3. ACTION ITEMS

A. STATE FEDERATED COUNCIL ACTION ITEMS

1. Proposed Revision to Bylaw 70.D - President-Elect Jim Perry presented this proposal regarding terms of office for the CIF Executive Committee. The proposal would balance the number of Executive Committee positions up for election each year. The revisions focused on the number of people elected and in what years alternating between even and odd numbered years.

There was a motion by the Mission League and a second by the Desert Valley League to adopt the motion as written. There being no discussion, the motion was approved. Motion Carried: 88-0-0

B. SOUTHERN SECTION ACTION ITEMS

1. Proposed Revision to Bylaw 1203.1 – Proposal #1 - President Mike West reviewed SS 627. This proposal would alter Bylaw 1203.1 allowing any recognized accredited officials organization to be allowed to service CIF Southern Section schools regardless if they are in good

standing with the overall official's association for each sport. There was a motion by the Mission League and a second by the Desert Valley League to adopt the motion as written.

Ms. Laura Reardon from de Toledo High School and the Coastal League spoke in support of the proposal expressing the need for a second swim officials' organization to service the member schools. Currently, according to Ms. Reardon, SCAF does not have enough swim officials to service the members. If COSDA can be an approved and recognized official group, it would allow for more officials to cover more schools requiring less meet date changes. Discussion / Questions from the floor: Why didn't the Executive Committee vote to approve the motion? President West could not speak for everyone but informed the Council that he voted against the motion due to the possible issues this would arise if multiple officials' organizations were in place to service the schools.

Would this rule change affect all sports, not just swimming? Yes, this would change the Bylaw for all sports. Motion Failed: 4 – 76 – 7

2. Proposed Revision to Bylaw 1203.1 – Proposal #2 - President Mike West reviewed SS 628. This proposal would remove Southern Section Bylaw 1203.1 entirely. The proposal would allow all accredited officials associations to service CIF Southern Section member schools regardless if they are in good standing with the overall official's association for each sport. There was a motion by the Wave League and a second by the Mission League to adopt the motion as writ-

ten. There was no discussion. Motion Failed: 5 – 80 – 3

COUNCIL

(February 1, 2022 Continued from page 2)

1. Proposed 2022-23 CIF Southern Section Budget - President Mike West turned the budget presentation over to Chief Financial Officer Mitch Carty. Mr. Carty outlined the changes in the budget for the 2022-2023 school year highlighting the changes in revenue, expenses, GoFan revenue, COLA increase and health benefits. Mr. Carty also stated that a balanced budget will be presented along with no membership sports fee increases, ticket price increases or assessments. Overall, Mr. Carty is projecting a normal budget year with projected expenses and revenue. Additional details of the proposed budget can be found at the conclusion of these minutes.

2. CIF Southern Section Executive Committee Nominations - President West reviewed the CIF Southern Section Nominating Committees slate of candidates for the 2022-2023 CIF Southern Section Executive Committee. Candidates included:

President Elect – Dr. Paula Rodas, Principal, Lawndale High School and Mr. Jeff Williams, District Athletic Director, Antelope Valley Union High School District. Citrus Belt Area Representative – Mr. Darel Hanson, Principal, Riverside Poly High School and Mr. Kai Lyles, Athletic Director, Desert Hot Springs High School. Mt. SAC Area Representative – Mr. Mitch Brunyer, Principal, Rowland High School and Mrs. Monica Principe, Director of Secondary Education, Pomona Unified School District.

3. Proposed Revision to Bylaw 510.1 - President Mike West reviewed Non-Action item SS 632 which was authored by the Private / Public Committee. This proposal would remove the bylaw limiting incoming 9th grade students who have participated in club/travel programs coached by high school coaches to enrollment in the public school attendance area they live in. The proposal will allow students and families to freely choose a youth program, club, etc. they wish to participate in regardless of the coaching staffs' affiliation with a high school. President West gave the floor to Mr. Brent Dohling from the Public/Private Committee, to speak on behalf of the proposal. He spoke to address the difficulties between the current bylaw and how it affects school choice and/or Intra-District Transfer options.

4. Officials Fees Proposal - President Mike West turned the discussion over to Mr. Brice Sunderland, Chair of the Officials Fees/Relations Committee to review the proposed fees agreement. He explained the new thought process in how officials should be compensated. The proposal includes the concept that determining the appropriate game fee amount is based upon the time period that an official works an athletic contest and a uniform hourly rate for Varsity and Non-Varsity games by Year 3. This does not make the official an hourly employee but rather gives a rationale as to how much they should be paid for the time they are working. Mr. Sunderland explained that this new concept is needed for the following reasons: we need to entice more officials join an association and with more officials the hope would be that less games, if any, would have to be moved from their original scheduled dates. The new hourly concept also brings the current officials pay up to a competitive level with other organizations. Matt Maeda from the San Andreas League asked: "How did the committee come up with time/length of the games for official's commitment?" Mr. Sunderland responded by stating the time for each sport was gathered by talking with the Officials

Association Presidents, Athletic Directors and reviewing NFHS rule books that stated when an official was required on site to take control of the contest. Stephanie Contreras from the Mission League: "Shouldn't the officials be paid on merit and experience?" Mr. Sunderland responded that currently there is not a process to identify individual members of a particular official's association to reward them with additional money. Rick Garcia from the Pacific View League comment: "It will be difficult for us to go back to the administration and ask for more money at this time. We have not had a football contest in two years where we were able to charge admission, therefore, we have no money at this time."

