## **IN-SEASON RANKINGS**

With the passage of the competitive equity playoff system in January 2024 and changes to Bylaws 3519 and 3520 a weekly Top 10 poll will not be necessary. The playoff divisions will be created at the end of the regular season based on the current year's data.

It is **IMPERATIVE** that COACHES enter their full schedule and record results constantly throughout the season. Member schools who fail to accurately enter complete regular season results into the CIFSSHome system will not be placed into a playoff division and will be **INELIGIBLE** to participate in the Southern Section Championship playoffs.

For this season the Massey Ratings System will be used to provide our overall team rankings. The Massey Rating System was selected because it “connects” multiple teams via an equation. As more games are played, eventually each team is connected to every other team through some chain of games. These final team rankings will then be used to create our 10 playoff divisions for girls’ volleyball. All matches that are best 2 out of 3 or 3 out of 5 sets will be used to create a team’s final overall rating. The overall team rating is a merit-based quantity, and it the result of applying a Bayesian win-loss correction to the power ratings.

Final power rankings, and divisional placements, will be determined and released at the end of the current regular season. Seeding for all playoff brackets in each division will follow the final power

rankings in the division, regardless of league affiliation or league finish. For example, in the First Round, the #1 seed, determined by the final power rankings for that division, will play #32, the #2 seed will play #31, etc. in a 32-team bracket. The higher seeded team will host the First-Round contest and then CIF Southern Section Bylaw 3504, Host Team After the First Round, will be followed for all subsequent contests.

The size of the bracket will be determined at the end of the regular season.

**One Set contests (contacts) should not be entered on your schedule. Those types of events are not official matches as defined by NFHS Rule 1, Section 2, Article 1.**

**Matches that are 2 (two) sets should be entered. Those are entered because in a best 2 of 3 sets we have a winner by the score of 2 – 0. If there is a tie at 1 set apiece a tie can be recorded.**

At the half-way point of the season and then each week that follows until the end of the regular season on Wednesday, October 16<sup>th</sup> we will post in-season rankings of all Southern Section teams participating in girls' volleyball.

Posting dates are:

- Tuesday, September 9
- Tuesday, September 16
- Tuesday, September 23
- Tuesday, September 30
- Tuesday, October 7

The CIF Southern Section is continuing to utilize the concept of coaches' advisory committees for all sports. The role of the advisory committee will include the following:

- Meetings
- Recommendations for playoffs sites
- Recommendations for procedural changes
- Recommendations for rule changes
- Evaluation of sport season
- Assistance to coaches and/or officials' organizations
- Communications between coaches and the CIF-SS office
- Management/Supervision at Championship Events

The Coaches Advisory Committee is member coaches and an administrator from the CIFSS office staff. Coaches selected for the committee provide a cross-section of the organization and are based upon geographic, as well as competitive divisions. Should you have suggestions or questions regarding volleyball competition, please make use of this excellent channel of communication. The committee will meet on a regular basis during the season and your items will become part of our agenda.

## 2025-26 VOLLEYBALL RULES CHANGES

**3-2-1 NOTE (NEW):** Beginning with the 2026-27 school year, state associations may adopt the use of a non-smooth or textured volleyball.

**Rationale:** Allows either boys or girls to adopt a textured volleyball with no restrictions on color or shape of panels to be inclusive of all current textured volleyballs on the market.

**4-2-1h(3), 4-2-1i(2):** Team members may wear black, white or gray undergarments in addition to undergarments that match the predominant color of the uniform top/bottom under the uniform top and/or bottom. All team members, other than the libero, wearing an undergarment must wear the same color.

**Rationale:** Aligns with other NFHS rules codes allowing athletes to wear more commonly found colors of undergarments.

**4-2-4d, f:** Beginning July 1, 2029, the number on the front of the uniform must be centered on the upper half of the uniform top eliminating the measurement requirements from the shoulder seam and neckline.

**Rationale:** Removes officials from the position of measuring uniforms to verify the legal distance of the number from the shoulder or neckline, creates consistency in number placement, and allows for number placement variances due to player body types.

**5-3-2b, 5-5-3b(9):** Eliminates the requirement for the second referee to carry and use a lineup card to check the starting lineups.

**Rationale:** Allows veteran officials to use each coach's submitted lineup sheet to check the starting lineup while allowing the use of the lineup card as a training tool for newer officials to assist with tracking rotations during the match.

**9-4-8c (NEW):** Eliminates the judgment call of a multiple contact fault in a single attempt to play the ball on the second team hit if the ball is next contacted by a teammate.

**Rationale:** Allows for play to continue when multiple contacts on the second contact does not create an advantage for the offending team.

**10-4 PENALTIES 1:** Changes the penalty administration for an illegal libero replacement to an unnecessary delay if identified before contact of serve and an illegal alignment if identified after contact for serve.

**Rationale:** Aligns the penalty for an illegal libero replacement with the definition of illegal alignment which occurs on contact of serve.

