CHAMPIONSHIP FORMAT

MANAGEMENT

In accordance with Article 32 of the CIF Southern Section By-Laws, all playoffs of the CIF Southern Section shall be under the management of the Commissioner of Athletics.

GAME RULES

All playoff games will be played under the 2023-2024 National Federation Basketball Rules, except where superseded by Blue Book rulings or this handbook.

CIF SOUTHERN SECTION FORD BASKETBALL CHAMPIONSHIPS PLAYOFF FORMAT

As adopted by the CIF Southern Section Council, **LEAGUE ENTRIES WILL BE LIMITED TO THE FOLLOWING:**

- 4 Team Leagues - 2 Entries Guaranteed Only**
- 5 Team Leagues - 3 Entries Guaranteed Only**
- 6 Team Leagues - 3 Entries Guaranteed Only**
- 7 Team Leagues - 4 Entries Guaranteed Only**
- 8 Team Leagues - 4 Entries Guaranteed Only**
- 9 Team Leagues - 5 Entries Guaranteed Only**

Each championship divisional tournament bracket will be maintained at 32 team draws, depending on the number of entries submitted.

In divisions where there are more than 32 automatic qualifiers, "wild card" games will be played to reduce the field to accommodate the bracket of 32 teams.

LEAGUE DESIGNATION OF ENTRIES

Each league will also be charged with the responsibility - as in all other sports - of designating a priority order for its member-school entries for pairing purposes. CIF-SS tournament management will place schools in the 32 team brackets based on league entry order and will follow established and accepted guidelines in pairing the tournament brackets.

END OF COMPETITION

All league competitions for entries must be completed on or before Friday, February 2, 2024. No league competition will be allowed on Saturday, February 3, 2024 per Blue Book Rule 1612.

SUBMITTING AN AT-LARGE / FREELANCE APPLICATION

AT-LARGE QUALIFICATION

In divisions where there are openings in the bracket, AT-LARGE ENTRIES will be accepted to fill the bracket openings up to 32 teams.

- Submit the official at-large petition through www.cifsshome.org
- At Large schools must have a .500 or better overall record to be considered
- Your league coordinator needs to be aware of your intent to file an At-Large
- At-Large petition and completed schedule and scores must be submitted by **10:00 P.M. ON FRIDAY, February 2, 2024.**

The Tournament Seeding Committee will utilize the following information in its selection process for At-large berths, with each having no specific weight and/or order of preference:

- a) Head-to-head competition of teams under consideration
- b) Overall strength of the league in which the team participates
- c) Overall won/loss record
- d) League finish
- e) Strength against common opponents
- f) Strength of schedule
- g) Strength at end of season (whether team has won or lost its last 3 games, etc)

PLAYOFF DIVISIONS / PAIRINGS

Division placements are posted on the CIF-SS website @
www.CIFSS.org > Basketball > Playoff Divisions

DIVISION PLACEMENT CRITERIA FOR 2023-2024 BOYS/GIRLS BASKETBALL

CIF-SS Basketball Playoff Division Breakdown Criteria -

1. Schools will be placed into 9 original divisions. These 9 divisions (1, 2AA, 2A, 3AA, 3A, 4AA, 4A, 5AA, 5A) will have a varying number of teams in each division based on the average number of automatic qualifiers in each division over the past 2 seasons.
2. Competitive equity will be determined by a formula of individual school regular season and CIF-SS playoff performance over the previous 2 seasons.
3. CIF-SS Playoff brackets will be filled to 32 teams unless the number of automatic and at-large teams in a particular division necessitates a smaller bracket.
4. If there are more than 32 automatic qualifiers in a particular division, Wild Card games will be used to reduce the field to 32 teams.
5. At-large teams must have a .500 or better overall record and will be selected only to fill to 32 team brackets in each division using selection criteria discussed in the basketball preview and bulletin and as selected by the CIF-SS Coaches Advisory Committee.

PAIRINGS

It will be the responsibility of the Commissioner and his staff to establish the pairings in each first round game of all divisions.

PLAYOFF PAIRING FORMAT – Divisions 1 – 5A

At the request of the Southern California Basketball Coaches Association (SCIBCA) along with the approval of the CIF-SS Basketball Advisory Committees, and in an effort to update, clarify and enhance the overall presentation of the CIF-SS Ford Basketball Championships, new language for the construction of playoff brackets has been adopted.

