B. SOUTHERN SECTION ACTION ITEMS

1. Proposed Bylaw Elimination 3105.4 - Water Polo Tournaments - 1st and 2nd to approve. No discussion - Motion passed: 79-1-11

2. Proposed Revisions to Summer Dead Period Bylaws - 1st and 2nd to approve. Discussion: Concern over the multiple schools in one district and restrictions placed on facilities, concern over summer school schedule and how that would impact the required dates, issue was raised on what this might due to the multi-sport athlete. Motion defeated: 30-58-3

4. NON-ACTION ITEMS

A. STATE FEDERATED COUNCIL NON-ACTION ITEMS

1. Proposed 2019-2020 State Budget - (To Be Distributed at State Federated Council Meeting)
No budget presented and available at this time.

2. CIF State Executive Committee Nominations - No current Southern Section nominations therefore we will attend uninstruced.

3. Proposed Bylaw Revision 503.F -Coaching Staff Payments - This bylaw revision is to better clarify when and how members of the schools' coaching staff may be paid and reimbursed for coaching and teaching. The revision also addresses the penalty for improper compensation.

4. Proposed Bylaw Revisions 22.B.9 & 503.L - Emergency Action Plans and A.E.D. This bylaw revision will now require as a condition of membership that schools have an Emergency Action Plan, at least one A.E.D. on campus available to athletic trainers and coaches as well as authorized persons at activities.

5. Proposed Bylaw Revision 2000.B - Varsity Football Age Requirement Medical Clearance. This proposal removed the requirement of having a licensed medical practitioner certify that the student can compete in the sport of Football at the varsity level.

6. Proposed Bylaw Revisions 211 and 303 – Continuation School - This proposal from the Commissioners Committee is proposing a revision to

CIF Bylaws 211 and

303 which would allow athletic eligibility for students attending a Continuation High School. The change would grant a continuation school student athletic eligibility through a Multi-School Agreement provided the student's attendance at the continuation school is NOT a result of a disciplinary action.

B. SOUTHERN SECTION NON-ACTION ITEMS - Proposed 2019-2020 CIF Southern Section Budget - Mitch Carty presented the proposed budget noting the key changes in revenue in the 2018-2019 budget from 51% in sports playoff revenue down to 45% for the 2019-2020 school year. Mitch also noted that we will have an increase in sports broadcast rights fees. No change in ticket prices, no change in revenue playoff splits with member schools. Sports fees revenue will increase based on a proposed increase of \$15 per sport for the 2019-2020 school year. This will increase the current per sport fee from \$50 to \$65 per sport in 2019-2020. An additional increase of \$10 per sport will take place for the 2020-2021 school year to bring the total amount to \$75 per sport for 2020-2021. The budget

power point will be posted for review for schools and leagues to discuss.

2. CIF Southern Section Executive Committee Nominations - A list of candidates for the CIF Southern Section Executive Committee positions was presented as a first reading.

3. Officials Fees Proposal - Bryce Sunderland addressed the Council and submitted the Officials Fees proposal for review. This proposal would increase official's fees across the board by \$1 per level for the next three years. Additional changes are also addressed in the sports of: swimming, track & field, volleyball and water polo.

4. Proposed Bylaw Revision 504.M -Sunday for Cheer Only - This proposal requests a Sunday contact/participation exemption in the sport of Traditional Competitive Cheer only.

5. NEW BUSINESS

A. Transfer Rules Committee Update - Transfer Rules Committee Chairman Rich Shearer, Athletic Director from Citrus Hill High School, addressed the Council with a report from their initial meeting earlier that day. Rich asked that committee members stand and be recognized. Most of today's discussion was regarding the CIF defined valid change of residence, the new residence checklist and some of the difficulties that families will face attempting to verify the residence change. Another issue was raised regarding small schools that only have one level of participation. The current SOP bylaw hinders students who transfer schools without a valid change of residence and transfer under the SOP guidelines. These students have no choice in participating at the lower levels and thus are required to sit out half the season or not participate at all.

6. REPORTS

A. Treasurer's Report - Dr. Jeff Jordan - Dr. Jordan reported that in the 2017-2018 school year revenue was at \$4,592,546 and expenses were \$4,476,750 for a net profit of \$115,797. Dr. Jordan noted for the 2018-2019 school year that revenue is once again down, and expenses are slightly up but this is primarily only through the fall sport playoffs. Expenses during this time of the year are traditionally higher and will balance out during the year. Last, only four schools have yet to submit member dues with a total of 560-member schools who have paid.

