A. STATE FEDERATED COUNCIL ACTION ITEMS

B. SOUTHERN SECTION ACTION ITEMS

- 1. Releaguing Appeal Hearings
 - A. Coast Area
 - 1. Wiseburn DaVinci High School

Action

3B1A1

Present: Chief Administrative Officer Vicente Bravo and Athletic Director D.R. Moreland,

Wiseburn Da Vinci High School

Releaguing Chair Representative: Steve Shevlin, El Segundo High School

The Releaguing Plan was approved by the Coast Area who followed their processes.

The Bay League averages D2 representation in most sports; this is where Wiseburn DaVinci (D5 average representation) was placed. The Wiseburn DaVinci athletic program is about five years old including the COVID year and doesn't field many sports the other schools in the Bay League field. The plan that carried in the area passed 13-6 among its voting members. Steve Shevlin stated, "The league receiving Wiseburn DaVinci will get an extra playoff spot and the voting members felt the Bay League was the most deserving of that extra spot." SBAA contains the Bay, Ocean and Pioneer Leagues. Wiseburn DaVinci wishes to go to the Ocean League based on competitive equity where they believe they are a better fit. The sentiment of the Executive Committee was that Wiseburn DaVinci was placed in the Bay League solely to give them an extra playoff spot and not placed in the interest of competitive equity.

There was a motion and a second to support the appeal of Wiseburn DaVinci. The motion carried unanimously 16-0-0.

B. Orange County Area

1. St. Margaret's High School

Action

3B1B1

Present: Principal Jeneen Graham and Athletic Director Chris Nordstrom, St. Margaret's High School

Releaguing Chair Representative: Joel Hartmann, Servite High School

The Releaguing Plan was approved by the Orange County Area who followed their processes.

St. Margaret's moved out of the Small Schools Area and originally solicited the Pacific Coast League, Orange Coast League and Coast View Conference for information to explore which league would be the best fit. Currently the Orange Coast League is where they would like to land. They were placed in the Coast View Conference (CVAA). Chris Nordstrom reported the average enrollment of the CVAA is 2,800 students. There is a better balance for them in terms of competitive equity in the Orange Coast League as they will have teams in the top, middle and bottom across the board.

There was a motion and a second to support St. Margaret's move to the Orange Coast League. Motion fails 6-9-1 1F1

3. ACTION ITEMS (Cont.)

- B. SOUTHERN SECTION ACTION ITEMS (Cont.)
 - 1. Releaguing Appeal Hearings (Cont.)
 - C. Parochial Area
 - 1. Paraclete High School

Action

3B1C1

Present: Athletic Director Margaret Neill and Associate Athletic Director Amy Pierson, Paraclete High School

Releaguing Chair Representative: Steve Miller, Bishop Montgomery High School

The Releaguing Plan was approved by the area who followed their processes.

Paraclete wishes to be placed in the Camino Del Rey Association (CDR) for all sports except football (where they are currently placed in the LAAA). Enrollment-wise Paraclete is in line with the average of the CDR schools and about half the average of the LAAA schools. Paraclete is a geographic outlier regardless of league placement and accepts the travel which is inevitable in either league. Competitive equity-wise, Paraclete excels in softball but falls in the middle of the CDR in all other sports. In the LAAA, Paraclete is not competitive in any sports.

There was a motion and a second to move Paraclete into the Camino Del Rey Association in all sports except football (where they will remain in the LAAA). The motion carried 15-0-1.

4. NON-ACTION ITEMS

A. STATE FEDERATED COUNCIL NON-ACTION ITEMS

There are no CIF State Federated Council non-action items at this time.

2. Mt. SAC Area Representative

C. Financial Report

Mitch Carty

Chief Financial Officer Mitch Carty gave an update on the current financial position of the Southern Section. The section was able to get our first PPP loan forgiven and is in the process of seeking application for forgiveness of the second PPP loan. Should that loan be forgiven, the amount will be applied to the fiscal year in which it is forgiven. Mitch shared the pre-audit P&L report that indicates a pre-audit surplus for the 2020-2021 school year at approximately \$119,000. The pre-audit P& and is included in the minutes of this meeting. The official audit will take place in October.

D. Marketing Report

Jackie Gibson

Marketing Director Jackie Gibson reported that within a span of 4 weeks we had 19 sports, 2,077 playoff games and crowned 106 Divisional Champions. All sports were featured on our social media platforms with tremendous growth in followers on all of them. Local dealer participation from our Ford sponsorship at games was fantastic and very energized. Ford is looking forward to partnering with high schools to award scholarships and other potential gifts to local schools directly. Executive Committee participation in the Athletic Administrators Summit is free of charge, so all members are invited to attend.

