PLAYOFF INFORMATION

A. TEAM PLAYOFF ENTRY FORMAT

The CIF Southern Section is pleased to conduct the 2023-2024 CIF Southern Section Ford Girls Team Beach Volleyball Championships.

The 2024 Girls Team Beach Volleyball Playoff brackets will be established based on submissions from the respective league within each division. There will be two (2) divisions of Girls Beach Volleyball. Should the number of automatic playoff entries fail to complete the full bracket, the inclusion of AT-LARGE teams will be added to the draw.

All recognized leagues will be guaranteed entries based on the size of the league. All 4 team leagues will be guaranteed 2 entries; 5 and 6 team leagues will be guaranteed 3 entries; 7 and 8 team leagues will be guaranteed 4 entries; 9 or more team leagues will be guaranteed 5 entries. Under the playoff format, in all sports, leagues have the responsibility of developing and identifying the priority for their representatives into the playoffs as so noted under Article 340 (Playoffs) of the CIF Southern Section Blue Book. Please note, leagues may not conduct additional contests beyond the prescribed limits unless said contests are to determine ENTRY and not representative priority (leagues must have this as part of their constitution and must secure permission from the CIF-SS office before conducting such playoffs for entry).

AT-LARGE ENTRIES / Must Have Overall Record of .500 or Better AND Played a Minimum of 12 Matches

AT-LARGE entries can only be considered when the number of automatic entries does not fill the size of the playoff bracket. For example, 30 teams earned an automatic entry therefore two (2) AT-LARGE entries are to be selected to fill the bracket to 32 teams.

WILD CARD CONTEST

Where the number of teams exceeds the number of openings in the draw, the Commissioner may order a special playoff contest (Wild-Card System) to determine entry into the main draw for the playoffs. Wild Card contest are only necessary and allowable when the number of automatic entries for the bracket exceeds the size of the bracket. For example, 37 teams earned an automatic entry into a 32-team bracket. Wild Card contests become necessary to trim the field down to 32 teams.

BYLAW 3500 PLAYOFFS

For additional information on bracket construction, filling of “byes”, wild card entries, AT-LARGE entries, and determination of sites after the first round please review Bylaw 3500 in the CIF Southern Section Blue Book.

LEAGUE CHANGE OF ENTRY

Once the draw sheet has been finalized by the CIF Southern Section Office and then notification is received that a league has made a mistake in submitting the proper entries in order of priority, this Office may exchange positions of the schools involved in the bracket from that league. Once the playoffs begin no changes due to incorrect information can be accepted and adjusted.

END OF COMPETITION

All league competition for entries must end on Friday, April 12, 2024. Schools may compete until Saturday, April 13, 2024 in non-league contests. Any contest(s) played after the completion of league

play and/or submission of league team entries will not impact the entries (final record), seeding or ranking of a team or teams that were involved in those events.

Note: A leagues individual qualifying tournament make take place after the Team Entry deadline. League Individual Entries must be reported by Wednesday, April 17th at 12:00 noon.

B. CIF SOUTHERN SECTION BEACH VOLLEYBALL TEAM QUALIFICATIONS

AT-LARGE PETITION / APPLICATION – MUST HAVE .500 RECORD OR BETTER AND PLAYED A MINIMUM OF 12 MATCHES FOR CONSIDERATION (see Blue Book for clarification):

Please follow the instructions below to enter your school as an AT-LARGE Entry for Girls Beach Volleyball. The AT-LARGE Application is to be submitted by your school no later than **Friday, April 12, 2024 by 9:00 p.m.**

Log in @ www.cifsshhome.org (If you do not have a log in & password as a coach, check with your Athletic Director). Once you are logged in:

- Please be sure that your Schedule is updated in CIFSSHome as this is where the information for the At-Large Petition will be created.
- On the left panel, click on AT-LARGE Petition
- Select “Girls Beach Volleyball” then click “Add”

As provided for under Bylaw 3502, a playoff committee will select the additional entries to fill the 32 team draw from the league’s priority team entry that has been submitted for consideration as an AT-LARGE berth to fill any bye which may exist.

AT-LARGE SELECTION CRITERIA

CIF-SS Coaches Advisory Committee will make selections based upon the following:

- (a) Head-to-head competition of teams under consideration
- (b) Strength of CIF-SS Division
- (c) Overall strength of the league from which the team is entered
- (d) Overall win-loss record
- (e) Strength against common opponents
- (f) Strength of schedule

FREELANCE PLAYOFF ENTRY QUALIFICATION

All freelance schools desiring entry into the playoffs must submit their “Freelance Petition” and schedule with updated results into CIFSSHome. **Schedules must be input into CIFSSHome prior to the start of each season for evaluation.** (Rule 3510.1) Match scores must be regularly updated in CIFSSHome and final season results submitted to the CIF-SS office by April 12, 2024 @ 9:00 p.m. Freelance schools must also submit an “At Large” petition through CIFSSHome prior to 9:00 p.m. on April 12, 2024.

BRACKET CONSTRUCTION

SEEDS - The initial step is to designate four teams in rank order as seeds, with No. 1, 2, 3, and 4 placed in the designated draw position in each quarter of the bracket. Now, designate the next four teams in rank order as seeds, with No. 5, 6, 7, and 8 being placed in each quarter of the designated bracket. Next, the teams designated as seeds No. 9, 10, 11, and 12 will be placed in each quarter of

the designated bracket. The last four teams in rank order designated as No. 13, 14, 15, and 16 will now be placed in each quarter of the designated bracket.

