping in football. In Washington, there was a school that recruited students and last year they were the best school in the state, but the other schools in the state association would not play them. It is an interesting way to handle a recruiting situation.

Monica Colunga attended a session titled "NFHS Essentials Initiative", discussing expanding opportunities to increase enjoyment of sports prior to high school and to decrease injury and burnout from club participation. Many of these students are not working out in advance, they are just heading out and playing. At the high school level, we are having to reeducate these students, teaching sportsmanship and integrity. This is a nationwide problem. I had the honor of being present at the Hall of Fame induction banquet for Lisa Fernandez from the CIF Southern Section. Jim Monaco stated that Rob Wigod was the moderator for a session entitled, "Inclusion, it is Not Just a Game." In Connecticut, there were 6,000 participants in their Special Olympics program in 2006 and that number has grown to 9,000 this past year. If we want to maintain the program of inclusion athletics, stipends are needed. Kentucky started with some grants and are now going forward with this project. Also, he attended "Verbal Judo, How to Deal with Verbal Conflict and De-Escalate a Tense Situation" that was presented by a soccer official. This was a great workshop and a reminder that the most dangerous weapon

is your mouth when talking to coaches and parents. Be cordial not confrontational. Another workshop he attended was "How to Effectively Handle Investigations and Accusations" that went through processes that sections should follow when going through an investigation.

A. President's Report - Carter PAYSINGER - We had a great start with educating of our member schools regarding their need for full-time athletic trainers last year. Our last meeting set up our next steps. At the NFHS Conference, I attended a sports medicine workshop where a representative from Arizona stated that in order to host a playoff event, their school must have a full-time athletic trainer on staff. Other states discussed a presentation made to their schools and school boards showing the money schools save by having full-time trainers as there are fewer injuries and fewer emergency calls.

B. Treasurer's Report - Jeff Jordan - Mitch Carty went through the details of the current budget and plans for next year. The annual audit will begin on September 5. Regarding membership sports fees, 83% of member schools have created their invoices with 247 invoices paid, despite many schools not starting yet.

C. Commissioner's Report - Rob Wigod - Welcome back. I appreciate the help you give us. We have been out at our eligibility workshops the past few weeks with one more left next week in the Antelope Valley. There are three New Principal/AD Workshops in September with the one scheduled on September 7th already at capacity. The workshops have gone very well and thanks to Glenn Martinez and his assistant Susan Miller for planning and setting up the workshops and to all the administrators for facilitating the events. Thank you to Mitch Carty for all his hard work on the budget and to Thom Simmons and Jackie Gibson for a great presentation and both of you have done a wonderful job as the new marketing team. We have a stronger team than we have ever had, both in this room and with this staff. August is the month of eligibility and getting the students ready to play, as there are scrimmages this week. My thanks to all of you and let us know how we can help you.

D. Executive Committee Member Reports - Executive Assistant - Sharon Hodge - Preparations for the Champions for Character and Hall of Fame/Distinguished Service Awards events are well under way. The Golf Preview is posted on our website as well as the new Competitive Cheer page and Preview. Our January retreat will be at the Mission Inn in Riverside. CAPHERD Representative - Jim Perry - It is good to be here. CSADA Representative - Dave Reid - School opened this past Wednesday. As we went through the Small Schools Area Releaguings Appeals, I was thinking way go to Mark Edgemon for handling the tremendous task of organizing 173 schools. Girls' Athletic

Directors Representative - Jill Matyuch - It is humbling to be here and I thank you for the opportunity. In my own conference, are we losing women in this profession. Many of our schools are going to only one AD instead of two. I am growing professionally and I thank you for having me on this committee. CADA Representative - Todd Arrowsmith - It is great to see Assistant Commissioner under Thom Simmons' name. Attended several CADA retreats this summer teaching Pursuing Victory with Honor and what is appropriate in our student sections. We worked on solutions and I enjoyed talking to students. Orange County Area Representative - Denise Halstead - It is great to be back. I am listening, learning, and growing in this process. Mt. SAC Area Representative - Paul Lopez - We opened school yesterday. I started an Athletic Leadership Class this year. This class is not just for the major sports but all the sports in hopes of getting students to attend games and expand our fan base. We appreciate the office staff. It is frustrating when entities come for appeals that are not engaged in the process and appear at the meetings to represent themselves at ground level.

