****REVISED TO INCLUDE FOOTHILL TECHNOLOGY FROM TOP-10 LIST IN BOYS/GIRLS.***

LOS ALAMITOS – The CIF Southern Section is pleased to announce the top girl's and boy's athletic programs in the 27th Annual Commissioner's Cup.

On the girl's side, Mater Dei took top honors by scoring 16 points in the manner of two championships. The Monarchs finished the year with a championship title in the sports of track and field and volleyball. This is Mater Dei's first Commissioner' Cup title for the girls.

Santa Margarita took 2nd place while scoring 15 points. The Eagles claimed championships in track and field and swimming and diving, including a second-place finish in soccer and third-place finish in water polo. Culver City took 3rd place recording 14 points. The Centaurs claimed two championships in the sports of water polo and volleyball along with third-place finishes in softball and basketball.

On the boy's side, Mater Dei claimed its second Commissioner's Cup title in a tie breaker recording 18 points. The Monarchs won three championships in the sports of football, basketball and water polo.

Tying with Mater Dei, Oaks Christian also recorded 18 points. The Lions won championships in the sports of golf, football and track and field along with a second-place finish in water polo. Downey took 3rd place recording 14 points. The Vikings claimed one championship in volleyball along with three second-place finishes in the sports of football, swimming and diving and wrestling.

The CIF-SS developed this recognition program based upon comprehensive excellence in interscholastic competition. The purpose of this program to enhance the spirit of competition, sportsmanship, and goodwill among student athletes and member schools.

The winners are determined by a point system that provides: five points for a divisional championship; three points for a divisional runner-up finish; two points for advancing to the semifinal round or third place finish in a team-place finish sport (i.e. cross country, golf, swimming and diving, track and field); and one point for a fourth-place finish in a team-place finish sport. In cases where a tie occurs the top ten schools were determined by several tiebreaker methods.

"We applaud the accomplishments of these programs due to their hard work and dedication that has resulted in their success," said Rob Wigod, Commissioner of Athletics.
