

CIF SOUTHERN SECTION | GIRLS WATER POLO

SEASON PREVIEW

2025 - 2026

FROM: Mike West, Commissioner of Athletics

SUBJECT: **Aquatics Legislation – Certification**

Just a reminder that the following legislation took effect January, 1991:

Section 116033 of the Health and Safety Code reads as follows:

Persons providing aquatic instruction, including, but not limited to, swimming instruction, water safety instruction, water contact activities, and competitive aquatic sports, at a public swimming pool shall possess an American Red Cross Emergency Water Safety Course certificate, or have equivalent qualifications, as determined by the state department. In addition, these persons shall be certified in standard first aid and cardiopulmonary resuscitation (CPR). All of these persons shall meet these qualifications by January 1, 1991. Persons, who only disseminate written materials relating to water safety, are not persons providing aquatic instruction within the meaning of this section.

The requirements of this section shall be waived under either of the following circumstances: (a) when one or more aquatic instructors possessing the American Red Cross Emergency Water Safety Course Certificate or its equivalent are in attendance continuously during periods of aquatic instruction, or (b) when one or more lifeguards meeting the requirements of Section 116028 are in attendance continuously during periods of aquatic instruction.

* * * * *

Please Note: The Emergency Water Safety certificate is no longer offered by the American Red Cross. The legislation above has not been revised, despite numerous requests from water safety people around the State, and it is not clear what the “state department” has established as equivalent qualifications.

It is strongly recommended that all coaches enroll in the Safety Training for Swim Coaches course currently offered by the American Red Cross, as an interim solution to the missing EWS certificate. Not many ARC Chapters offer the class, so you may need to do some investigating to locate one that does. The Long Beach Chapter has offered the class as recently as spring 2003, so that might be a good starting point for you.

TO: CIF SOUTHERN SECTION GIRLS' WATER POLO COACHES

FROM: KRISTINE PALLE, ASSISTANT COMMISSIONER

DATE: OCTOBER 2025 (updated 10/13/25)

RE: CIF-SOUTHERN SECTION 2025-2026 GIRLS' WATER POLO SEASON

The CIF Southern Section has put together this preview to assist schools with their water polo program. The purpose is to improve communications related to CIF Southern Section rules and regulations.

Be advised this is not a complete document; it does not discuss all rules and regulations. Coaches are reminded to refer to the Blue Book and to discuss issues with their athletic administration.

Welcome to the 2025-2026 Girls' Water Polo Season!

WATER POLO COACHES ADVISORY COMMITTEE

The CIF Southern Section is continuing to utilize the concept of coaches' advisory committees for all sports. The role of the advisory committee may or may not include the following:

- Meetings
- Recommendations for playoffs sites
- Recommendations for procedural changes
- Recommendations for rule changes
- Evaluation of sport season
- Assistance to coaches and/or officials organizations
- Communications between coaches and the CIF-SS office
- Management/Supervision at Championship Events

The Coaches Advisory Committee is made up of member coaches and an administrator from the CIF-SS office staff. Coaches selected for the committee provide a cross-section of the organization and are selected based upon geographic, as well as competitive divisions. Should you have suggestions or questions regarding water polo competition, please make use of this excellent channel of communication; it is provided to serve your interests. The committee will meet on a regular basis during the season and your items will become part of our agenda.

CIFSSHOME REQUIREMENTS

SCHEDULES & SCORES Complete your schedule in CIFSSHome prior to your season as well as update scores following each contest
Attention Athletic Directors/Coaches: It is very important that you enter your entire season schedule into CIFSSHOME (www.cifsshome.org) as well as update the scores immediately following your contests.

Log in @ www.cifsshome.org (If you do not have a log in & password as a coach, check with your Athletic Director). Once you are logged in:

- On the left panel, click on "Teams", select "Water Polo, Girls"

To Add a game:

- On the left panel, click on "Events", select "Add Event", choose Game under "Event Type", choose date of game under "Event Date", choose **Water Polo, Girls** under "Sport", choose Varsity under "Level", type the opposing school name in "Add Opponent", choose the type of game under "Select Game Type", click on Home, Away or Neutral under "Location", choose "Start Time"
Click on "Save" to add one game or "Save & Duplicate" for multiple games.

- To Submit your score:

- On the left panel, click on "Teams", select "Teams Manager", scroll down to "**Water Polo, Girls**" and click on VR to add Varsity scores
Click on "Post Result" button, enter your team's score, enter the opponent's score, result should auto populate with either "W", "L" or "T" based on the correct match score entered. If the game was a forfeit, click on the Yes box, enter the set scores in "Notes".

Make sure that your overall and team records are correct on your team page

VARSITY COACHES no later than **WEDNESDAY, JANUARY 21, 2026.**

Attention Athletic Directors/Coaches: It is very important that you enter your Girls Water Polo coaches (Head & Assistants) into CIFSSHome (www.cifsshome.org).