B. President's Report - Dr. Monica Colunga - Dr. Colunga addressed

the Council expressing the need for member schools to do a better job communicating to fans, parents and students that behavior at athletic events should be appropriate for education-based athletics. She thanked the CIF-Southern Section staff for their efforts in hosting and running very successful fall championships. Last, she noted and applauded several principals that are working on making athletic trainers a full-time position on their campuses.

C. Commissioner's Report - Rob Wigod - Commissioner Wigod updated the Council on the newly formed the Activities Director Advisory Committee and invited Todd Arrowsmith, Chairman, to address the Council and update highlights from their first meeting. Rob thanked the Transfer Rules Committee for today's work and the continued work ahead. Rob updated the Council on the Traditional Cheerleading Championships that took place on January 12, 2019. Winter sports championships are upcoming, and he reminded the Council when entries are due, and brackets will be released. Rob informed the Council that his next Message from the Commissioner will include an update from today's meeting specifically regarding the 2019-2020 budget. Rob thanked the following: Executive Committee members, staff and the Council for all their hard work in services to student-athletes.

MINUTES OF THE EXECUTIVE COMMITTEE MEETING

January 19, 2019

1. OPENING BUSINESS

A. Call to order by Dr. Monica Colunga, President of the Council - called to order at 9:40 a.m. Meeting was called to order by Dr. Monica Colunga at 9:40 a.m. Monica Colunga welcomed everyone and thanked the staff for a fantastic location.

B. Pledge of Allegiance

C. Roll Call - All members were present except for Terry Barnum, Glenn Martinez, Jill Matyuch, and John Norman.

D. Introduction of Guests - There were no guests present.

E. Adopt Agenda - Adopted 21-0-0 - There was a motion and a second to adopt the agenda. There being no discussion, the motion was approved to adopt the agenda.

F. Approval of Minutes - There was a motion and a second to approve the minutes of the September 27, 2018 Executive Committee meeting. The minutes were approved.

2. PUBLIC COMMENT

A. Recognition of anyone wishing to address the Executive Committee. Speakers must limit their remarks to three minutes. There was no one present to address the Executive Committee.

3. ACTION ITEMS

A. STATE FEDERATED COUNCIL ACTION ITEMS

1. Proposed Revision of Bylaws 22.B.9 and 503.K - Coaching Education and Heat Illness - Mike West reviewed the proposal that would include Heat Illness in coaching education requirements. There was a motion and a second to approve this proposal. There was no discussion. Motion carried 21-0-0

2. Proposed Revision Bylaw 7.70.D - Terms of Office - Mike West reviewed the proposal regarding terms of office for CIF Executive Committee members. There was a motion and a second to approve this proposal. There was no discussion. Motion carried 21-0-0

B. SOUTHERN SECTION ACTION ITEMS

1. Proposed Bylaw Elimination 3105.4 - Water Polo Tournaments - Monica Colunga reviewed the proposal. There was a motion and a second to approve this proposal. Kristine Palle reviewed the reasons behind this proposal in helping align water polo with other sports by removing the limitation on individual players participating in tournaments. Motion carried 21-0-0.

2. Proposed Revisions to Summer Dead Period Bylaws - Monica Colunga reviewed the proposal. There was a motion and a second to approve this proposal. Dave Reid stated that he was voting no because it does not go far enough. The rule needs to be updated but should eliminate the weightlifting element of the rule. Paul Lopez stated that this rule does not work in his league because of summer school. It is difficult for everyone because of the differences in all schools. Denise Halstead agreed that something needs to be done but to pick a universal dead period is difficult and we should eliminate weight lifting. Sandy Gahrng stated there is a problem with summer school, still no family vacations and that twelve days is not enough days. Jeff Williams added that there are start and end dates throughout the summer for summer schools and the updating of facilities during the summer is not under the control of the schools. Paula Rodas agreed with the facilities issue, adding that only one crew is available to work on all facilities in her district. Dick Billingsley said with two weeks off, students will weightlift on their own and that the Northern Area is against this proposal. Jeff Williams stated that his area has a counter proposal, that has not been presented yet, which allows schools to pick their dates and that proposal will be submitted if this proposal fails. Ed Kearby stated that the concerns heard today are not new concerns. There would be a need for summer school regardless and weightlifting is not mandatory. Trying to make an option so the schools can make it work. This is a starting point that can be adjusted in the future. Jim Perry stated this will not pass as written but would like to still have school discretion. The idea is trying to give students rest and a break. Twelve days is not going to make a difference medically. Mike West stated that if the rest period is three weeks then there is a need to build up the strength. Twelve days without deep training is not a factor but if it is longer, it might be a problem. Jeff Williams added that coaches might take more than twelve days and then let students recover before Hell Week. Mike West stated that there are still going

