SUBJECT: CIF SOUTHERN SECTION UPDATE

DATE: MARCH 9, 2021

I hope all is well with you and your families. Here is the latest update.

Return to Play – Outdoor Sports – As you know, the threshold for outdoor sports to begin competition was 14 cases (Adjusted Case Rate), or lower, per 100,000 people. As of last week, all 8 counties within the Southern Section footprint met that standard. Here are the Adjusted Case Rates, per 100,000 people, as of today, March 9, 2021.

- *Los Angeles County – 5.2
- *San Luis Obispo County – 5.7
- *Orange County – 6.0
- *San Bernardino County – 6.7
- Riverside County – 8.3
- Ventura County – 9.1
- Santa Barbara County – 9.7
- Kern County – 11.8

*Denotes counties that have less than 7 cases per 100,000 people meaning that the weekly testing for Football and Boys/Girls Water Polo mandated under CDPH guidelines is no longer required in Los Angeles County, San Luis Obispo County, Orange County and San Bernardino County.

I hope this information is useful to you in the time ahead and if you have any questions, or I can help you in any way at all, do not hesitate to contact our office. My staff and I are ready, willing and able to assist you in any way we possibly can.

Thank you very much for your help and support, it is truly appreciated.