Log in @ www.cifsshome.org (If you do not have a log in & password as a coach, check with your Athletic Director).

- Click on the "Users" tab, click on "User Manager", click on the  in the upper right hand corner to add Coaches and Assistant Coaches.
Enter the information requested on the "Add School User" page. Choose "Active" to provide the coach with access to CIFSSHome or "Inactive" for directory purposes only. Choose Yes or No to give the coach access to all sport, click **Submit**.

Choose the applicable options on the Assign Coach to Team page, click Save or Add Another to add additional coach(s).

VARSITY TEAM INFORMATION (TEAM PHOTO) no later than **WEDNESDAY, JANUARY 21, 2026.**

Log in @ www.cifsshome.org (If you do not have a log in & password as a coach, check with your Athletic Director).

- Click on the "Teams" tab, click "Teams Manager", click on "**Water Polo, Girls**", click on the "Team Photo" tab,
Click on the  under "TEAM PICTURE", choose the file, click **Submit**.

AT LARGE APPLICATION – MUST HAVE .500 RECORD OR BETTER AND THERE MUST BE OPENINGS IN THE DRAW

Attention Athletic Directors/ Coaches: Please follow the instructions below to enter your school as an At Large Entry for Girls Water Polo. The At Large Application is to be submitted by your school no later than **WEDNESDAY, JANUARY 28, 2026 @ 8:00 p.m.**

VARSITY TEAM INFORMATION (ROSTERS) no later than **WEDNESDAY, JANUARY 21, 2026.**

Attention Athletic Directors/Coaches: It is very important that you enter your entire Girls Water Polo Varsity roster into CIFSSHome (www.cifsshome.org).

Log in @ www.cifsshome.org (If you do not have a log in & password as a coach, check with your Athletic Director).

- Click on the "Teams" tab, click on "Teams Manager", click on "**Water Polo, Girls**",  select

You can UPLOAD your roster using the instructions below (1) or you can enter each player one by one (2).

Required roster information for Girls Water Polo is:

First Name, Last Name, Birth date, Year, Number, Position, Height & Eligibility

(1) To ADD roster players one by one:

- Click  Add Players One by One on and complete fields required for Girls Water Polo.

(2) To Import a Roster using an Excel sample file:

- Download the [sample file](#) and delete the "contents only".

- Copy and paste or type your roster information into the file as the contents and save the file to your computer.

- Only an excel file   can be uploaded that is the exact same format as the sample file.

- Columns for information not required for your sport may be left blank, but the HEADER INFORMATION MUST REMAIN EXACTLY AS THE SAMPLE.

- **Required Columns for Girls Water Polo are:**

First Name, Last Name, Birth date, Year, Number, Position, Height & Eligibility

- Click on to find your file, then click on 

- To confirm the roster has been uploaded, your players' names will be uploaded in the "**Official Roster**" section.

- Click on the  next to the player's name to view each player's information.

Official Water Polo Ball

Contact: Johnathon Hewko - hewko@kap7inc.com

**All 5 of these color variations are NFHS and CIF-SS Approved*

Boys

KAP7
model 105

**This ball will be provided for the
championship final game*

Girls

KAP7
model 104

**This ball will be provided for the
championship final game*

**The official ball rule is mandatory for all CIF-SS playoff rounds.*

Contracted through: June 30, 2026

Official Ball Rule:

Should a school fail to provide the correct game ball, the game will always be played. Teams/schools failing to utilize the correct official ball in CIF-SS playoffs will be reported by officials to CIF-SS and will not be allowed to host their next available home playoff game. Penalty will carry over to the next season if not enforceable this season due to elimination.

OFFICIAL BALL PROGRAM

2025-2026

Official Ball per sport (updated 7-2-25):

Baseball	Rawlings RCIF-SS	Must be CIFSS/ NOCSAE stamped ball
Basketball, Boys	Wilson NCAA EVO NXT GAME BALL Size 7 (Used in CIF-SS Championship) Wilson Evolution Game Basketball Size 7	
Basketball, Girls	Wilson NCAA EVO NXT GAME BALL Size 6 (Used in CIF-SS Championship) Wilson Evolution Game Basketball Size 6	
Football, Flag	Wilson GST SPEEDSKIN HEIR Wilson GST TDY Wilson GST SPEEDSKIN	
Football (8/11)	Wilson GST Wilson Omega Wilson GST Prime (<i>discontinued</i>)	
Lacrosse	PEARL X (Used in CIF-SS Championship) PEARL LT	
Soccer	Wilson NCAA Vivido Match Ball (Used in CIF-SS Championship) Wilson NCAA Veza Match Ball Wilson Forte Fybrid II NCAA Match Soccer Ball (<i>discontinued</i>)	
Softball	Rawlings FPCIF-SS (Used in CIF-SS Championship) Rawlings Dream Seam Rawlings Red Dot	
Tennis	Penn Tour (Used in CIF-SS Championship) Pro Penn Marathon Penn Championship	
Volleyball, Beach	Wilson NCAA OPTX Game Ball (Used in CIF-SS Championship)	
Volleyball, Indoor	Mikasa VFC1000 Series (Used in CIF-SS Championship) Mikasa VQ2000 Series	
Water Polo, Boys	KAP7 HydroGrip Size 5 with NFHS stamp (Used in CIF-SS Championship)	
Water Polo, Girls	KAP7 HydroGrip Size 4 with NFHS stamp (Used in CIF-SS Championship)	