CSADA Representative - Sandy Gahring - Thank you for the gifts. I want to compliment Glenn Martinez and Sharon Hodge and the entire staff for their hard work at the Champions for Character Golf Tournament. Jackie Gibson, for all the things you have done, I am impressed by you. I attend the eligibility workshops every year and I learn something new every year. We have another new principal and we are encouraging him to get involved and be supportive. At-Large Representative - Dana Wilkerson - Thank you for the vote of confidence at the beginning of this meeting. Marketing Manager - Jackie Gibson - Said everything during our marketing update. Wish you the best of luck in the new year and if you need anything, please let us know. Assistant Commissioner - Thom Simmons - Attended an event regarding the state of youth sport at the LA84 Foundation. Interesting discussion regarding junior football and Pop Warner with questions as to what do we need to do to help increase the declining numbers. The Los Angeles area is actually increasing numbers where the rest of the nation is decreasing. Junior football would love to go to high schools and collect old equipment throughout the year. In 2022, the Super Bowl is coming to Los Angeles which generates over a billion dollars in two weeks. They want to get athletic trainers on all high school campuses and are trying to get state legislators on board. Travelled to Montana and gave two presentations on social media and one on competitive equity playoffs. There were 30 people in each session with only seven in the last one on competitive equity. One great aspect about this gathering was that everyone seemed to know each other and there was great camaraderie. Assistant Commissioner - Mike Middlebrook - Welcome back and looks forward to seeing everyone at league meetings. Assistant Commissioner - Glenn Martinez - Welcome back. The New Principal/AD Workshops are coming up where we try to go deeper into the Blue Book and go one step further for our new administrators. Looking forward to the Athletic Administrators Summit on October 16. Many of you here will be presenting that day. There are some new topics and we will continue the Principal's Track. Chief Financial Officer - Mitch Carty - If you haven't read Verbal Judo, I highly recommend it. Assistant Commissioner - Kristine Palle - Welcome back. Assistant Commissioner - Rainer Wulf - It has been noticed at the workshops that many of our veteran athletic directors have been replaced with new AD's. It would be nice to see, within leagues and areas, those veteran athletic directors given a proactive role to help the newbies get started. Retain them for an extra one or two years for training purposes. Encourage the new AD's to come to the Summit and New Principal/AD training and network with others that are attending. This past season saw many student sections rushing the floor after games. This is such a safety hazard and administrators need to have a plan in place. CSBA Representative - John Norman - It is always great to come back. Small Schools Area Representative - Mark Edgemon - This releaguings cycle was difficult. A huge thank you to Rob Wigod for all his help. I emailed him so many times and he gave me so much clarity. Rob Wigod thanked Mark Edgemon for the tremendous job he did with his area. CSADA is celebrating their 50th anniversary and it will be exciting. There will be a presentation at the conference in April about the history of the last 50 years, how it came from a garage to where it is today. Boys' Athletic Director Representative

- Chris Calderwood - Thank you to Mark Edgemon. Exciting that teams are getting to the playoffs that have never been there before. One unforeseen consequence is schools are hosting big games that they do not normally host. They need to have a plan in place for after the game, no matter the outcome, to get everyone safely off the field/court. The NFHS has a new video system that offers schools the ability to live stream any game to the NFHS Network called Pixellot. The equipment costs about \$4,500. C o a s t Area Representative - Paula Hart Rodas - Happy to be here again and thanks for the gifts. We are three days away from the start of school and have a giant construction project happening. Our district is continuing to move forward with Pursuing Victory with Honor. We are directly benefiting from the competitive equity model. Look forward to a good year and moving forward. Northern Area Representative - Dick Billingsley - Thom Simmons and Jackie Gibson, thank you for all you do. Sharon Hodge, thank you for lunch. Thank you to the Assistant Commissioners. Our school started last Tuesday. I am looking forward to the Champions for Character dinner as we have several individuals being honored from our area. Past President - Jim Monaco - Rob Wigod, your crew is outstanding. You are the best in the state and looking forward to a great year. President Elect - Monica Colunga - Thank you for everything. Ditto to a lot of the comments from today.
