**TO: CIF Southern Section Athletic Directors**  
**FROM: Rob Wigod, Commissioner of Athletics**  
**RE: Friends of Golf Donation for Golf Programs**  
**DATE: February 1, 2022**

The Friends of Golf organization has again generously agreed to help support our golf programs in the Southern Section this year as they have in the past.

In order to assist those programs in need, first consideration will be given to schools with girls programs and requests from programs that have not previously received funds.

If your school would like to petition this office as a possible recipient of a stipend from the Friends of Golf, please follow the link below and complete the request form, setting forth the following criteria:

- (a) Why your program feels a need for funding and specific areas in your golf program where the need exists.
- (b) How the funds will be utilized within your golf program.
- (c) As in the past, we ask that you work with your school, student body, team members, etc. to match the gift by a fund-raising project of your choice. What would you plan to do to produce additional revenue for your golf program?
- (d) Schools that did not acknowledge their gifts from the Friends of Golf last year will **not** be considered for funding this year.

Please complete the form indicating your request for funding **on or before Friday, March 18, 2022 at 4:00 p.m.** We have been asked to remind all schools that this gift must be presented before your Board of Education for approval.

Recipients will receive checks in early April.
