**SUBJECT: 2019 CIF-SS GIRLS WRESTLING CHAMPIONSHIPS
FRIDAY/SATURDAY, FEBRUARY 15/16, 2019

DATE: FEBRUARY 11, 2019

The purpose of this communication is to update you on the situation regarding the 2019 CIF Southern Section Girls Wrestling Championships. Last Saturday, at the CIF Southern Section Girls Wrestling Regional Qualifying Tournaments across 5 sites, we were faced with the reality that some wrestlers had reached their maximum limit of 5 matches in one day, as mandated by NFHS Rules, before we were able to complete our qualifying process. Therefore, several wrestlers were not able to continue their participation in those tournaments beyond their limit of 5 matches in the effort to qualify 6 wrestlers from each of our 5 sites to this weekend's CIF Southern Section Girls Wrestling Championships.

Therefore, in consultation with our Girls Wrestling Coaches Advisory Committee and Meet Management Staff, this weekend's Girls Wrestling Championships will include 8 wrestlers from each of the 5 sites we held tournaments last Saturday and the tournament will be contested in brackets of 40 wrestlers each. I have attached the complete list of entries for this weekend's championships to this email. In this way, we are able to provide the opportunities for those who were not able to continue last Saturday to compete this weekend.

While bracket sizes will increase, everything else for this weekend is unchanged.