Mandatory Playoff Use Requirement:

The mandatory "official" ball rule for all playoff rounds, excluding golf. The rule applies throughout the conduct of **all** CIF-SS **playoff** contests.

*Items in red will be provided for use in the **Championship final** game only. Any model listed above is approved for play in CIF-SS post season play.

Playoff Ball Use Rule Enforcement:

Should a school fail to provide the correct game ball, the game will always be played. Teams/schools failing to utilize the correct official ball in CIF-SS playoffs will be reported by officials to CIF-SS and will not be allowed to host their next available home playoff game. Penalty will carry over to the next season if not enforceable this season due to elimination.

Note: NFHS stamp is required in all sports *except in girl's flag football, golf, tennis and beach volleyball.*

Water Polo Rules Changes - 2024-26

By NFHS on May 20, 2024

[water polo](#)

[Download a PDF version](#)

1-6-1e: Added a continuous red marking to be placed on the goal line, 2 meters from the outside of both goal posts. An imaginary line from the end of each red marking to the 2-meter line creates the "goal area".

Rationale: Clarifies the new goal area.

1-16: Removed the color restriction for the ball requiring yellow or gold. The ball must be of a color that contrasts with the colors of the players' caps and is clearly and safely visible.

Rationale: The change gives a team the ability to choose a ball suitable for its team's conditions, especially under night lighting.

2-1-2: Defined an illegal player as one who enters the game during live play wearing an additional goalkeeper's cap.

Rationale: During live play only one player wearing a goalie cap is allowed in the field of play.

3-17-2a: Added the phrase "or gains possession of" to the rule, which will assist referees and timekeepers in the case where a player wins an uncontested sprint but does not touch the ball.

Rationale: This addition allows referees to consider that possession has been gained and the clock can start.

4-22 NOTE (NEW): Added a NOTE defining a goal can be scored directly on a corner throw after the referee has removed the ball from the water for an administrative issue.

Rationale: The new language will provide administrative flexibility for the officials by allowing a direct shot if the ball is removed for any administrative reason prior to the taking of a corner throw.

5-10-1: If the foul is committed inside the 2-meter area but outside of the goal area, the free throw is taken where the ball is.

Rationale: Clarifies that the attacking player no longer needs to be outside the defending goal area to take the free throw. As long as the player exits the new goal area, the player can take the free throw.

5-11 NOTE (NEW): When there is a counterattack, a player with a position of advantage does not have to give up the advantage to go to the ball and take the free throw. The player on that team who is next closest to the ball must take the free throw as long as there is no undue delay.

Rationale: If there is no advantage on the counterattack, the player most readily available to take the free throw must do so.

6-11-1, 6-11-2: This rule changes the specific area around the goal and allows for an attacking player who is outside the goal area to go inside 2 meters without being penalized.

Rationale: This opens up more angles for the offense and does not unnecessarily punish an attacking player who is not close to the goal but enters the 2-meter area.

6-11-3: This new rule clarifies that a player in the goal area of the attacking team can never be in front of the line of the ball at any time during the game.

Rationale: Because the new goal area is the area closest to the goal, this new rule allows the officials to correctly call "inside the goal area" violations when the receiving player is ahead of the ball.

2024-26 Water Polo Editorial Changes

NOTE, 1-19-3, 2-4 NOTE

2024-26 Water Polo Point of Emphasis

1. Inside the Goal Area Clarification
2. Ball in Hand
3. Advantage

WATER POLO

Wall-mounted Goal Pool

Floating Goal Pool

NOTE: Minimum distance from goal line to pool wall recommended to be a minimum of 1.66 meters.

BLUE BOOK RULES - SPECIAL POINTS OF INTEREST

RULE 125.1 COACH EJECTION - Upon the ejection of a coach from any CIF Southern Section contest, it is the responsibility of the principal of said school to file a letter of explanation with the CIF Southern Section Office which includes the circumstances surrounding the matter and what action the principal has taken to prevent a recurrence. Said correspondence is to be filed within THREE school days of notification of the ejection. ADDITIONALLY, UPON EJECTION, THE EJECTED COACH SHALL BE DISQUALIFIED FROM PARTICIPATING IN THE REMAINDER OF THE GAME AND WILL BE INELIGIBLE FOR THE TEAM'S NEXT CONTEST. A SECOND EJECTION WILL CONSTITUTE A TWO CONTEST SUSPENSION AND A THIRD EJECTION WILL CAUSE SUSPENSION FOR THE REMAINDER OF THE SEASON.

