I have had the opportunity to attend some of our recently completed championships. To see the joy and excitement of our student-athletes as they compete at the highest level is something that I know we all appreciate now more than ever. I am so grateful to our student-athletes, coaches, athletic directors and principals for their hard work, dedication and commitment toward making it all happen. I look forward to seeing more of the same in the coming weeks!

I hope this information is useful to you in the time ahead and if you have any questions, or I can help you in any way at all, do not hesitate to contact our office. My staff and I are ready, willing and able to assist you in any way we possibly can.

Thank you very much for your help and support, it is truly appreciated.