SEEDS - The initial step is to designate four teams in rank order as seeds, with No. 1, 2, 3, and 4 placed in the designated draw position in each quarter of the bracket (see diagram 1). Now, designate the next four teams in rank order as seeds, with No. 5, 6, 7, and 8 being placed in each quarter of the designated bracket (see diagram 1). Next, the teams designated as seeds No. 9, 10, 11, and 12 will be placed in each quarter of the designated bracket (see diagram 1). The last four teams in rank order designated as No. 13, 14, 15, and 16 will now be placed in each quarter of the designated bracket (see diagram 1).

Adjustments to seeding: Adjustments to this procedure would be made if the seeds in the same half/quarter of the bracket were from the same league.

Another adjustment may become necessary in order to ensure that the No. 1 and 2 entries from the same league are placed in opposite halves of the overall bracket.

Note: Throughout this process, a league No. 2 entry may not be seeded higher than the No. 1 entry from the same league, nor may a No. 3 league entry be seeded higher than the No. 2 entry from the same league.

Filling the draw: The next step is to begin completing the draw by placing any remaining No. 2 league entries in the opposite half of the bracket from the No. 1 entries from the same league. The final step to complete the draw is to place the remaining No. 3 entries (along with any No. 4 entries, At-Large and/or Free Lance teams) from each of the respective leagues in the remaining open slots, attempting to place each in one of the remaining quarters of the bracket where the league is not represented. This process eliminates the aspect of schools from the same league meeting in the second round of competition.

Exception: If the overall bracket holds less than 32 teams, it is possible for two teams from the same league to meet in the second round. **Open Division Exception:** In the Open Division there will be an 8 team bracket, therefore in that division it is possible for two teams from the same league to meet in the first round.

An exception to this procedure occurs where geography does not permit wide placement. The directive of the CIF Southern Section Council (from its meeting on March 13, 1980), directs schools be placed in the same half, and if necessary, quarter of the bracket, to curtail excessive travel, is followed.

League change of entry:

Once the draw sheet has been finalized by the CIF Southern Section Office and then notification is received that a league has made a mistake in submitting the proper entries in order of priority, this Office will exchange positions of the schools involved in the bracket from that league. No other changes will be made.

California State Playoff Placement:

1. All participants in the CIF-SS Open Division will be guaranteed an automatic bid into the CIF-State Regional Playoffs. (see page 16)
2. All CIF Southern Section Champions will be guaranteed a CIF-State Playoff berth (see page 16)
3. Additional teams need for CIF-State playoff berths will be selected using the same At-Large criteria that is currently in place (see page 16)

CIF-SS BASKETBALL OPEN DIVISION

Opening Round for Open Division: *Boys - Friday, February 9, 2024*
 Girls – Saturday, February 10, 2024

Selection of Open Division Teams:

Up to 8 teams will be chosen at the end of the regular season for the CIF-SS Open Division.

Criteria for Selection of CIF-SS Open Division teams and Seeding

A Blue Ribbon committee will be formed by the CIF-SS to select the Open Division teams. Committee will be made up of current and former representatives of the CIF-SS Executive Committee, CIF-SS Basketball Coaches Advisory Committee, SCIBCA Executive Board, CIF State Basketball Coaches Advisory Committee and Media members.

1. Teams will be selected and seeded by the committee using the following criteria:
(unweighted)
 - Strength of schedule
 - Overall Record
 - Freeman/Max Preps/CIF-SS Top 16 rankings
 - Strength at end of season (including roster additions/eligibility changes/winning & losing streaks/etc.)
 - Head to Head vs. Open Division Entries
 - Overall Record vs. Open Division Entries
 - Victory vs. Quality opponents
 - Quality loss
 - Unexpected loss

Open Division Pool Play: See explanation next page

Open Division Home Playoff Site Selection:

1. In the Open Division, the higher seeded team in each pool play game will have the home game.

Open Division Gym Size Minimum Requirement: -

Open Division games generate tremendous interest and require adequate facilities to accommodate the expected crowds for these Open Division games. A site may be changed by the CIF-SS Office, if the home gym would not accommodate the expected ticket sales, attendance and community interest. In the Open Division Bracket, it is mandated that the host school secure a gymnasium that has a posted basketball seating capacity of no less than **2000** spectators for boys and **1,000** for girls. Venues with less than these capacities must be approved by the CIF-SS Office. It is recommended that Open Division schools plan ahead to secure a site that meets this requirement.