RULE 125.2 FAILURE TO COMPLETE A CONTEST - When a school fails to complete a contest, due to a coach pulling his/her team from the floor, court or field, it is MANDATORY that the CIF Southern Section Office be notified by the principal within 24 hours (excluding holidays and weekends). The competing schools and officials will be required to file written reports, and after review of the aforementioned material, the principal of the school involved will be required to respond to the CIF Southern Section Office concerning his/her investigation of the incident.

QUESTION: How serious is such action?

ANSWER: It has been the position of the CIF Southern Section Executive Committee to expect the building principal of the school concerned to relieve the coach from his/her assignment for the balance of that season or the Executive Committee is empowered to consider recommendations for additional penalties.

QUESTION: What if the head coach is red carded and there is not an assistant coach on the bench?

*ANSWER: A district/school employee that holds **ALL coaching certifications** ("Coaches Education Training", CPR, First Aid, Sudden Cardiac Arrest, Concussion Training and anything else required by the district/school board specifically for coaches) may supervise the remainder of the game. If there is not a person holding the aforementioned credentials, the game will be terminated at that point). Teachers, administrators and other district personnel cannot fill this role unless they hold ALL necessary coaching certifications.*

RULE 514 - TOBACCO PRODUCTS PROHIBITED

The use of tobacco products in conjunction with any CIF Southern Section athletic contest is prohibited. This would include all those involved in the contest including players, coaches and officials.

RULE 1223 - SUMMERTIME RULES

1223.1 With the exception of the summer dead period, until the beginning of the first official starting date for fall sports, there shall be no restriction on high school coaches working with high school students registered and/or attending their respective high school or entering them in summer competition, provided approval is received from the school principal.

QUESTION: Who may participate in high school summer athletic programs approved by the principal?

ANSWER: Only students registered for the upcoming school year in grades 9 through 12. Additionally, it would be a violation to allow elementary students (8th grade and below) to participate with the high school team. For students enrolled in more than one school, all summer practice and competition must be confined to one school.

1223.2 High schools may sponsor sport camps and/or allow non-school sponsored sport camps to use their facilities.

- * High school students and individuals from the general community can attend.
- * The high school name, nickname and identifying marks can be used in the title and/or promotion of the camp.
- * The principal of the high school must give permission for the camp to take place; non-school sponsored camps must secure a facility permit for use of any facilities and equipment.
- * The camp must comply with all CIF rules, including those pertaining to undue influence and dead period.

* Non-school sponsored camps should provide required liability insurance for the use of any school facilities.

1223.3 A summer dead period must be declared by the school district and/or principal for all sports. The dates of the dead period must be forwarded to the Southern Section Commissioner. The dead period must be the same for all sports all levels and must be two (2) consecutive weeks, fourteen (14) days between the end of school in the spring and the first day of school in the Fall. No class could be offered which could circumvent the rule. There are no exceptions to the summer dead period.

During the dead period, NO weight lifting would be permitted. No running or other type of conditioning would be allowed. No coordinated workouts by ANY staff or volunteer member associated with the school are allowed.

Special nationally recognized programs in various sports that require a national or regional championship format, such as Bobby Sox Softball, American Legion or Mickey Mantle Baseball, Junior Olympics, etc., would be allowed to continue, until completion, during the dead period

RULE 503 - PLAYER CONDUCT RULE

Player:

A player who is ejected from a contest (for reasons other than fighting or leaving the bench area during a fight) shall be ineligible to participate in the remainder of that contest (event) and his or her team's future contest (s) as outlined below:

First Ejection: Player is ineligible to participate in the team's next contest. Player may remain on the bench for the duration of that contest and may be on the bench in street clothes for the team's next contest. If the ejection occurs in the last game of the season, the player would be ineligible for the team's first contest the following season. If the player is a senior, he or she would be ineligible for the first contest of their next season of sport.

Second Ejection: Player is ineligible to participate in the team's next three (3) contests. Player may remain on the bench for the duration of that contest and may be on the bench in street clothes for the team's next three (3) contests. If the season concludes prior to the player serving the three (3) contests suspension, he or she would be ineligible for the number of contests remaining on the suspension for the team's following season. If the player is a senior, he or she would be ineligible for the number of contests remaining on the suspension for their next season of sport.

Third Ejection: Player is ineligible to participate for the remainder of that season. Player may remain on the bench for the duration of that contest and may be on the bench in street clothes for the team's remaining contest that season. If there are six (6) or fewer contests remaining in the season, the player would be ineligible for up to six (6) contests for the team's following season as determined by the CIF Section Commissioner with jurisdiction in the matter. If the player is a senior, he or she would be ineligible for up to six (6) contests for the next season of sport as determined by the CIF Section Commissioner with jurisdiction in the matter.

