### 2. PUBLIC HEARING SESSION

A. Recognition of anyone wishing to address the Council. Speakers must limit their remarks to three minutes. Melanie Horn from Westridge High School and Steve Beerman from Pasadena Poly High School, representing the Prep League, addressed the Council. They asked the Council if any other members would like to join them as they work to develop a playoff system that would allow non-automatic qualifiers to enter the Southern Section playoffs in bracketed sports that currently use the competitive equity playoff system.

### 3. ACTION ITEMS

- #### A. STATE FEDERATED COUNCIL ACTION ITEMS

1. Proposed Sport Addition – Beach Volleyball - The proposal would add Beach Volleyball to

the list of CIF-approved sports. This addition would be for Girls only and it would take place in the Spring sport season. The format would call for pairs to compete as a school team. There was a motion by the Big VIII League and a second by the Freeway League to approve the proposal as written. Southwestern League asked was there any Boys Beach Volleyball taking place at member schools or in the plans to be added as an approved sport. President West responded there were none at this time. Motion Carried: 83-7-0

2. Proposed Bylaw 1206 Revision - Allowable Contacts Baseball/Softball - This proposal sets the number of allowable contacts for these two sports at 28 and states that tournament games will be counted as one (1) contact for each tournament game. Implementation would be for the 2021-2022 school year. This proposal brings Softball and Baseball into alignment with other CIF Regional and CIF State Championship sports regarding the maximum number of allowable contacts. There was a motion by the Palomares League and a second by the San Andreas League to approve the proposal as written. The question was asked: "How many games would a doubleheader count toward the allowable maximum number of 28?" President-Elect Jim Perry responded by saying "A doubleheader would count as two games." Motion Carried: 89-0-1

#### B. SOUTHERN SECTION ACTION ITEMS

1. Proposed Bylaw 166.1 and 166.3 Revision

- Hall of Fame/Distinguished Service Award - There was a motion by the Mission League and a second by the Majestic League to approve the proposal as written. The proposal establishes benchmarks and criteria for nomination and election into the CIF Southern Section Hall of Fame and for Distinguished Service Awards.

The Liberty League stated that they agreed with the requirements, but the concern is that some coaches who do not have the longevity will be excluded even though they might have the other requirements. Commissioner Wigod responded that these are just common benchmarks that are used to evaluate a person's career and not absolute exclusions. These established benchmarks are also being published so everyone can understand why a person was nominated and then elected into the Hall of Fame. The Miramonte League is against the proposal because it excludes athletic administrators. Commissioner Wigod stated that the Distinguished Service Award is in place to recognize athletic administrators who have served the section over the years, and that is how they are recognized. Motion Carried: 88-1-0

2. Proposed Bylaw 126 – Altercation Plan - This proposal calls for the implementation of a mandatory Altercation Plan that would be for all sports at all levels. This Altercation Plan would be placed into the Blue Book as a new bylaw if adopted. The plan calls for the training of coaches and athletes to listen for key or code words if an altercation were to happen with the intent that an automatic response would de-

(February 2, 2021 Continued from page 2) escalate the situation. There was a motion by Jim Perry and a second by the Mission League to approve the proposal as written. Discussion: Brett Proctor from the Palomares League asked the question, "Why did the Executive Committee vote not to support?" President Mike West responded that there were too many direct and absolute requirements in the language that many schools could not adhere to. While the Executive Committee fully supported the idea that coaches and athletes needed to be trained in how to handle these situations it needed to be up to each school to implement their own policy and action plan and not place it in the Blue Book. Dick Billingsley spoke on behalf of the proposal and said that he is happy to revise the proposal in order to see it move forward. He reminded everyone that the policy does not have a penalty aspect to it. Motion Failed: 13-77-0

### 4. NON-ACTION ITEMS

#### A. STATE FEDERATED COUNCIL NON-ACTION ITEMS

1. Proposed 2021-2022 CIF State Budget - President-Elect Jim Perry presented the CIF State Budget for review. The 2021-2022 proposed budget projects income of \$6.62 million and expenses at \$6.59 million. The budget is highlighted by the projected CIF Regional Baseball and Softball revenue and changes in Marketing revenue due to contracts. The full proposed budget can be viewed at [www.cifstate.org](http://www.cifstate.org).

2. CIF State Executive Committee Nominations - Three openings need to be filled for the 2021-2022 school year. Those nominations will be brought forward by the CIF State Nominating Committee and shall be presented to the CIF Federated Council for first reading at their upcoming meeting on Friday, February 5, 2021.