PLAYOFF HOSTING INFORMATION

DETERMINATION OF SITES

(See page 18 for Open Division site selection)

To decide who shall be the host team after the first round of competition will be the sole responsibility of the Commissioner. In cases where two teams are paired after the first round of the playoffs, the team having the fewest number of home games in playoff competition shall be designated as the host team. When both teams have had an equal number of home playoff contests, the Commissioner shall toss a coin to decide the host team. When a school has been designated as the host school for a playoff contest it shall (1) act in that capacity unless excused by the Commissioner and (2) be considered the host team regardless of where the game is being played. SPECIAL NOTE: Teams receiving a bye in the first round shall automatically be the host team in the next round of the playoffs. The bye received in the first round shall not count toward the total number of home games played.

The host school is charged with the responsibility of securing an adequate gymnasium for the holding of a basketball playoff contest. All sites must be approved by the Office of the Commissioner of Athletics. It is recommended that where available and when approved, playoff games shall be played in rent-free high school gymnasiums, but in cases where it is necessary to pay a rental fee for an outside gymnasium, such an arrangement must be approved by the Commissioner prior to the contest.

Competing schools are reminded that CIF-SS playoff basketball games, while they may be played at one school, are under the control of the CIF-SS. Both competing schools in any one game are given equal consideration in regard to seating. If, in the Commissioner's opinion, the host team gym is not large enough to accommodate the anticipated crowd, the host team will be required to reserve one-half of the gym's capacity for the visiting school's rooters.

GAME SITES

The Commissioner's Office has been delegated the authority to determine the sites of all basketball playoff contests. For all the office will be guided in this decision by the following factors: (1) size of courts, (2) lighting, (3) seating capacity as it relates to a specific contest, (4) parking facilities, (5) type of backboards, (6) press facilities available, (7) availability of an alternate gym in the area, (8) results of the most recent Basketball Facility survey, which is posted in the CIFSSHome directory for schools.

SPECIAL NOTE: All divisions for BOTH boys and girls basketball, the semifinal games shall be played on HOST COURTS. For any playoff contest, the Commissioner may direct that the contest be played on an alternate court if the host court does not meet CIF-SS playoff standards or will not accommodate the anticipated crowd.

PRACTICE IN ALTERNATE GYMS

Whenever a playoff game is scheduled for an alternate gym, neither team will be permitted to practice in that gym prior to the contest. The visiting team may not practice prior to the game on its opponent's home court.

ALTERNATE GYM DEFINED

An alternate gym is defined as any site on which a team does not conduct practice. A team may schedule more than one game in the same gym, and the facility would still be considered an "alternate" gym as long as NO practice session was conducted in that facility. In games where a team is entitled to a host court, but its regular gym does not have adequate seating capacity to meet playoff standards and the game is ordered to be played at another facility, that team may conduct practice at this facility prior to the contest.

PLANNING MEETINGS

It is required that administrators from the two competing schools communicate to discuss details connected with the staging of the contest. Visiting students and supporters should be given detailed information regarding the best method of reaching the site of the contest, where to park, where to enter the facility and where their allotted seats are located. The half-time entertainment and all activities connected with the game should be thoroughly worked out.

If needed, planning meetings may be held for those teams involved in games under the direct management of the Commissioner. Schools will be notified of the exact sites and times of the planning meetings.

GAME ARRANGEMENTS

With a very limited amount of time between each round of the playoffs, a tremendous strain is placed on the staff at the CIF-SS Office in arranging the details connected with insuring a successful playoff activity. Please communicate with your opponent as soon as possible and let the CIFSS office know of any time or location changes.

Schools must MUTUALLY AGREE and permission must be obtained from the commissioner's office for any change in site, time or day of contest. Please email jerryd@cifss.org and kristinet@cifss.org with the mutually agreed upon change of site, time or day. Upon approval, the Basketball department will note the change on the bracket found @ www.cifss.org and the CIF-SS officials assignors will be notified.

GAME ADMINISTRATION INFORMATION

General CIF Southern Section Playoff/Championship requirements for all teams and host sites can be found on the download section of each sport page.

EQUAL FACILITIES

Although it is necessary that one team be designated as the host team, it shall be kept in mind that the game belongs to both competing schools and facility seating must be split equally. **A pre-game planning meeting must be conducted to plan all details connected with the staging of every playoff contest.**

ELIGIBILITY LISTS

One eligibility list, which will suffice for the entire playoff duration, **must** be submitted on cifsshome.org **prior to the first playoff game.**

TEAM SIZE

Each school participating in the CIF Southern Section Basketball Playoffs will be permitted to suit up not more than 17 players.