A player who is ejected from a contest for fighting or leaving the bench area during a fight* shall be ineligible to participate in the remainder of that contest and his or her team's future contests as outlined below:

RULE 503 - PLAYER CONDUCT RULE continued

First Ejection: Player (Fighting/Assaultive Behavior/Gross Unsportsmanlike Conduct) is ineligible to participate in the team's next three (3) to six (6) contests as determined by the CIF Section Commissioner with jurisdiction in the matter. Player may remain on the bench for the duration of that contest and may be on the bench in street clothes for the duration of the suspension. If the season concludes prior to the player serving the full suspension, he or she would be ineligible for the number of contests remaining on the suspension for the team's following season. If the player is a senior, he or she would be ineligible for the number of contests remaining on the suspension for their next season of sport. *NFHS Rules indicate automatic one game suspension for leaving the bench.

Second Ejection: Player is ineligible to participate for the remainder of that season. Player may remain on the bench for the duration of that contest and may be on the bench in street clothes for the team's remaining contests that season. If there are six (6) or fewer contests remaining in the season, the player would be ineligible for up to six (6) contests for the team's following season as determined by the CIF Section Commissioner with jurisdiction in the matter. If the player is a senior, he or she would be ineligible for up to six (6) contests for their next season of sport as determined by the CIF Section Commissioner with jurisdiction in the matter.

QUESTION: What happens when a student engages in Fighting/Assaultive Behavior during an athletic contest that is not observed by game officials?

ANSWER: In cases when a student engages in Fighting/Assaultive Behavior that is not observed by game officials, it is the expectation of the CIF Southern Section Executive Committee that the building principal of the school involved will impose a minimum one-game suspension for the students who commit such offenses.

RULE 1224 - LEVEL OF COMPETITION

No student shall participate in more than ONE level of competition in the same sport in the same day.

RULE 3301 - OFFICIAL NATIONAL FEDERATION AUTHENTICATING MARK

Only balls with the National Federation authentication mark shall be used in the sports of baseball, basketball, field hockey, football, soccer, softball, volleyball and water polo. (February 1999 Federated Council; revised to include lacrosse November 2000 Federated Council.)

RULE 3510 - FREE LANCE PLAYOFF ENTRY VERIFICATION

If a school does not have membership in a league or the school belongs to a league which does not offer students in a given sport an opportunity to qualify into CIF Southern Section championships, special conditions exist which must be followed in order to qualify for possible entry into a CIF Southern Section playoff activity. ****You must apply for Freelance consideration at the beginning of the season.***

3510.1 Team Sports - All free lance schools desiring entry into the playoffs must submit schedules to the Commissioner for evaluation and approval of conditions under which the team may qualify. Schedules must be submitted prior to the start of each season for evaluation.

Q & A - How can a freelance team qualify for CIF playoff consideration?

You must schedule 80% of allowable games per sport and they must be at the varsity level, and in order to be considered for the playoffs, the school must have a .500 or better record in all contests played and there must be openings in the bracket. Additionally, teams that win 80% of their contests played will be guaranteed entry. (Except football

CIF-SS WATER POLO GUIDELINES

The Following points of emphasis should be reviewed by coaches, staff and players regarding CIF Southern Section rules and regulations as published in the CIF-SS Blue Book. This list is not all-inclusive; it highlights key areas.

MAXIMUM TEAM CONTESTS

1. A water polo team is permitted to play no more than twenty (28) contests during the season. One game scheduled with alumni and/or faculty will not count toward the allowable number of contests.
2. A team may play three regular games in one day in a tournament on a non-school day, provided one hour has elapsed between the finish of one contest and the beginning of the next contest.

END OF COMPETITION

All league competition for entries must end on or before the Thursday prior to the first playoff date. Schools may compete until Saturday in non-league contests and/or tournament play. **LEAGUE ENTRIES ARE DUE AT 8:00 P.M. ON WEDNESDAY EVENING. ANY COMPETITION TAKING PLACE AFTER ENTRIES ARE DUE WILL NOT BE CONSIDERED IN THE SEEDINGS.**

TOURNAMENTS

For those schools hosting sanctioned events, please review the 700 series. In particular, please be aware all sanctioned events are to be administered by the sanctioning school and not administered by outside groups. The interpretation is that all entry fees must be handled through student-body funds under the administration of the principal of that school.

LENGTH OF QUARTERS

The length of quarters for water polo games shall be seven minutes for varsity games, six minutes for non varsity. Schools can mutually agree to shorten games. (Approved April 2002, CIF-SS Council)

GAME BALL

The KAP7 104 NFHS is the official girls' water polo ball of the CIF Southern Section and must have the NFHS authenticating mark stamped on it. **The KAP 104 NFHS ball must be used in all playoff games.**

OUTSIDE COMPETITION BY AN INDIVIDUAL DURING THE SEASON OF SPORT

A member of a high school water polo team may not, during his season of sport, compete for an outside team in the sport of water polo. A season of sport (see CIF-SS Blue Book Rule 504) is defined as that period which begins with a student's first interscholastic competition (non-league, tournament or league game) and ends with that student's last interscholastic contest (tournament, non-league or CIF-SS playoff game). If an athlete has been selected for an ODP event/ tournament, permission must be obtained by the association office prior to the event.