#### A. STATE FEDERATED COUNCIL NON-ACTION ITEMS

3. Proposed Bylaw 504.M Revision – Sunday Cheer Competition - The proposal was brought back as a first reading due to new information regarding other sections allowing Sunday competition with CIF approval. The sport of Skiing/Snowboarding has been allowed to compete on Sundays for several years given the unique nature of the sport. This information provides some context to the concern that we would be allowing an exception for Cheer that has not been allowed for any other sport.

#### B. SOUTHERN SECTION NON-ACTION ITEMS

1. Proposed 2021-2022 CIF Southern Section Budget - Chief Financial Officer Mitch Carty presented the Council with two different budgets for the 2021-2022 school year showing a traditional year vs. a worst-case projection. Mr. Carty, under the worst-case scenario, informed the Council that an additional sport assessment might need to be implemented in order to present a balanced budget for the 2021-2022 school year. Mr. Carty also stated that another possible staff reduction might take place if current trends continue. We are currently at 10 employees and that number could go down. Mr. Carty then reminded the Council that we should have a better projection and clearer perspective as we approach April and the next Council meeting. The complete proposed budget can be viewed at [www.cifss.org](http://www.cifss.org).

org.

2. CIF Southern Section Executive Committee Nominations - The Southern Section Nominating Committee met on Tuesday, December 17, 2020 to review the nominations for the 2021-2022 CIF Southern Section Executive Committee. The Nominating Committee must submit the names of the candidates for each vacancy occurring on the Executive Committee. The following areas will have a vacancy for the 2021-2022 school year: Coast Area and Mt. SAC Area. The vote will take place in April 2021. President West reminded the Council that only leagues in the affected areas will be voting for these nominees.

### 5. REPORTS

A. Financial Report - Mitch Carty - Chief Financial Officer Mitch Carty announced to the Council that for the 2020-2021 school year, 95% of member schools have paid their required sport fees. In addition, our investment income has been very strong this year and we have collected all the Marketing and broadcast rights for the first half of the 2020-2021 year. Mr. Carty announced to the Council that seven employees were furloughed on January 1, 2021, and income/benefits were reduced for remaining employees. With these adjustments, Mr. Carty projects a possible loss of \$62,000 for this year's budget. Mr. Carty will apply for an additional Payroll Protection Loan in order to help offset the potential \$62,000 loss.

B. Treasurer's Report - Chris Calderwood - Treasurer Chris Calderwood announced that the 2019-2020 audit is just about finalized. The Audit Committee will be meeting soon to submit a report to the Council in April. Mr. Calderwood confirmed the earlier information from Mr. Carty by stating that 532 schools have paid their sport fees/membership dues with 21 schools still outstanding at this time.

C. President's Report - Mike West - President Mike West stated that it was great to see Cross-Country events begin to take place as of Monday, January 25th. Having student-athletes compete again and get back to a sense of normalcy was very encouraging to all our schools. President West reminded the Council that all member schools and office staff are the CIF Southern Section and that the office staff are working very hard to continue to provide necessary services for member schools.

D. Commissioner's Report - Rob Wigod - Commissioner Wigod invited Marketing Manager Jackie Gibson to update the Council on the recent championship ball adoption process. Mrs. Gibson stated that the new ball contract proposal process is just about complete. Our office received 30 responses from various ball companies wishing to be the official ball of the CIF Southern Section. During the process, each of the selected finalist vendors were invited to present their products via zoom presentations. The final decisions and announcements will be made in the next few weeks. The selected balls will have a transition year for 2021-2022 and become mandatory for all playoff competition during the 2022-2023 school year. Commissioner Wigod continued by thanking the individuals who have reached out and expressed their support for our office during the pandemic. These signs of support mean a lot to both Rob and the entire office staff still working to provide necessary services member schools. Commissioner Wigod thanked Chief Financial Officer Mitch Carty for his hard work on the two possible budgets proposed for the 2021-2022 school year and that when we meet

in April, we will have a much clearer picture of this situation when it is time to vote. Finally, Commissioner Wigod was extremely happy to see Cross-County return to competition. He also noted that we have four other sports that will be allowed to compete immediately, while in the purple tier, once the Spring Season of sport begins so it is important that we stay the course with what we have scheduled going forward.

President West responded with "Yes, exactly as written."

### 4. NON-ACTION ITEMS

A. STATE FEDERATED COUNCIL NON-ACTION ITEMS

1. Proposed 2021-2022 CIF State Budget - President-Elect Jim Perry presented the CIF State Budget for review. The 2021-2022 proposed budget projects income of \$6.62 million and expenses at \$6.59 million. The budget is highlighted by the projected CIF Regional Baseball and Softball revenue and changes in marketing revenue due to contracts. The full proposed budget can be viewed at [www.cifstate.org](http://www.cifstate.org). President West asked what potential changes could we expect? Mr. Perry explained that if the CIF Regional Baseball and Softball events do not take place then projections would not be met.

