Each individual student on the team must have had at least 10 days of practice before being allowed to compete in a game. (The opening date of football practice may be determined by each Section.) No Sunday practice is permitted. (See Bylaw 504.M for exception.)
- B. Football teams are limited to two days per week of full contact practice, with no more than 45 minutes of full contact on each of those days during the season of sport. For purposes of this Bylaw, each team's season of sport is defined as the first day of practice, as allowed by the Section, until the final contest for the team. All full contact practices are prohibited in the off-season which includes team camps. Full contact practice is defined by state statute as a practice where drills or live action is conducted that involves collisions at game speed where players execute tackles and other activity that is typical of an actual tackle football game. For the purposes of this Bylaw, refer to the definition of "Live Action" as defined by USA Football.  
(Revised April 2018 Federated Council)
- C. Team camps and other off-season activities are allowable with the following equipment only: footballs, bags, blocking sleds and football shoes.  
(Approved April 2015 Federated Council)

**NOTE:** For policies related to definition of full-contact and allowable in-season, off-season and team camp activities please consult the football section in the blue pages and local Section Bylaws.

The CIF has developed the following regarding full contact football practices:

**Allowable Activities During the Season of Sport:**

- A team is allowed two days per week of full contact practice, with no more than 90 minutes of full contact on each of those days. This includes live action and thud.
- A team may participate in air, bags/ blocking sleds and control drills at any time unless the Section has implemented more restrictive rules. A team may continue to dress in full pads for practice when conducting any of these drills defined below:
  - Air – Players run unopposed without bags or any opposition
  - Bags/Blocking Sleds – Activity is executed against a bag/blocking sleds, shield or pad to allow for a soft-contact surface, with or without the resistance of a teammate or coach standing behind the bag.
  - Control – Drill is run at assigned speed until the moment of contact with a pre-determined winner. Contact remains above the waist and players stay on their feet allowing an exit for the ball carrier when one is involved in the drill.

**Allowable Activities During the Off-Season:**

- No full contact practice is allowed during the off-season. Please consult Section Bylaws for allowable off-season activities.
- For purposes of this Bylaw, the off-season is defined as the team's last football contest of the season until the first day of practice the following school year as set by the Section.

**Allowable Activities for Team Camps:**

- No full contact practice is allowed during the off-season.
- Team camps are considered practice
- If allowed by the Section, a team may participate in air, bags/blocking sleds and control drills (see above definitions for these activities) while attending a team camp. A team may continue to dress in full pads for practice when conducting any of these drills at a team camp. Please consult Section and School District rules regarding the use of school equipment in the off-season
- For purposes of this Bylaw, the off-season is defined as the team's last football contest of the season until the first day of practice the following school year as set by the Section.

**Question: What is the implementation date for this bylaw?**

**Answer: In order to comply with AB 2127, this bylaw will be implemented immediately.**

**Question: May teams continue to use Thud as a training drill?**

**Answer: Yes, However, the time spent in Thud drills is considered full-contact and would count against the team's allotment in both for both days and minutes.**

**Question: Does unused time carry over to the 2<sup>nd</sup> day of allowable full-contact?**

**Answer: No. Teams are allowed 2 days per week of full-contact with no more than 90 minutes on each of those days. If a team does not use the entire 90 minutes of full-contact on one day, it may not carry over those unused minutes to the next day.**

**Question: Is a team allowed any type of contact outside of the two days per week with no more than 90 minutes on each of those days?**

**Answer: Yes. A team may still engage in Control drills. See the Policy Page for Bylaw 2001 for the definition of control.**

**Question: If allowed by the Section, may a team, in the off-season, engage in drills that are not considered full-contact?**

**Answer: Yes. However, no full-contact practice is allowed during the off-season at any time.**

**Question: Is full-contact allowed at team camps?**

**Answer: No. According to AB 2127, team camps are considered practice so full-contact would be prohibited.**

**Question: May teams attend a full-contact team camp outside of California?**

**Answer: No. AB 2127 and CIF Bylaw 2001 apply no matter where the team camp is conducted.**

**Question: May teams attend a team camp that only utilizes activities that are not considered full-contact?**

**Answer: Yes. Teams may attend a team camp and participate in drills that are not considered full-contact such as Air, Bags/Blocking Sleds and Control.**

**Question: Are players allowed to attend individual camps and participate in full-contact drills?**

**Answer: Yes. However, schools should consult their Section and School District (or school) policies regarding the use of school equipment by individuals. Also, schools may not use individual camps to circumvent AB 2127 and Byaw 2001 regarding team camps.**

---

## **2026. COUNTING A TIE GAME**

---

A regulation *called* game with a tie score shall be counted as ½ game won and ½ game lost for each team.

---

## **2027. PLAYER CONDUCT**

---

Any player who is ejected for any reason shall be disqualified from participating in the remainder of the game and will be ineligible for the team's next contest and may not attend. A second ejection will constitute a two contest suspension and a third ejection will cause suspension for the remainder of the season. A player who was ejected from the previous contest, who knowingly, or unknowingly, participates in or is in attendance at the next contest, will result in the forfeiture of that contest.