ADJUSTMENTS

Adjustments to this procedure would be made if the seeds in the same half/quarter of the bracket were from the same league. If this occurs, using the example of the top half of the bracket, should the No. 1 and 4 seeds be from the same league, No. 4 would become the No. 3 seed and the No. 3 seed would fill the No. 4 designated position.

Adjustment may become necessary to ensure that the No. 1 and 2 entries from the same league are placed in opposite halves of the overall bracket.

Note: Throughout this process, a league No. 2 entry may not be seeded higher than the No. 1 entry from the same league, nor may a No. 3 league entry be seeded higher than the No. 2 entry from the same league. If there are First Round “byes” available in playoff brackets, those byes will be awarded to League Champions first, regardless of the overall seeding for that bracket. If all the League Champions in that bracket have been awarded a “bye”, and there are still additional byes available, 2nd place teams will have priority to receive them.

FILLING THE DRAW

The next step is to begin completing the draw by placing any remaining No. 2 league entries in the opposite half of the bracket from the No. 1 entries from the same league. The final step to complete the draw is to place the remaining No. 3 entries (along with any No. 4 entries, AT-LARGE and/or Freelance teams) from each of the respective leagues in the remaining open slots, attempting to place each in one of the remaining “quarters” of the bracket where the league is not represented. This process eliminates the aspect of schools from the same league meeting in the second round of competition (Exception: if the overall bracket holds less than 32 teams, it is possible for two teams from the same league to meet in the second round or if five (5) or more entries from the same league compete in the same division two teams from the same league will be placed in the same quarter).

C. PLAYOFF TOURNAMENT RULES/HOSTING INFORMATION

1. SPORTSMANSHIP

To maintain a high standard, we urge every player and coach to review the essentials of good behavior while on the court. You are reminded that this is a Southern Section activity which should be conducted in the highest tradition of good sportsmanship.

Coaches are expected to submit their playoff line-up for each match by placing players in rank order based on ability. A team’s top pair must be entered as 1’s the next best pair entered as 2’s, etc.

2. RULES

All playoff matches will be conducted following the CIF-SS Beach Volleyball Rules 2023-2024. <https://cifss.org/wp-content/uploads/2021/06/CIF-SS-Beach-Volleyball-Rules-2023-2024.pdf>

Teams must consist of 5 pairs to participate. A school may not enter a match with less than 5 pairs. During the regular season a match may have been conducted with less than 5 pairs to grow the sport however at this time for the playoffs that is not allowed.

All matches (5 pairs) must be played to conclusion. Truncating (ending a contest when one team has secured 3 points) is not allowed.

3. ELIGIBILITY LIST

An eligibility list must be completed and submitted to the CIF-SS Office **prior** to your first playoff contest. This list will suffice for all remaining contests. This list is generated through the CIFSSHOME.org site when your roster information is input into the system.

4. OFFICIALS

A beach rules “monitor” is required for each team playoff event. The host school is responsible to pay the beach monitor as this is a non-revenue sport. The host school must also communicate the location and time of the contest with the beach volleyball assignor.

5. TIME OF MATCHES / LOCATION

All matches are scheduled to begin at 3:00 p.m. Schools may play at another time if it is mutually agreeable to both competing schools. The location of each contest must be communicated to the CIF Southern Section office.

6. PRE-GAME/HOSTING ARRANGEMENTS

The host school is responsible for:

- Securing an adequate site for use in all team playoff matches. Our Office is recommending a minimum of three (3) courts for team competition.
- Contacting the visitors immediately after learning opponents name and prior to the contest to confirm location, number of courts, warm-up time and contest time.
- Providing information to the visitors regarding directions to the match site, special parking regulations and any other special circumstances relative to the match.

The CIF-SS Office is not presently equipped to survey all sites during the coming post-season competition. We depend upon the good judgment of the home school management to notify this office and all opponents if a given site does not meet minimum standards.

7. MATCH RESULTS

You must post your match results on CIFSSHOME.org immediately following the match. This is for score reporting only. Information regarding the next round will be updated on the CIFSS website after 9:00 a.m. the next day.

8. PROTESTS

By action of the CIF-SS Council at its March 1983 meeting, protests of playoff contests involving rules will no longer be entertained following the conclusion of the contest. No protest may be carried forth once the contest is completed.

Coaches are encouraged to carry a copy of the CIF Southern Section Beach Volleyball rules and this bulletin with them for all playoff contests.

Schools will still have the opportunity to protest a contest in accordance with Southern Section Rule 1112, as it pertains to use of ineligible players.

9. SUSPENDED or POSTPONED CONTEST

If a match must be postponed because of inclement weather, that match will be rescheduled for the next available date. However, the re-scheduled date must take place prior to the next scheduled round. If a contest must be suspended all points previously played will stand. For example, if Pairs #1 and #2 have completed play and the match is tied 1 – 1 at the point of suspension the remaining pairs would resume the contest from that point forward. If a set is suspended before its completion the score would be noted and resume from that point forward.

10. MEDICAL TIMEOUT (MTO)

During a match, a Medical Timeout (MTO) of up to 5 minutes may be taken by a player for injury or illness. Each player is allowed one MTO per match. A medical timeout does not count as a team timeout. If the injured player requests a trainer, the five minutes begins when the trainer arrives at the court. If no trainer is requested or one is not present, the five minutes begins as soon as the MTO is requested. If a player cannot continue playing after the conclusion of the five-minute timeout, that match shall be forfeited.

D. DIVISION PLACEMENT