2. CIF State Executive Committee Nominations - Three openings to be filled for the 2021-2022 school year. Those nominations were brought forward by the CIF State Nominating Committee and shall be presented to the CIF Federated Council for first reading at their next meeting on February 5, 2021.

3. Proposed Bylaw 504.M Revision – Sunday Cheer Competition - The proposal was brought back as a first read due to new information

regarding other sections allowing Sunday competition with CIF approval. The sport of Skiing/Snowboarding has been allowed to compete on Sundays in past years and continues to do so presently, given the unique nature of the sport. This information provides context regarding concerns that we would be allowing an exception for Cheer that has not been allowed for any other sport.

1. Proposed 2021-2022 CIF Southern Section Budget Non-Action S S 623 - President West reviewed the proposal and thanked Chief Financial Officer Mitch Carty for bringing forward two different budget proposals for the 2021-2022 school year showing a traditional year vs. a worst-case projection. One of the discussion questions asked by Michelle Spencer was, "When would we know about whether there would be an increase in sport fees?" Mr. Carty stated that decision would not be known until early 2022. Mary Jane Hibbard brought forward a concern from schools regarding being able to pay for a sport fees increase when no events have been allowed to take place. Dr. Monica Colunga suggested that schools should request funds from the unused athletic transportation budgets that were not spent during the 2020-2021 school year. The complete proposed budget can be located and reviewed on the CIF Southern Section web site at [www.cifss.org](http://www.cifss.org).

2. - CIF Southern Section Executive Committee Nominations - The Southern Section Nominating Committee met on Tuesday, December 17, 2020 to review the nominations for the 2021-2022 CIF Southern Section Executive Committee. B. Financial Report - Mitch Carty - Chief Financial Officer Mitch Carty updated the Executive Committee on his two projected budgets for 2021-2022. He presented a best-case scenario and worst-case scenario based on sports revenues, ticket revenues, sponsorship and broadcast rights fees, potential a further reduction in office staff and a potential membership special assessment. (See EXECUTIVE page 6)

## EXECUTIVE

(Continued from page 5)

President West asked if any broadcast rights would help offset championship expenses? Mr. Carty responded that is always a possibility but of course that all depended on if we were able to hold Southern Section Championships.

1. 2019-2020 CIF Southern Section Audit - Mr. Carty informed the Executive Committee that the 2019-2020 fiscal year had been completed and we are waiting on the final approval of the 2019-2020 Audit and then the presentation of our 2020 tax documents.

The new ball contracts will be adopted for the 2021-2022 school year and become mandatory for playoff competition during the 2022-2023 school year.

D. Communications Report - Chelsea Heyward - Digital Media Coordinator Chelsea Heyward informed the Executive Committee that CIF-SS. This Week had received over 5,800 views, over 25,000 impressions in social media and we are up to 945 YouTube subscribers. ### 6. REPORTS

A. President's Report - Mike West - President West reminded everyone to keep a positive outlook and as members of the Executive Committee we must remind everyone that our schools and student athletes need us to be leaders. We are doing all we can to bring education-based athletics back to our campuses. He then thanked the Southern Section staff for its work with member schools and continued efforts to provide service for all stakeholders.

B. Treasurer's Report - Chris Calderwood - Mr. Calderwood updated the Executive Committee on membership dues paid as of today. Of the 559 total members so far, 555 have created an invoice to submit dues. Of the 555 that have created the invoice, 538 of those have paid the required sport fees. Finally, in the office race for complete collection of membership dues, Assistant Commissioner Rich Shearer and Program Coordinator Susan Miller lead the race to completion.

C. Commissioner's Report - Rob Wigod - Commissioner Wigod informed and reminded the Executive Committee that California Department of Public Health Guidelines regarding outdoor and indoor youth and recreational sports came out since our last meeting. Commissioner Wigod did remind the Executive Committee that once the current Stay at Home Order is lifted, Cross Country may begin to hold dual meet competitions immediately. Commissioner Wigod did reaffirm that Spring Sports do remain

in place as the current sports calendar shows. Commissioner Wigod finished with a thank you to the Executive Committee and the Office staff for working through the current situation.

D. Executive Committee Member Reports - CSADA Representative - Dave Reid from the Corona-Norco Unified School District wanted to welcome back Assistant Superintendent Reggie Thompkins to his district.