to be issues for a couple of sports that run into the start of the fall season. Chris Calderwood stated that his league wanted to change to twenty-one days but have turned that thinking around and are now voting against this proposal while working with a league-wide dead period using two dead periods to pick from. Multi-sport athletes need a full break from all sports at once and the coaches need the break also. Monica Colunga stated that the second time around shows a real interest in changing this, but the real challenge is being responsive to our communities. We are going in the direction to standardize dead periods to help administrators have oversight on their campuses and to see when traveling through the community that everyone is dark at the same time. Carter Paysinger added that there is a belief something needs to happen, and this proposal has forced the conversation. There is the option to table this proposal and look at amendments, counter proposals, etc. Dana Wilkerson mentioned that other states and even sections have their dead periods following seasons of sport: fall, winter, spring. Paul Lopez stated that his school has adopted all sports having two weeks off with one-week carryover and everyone dark at the same time which does not interfere with summer school. Loren Kleinrock added that his coaches work summer school and with this proposal, they would not be able to work with their students. Monica Colunga stated that she is not sure summer school plays a factor in the dead period as going to summer school is a family decision. With athletics, we can control that, as the student attends summer school and is still resting for athletics as they focus on academics in this education-based athletic system. The Inland Empire Area proposed this to get feedback on the concept and even if it passes, it might be tweaked. Chris Calderwood stated that if you eliminate dead period flexibility, there is less chance of students jumping schools because one school goes to a big tournament that another one does not because of time off. Dick Billingsley asked what are other states doing? Jim Perry stated that site control and weight rooms shut down will allow multi-sport athletes to get some rest. Those are all considerations that need to be weighed in working on this proposal. It is only twelve days of 365. Monica Colunga stated that she will put this forward and if there is an amendment, there may vote on that. If there are too many amendments, the proposal may be pulled and restructured before sending it back out. Mike West reminded everyone that this is proposed for this summer, which is too soon. Motion failed 6-13-2. Denise Halstead said that we need to bring back to our constituents what was discussed and encourage vetting of this proposal. Nancy Kelly said it is important to explain that the Executive Committee is in support of something, just not the way this is written.

4. NON-ACTION ITEMS

A. STATE FEDERATED COUNCIL NON-ACTION ITEMS

1. Proposed 2019-2020 State Budget - (To Be Distributed at State Federated Council Meeting) - Mike West indicated that there is no budget at this time and that the CIF State Budget will be distributed at the February 1, CIF State Federated Council Meeting.

2. CIF State Executive Committee Nominations - Mike West indicated that there are no nominations from the Southern Section on the ballot and therefore we will recommend that we send our representatives uninstructed.

3. Proposed Bylaw Revision 503.F - Coaching Staff Payments - Mike West reviewed the proposal regarding changing the penalty for schools who violate this rule away from penalizing teams and gives school administrations oversight of this situation. There was no discussion.

4. Proposed Bylaw Revisions 22.B.9 & 503.L - Emergency Action Plans and A.E.D - Mike West reviewed the proposal which would require schools to have updated Emergency Action Plans in place and AED's accessible on their campuses.

5. Proposed Bylaw Revision 2000.B - Varsity Football Age Requirement Medical Clearance - Mike West reviewed the proposal that would eliminate the requirement of a licensed medical provider certifying that a 14-year-old student was fit to participate in Varsity Football.

6. Proposed Bylaw Revisions 211 and 303 - Continuation School - Mike West reviewed the proposal and reminded the Executive Committee regarding the updated language with

new Q&A's related to students under disciplinary action and defining a semester in good standing. However, even with the new language, there is room for discrepancies in grades and process. Monica Colunga stated this proposal puts more responsibility on the member high school. Carter Paysinger suggested private schools have no incentive to vote for this. Mike West reminded everyone that this came from a CIF Federated Council Roundtable Discussion.

