More General Topics

Here are some general topics that will help you prepare/review for the MVP AD voluntary exam. Familiarizing yourself with these sections of the Blue Book is a fantastic start. This test will challenge your ability to apply the rules and guidelines but also help illustrate the complexity of the rules and their application. Please review the Blue Book.[good](#)

- General CIF Information
- Structure of the organization and how rules are made/bylaws change
- League Formation
- Playoff Groupings (and entries)