SCOUTING PROHIBITION - PRACTICE SESSION

Scouting of any type that would include personal viewing, written notes, audio tape, motion pictures, video reproduction and/or any other type of reproduction such as still pictures, etc., shall not be taken in any sport of a member school's practice sessions by anyone without written consent of the participating school(s). An interscholastic scrimmage is not subject to this rule.

Q & A - What is allowed with regard to scouting a contest?

There will be NO restrictions on the part of member schools regarding the filming/video-taping of any contest. Host schools will maintain game management rights and responsibilities.

OFFICIALS

It is required that:

1. When contacted by the official at least 24 hours in advanced, the host school will have available someone who will handle the needs of the officials assigned to the contest. This should include, but not be limited to, facility orientation, locker room assignment, and parking.
2. The officials' locker rooms are open at half-time and immediately after the game.
3. After the contest, the officials' locker and dressing facilities remain secured for at least 20 minutes. Coaches and other school officials should not enter an officials' dressing area for the purpose of complaints.
4. Coaches should not approach or confront the officials at the completion of a contest.
5. Coaches and school officials should not make public statements to the news media criticizing officials.
6. School officials must be alert to potential problem situations and provide security for officials to and from their dressing facilities and to the parking area after the contest when necessary.
7. Athletic administrators convey to the coaching staff that any problems regarding officiating be handled first through the Area Officials' Liaison and second by the CIF-Southern Section Office, if it is serious in nature.
8. A representative from the host school shall handle financial matters prior to the start of the contest.
9. The participating schools should enforce the principles of Pursuing Victory with Honor and the education code with regards to fan and spectator behavior. Schools are strongly encouraged to remove and sanction any spectator who engages in abusive verbal or physical behavior or who uses profanity.
10. Schools not in compliance with numbers 1-9 will be reported to their Area Liaison by the officials association within five (5) school days. Regardless of the infraction, the contest will be played.

CUSTOM JACKETS

SPECIALIZING IN CIF PATCHES, LETTERMAN
JACKETS, VARSITY LETTERS AND CUSTOM PATCHES

- Official CIF-SS Patch Manufacturer for: Champions, Finalists, All-CIF, Athlete of the Year and Unified Sports
- Official CIF-SS Letterman Jacket Partner
- League patches, custom patches, varsity letters, & emblems available
- Banquet dates guaranteed
- 2 – 3 Week turnaround time on all orders

Place your order online today at
www.jlcustomjackets.com
Contact us at: 951-867-3200 or
customerservice@jlcustomjackets.com
Locations in: Moreno Valley and Anaheim

CIF-SS HISTORY RECORD BOOK

The CIF-SS Record Book is updated on a yearly basis and can be found here.

<https://cifss.org/record-book/>

The CIF-SS Communications Office will automatically update information on championship teams, scores, and Players of the Year. Should your team, an athlete on your team, or a coach, meet a milestone record, then please complete this form.

<https://cifss.org/record-book-request/>

Please note we only record the top 10 in each category.

ALL CIF-SS

The All CIF-SS teams are decided by the coaches' advisory committees for each sport.

To be considered, your coach must attend the divisional meeting to submit their nominations to the committee. **No exceptions.**

The CIF-SS will receive the first team list from the committee and release those on www.cifss.org.

We will also mail the first team certificates to the athlete's school.

The CIF-SS office does not collect 2nd or 3rd team information. If the sport has a 2nd or 3rd team, that information will be available through the coaches committee.

EXTREME HEAT AND AIR QUALITY POLICY FOR THE CALIFORNIA INTERSCHOLASTIC FEDERATION

As per **CA State Law AB 1653** and CIF Bylaw 503 K. Heat Illness and Air Quality Index Protocols, **all CIF member schools must adhere to the CIF Heat Illness Prevention and Heat Acclimatization Policies as outlined below.**

Extreme Heat Procedures:

The WetBulb Globe Temperature (WBGT) is a measure of the heat stress in direct sunlight, which takes into account: temperature, humidity, wind speed, sun angle, and cloud cover (solar radiation). This differs from the Heat Index, which takes into consideration temperature and humidity and is calculated for shady areas. The WBGT is especially valuable in environments where people are physically active, such as sports, as it provides a better assessment of the risk of heat-related conditions during physical exertion. The CIF requires that schools use the WBGT for the most accurate measurement.