B. SOUTHERN SECTION NON-ACTION ITEMS

1. Proposed 2019-2020 CIF Southern Section Budget - Mitch Carty, CIF Southern Section Chief Financial Officer, reviewed the 2019-20 budget of which copies were distributed to the Executive Committee. Mitch Carty highlighted the changes in sports fees, rights fees, and no salary increases. He reminded that in the 2014-15 school year, we returned sports fees to all schools and if things turn around, we would do it again. Mark Edgemon asked do rights fees include the NFHS Network. Mitch Carty answered yes, for regular season broadcasts. Mike West clarified that more than 50% of the budget is based on ticket sales and we are hoping to put the organization on a more solid financial footing. Monica Colunga stated that this is going on throughout the state and the nation. Chris Calderwood stated that it is important that we show how low our fees are compared to the rest of the sections and there is a feeling in his area that competitive equity is why ticket sales have gone down because more fans are staying home and watching on television. Are there statistics to support this theory? Rob Wigod thanked Mitch Carty for his hard work as this was an incredible challenge putting this budget together. One thing that does not seem to resonate with our constituents is that this is a partnership. Host schools need to do more to increase attendance. This is bigger than just this last fall. 50% of our budget is based on ticket sales and factors such as attendance, weather, match ups, things that are out of our control, directly affect the largest part of our budget. Carter Paysinger reminded everyone that the decline in attendance is everywhere, not just Southern Section. College and professional sports are having the same issue. We need to get in front of it and not have to resort to what the other sections have in place such as playoff entry fees, etc. We need to put our product out there, market our product, and we will continue to grow. Mitch Carty did a great job building this budget and it is customary to pay for services. Nancy Kelly added that with the advancements in technology, we have to advance as well. Monica Colunga said that because there is little longevity in high school administration, we need to provide the story so those that were not here, they know where we were and where we are and where we are going. Thom Simmons stated that we are monetizing all avenues of rights fees since there is increased demand in this area. Paula Rodas added that technology is the way things are moving as you can watch at your own convenience. You can pause when needed and people get everything that way, not just high school sports. Thom Simmons added that when the big college and pro games conflict with our games, we move our games in order to allow for the best possible attendance.

2. CIF Southern Section Executive Committee Nominations - Monica Colunga reviewed the nominations located in the agenda.

3. Officials Fees Proposal - Monica Colunga asked Rob Wigod to present the Officials Fees Proposal and asked the Executive Committee to refer to their packets. Rob Wigod explained the process to the Executive Committee on how this proposal was created. There is a request for a \$1 increase in each year for the next three years with some specifics in certain sports. This translates to approximately \$1,250 increase each year for a school. Officials groups asked for much more, but the Officials Fees/Relations Committee was able to settle on the \$1 over the next three years. Chris Calderwood talked about the discussion in his area and that they have developed a plan to eliminate transportation fees to raise fees across the board to compensate for travel. There is always an argument about where travel mileage begins in order to calculate mileage costs. Jeff Williams noted that the quality of officials has decreased. Possibly a sliding scale to encourage longevity

(See EXECUTIVE page 6)

EXECUTIVE

(Continued from page 5)

and retain quality is in order. Rainer Wulf suggested a scale to slide in the opposite direction in order to keep young officials longer and stated that units need to be more active in mentoring younger officials.

4. Proposed Bylaw Revision 504.M - Sunday for Cheer Only - Monica Colunga reviewed the proposal asking for an exception to the Sunday Rule for Cheer. This is for one Sunday event, once a year. Ed Kearby voiced concern that if we do this for one sport, we will start the ball rolling for all. Sandy Gahring stated that parents are happy with the practice restrictions. Rob Wigod added that athletes can still compete with outside cheer teams since there is no season of sport. This is a request for a one-time exception and this one was granted, once last year by the CIF State. Jim Perry acknowledged that they could be videotaped on Saturday for a Sunday competition and that if we allow this for one sport, others will follow, and we need to protect ourselves from ourselves. It is other people making money on our students. Monica Colunga asked what is in the best interests of our students and does this meet that interest?

