6. Proposed Bylaw 209.C.(1) Revision - Mike West reviewed the proposal. There was a motion by the San Andreas League and a second by the Golden League to approve the proposal. There was no discussion. The motion carried 89-1-0.

B. SOUTHERN SECTION ACTION ITEMS

1. Proposed 2020-2021 CIF Southern Section Budget - Dr. Colunga reviewed the proposal. She reminded the Council that if the budget is approved the 2% COLA for Program Coordinators and the 1% COLA for Administrators would be held in abeyance until the final budget is complete and evidence shows that it can be funded. There was a motion by the Palomares League and a second by the Pacific View League to approve the proposal. There was no discussion. The motion carried 90-1-0.

2. CIF Southern Section Executive Committee Nominations - Dr. Colunga reviewed the proposal and the nominations to the Council. The following candidates were elected to Executive Committee positions: President-Elect - Jim Perry, District Athletic Director, Huntington Beach Union High School District Treasurer - Chris Calderwood, Vice-Principal/Athletic Director, Rancho Mirage High School Activities Director Representative - Todd Arrowsmith, Activities Director, West Ranch High School. Due to the retirement of Chuck Shore from Gladstone High School, his nomination for Boys' Athletic Director Representative was withdrawn. Nominations were accepted from the floor. The following were nominated: The Del Rey League nominated Eric Wood from Bishop Montgomery HS, second from Santa Fe League. The Crestview Conference nominated Ray Elliot from El Dorado HS, second from Del Rio League. The Montview League nominated Brett Proctor from Alta Loma HS, second from Suburban League. Brett Proctor declined the nomination. San Andreas League spoke on behalf of and in support of Rich Imbriani. Boys Athletic Director Representative - Rich Imbriani, Athletic Director, Cajon High School Girls Athletic Director Representative - Michelle Spencer, Athletic Director, Marina High School Orange County Area Representative - Mary Jane Hibbard, Principal, Rancho Alamitos High School

3. Proposed Bylaw 1212 Revision - Change of Due Date - Dr. Colunga reviewed the proposal. There was a motion by the Southwestern League and a second by the Big VIII League to approve the proposal. There was no discussion. The motion carried 90-0-0.

4. Proposed Bylaws 3319, 3319.5, 3319.7 and 3314.1 - Dr. Colunga reviewed the proposal. There was a motion by the Suburban League and a second by the Almont League to approve the proposal. There was no discussion. The motion carried 80-4-6.

5. Proposed Bylaw 504.M Revision - Dr. Colunga reviewed the proposal. There was a motion by the Del Rio League and a second by the Coastal League to approve the proposal. Discussion: Question from the Montview League as to why the Executive Committee voted to support the proposal. Jill Matyuch responded by saying that this is to help cheer get "out of the box" it was placed in. She then explained that this is a single event that is

supported by the NFHS. Brett Proctor, Palomares League, raised the concern over allowing Sunday exemptions. Tom Fox reminded the Council that this specific event and any that follow should be looked at individually so if other sports ask for an exemption the Council should discuss each request independently. Jim Perry reminded the Council that we should be very cautious and that when Cheer was accepted, they agreed to follow all rules of the constitution. Dr. Colunga reminded the Council that all members should be open minded to look at all new ideas and proposals as we evolve. Tom Fox again stated that Cheer is limited and that it does not operate like other sports do. David Hess spoke in support of the proposal and gave reason for his yes vote during the recent Executive Committee meeting. Jim Perry reminded the Council that if this proposal does pass it does not make it a bylaw immediately. It simply means that it will be moved to the CIF State Federated Council for first reading in October and to be voted on in January, 2021. The motion carried 46-39-5.

6. Proposed Bylaw 3320.4 Revision - Dr. Colunga reviewed the proposal. There was a motion by the Suburban League and a second by the Almont League to approve the proposal. Discussion: Question from the Western Athletic Conference about the what would happen if a yes vote was recorded for both this proposal and SS 612, would they conflict with each other? Assistant Commissioner Kristine Palle responded that they would not. If a yes vote was recorded, then the Council is stating that they would like to have swimming playoff divisions formulated based on competitive equity. With that, the higher placed gender would bring the lower placed gender from the same school into the same division for the playoffs. The Pacific View League spoke in support of this proposal and the need to keep the Girls' and Boys' teams together due to travel issues and the need to lessen the potential impact of taking coaches out of the classroom for multiple days. The motion failed 3-82-5.