E. Communications Report

Thom Simmons

Ballys Sports West is planning to do more Olympic Sport livestreams in their 50 allowable events as this was an Olympic year. By cutting down on some football coverage weekly, they will be able to include others. The CIF-SS is working with the NFHS Network to increase the number of Pixellot units in schools. NFHS Network is offering 2 units per school, free installation and immediate revenue share from subscriptions rather than the 5-year waiting period in previous years. CIF-SS Office will be sending more information out on this in the near future. Jackie Gibson and Thom Simmons are working on the redesign of the Southern Section website and are currently talking to potential design groups. Meeting with National Association of Sports Officials (NASO) and NFHS on potential new officials recruiting PSA's that would be plugged into contractual spots we have with Ballys Sports, NFHS Network and any secondary broadcast groups. Working on new school-based campaign to partner with member schools in identifying potential new officials from their graduating student-athlete ranks. Doing interviews with the Commissioner over the next two weeks with various media outlets discussing the upcoming 2021-22 school year.

6. REPORTS

A. NFHS Summer Meeting Reports

Monica Colunga Jim Perry

Dr. Monica Colunga – Attended the NFHS Summer Meeting in Orlando, Florida. Dr. Colunga went to a Women's Leadership Summit which was an interview session with 3 female State Executive Directors and women of color. Monica thought the information resonated and while women have come a long way professionally, there is still a long way to go. She attended a session on Transgender Sport Participation where the presenters explored the impact of transgender participation in championship events. Finally, there was a mention of the need to educate parents on the benefit of education-based athletics, in that they are an extension of the school day.

Jim Perry – Echoed Monica's sentiments about attending the transgender participation break out. Stated there is the need for more research and understanding of how participation is affecting high school results. Currently there is not a lot of data out there with most references being made to one court case involving Track and Field. Jim mentioned his support of our competitive equity model as the rest of the country is still using antiquated methods of placement. Jim stated the need for help from school leadership in educating parents on the benefits of high school-based athletics. He reminded the group of the misinformation parents pick up from other athletic entities where much of the motivation to retain students is monetarily based (collecting club dues) with the promise of college scholarships (of which there are not that many).

B. President's Report

Mike West

President Mike West was complimentary of the organization's accomplishments over the past school year. He was proud of what was able to be done and reflected on how fortunate we are under normal circumstances in our schools and this year drove that home. We are not through the woods of COVID challenges yet and we must be leaders and examples to not digress.

C. Treasurer's Report

Chris Calderwood

Treasurer Chris Calderwood reported that the 2020-2021 audit will be starting in October. GoFan partnership is growing with over 201,000 tickets sold in the last school year and we will be going solely to GoFan for all events in the upcoming year. Schools are using it for sports and other ticketed events (dances) on campus. Membership sport fees are due on October 1 and over 100 schools are paid to date.

D. Commissioner's Report

Rob Wigod

Commissioner Rob Wigod was thankful for this special day at SoFi Stadium and appreciative of being able to be with the Executive Committee in person. We are starting the year on track with the regular sports calendar being observed. We are experienced in masking, testing and other protective protocols on campuses to allow sports to happen, if circumstances change. CIF-SS Home trainings have already taken place and Fall Eligibility Workshops are ongoing. New Principal and AD trainings are also coming in September. Commissioner Wigod thanked everyone for their support of our office and thanked the CIF-SS staff for their excellent work. He expressed how proud he is of our member schools and teams who remained focused on staying the course and was pleased with all that was accomplished at the end of the 2021-2022 school year.

Proposal Recommendation

Type: Constitution Revision

Proposal Summary: The CIF Executive Committee is proposing revisions to Article 70.D. (Terms of Office). The proposed revision to Article 70.D.(6) will provide balance to our election process and potential committee turnover. Beginning with the 2022-2023 school year, this would result in two (2) open positions available for election to the Executive Committee plus an at large representative appointed in odd numbered years and three (3) open positions available for election to the Executive Committee in even numbered years. If passed, this revision to Article 70.D.(6) would be automatically revoked following the Executive Committee appointment of the At-Large Representative at their June 2022 meeting and the two (2)-year term for the At-Large Representative would be reinstated for June 2023 appointee. The proposed revision to Article 70.D.(7) would allow for an Executive Committee member who, in the second year of their term, ceases to be a representative of their Section to the Federated Council to remain as an additional representative of their Section until the end of that representative's prescribed term. This would not change the number of weighted votes for that Section(s).

Fiscal Impact: None

Background: In February of 2019, the Federated Council approved a revision to Article 70.D. (Terms of Office) which changed the term of Executive Committee members (including the At-Large member) from one (1) year to two (2) years. This revision would temporarily revise that Article to provide balance to our election process.

The above Article revisions are for immediate implementation.