Any player whose conduct merits ejection from a game by an official for fighting or assaultive behavior shall be disqualified from participating in the remainder of the game and will be ineligible for the team's next contest. After the suspension from play, the student may only return after certification by the school principal that the student(s) has completed a conference with a school administrator. The appropriate form (post-ejection return to competition form) indicating the completion of the conference must be uploaded to the CIFSSHome misconduct manager for that specific misconduct. The School must also indicate the date(s) of the contest in which the player will not be in attendance in the "School Action" portion of the misconduct.

A second ejection from a game or contest for fighting or assaultive behavior will cause suspension for the remainder of the season.

A player who was ejected from the previous contest, who knowingly, or unknowingly, participates in or is in attendance at the next contest, will result in the forfeiture of every contest until the suspension is completely served.

Any player who leaves the confines of the bench or team area during a fight that has broken out or may break out will be ineligible for the team's next contest. After the suspension from play, the student may return only after certification by the school principal that the student(s) has completed a conference with a school administrator. The appropriate form indicating the completion of the conference must be filed with the Section office prior to rejoining the team. The School must also indicate the date(s) of the contest in which the player will not be in attendance in the "School Action" portion of the misconduct.

In the case of any suspension from play, the next contest may not be a forfeited, postponed or canceled game.

QUESTION:	What must be submitted to the Section office before a student can be cleared to rejoin his/her team?
ANSWER:	The Section office will provide a form on their website that must be uploaded to CIFSSHome or directly emailed to the CIF Office. The School must also indicate the date(s) of the contest in which the player will not be in attendance in the "School Action" portion of the misconduct.
QUESTION:	What is meant by attendance at a contest?
ANSWER:	Attendance is defined as being present at the location/site of the contest, which includes at the team bench/area, in the stands/spectator area, any location where the contest can be observed at any time, inside a gymnasium, stadium or playing area. The intent of this rule is that the ejected person is not present at the location/ site of the next contest.
QUESTION:	What happens when a student engages in Fighting/Assaultive Behavior during an athletic contest that is not observed by game officials?
ANSWER:	In cases when a student engages in Fighting/Assaultive Behavior that is not observed by game officials, it is the expectation of the CIF Southern Section Executive Committee that the building principal of the school involved will impose a minimum one-game suspension for the students who commit such offenses.
QUESTION:	What happens if a student is ejected from the first contest at a tournament when there are two contests on that day?
ANSWER:	When a game ejection of any kind occurs, the student should not be present at the next contest except in situations where supervision is necessary (i.e.: in a tournament). In tournament situations, it is understandable that the student remains in an area where they can be monitored (i.e.: bleachers, stands, etc.) however, they are still ineligible to compete or participate in any way. It is not the expectation that the student leave the facility unsupervised.
QUESTION:	What happens if a student receives a red card, misconduct of any kind, or an ejection during the last game of the season?
ANSWER:	The game suspension(s) carry over to the first game(s) at the beginning of the subsequent season. For example, a sophomore soccer player receives a red card the last game of the 2017 season. He/she will serve a game suspension the first game of 2018 season. Suspensions carry over and must be served before the athlete becomes eligible to compete in that sport. See next Q&A for answers regarding seniors.
QUESTION:	What if a senior (12 <sup>th</sup> grader) student receives a red card or misconduct during the last game of the season?
ANSWER:	If a senior (12 <sup>th</sup> grade) student receives a red card, misconduct or any kind, or ejection during the last game of the season, he/she must serve the penalty in the NEXT sport in which he/she participates. If the student does not participate in any other sports, the CIF Office WILL need a letter from the principal indicating the corrective action taken with that student. This letter will be uploaded to the ejection report in CIF-SS Home.

## 2028. COACH EJECTION

---

Upon ejection, the head or assistant coach shall be disqualified from participating in the remainder of the game and will be ineligible for the team's next contest. The next contest may not be a forfeited, postponed or canceled game. A second ejection will constitute a two contest suspension and a third ejection will cause suspension for the remainder of the season. A coach who was ejected from the previous contest who, knowingly or unknowingly, participates in or is in attendance at the next contest, will result in the forfeiture of every contest until the suspension is completely served.

QUESTION: What is meant by attendance at a contest?

ANSWER: Attendance is defined as being present at the location/site of the contest, which includes at the team bench/area, in the stands/spectator area, any location where the contest can be observed at any time, inside a gymnasium, stadium or playing area. The intent of this rule is that the ejected person is not present at the location/ site of the next contest.

QUESTION: How does the Accountability Rule affect a coach who coaches more than one level of a particular sport?

ANSWER: A coach who has been ejected from a contest may not be in attendance at ANY contest prior to serving his/her mandatory suspension at the level in which the coach was ejected. (i.e.: An ejected JV coach who is also a varsity assistant may NOT be in attendance at any contest until his/her mandatory JV suspension has been completed.)

2029.5 Any violation of the mandatory film/tape exchange rule (refusal to cooperate) should be reported at once to the CIF Southern Section Office. Such violation may subject a team to disqualification from the playoffs.

2029.6 The 25-yard tie breaker system may be used by leagues in order to determine entry, not priority, of their schools for playoffs so long as it is provided for in the league constitution and the competition is held no later than the last allowable regular playing date.

2029.7 The persons assigned to the "chain crew" responsible for marking down and distance on the field, shall be responsible adults.