7. Proposed Bylaw 3320.4 Revision - Dr. Colunga reviewed the proposal. There was a motion by the Suburban League and a second by the Almont League to approve the proposal. Discussion: The Golden West League asked for clarification on how competitive equity divisions would be formulated. Tim Walsh stated that in SS 611, the proposal detailed how teams would be placed and would SS 612 follow the same explanation. Assistant Commissioner Palle responded that the same system that was outlined in SS 611 would be used in SS 612. The motion carried 77-7-6.

The following Articles and Bylaws were either adopted or revised by the Federated Council or Executive Committee

Constitution/Article Name

503.M. Statewide Sportsmanship and Ejection Policy cont.

Spectator

If a spectator is ejected from a contest, it is the responsibility of the school to ensure that person does not attend that team's next contest. The school principal may appeal the penalties listed above in writing to the League Commissioner/President (for a regular season contest not including the final contest prior to Section playoffs) or CIF Section Commissioner with jurisdiction in the matter (for the final contest prior to Section playoffs and all playoff contests). 1. Proposed 2020-2021 State Budget - Mike West reviewed the proposal. There was a motion by Paula Rodas and a second by Jill Matyuch to approve the proposal. There was no discussion. The motion carried 22-0-0.

2. CIF State Executive Committee Nominations - Mike West reviewed the proposal. Two current Executive Committee members, Terry Barnum and Carter Paysinger are up for election to the CIF State Executive Committee. Traditionally, the Southern Section delegates to the CIF Federated Council vote in support of the candidates from our section and are sent un instructed for all others. There was a motion by Jill Matyuch and a second by Geniel Moon to approve that proposal. There was no further discussion. The motion carried 22-0-0.

3. Proposed Bylaw 503.M Revision - Ejection Policy - Mike West reviewed the proposal. There was a motion by Chris Calderwood and a second by Geniel Moon to approve the proposal. There was no discussion. The motion carried 22-0-0.

4. Proposed Bylaw 303.B(6)a and b Revision - Multi School Applications - Mike West reviewed the proposal. There was a motion by Paula Rodas and a second by Jill Matyuch to approve the proposal. There was no discussion. The motion carried 22-0-0.

5. Proposed Bylaw 208.B Revision - CIF Student Study Abroad - Mike West reviewed the proposal. There was a motion by Paula Rodas and a second by Jim Perry to approve the proposal. There was no discussion. The motion carried 22-0-0.

6. Proposed Bylaw 209.C(1) Revision - Disciplinary Transfer - Mike West reviewed the proposal. There was a

motion by Jim Perry and a second by Jill Matyuch to approve the proposal. There was no discussion. The motion carried 22-0-0.

B. SOUTHERN SECTION ACTION ITEMS

1. Proposed 2020-2021 CIF Southern Section Budget - Dr. Colunga reviewed the proposal. There was a motion by Jim Perry and a second by Dave Reid to approve the proposal. There was no discussion. The motion carried 22-0-0.

2. CIF Southern Section Executive Committee Nominations - Dr. Colunga reviewed the proposal and the nominations to the Executive Committee. It was noted that Boys Athletic Director Representative candidate Chuck Shore has withdrawn his nomination due to his pending retirement. Currently, the position only has one candidate and nominations will be accepted from the floor. There was a motion by Jill Matyuch and a second by Jim Perry to approve the proposal. There was no discussion. The motion carried 22-0-0.

3. Proposed Bylaw 1212 Revision - Change of Due Date - Dr. Colunga reviewed the proposal. There was a motion by Jim Perry and a second by Paula Rodas to approve the proposal. There was no discussion. The motion carried 22-0-0.

4. Proposed Bylaws 3319, 3319.5, 3319.7 and 3314.1 - Revision - Football Playoff Groupings - Dr. Colunga reviewed the proposal. There was a motion by Chris Calderwood and a second by Jill Matyuch to approve the proposal. Dr. Colunga asked Assistant Commissioner Rich Shearer to provide some information and background for this proposal. Rich informed the Executive Committee that the Members of the Football Coaches Advisory Committee were strongly in favor of this proposal. The proposal would guarantee that all automatic playoff qualifying teams in the sport of football would make the playoffs. There was no discussion. The motion carried 22-0-0.