Depending on your Category Region (see map below), it is mandated for the benefit of the health and safety of our student-athletes that practice/games be canceled, or delayed until cooler when WBGT exceeds these levels:

- Region Category 1 >86.2°F
- Region Category 2 >89.9°F
- Region Category 3 >92.0°F

STEP 1

Find your Region Category

Based on the following map, schools should select the category that best fits their region to follow the required guidelines shown below.

The majority of states fall under just one category or two at the most. However, due to its diverse climate across the state, California encompasses all three categories: light gray - Category 1 / medium gray - Category 2 / dark gray - Category 3. (See image below).

Determine which region category you are in based on the map.

STEP 2

WBGT Readings (Note: Temperatures listed in the chart below are calculated using a WBGT and are not basic air temperatures) Please see Step 3 below for samples of WBGT readings.

Cat 3	Cat 2	Cat 1	Outdoor Activity Guidelines
<82.0°F <27.8°C	<79.7°F <26.5°C	<76.1°F <24.5°C	Normal Activities – Provide at least three separate rest breaks each hour with a minimum duration of 3 min each during the workout.
82.2 - 86.9°F 27.9 - 30.5°C	79.9 - 84.6°F 26.6 - 29.2°C	76.3 - 81.0°F 24.6 - 27.2°C	Use discretion for intense or prolonged exercise; Provide at least three separate rest breaks each hour with a minimum duration of 4 min each.
87.1 - 90.0°F 30.6 - 32.2°C	84.7 - 87.6°F 29.3 - 30.9°C	81.1 - 84.0°F 27.3 - 28.9°C	Maximum outdoor practice time is 2 h. Provide at least four separate rest breaks each hour with a minimum duration of 4 min each. <u>For Football/Field Hockey:</u> players are restricted to helmet, shoulder pads, and shorts during practice. If the WBGT rises to this level during practice, players may continue to work out wearing full pads without changing to shorts.
90.1 - 91.9°F 32.2 - 33.3°C	87.8 - 89.6°F 31.0 - 32.0°C	84.2 - 86.0°F 29.0 - 30.0°C	Contests are permitted with additional hydration breaks. Maximum outdoor practice time is 1 h. No protective equipment may be worn during practice, and there may be no conditioning activities. There must be 20 min of rest breaks distributed throughout the hour of practice.
≥92.1°F ≥33.4°C	≥89.8°F ≥32.1°C	≥86.2°F ≥30.1°C	No outdoor workouts/contests. Delay practice/competitions until a cooler WBGT is reached.

STEP 3

Schools without a WBGT should use the link below from the NOAA for a WBGT reading

<https://digital.mdl.nws.noaa.gov/?zoom=7&lat=35.28787&lon=-79.36779&layers=F000BTTF®ion=0&element=8&mxmz=true&barbs=false&subl=TTFFF&units=english&wunits=nautical&coords=latlon&tunits=localt>

EXAMPLE @2:30 PM

CIF Fall Outdoor Sports Acclimatization Policy

Given the extreme heat issues typically experienced at the start of the Fall sports season, heat acclimatization is crucial for high school athletes to help them adapt to hot weather conditions and reduce the risk of heat-related illnesses. The following is a four-step plan for heat acclimatization in outdoor high school sports:

1. **Gradual Increase in Activity:**
 - Start with light workouts in cooler conditions to prepare athletes for increased heat exposure.
 - Gradually increase the intensity and duration of practice sessions over 10-14 days.
2. **Hydration Education:**
 - Teach athletes the importance of staying hydrated and recognizing signs of dehydration.
 - Encourage regular water breaks during practice and games and always provide access to water.
3. **Modify Practice Schedules:**
 - Schedule outdoor practices during cooler times, like early morning or late evening.
 - Allow frequent breaks and shade to help athletes cool down and recover.
4. **Monitor Athlete Health:**
 - Educate coaches, trainers, and athletes on the signs of heat-related illnesses (heat exhaustion and heat stroke).
 - The school will have available a method to institute whole-body cooling to treat a student-athlete with exertional heat illness, especially heat stroke (e.g., ice tub, "taco tarp", ice towels) which is easily accessible at all practice and contest venues.

Safety should always be the top priority when acclimating high school athletes to hot weather conditions. This plan helps athletes adapt while minimizing the risk of heat-related issues.

For All Outdoor Fall Sports

Five-Day Acclimatization Period. Preseason practice shall begin with a five-day acclimatization period for all Fall student-athletes. All student-athletes, including those who arrive at preseason practice after the first day of practice, are required to undergo a five-day acclimatization period. The five-day acclimatization period shall be conducted as follows:

- (a) Participants shall not engage in more than one on-field practice per day during the five-day acclimatization period. On-field practices shall last no longer than two hours.

For Football Only

- (b) During the first three days of practice or testing activity, helmets shall be the only protective equipment student-athletes may wear. During the next two days of practice or testing activity, helmets, and shoulder pads shall be the only protective equipment student-athletes may wear. Student-athletes may practice in full pads on the sixth day of practice or testing activity.