5. OLD BUSINESS

A. Executive Committee to Visit Probationary Schools - Monica Colunga reminded the Executive Committee of the conversation from previous meetings and yielded the floor to Rob Wigod. It was asked that the Executive Committee review the form contained in their packet and give feedback on any necessary changes. It was asked to add a Not Recommend to the check boxes at the end of the form.

6. NEW BUSINESS

A. Financial Report - Mitch Carty - Mitch Carty presented a PowerPoint presentation that appears at the end of minutes. He highlighted the increases, trends and why these increases are necessary with a reminder regarding the redistribution of sports fees in the 2014-15 school year.

1. 2017-2018 CIF Southern Section Audit - Tabled. The audit was not complete for this meeting and will be carried over to the March Executive Committee Meeting. Monica Colunga called for a lunch break at 12:00 p.m. for forty-five minutes.

Monica Colunga called the meeting back to order at 12:48 p.m.

A. Marketing Update - Thom Simmons/Jackie Gibson - Jackie Gibson presented a PowerPoint presentation that appears at the end of the minutes. Jackie Gibson spoke on game programs online and then Thom Simmons spoke on the CIF State Marketing Program. Jackie Gibson showed a video of the recent Cheer Championships.

B. Communications Update - Chelsea Heyward - Chelsea Heyward presented a PowerPoint presentation that appears at the end of the minutes. Thom Simmons presented information regarding podcasts which appears at the end of these minutes.

C. Proposed 2019-2020 CIF Southern Section Meeting Dates - Monica Colunga reviewed the meeting dates for the 2019-20 school year.

7. CLOSED SESSION

Monica Colunga called for closed session at 1:05 p.m.

A. Public Employee Evaluation of Performance - (Government Code 54957):

1. Commissioner's Evaluation Process

8. REPORT OF ACTION(S) TAKEN IN CLOSED SESSION

Monica Colunga reconvened the full session at 1:53 p.m. with no action taken in Closed Session.

9. REPORTS

A. President's Report - Dr. Monica Colunga - Monica Colunga was able to attend the Football Championships, Water Polo Championships and Cheer Championships. Staff did a phenomenal job and it was nice to see teams that are not normally there. Sideline music needs to be appropriate for a championship game. The Cheer Championships displayed the best example of sportsmanship amongst schools as this is part of the culture. They helped each other out and cheered for each other. Monica Colunga challenged leaders to talk to parents that are buying tickets to an event and remind them that buying a ticket does not mean you get to belittle the officials and other parents.

B. Treasurer's Report - Dr. Jeff Jordan - Jeff Jordan echoed everyone's praise for the staff's hard work on the budget. It is easy to develop when things are good and difficult when things are down. Your work is greatly appreciated. Then,

Jeff Jordan reviewed the numbers for the current school year which appear at the end of these minutes.

C. Commissioner's Report - Rob Wigod - Rob Wigod thanked everyone for taking time out of their busy schedules to join us and thanked Sharon Hodge for her hard work on planning the weekend. He continued with appreciation to those Executive Committee members that were able to attend our fall championships. Many members turned out to the events. The Transfer Rules Committee will be meeting for the first time before the CIF Southern Section Council meeting on January 23, to begin that conversation with the Assistant Commissioners. Looking forward to the winter championship season starting very soon and hope to see you at the events.

