

A MESSAGE FROM THE COMMISSIONER

A HOLIDAY MESSAGE

As 2018 comes to an end, I am filled with gratitude for all the gifts we are given: the opportunity to truly make a difference in the lives of young people through the platform of education-based athletics, the incredible contributions of our principals, athletic directors and coaches in this effort and the wonderful staff that I have the honor and privilege of working with every day. The unwavering commitment we all share to provide the best service we possibly can to our member schools is what I am most proud of. I pledge to all of you that will never change.