Air Quality and Sport Participation:

CIF Position Statement Sports Medicine Advisory Committee

	US AQI Level	PM2.5 ($\mu\text{g}/\text{m}^3$)	Health Recommendation (for 24 hour exposure)
	Good 0-50	0-12.0	Air quality is satisfactory and poses little or no risk.
	Moderate 51-100	12.1-35.4	Sensitive individuals should avoid outdoor activity as they may experience respiratory symptoms.
	Unhealthy for Sensitive Groups 101-150	35.5-55.4	General public and sensitive individuals in particular are at risk to experience irritation and respiratory problems.
	Unhealthy 151-200	55.5-150.4	Increased likelihood of adverse effects and aggravation to the heart and lungs among general public.
	Very Unhealthy 201-300	150.5-250.4	General public will be noticeably affected. Sensitive groups should restrict outdoor activities.
	Hazardous 301+	250.5+	General public at high risk of experiencing strong irritations and adverse health effects. Should avoid outdoor activities.

Pictured: Air quality index chart with corresponding PM2.5 $\mu\text{g}/\text{m}^3$.

Recent catastrophic and historical fires in California continue to raise numerous questions regarding safe participation in sport and practice for young athletes. This position statement serves as a resource to coaches, administrators, parents and students who have questions about participation in outdoor activity during periods of diminished air quality for California high school sport.

Healthy athletes are at increased risk for inhaling pollutants in the air. Physical activity increases ventilation and the number of pollutants that are inhaled are increased compared to periods of rest. During physical activity, air is often inhaled directly into the mouth, bypassing the built-in nasal filtration system. Deep inhalation diffuses pollutants into the bloodstream more quickly during exercise. These risks are increased if an athlete has a pre-existing medical condition such as asthma or a cardiac condition.

A valid and reliable standardized national air quality resource is the National Weather Service (NWS) Air Quality Forecast System. This system provides constant monitoring of ozone, particulate matter and pollutants with accurate and advanced notice to prevent the adverse effects of decreased air quality.

The key component of the standardized air quality resource is the NWS Air Quality Index (AQI). The AQI provides real time monitoring and alerts in response to changing air quality levels. Five different pollutants are tracked in this system including the following: 1) ground level ozone 2) particle pollution 3) carbon monoxide 4) sulfur dioxide 5) nitrogen dioxide. Ground level ozone and particulate matter are the

most concerning pollutants for outdoor physical activity. The AQI is reported as a single number based on a scale of 0 to 500 with 0 being completely safe and 500 indicating the most hazardous levels of air pollution.

Consistent with this national reporting system and consistent with the National Collegiate Athletic Association Committee on Competitive Safeguards and Medical Aspect of Sport, the CIF Sports Medicine Advisory Committee offers the following general guidance to institutions seeking to make decisions about the appropriateness of practice or competition in questionable air quality situations. With recent severe fires within the state of California, both regional and statewide authorities have often established alerts to cancelling sport events or practices because of local risk. CIF recommends following these guidelines. If specific guidelines have not yet been provided, the following are useful guidelines consistent with NCAA and NFHS position statements on air quality.

- 1) Monitoring of local AQI and associated air quality alerts, especially during times of extreme environmental conditions is recommended. Advice and monitoring is best done by the primary athletics health care providers (athletic trainers, school nursing staff, team physicians) who have training in such monitoring. Schools may choose to delegate this responsibility to a staff member with knowledge of AQI.
- 2) Member schools should consider shortening or cancelling outdoor athletic events (practices or competition) in accordance with AQI recommendations. Exposure to air should be managed more carefully for students with pre-existing lung or heart conditions. When the AQI rises above 100 schools should consider removing such athletes at risk from practice or competition.
- 3) At AQI values above 150 serious consideration should be given to rescheduling the activity or moving it indoors if possible. Prolonged exposure and heavy exertion should be avoided.
- 4) School Emergency Action Plans may guide the emergency care response in these circumstances and the staff should be made aware of this plan.
- 5) The Preparticipation Physical Examination for Sport will be used as a tool to identify students at risk for smoke inhalation exposure such as asthma, cardiac disease and respiratory disease.
- 6) Emphasize to student athletes that the wearing of masks, such as for protection against COVID-19 does not protect against exposure to hazardous air quality. Consequently, wearing masks will not allow competition or practices when AQI is at hazardous levels.

There are now validated online applications to smart phones which can track not only AQI in a town or city, but also AQI regionally near each neighborhood within each town or city. Consistent with NFHS, California Air Quality Board and California Environmental Protection Agency, the CIF recommends using the www.airnow.gov application for this purpose. The AQI may even be checked periodically during a day of competition or practice in case of changing conditions. The application was created with the collaboration of the Environmental Protection Agency and contains not only air quality data but also current fire conditions, webcams and email notifications consistent with local and regional up to date conditions.