5. Proposed Bylaw 504.M Revision - Sunday Cheer Competition - Dr. Colunga reviewed the proposal. There was a motion by Jill Matyuch and a second by Reggie Thompkins to approve the proposal. Ed Kearby raised a concern that if this were to pass that the significance and value to the other Cheer competitions would be devalued. Jill Matyuch expressed to the Executive Committee that this single event is the equivalent of the Super Bowl and that teams should be allowed to attend and compete on a Sunday. Reggie Thompkins pointed out to the Executive Committee that the Superintendents Advisory Committee approved the proposal. Chris Calderwood asked if the Cheer Advisory Committee supported the proposal and Rob Wigod confirmed that they did. Mike West asked for clarification on what was different between this proposal and one that was brought forward for a vote which failed during the 2018-2019 school year. Jill Matyuch explained that the failed proposal was asking for a Sunday exception for any Cheer competition whereas this proposal is asking for an exception for one specific event. Jim Perry raised a concern that if this were to pass, it would possibly open the door for other sports to ask for an exception and create a problem later. Jim also informed the Executive Committee that the organization running the event has allowed teams to submit a video of the teams' performance and have it evaluated. Ann Fitzgerald responded to Jim Perry's statement that video could be submitted in lieu of a live performance. The issue is that once the video is submitted it must be used at each interval and a new video cannot be submitted for each round of the competition. Ann also pointed out that this one event is the only one that is currently supported by the NFHS. After hearing the discussion, Nancy Kelly called for the vote. The motion carried 13-8-1.

6. Proposed Bylaw 3320.4 Revision - Swim Playoff Divisions - Proposal A - Dr. Colunga reviewed the proposal. There was a motion by Terry Barnum and a second by Nancy Kelly to approve the proposal. Dr. Colunga asked Assistant Commissioner Kristine Palle to provide some information and background for this proposal. Kristine informed the Executive Committee that the Swimming Coaches Advisory Committee were in favor of this proposal. The proposal would place teams in playoff divisions based on competitive equity and not strength of league which is the current practice. This proposal would keep both the Girls' and Boys' teams together in a competitive playoff division based on which gender was higher ranked. Jim Perry commented that if this proposal were to pass then SS 612 could not be passed as they would contradict each other. Kristine confirmed and explained that the Committee could not vote to approve SS 611 and vote to approve SS 612. Motion failed 1-20-0.

7. Proposed Bylaw 3320.4 Revision - Swim Playoff Divisions - Proposal B - Dr. Colunga reviewed the proposal. There was a motion by Terry Barnum and a second by Nancy Kelly to approve the proposal. Dr. Colunga asked Assistant Commissioner Kristine Palle to provide some information and background for this proposal. Kristine explained that this was a continuation of SS 611 which would place teams

in playoff divisions based on competitive equity and it would review Boys' performance and Girls' performance separately, allowing the two genders to be placed into different playoff divisions. Dave Hess expressed a concern for the schools in his area that if the Girls and Boys teams were placed in different playoff divisions that it could cause an excessive amount of travel and loss of class time for the coaching staffs. Dave Reid spoke in support of the proposal simply saying that he saw this as a fairness issue for the two swim programs at each school. The motion carried 20-1-0.

4. NON-ACTION ITEMS

A. STATE FEDERATED COUNCIL NON-ACTION ITEMS

There are no State Federated Council Non-Action items at this time.

B. SOUTHERN SECTION NON-ACTION ITEMS

1. Proposed Bylaw 2513 and 2516 Revision - Soccer Player Ejection - Dr. Colunga reviewed the proposal. Dr. Colunga asked Assistant Commissioner Mike Middlebrook to provide some information and background for this proposal. Mike explained to the Executive Committee that this proposal was brought forward before the Soccer Coaches Advisory Committee has had a chance to review it, however, several members of the group had expressed support for the proposal. The proposal would allow a student who receives two yellow cards during a contest to not be suspended for the team's next contest. However, per NFHS Rules, the student is still removed from the current contest for receiving two yellow cards. This proposal would not conflict with State 602, as the student would not be ejected from the current contest, they would be disqualified from the remainder of the contest, like a student who has failed out of a basketball contest.
