5. Proposed Bylaw 504.M Revision – **Sunday Cheer Competition** 

to Support 13-8-1

SS 610

Dr. Colunga reviewed the proposal. There was a motion by the Del Rio League and a second by the Coastal League to approve the proposal. Discussion: Question from the Montview League as to why the Executive Committee voted to support the proposal. Jill Matyuch responded by saying that this is to help cheer get "out of the box" it was placed in. She then explained that this is a single event that is supported by the NFHS. Brett Proctor, Palomares League, raised the concern over allowing Sunday exemptions. Tom Fox reminded the Council that this specific event and any that follow should be looked at individually so if other sports ask for an exemption the Council should discuss each request independently. Jim Perry reminded the Council that we should be very cautious and that when Cheer was accepted, they agreed to follow all rules of the constitution. Dr. Colunga reminded the Council that all members should be open minded to look at all new ideas and proposals as we evolve. Tom Fox again stated that Cheer is limited and that it does not operate like other sports do. David Hess spoke in support of the proposal and gave reason for his yes vote during the recent Executive Committee meeting. Jim Perry reminded the Council that if this proposal does pass it does not make it a bylaw immediately. It simply means that it will be moved to the CIF State Federated Council for first reading in October and to be voted on in January, 2021. The motion carried 46-39-5.

6. Proposed Bylaw 3320.4 Revision -Swim Playoff Divisions – Proposal A Exe. Comm. Voted not to Support 1-20-0 SS 611

Dr. Colunga reviewed the proposal. There was a motion by the Suburban League and a second by the Almont League to approve the proposal. Discussion: Question from the Western Athletic Conference about the what would happen if a yes vote was recorded for both this proposal and SS 612, would they conflict with each other? Assistant Commissioner Kristine Palle responded that they would not. If a yes vote was recorded, then the Council is stating that they would like to have swimming playoff divisions formulated based on competitive equity. With that, the higher placed gender would bring the lower placed gender from the same school into the same division for the playoffs. The Pacific View League spoke in support of this proposal and the need to keep the Girls' and Boys' teams together due to travel issues and the need to lessen the potential impact of taking coaches out of the classroom for multiple days. The motion failed 3-82-5.