GAME JERSEYS

The host team shall wear white jerseys and the visiting team dark-colored jerseys, for all playoff contests. If a team has only one set of jerseys, it will be that school's responsibility to notify its opponent in sufficient time in advance of any scheduled contest, so that proper arrangements can be made to make certain that both teams have contrasting colored jerseys.

GAME OFFICIALS

Officials for all playoff rounds thru the championship finals will be coordinated through the CIF-SS Office and the CIF-SS Basketball Assignment Coordinators.

SCHOOLS ARE NOT TO MAKE ARRANGEMENTS FOR THEIR OWN OFFICIALS.

The CIF Southern Section office will also pay the basketball officials in the preliminary rounds thru the championship finals. Schools will be responsible for paying the basketball officials during the playoffs only if they are assigned by the Channel Coast basketball assigning unit. If a school does pay for the basketball officials, the school will claim this expense on the CIF-SS basketball financial report found in CIF Home Campus.

You will be notified of your officials in advance of your playoff game. If the host school has not been notified of assigned officials by noon on game day, please contact one of the following CIF-SS Assignors:

 **John Moore, (949) 233-6875, Ron Wade (951) 312-0077 or Mike Kearns (626) 991-9490.**

GAME BALL

Boys Basketball:	Wilson NCAA EVO NXT Game Basketball Size 7 (Used in CIF-SS Championship) Wilson EVO NXT Game Basketball Size 7
Girls Basketball:	Wilson NCAA EVO NXT Game Basketball Size 6 (Used in CIF-SS Championship) Wilson EVO NXT Game Basketball Size 6

PROTESTS

By action of the CIF-SS Council, protests of playoff contests involving National Federation rules will no longer be entertained following the conclusion of the contest.

Coaches may direct questions to the game officials as they pertain to a possible misapplication of the rules in accordance with the National Federation rules governing that sport. No protest may be carried forth once the contest is complete.

Coaches are encouraged to carry National Federation rule books with them for all playoff contests.

Schools will still have the opportunity to protest a contest in accordance with Southern Section rules, Rule 1111, as it pertains to use of ineligible player or violations of any CIF-SS rule in accordance with the contest.

GAME RESULTS

Scores must be posted in your schedules and scores on www.CIFSSHOME.ORG immediately following the completion of the contest.

OFFICIAL SCORER AND CLOCK OPERATOR

The official scorer and clock operators are recognized as game officials and it is required that a faculty member or other qualified responsible **ADULT** staff these important positions. **The official scorer (scorebook) MUST wear a black/white vertical striped shirt/pinney per NFHS guidelines.**

CHECK TIMER

The check timer for playoff games shall be **a faculty member or responsible adult**. If the visiting team does not supply a check timer, the host team facility timer alone is responsible.

35/30 SECOND CLOCKS

The 35-second clock shall be used for all boys basketball contests and the 30-second clock shall be used for all girls basketball contests. A visible clock is highly recommended for all playoff contests.

ANNOUNCER – CIFSS Playoff Rounds

(Please download PA's found at www.cifss.org on the B/G Basketball Page)

The announcer should be a responsible adult who can set the tone of the game by calling the fans' attention to the following points of reference:

- 1. CIF-SS playoff contests are conducted under the strictest code of good sportsmanship.**
- 2. The officials are neutral individuals, representing the Commissioner and have been selected because of demonstrated ability.**
- 3. Rooters are encouraged to support their own team and are requested to display proper sportsmanship with respect to the visiting school and the officials. The CIF-SS appreciates your attendance and support of high school basketball.**

AWARDS / SPECIAL PRESENTATIONS

CIF-SS regulations provide for seventeen individual patches to be furnished to members of the championship team in each playoff division. Runner-up teams will receive seventeen individual medals. The championship and runner-up team in each division will each receive a CIF-SS permanent trophy which will be retained by the school. Team and individual awards will be presented immediately following each boys and girls championship contest.

Each year, the Southern California Interscholastic Basketball Coaches Association (SCIBCA) honors outstanding coaches for their contribution to high school basketball in Southern California. Time is provided during the evening of the championship games for this presentation.

When deemed appropriate, the CIF-SS honors people who have made contributions to its interscholastic program. In addition, many former outstanding CIF-SS championship teams are recognized. Time is provided during the evening double-header at the championship game for these presentations.