#### **2025-26 Volleyball Editorial Changes**

RE: 2025-2026 ALL-CIF SOUTHERN SECTION TEAMS

Per the previous directive regarding the selection of All-CIF-SS and after consultation with CIF-SS Staff, the following are the mandatory maximums as it regards team selections in all sports. The office will no longer provide certificates beyond the first team in any sport and each sport will be allotted the following number of player selections for each division represented in that sport:

Girl's Volleyball            12 position players, 1 Libero, **1 MVP\***, 1 Coach of the Year (13 w/ Libero; 12 w/o)

**\* In each sport the MVP must be included in the list of position players**

Each sport may alter their lists, except those as designated, as they see fit (i.e. select Co-MVP's) however the total number of players may not exceed the total number of allowable selections.

- Each sport may continue to select and honor a 2<sup>nd</sup> or 3<sup>rd</sup> team. However, the CIF Southern Section will not pay for those certificates, nor will the CIF-SS office release those teams to the media. Additionally, 2<sup>nd</sup> and 3<sup>rd</sup> teams cannot include the use of "CIF" or any variation of our name in the titling. Thank you for your understanding and please feel free to contact me should you have any questions on this issue.
- Unless an individual school has co-head coaches on their staff we will not accept "Co-Coaches of the Year".
- Any sport that does not conform to these guidelines will be asked to resubmit.

Thank you for your cooperation and understanding.

## **HEALTH AND SAFETY**

It is the expectation of the CIF Southern Section that your Athletic Coaches and Administration will take every measure to ensure the health and safety of your student athletes.

The following are key points of emphasis coaches should review with their staff and players in reference to CIF Southern Section rules and regulations in the 2025-2026 CIF Southern Section Blue Book. This list is not all-inclusive but only highlights key areas. For necessary forms and additional information regarding Heat Safety, Hydration and other Sports Medicine resources, please go to [www.cifss.org](http://www.cifss.org) and click on the “Sports Medicine” tab on the blue toolbar.

Additional resources can be found at [www.cifstate.org](http://www.cifstate.org) under the “Sports Medicine” tab on the white toolbar

## **PHYSICAL EXAMINATION**

An annual physical examination, or a statement by a medical practitioner, is required for a student to take part in any authorized school practice session and/or pre-season conditioning period. This physical examination will be valid for a period of one year from the date of the examination. A student will be excused from this physical examination only if there is compliance with the Education Code (parent's refusal to consent). CIF Health and Safety Committee strongly recommends schools use the Pre-Participation Examination form that is endorsed by five major medical societies; American Academy of Family Physicians, American Academy of Pediatrics, American Medical Society for Sports Medicine, American orthopedic Sports Medicine and the American osteopathic Academy of Sports Medicine. All CIF schools must have school board approved forms.

## **CONCUSSION PROTOCOL**

A student athlete who is suspected of sustaining a concussion or head injury in a practice or game shall be removed from competition at the time for the remainder of the day. A student-athlete who has been removed from play may not return to play until the athlete is evaluated by a licensed health care provider trained in education and management of concussion and receives written clearance to return to play from that health care provider. If a licensed health care provider, trained in education and management of concussion determines that the athlete sustained a concussion or a head injury, the athlete is required to complete a graduated return to play protocol of no less than seven (7) full days from the time of diagnosis under the supervision of a licensed health care provider. On a yearly basis, a concussion and head injury information sheet shall be signed and returned by all athletes and the athlete's parent/guardian/caregiver before the athlete's initial practice or competition. (Approved May 2010 Federated Council/Revised January 2015 Federated Council)

Question: What is meant by “licensed health care provider?”

Answer: the “scope of practice” for licensed health care providers and medical professionals is defined by California state statutes. This scope of practice will limit the evaluation to a medical doctor (MD) or doctor of osteopathy (DO).

## **STEROID PROHIBITION**

All schools shall adopt policies prohibiting the use and abuse of androgenic/anabolic steroids. All member schools shall have participating students and their parent(s)/guardian(s)/caregiver agree that the athlete will not use steroids without the written prescription of a fully licensed physician (as recognized by the AMA) to treat a medical condition.

NOTE: Article 1-12.N. (Revised May 2005 Federated Council)

## **SUDDEN CARDIAC ARREST PROTOCOL**

A student-athlete who passes out or faints while participating in, or immediately following, an athletic activity or who is known to have passed out or fainted while participating in or immediately following an athletic activity, must be removed immediately from participating in a practice or game for the remainder of the day. A student-athlete who has been removed from play after displaying signs and symptoms associated with sudden cardiac arrest may not return to play until the athlete is evaluated by a licensed health care provider and receives written clearance to return to play from that health care provider. On a yearly basis, a Sudden Cardiac Arrest information sheet shall be signed and returned by all athletes and the athlete's parent/guardian/caregiver before the athlete's initial practice or competition.

Question: What is meant by “licensed health care provider?”

Answer: the “scope of practice” for licensed health care providers and medical professionals is defined by California state statutes. This scope of practice will limit the evaluation to a medical doctor (MD) or doctor of osteopathy (DO).