Dave Reisinger from the Southwestern League: "Can a document be sent to the schools to show a projection of increased fees?" Mr. Sunderland responded that he will prepare a document that will help you calculate a projected cost and that document will be distributed to member schools. In addition, a sample document was attached to the proposal to show a projected increase based on the number of sports and levels that schools offer.

5. Proposed Revisions to Bylaws 3419.7 & 3420.3 - President Mike West turned the discussion over to Mr. Wade Ransom from Cate High School. Mr. Ransom serves on the 8-Man Football Coaches Advisory Committee. This proposal would align 8-Man Football with the current competitive equity-based system of 11-Man Football playoff divisions. 8-Man Football playoff divisions are currently based on school enrollment and this proposal would now place teams in a respective division based on current year (regular season) data at the conclusion of the season.

6. Proposed Addition of Girls Flag Football - President Mike West relinquished the presentation of this proposal to the author, Executive Committee member Dr. Paula Rodas, representing the Coast Area and the Pioneer League. Dr. Rodas stated that the proposal would add the sport of Girls Flag Football to the list of CIF-approved sports in CIF Bylaw 1200, revise Article 120 and Bylaw 2100 and would renumber the remaining Articles related to CIF-approved sports. The implementation date of the sport would be July 1, 2023. Girls Flag Football would be played in the Spring season starting with the 2023-2024 school year. Dr. Rodas informed the Council that currently the Los Angeles Chargers and the Los Angeles Rams are financially supporting the growth of Girls Flag Football and currently eight Los Angeles area high schools are participating in a pilot season during the months of January and February of 2022.

7. Proposed Revisions to Bylaws 2419 - President Mike West turned the review and discussion of SS 639 over to Michael Welter, Girls Lacrosse Advisory Committee member. The proposal calls to align Girls Lacrosse with Boys and Girls Soccer regarding the issuing of two yellow cards during a contest. Currently in the sport of Girls Lacrosse, two yellow cards received by the same player warrants removal (ejection) from the current contest. CIF Southern Section Bylaw 1224 calls for the player to receive a subsequent game suspension due to the ejection from the last contest. The Girls Lacrosse Advisory Committee is proposing that when a player receives two yellow cards during a contest they are simply "fouling out" of that contest and they are not ejected. If they are not ejected, then they are not required to serve a subsequent game suspension. No Ejection Report would be filed by the game officials. The USA Lacrosse/NFHS Rule Book has two clear definitions for what is a suspension penalty (yellow card) and what is an

ejection (red card) so officials can clearly decide what needs to be reported and what does not.

5. REPORTS

A. Financial Report - Mitch Carty - Chief Financial Officer Mitch Carty focused his report on the conclusion of the 2021-2022 Fall Playoffs. The report highlighted an increase in net revenue for Football, Girls Volleyball and Boys' Water Polo. B. Treasurer's Report - Chris Calderwood - Treasurer Chris Calderwood announced that the 2020-2021 Audit is complete, and the findings will be presented at our next meeting. In addition, the request for forgiveness of PPP Loan #2 is still pending and he hopes to have a final announcement of that outcome at the next meeting. A last reminder to the few schools that still have not paid their membership dues please do so immediately.

C. President's Report - Mike West - President Mike West reported he was very thankful to be able to attend so many Fall Sports championships and present championship plaques unlike last year. Please do your best to continue to follow current COVID health guidelines and take the necessary steps to ensure a safe and healthy contest through the Winter Sports playoffs. President West then turned his time over to CiCi Robinson from the CIF State office. She asked member schools to help support the State CIF Title IX celebration on April 7, 2022 and requested that if any schools had contact with famous alumni she would be grateful if they could pass on their contact information so she may reach out to them.

Commissioner's Report - Rob Wigod - Commissioner Rob Wigod began by stating our Winter Sports Championships have begun with Boys and Girls Dual Meet Wrestling last weekend and will continue along with Boys/Girls Basketball, Boys/Girls Soccer and Girls Water Polo Championships. Please do your best to continue to follow the local health guidelines and our office will support you in those efforts. Commissioner Wigod announced that the Academic Awards program and Champions for Character Program and Golf Tournament are back for this school year. In addition, the Hall of Fame/Distinguished Service nominations will open today and close on May 1st. Finally, Commissioner Wigod announced that the Spring Sports calendar is on track to begin as scheduled and encouraged all member schools to continue supporting our student-athletes so they may continue to go forward doing what they love to do.