CHEERING SECTIONS

Fan/Student cheering sections are encouraged to cheer and support their own team and should display proper sportsmanship with respect to the opposing team and the game officials. They are expected to follow the following guidelines and failure to do so may lead to removal from the contest and/or forfeiture of the contest.

- 1. No noisemakers** (horns, bells, victory bells, sirens, chimes, wooden blocks, balloons, thunder sticks, etc.). Megaphones may only be used by the school's uniformed cheer squads.
- 2. Cheering devices** such as rally towels, pom poms and pennants are acceptable when used within the bounds of good sportsmanship.
- 3. Face painting** is acceptable from the neck up only and shall not include any inappropriate letters or symbols. Assigned school staff shall monitor their cheering sections in regard to face painting.
- 4. It is the expectation that cheering section behavior will be monitored by the assigned school staff of the school that they represent. All improper behavior/language should be addressed and corrected immediately by school staff supervisors.**
- 5. Rules are subject to specific event and/or venue limitations.**

PEP BAND, CHEER/SONG LEADER SQUADS

Cheerleaders/Pep squads and pep bands of no more than 12 members will be admitted free of charge through a designated entrance and must be in full uniform and/or carrying an instrument and accompanied by an adult supervisor.

If the host school has a band of not more than 12 members capable of contributing to the entertainment, there is no objection to having it play before games and during intermissions. Under no circumstances may the band instruments be used for cheering purposes. **Electronic amplification is prohibited.**

Even though additional members of the band may purchase tickets, not more than 12 members may comprise the pep band. Because a number of gymnasiums have poor acoustics, it has been necessary to limit the number of players in a pep band. The noise generated by a large band in a gym with poor acoustics is annoying to spectators and distracting to players.

No band, other than the one from the host school, shall be admitted as an organization except by special permission of the Commissioner, who will act upon petition by the principal of the host school.

(Under no circumstances may more than 12 members comprise a pep band at playoff games and Championship games).

POSTERS AND BANNERS

Posters and banners are an excellent way of creating good sportsmanship between competing schools. Only those posters and banners exhibiting this concept will be permitted.

PLAYOFF FINANCIALS

RESPONSIBILITY

The principal of each school participating in the CIF Southern Section (CIF-SS) Basketball Playoffs shall be responsible to see that prescribed procedures pertaining to playoff regulations, as outlined in this section, are followed. If the principal so desires, this responsibility may be delegated to a member of his staff.

FINANCIAL REPORT

The CIF-SS Blue Book requires the host school charge admission to a Basketball Playoff contest. (See financial policy Article 10, Section 143-145, CIF-SS Blue Book. All information can be found on the web site).

Financial forms (host and visitor) be submitted via www.cifsshome.org.

FINANCIAL REPORTING PROCEDURE – Visiting School and Host School

Both the visiting school **and** the host school must complete a financial report for each playoff game via www.cifsshome.org.

Playoff financial reporting via www.cifsshome.org has changed and schools will no longer be reporting ticket revenue. CIF-SS will assume this responsibility as all ticket sales will be reported on the day following each event from the GoFan captured sales report. However, host and visiting schools will maintain the responsibility of reporting game expenses via www.cifsshome.org. Upon approval of the submitted expense reports, CIF-SS will distribute expense reimbursements and/or playoff splits.

- Within 3 school days following the game, the visiting school should enter round trip mileage (\$1.50 per mile for basketball), ***meals and/or lodging expenses** (*pre-approved by the CIF-SS office). Meal allowances issued to teams traveling >140 miles round trip and lodging allowances > 550 miles round trip. (details listed on page 26)
- **Host schools** are expected to submit only exact expenditures, within the maximums established (i.e., all security costs exceeding \$350.00 must have prior approval from CIF-SS).
- For games reporting a profit, the completed financial report will be available for viewing via www.cifsshome.org. From the game revenue, the CIF Southern Section will distribute the net profit shares (20% to the host & 20% visiting school) as well as applicable game expenses. The distribution of money will be indicated at the bottom of the financial report.
- For games reporting a loss, the completed financial report will be available for viewing via www.cifsshome.org. The net loss will be split equally between the two participating schools. The CIF Southern Section will distribute the game revenue as indicated at the bottom of the completed financial report. There may be cases where the host or visiting school also owes its opponent or CIF-SS. In such case, the distribution of money will be indicated at the bottom of the completed financial report.