D. Executive Committee Member Reports - President-Elect, Mike West - What happens if the budget does not pass at the April Council meeting? Rob Wigod answered that the staff would go back to the drawing board and would have to come back with a balanced budget. Then, we would have to call an emergency CIF Southern Section Council meeting to vote on the revised budget if needed. Mike West continued that the Cheer Championships were on point. The organization of the event from the staff and Varsity very precise. The California Athletic Trainers Association is putting forward another bill shortly. At-Large Representative, Dana Wilkerson - Stated this is her last year on the Executive Committee and that it has been an honor and a pleasure to be here. Has learned a lot by talking to people beyond sports, on a more personal level. Orange County Area Representative, Denise Halstead - Thank you for the weekend. I was not able to attend the Cheer Championships, but our squad participated, and they said it was so organized. They had a great time and enjoyed seeing other squads. Mt. SAC Area Representative, Paul Lopez - Attended the Cheer Championships and they were beyond excited to be there. Their squad finished third and stated it was well organized and had lots of energy. It was fun to present awards at football. Recommended to the Executive Committee to send their Athletic Directors to the national conference. His area has their students reading sportsmanship statements before games, which is being well received by the parents and those in attendance. Parochial Area Representative, Rita Dever - Thank you for the weekend. This is my last one and I have learned so much in my time here. Activities Directors Representative, Todd Arrowsmith - This year we started the Activities Director Advisory Committee and had a great discussion on how to get ASB Directors to work with CIF and athletic directors to promote sportsmanship and programs in general as marketing comes from ASB. We will meet again in April. Cheer Championships were amazing. Northern Area Representative, Dick Billingsley - Thank you for the weekend. The Summit was great. Northern Area voted to do football-only leagues. My area lost a lot of family homes and trying to rebuild. This is my last year and I may be retiring, maybe not. Assistant Commissioner, Mike Middlebrook - Thank you for helping out with volleyball and making the offsite games great. Assistant Commissioner, Kristine Palle - Thank you for helping with Water Polo Championships. Assistant Commissioner, Rainer Wulf - This will be our first year of trying a round robin tournament in the Basketball Open Division. CIF Federated Council President, Jim Perry - Thank you for the weekend. Football was fun and it was standing room only as there are no stands! At the Cheer Championships, not a single boo in the whole day and no one yelled at the judges. CSADA Representative, Dave Reid - Thank you to the staff and appreciate all you do. Football was so well run. Great to hear the different perspectives and the great conversation. Small Schools Representative, Mark Edgemon - CSADA Conference is in April in San Diego and for the first time the top two awards are female athletic directors, including our own Sandy Gahring. Citrus Belt Area Representative, Ed Kearby - Thank you for the weekend. Football Championships were top notch and special. Our section is the best and they want to win our championships. Releaguings is very political in our area. CADA Representative, Geniel Moon - Thank you for this great weekend and being so professional and welcoming. CADA Conference is in San Diego in March. Looking forward to the State Federated Council Meeting. Coast Area Representative, Paula Rodas - Thank you staff for everything. The most important thing we do is working to see how we improve the lives of our students. Had the opportunity to work the Cheer Championships and it was all positive and the athletes were very supportive of each other. Handed out trophies at the Football Championships to my

own team and that was an amazing experience. We are very close to having full-time athletic trainers on our campuses in the fall. Desert Area Representative, Jeff Williams - Thank you for the weekend. Appreciate the professionalism in this room. Everyone was very welcoming to us for our first retreat. Had the pleasure of presenting football plaques at two events. District is fighting to get principals to understand the difference between education-based athletics and competitive athletics. Our principals voted to put in character/ leadership requirements for all-region, all-league, and all-CIF awards. CSADA Representative, Sandy Gahring - The Cheer Championships were the highlight of the season for these students and their parents. It was so successful and amazing to watch the squads come in and out, watching and supporting each other. March 5 is the Foothill Citrus Area's Girls' Got Game event at the University of La Verne. Boys' Athletic Directors' Representative, Chris Calderwood - Thank you for the weekend. Superintendent Representative, Nancy Kelly - Thank you for the weekend. The Athletic Trainer Sub-Committee helped draft and send out letters to our schools' Principals, Athletic Directors, and Superintendents expressing the need to have full-time athletic trainers on all campuses. This created a ripple effect, but we had an incident on one of our campuses that I was a part of that allowed us to save this students life because of the trainer. It is very important. Spoke at Girls Got Game event last year and will be speaking at the Orange County event this year. When you share your story, share your struggles. You can help even when you do not think so. Foothill Area Representative, Loren Kleinrock - This is my last retreat also. The staff has never been less than the best, and the message that we are here is that of helping, they are there to help. I have watched Rob Wigod grow over the years. This is my favorite committee because everyone here wants to make students experiences better. Executive Assistant, Sharon Hodge - Thank you for all the kind words and gave instructions for the evening events. Past-President, Carter Paysinger - Thank you for the weekend. Congratulations to Paula Rodas and Lawndale High School on winning their Southern Section and State Football Championships. I have been working with this group over several years and this is the best group of people to meet with. Politics does not play a part in this meeting and we do not have to put guards up because we can have honest conversation knowing we are doing the best for students. Being a leader is sometimes not easy and you have to make the tough decisions. The office staff are leaders and they can make tough decisions.