70.D. Terms of Office

- (1) The President-Elect will serve two (2) years before assuming the presidency. The President-Elect shall assume the office of President immediately following service in the office of President-Elect. (Revised May 2002 Federated Council)
- (2) The President shall serve a two (2)-year term.
- (3) The Past-President shall serve a two (2)-year term immediately following service as President.
- (4) Other committee members shall be elected annually by the Federated Council to serve a two (2)-year term. An Executive Committee member may serve for two (2) consecutive terms of two (2) years each.
- (5) If there is a break of one (1) year in the service of an Executive Committee member as a member of the committee, that member may be eligible for nomination, election and service for one (1) additional term of office as an Executive Committee member but no one shall be eligible to serve more than a total of six (6) years on the committee.
- One (1) At-Large Representative from the Federated Council, in an effort to reflect both gender and ethnic representation, shall be appointed for a two one (2 1)-year term (see Note below).
- (7) If in the second year of their term, an Executive Committee member ceases to be a representative of their Section to the Federated Council, that Executive Committee member may remain as an additional representative of their Section until the end of that representatives prescribed term.

Note: For item 70.D.(6) above, the At-Large Representative appointed by the Executive Committee at their June 2022 meeting shall serve a one (1)-year term. The person appointed to serve this one (1)-year term shall be eligible to serve two additional two (2)-year terms unless it is the current appointee who would be eligible to serve only one additional two (2)-year term.

Proposal Originated: Executive Committee

Proposal Reviewed

09/01/21 - Executive Committee 10/08/21 - Federated Council

Proposal Recommendation

First Reading; Forward to FC

First Reading

Type: Constitution Revision

Proposal Summary: The CIF Executive Committee is proposing a revision to Article 70.E. (Nominations). The proposed revision to Article 70.E.(6) would reduce the number of nominations for the Executive Committee from seven (7) to five (5) due to the number of open Executive Committee positions being reduced from five (5) each year to either three (3) in even numbered years or two (2) in odd numbered years.

Fiscal Impact: None

Background: In February of 2019, the Federated Council approved a revision to Article 70.D. (Terms of Office) which changed the term of Executive Committee members (including the At-Large member) from one (1) year to two (2) years and staggered their terms. Prior to this revision, there were five (5) open Executive Committee positions each year and the Nominating Committee would nominate at least seven (7) candidates for these positions. This revision would reduce the number of nominations given that there are fewer open positions each year.

70.E. **Nominations**

- (1) Each year, the President shall appoint a nominating committee consisting of at least five (5) members. Members of the nominating committee shall be selected from among the Federated Council and may include no more than two (2) current members of the Executive Committee.
- (2) The Executive Director and the President shall be ex-officio members of the Nominating Committee.
- (3) Nominations for the Executive Committee shall be presented to the Federated Council at the meeting prior to the election.
- (4) Nominations for President-Elect will occur in even numbered years.
- (5) Each person nominated for an officer or other Executive Committee seat must be a current member of the Federated Council at the time of nomination and election.
- (6) The Nominating Committee will name at least seven five (7.5) candidates for two (2)-year terms for the Executive Committee and at least two (2) candidates for President-Elect.

 (Approved January 2020 Federated Council)
- (7) Nominations will also be accepted from the floor at the Federated Council meeting whereupon nominations are presented.
- (8) Nominations for an at-large representative will be solicited from Sections and Allied Organizations after the election of Executive Committee members. The Executive Committee, at its June meeting, will select a candidate from among those nominations to serve as an at-large representative.

Dr. Rodas,

The Wiseburn Da Vinci CIF appeal of being placed in the Ocean League was not accepted today by the SBAA by a vote of 12-6. However another option was offered that would place Wiseburn Da Vinci in the Pioneer league. This was voted on and passed 18-0. Wiseburn Da Vinci sees this as a fair placement.

We appreciate the SBAA in helping us through this process and look forward to next year.

Sincerely,

D.R. Moreland

Rob,

During the SBAA meeting today, we first discussed the recommendation from EC to support DaVinci's appeal to be placed in the Ocean League. After significant discussion about that option the members voted against the Ocean League option 6-12 (vote count in Lauren's email below). A further discussion ensued, including me reaching out to you via text to confirm that we could agree on a compromise and revote. We discussed the option of placing DaVinci into the Pioneer league (as opposed to the Ocean league). We compared school size, geography, and competitive equity as factors that impacted why Pioneer would be a better fit for DaVinci (as well as the current Ocean League Schools). After lengthy discussion on the option of moving DaVinci to the Pioneer League, we held a vote and the idea was supported 18-0 in favor of the Pioneer League option. DaVinci was in agreement with this option and agreed to send me a statement of such fact. I do not have that statement yet but I did receive the verbal agreement from both their administrator and their athletic director who were both

in attendance. As soon as the DaVinci AD sends me the statement, I will forward it to you for the Executive Committee's review.

Stay safe, be well, & remain #CardinalStrong,