NOTE: Completed financial reports **MUST** be submitted within **10 school days** following the contest. As stated in CIF-SS Blue Book Rule 145, after a reasonable request from the Commissioner's Office, schools that continue to be delinquent with financial reports will not be allowed to host a game during the playoffs in all sports for a period of one year.

CONCESSIONS

Where concessions and programs are involved in a playoff contest, the profit or loss from such enterprises shall not be included in the financial report. The host school reserves the right to handle the program and concessions as a separate venture and need not share the profit nor expect the CIF-SS or the visiting school to share in any loss.

GAME PERSONNEL

The host management is responsible for staffing the gymnasium with the personnel necessary to conduct the contest. It would be expected that the same pay schedule followed for league contests would be used to reimburse ticket sellers, ticket takers, police, physician and custodial help. In determining the pay scale for working personnel in playoff games, schools are reminded that it should be computed on the basis of **one contest** instead of **two contests** as is customary in regular league play.

In playoff contests, payment to faculty personnel to supervise a rooting section is not an allowable expense and may not be charged to game expense. It is realized that some schools pay faculty persons to supervise rooting sections in league contests, but because this is not the policy in many schools, the Executive Committee has ruled that if a school (host or visitor) desires to pay such personnel, it shall do so out of its share of the net receipts and not charge the cost to the game expense.

There is a wide disparity of staffing policies for athletic contests among schools in the Southern Section.

GATE PROCEDURES

All schools hosting playoff contests should make certain that gate personnel handling tickets are advised of the following procedures:

1. All paying attendees must have a GoFan issued ticket (www.gofan.co).
2. Host School will VALIDATE electronic GoFan ticket at point of entry into the playoff game.
3. SEE BELOW for ADMISSION OF WORKING FACULTY PERSONNEL.
4. All ticket validators and gate personnel should familiarize themselves with the CIF-SS Media Pass, CIF-SS Courtesy Card and other acceptable passes (See page 31).

ADMISSION OF WORKING FACULTY PERSONNEL

BOTH SCHOOLS: Only those regular faculty personnel from the competing schools who have been assigned definite supervisory responsibilities for the playoff game will be admitted free of charge. No other administrators, counselors, faculty or staff members will be admitted without a complimentary or general admission ticket.

ALLOWABLE TRAVEL EXPENSE – VISITING TEAM

The visiting school will pay its own traveling expenses and submit a statement of these expenses, after the game (within three (3) days), via www.cifsshome.org. These expenses would include mileage for transportation and lodging and/or meals where approved by CIF-SS Office. When making travel arrangements, please contact the CIF-SS Finance Department (mitchc@cifss.org and erinc@cifss.org) for approval. Traveling expenses of the visiting team are considered part of the game expenses.

MILEAGE TRAVEL EXPENSE

The CIF-SS Council has set the allowable travel expense as it pertains to Boys and Girls Basketball. Traveling squads shall be limited to a maximum of 17 in the party, including players, coaches, manager, and administrators. Schools may take additional personnel if they wish, but at their own expense.

- Basketball travel allowance by CIF-SS office includes:
 - \$1.50 per mile for chartered or school bus – Actual cost of bus is not an allowable expense.
 - \$0.50 per mile for private automobile/school van (limit 3)
 - Distance obtained from Map Quest, Google Maps or Yahoo Maps shall be used, when available, for computing expense

CIF-SS encourages schools to utilize private automobile transportation when possible in an effort to keep the travel allowance at a minimum and possible financial loss to schools involved. Please pass this information along to the person on your campus charged with completing the financial report form.

MEALS AND LODGING

No allowance will be permitted for meals or lodging without prior approval of the CIF-SS Office. This is necessary to insure uniform expenditures for all schools.

The number of meals allowed a school will be determined by the CIF-SS Office on the basis of distance traveled and the scheduled time of the game. No meals will be authorized when the travel distance is less than 140 miles round trip.

When approved, meal reimbursement maximums are:

- \$3.00 for breakfastper person for up to a party of 17
- \$5.00 for lunchper person for up to a party of 17
- \$8.00 for dinnerper person for up to a party of 17

Mileage: Mileage must be verified by contacting the CIF Southern Section.

Lodging: If traveling over 550 miles, please contact CIF-SS office for lodging reimbursement authorization. Maximum reimbursement for lodging will not exceed \$10.00 per person for a group of no more than 17 people.

Because of this, schools in the playoffs are asked to assign the minimum number of personnel necessary to assure efficiency and safety.
